EXPLANATORY NOTES

This Act authorizes the Government to pay out of the general fund of the Consolidated Revenue Fund, for the 2024–2025 fiscal year, a sum not exceeding \$75,544,708,960.00, representing the appropriations to be voted for each of the portfolio programs, less the appropriations already authorized.

Moreover, the Act indicates which programs are covered by a net voted appropriation. It also determines the extent to which the Conseil du trésor may authorize the transfer of appropriations between programs or portfolios.

Lastly, the Act approves the balance of the expenditure and investment forecasts for the special funds for the 2024–2025 fiscal year; and the excess special fund expenditures and investments for the 2022–2023 fiscal year.

Bill 58

APPROPRIATION ACT NO. 2, 2024–2025

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

1. The Government may draw out of the general fund of the Consolidated Revenue Fund a sum not exceeding \$75,544,708,960.00 to defray part of the Expenditure Budget of Québec tabled in the National Assembly for the 2024–2025 fiscal year, being the amount of the appropriations to be voted for each of the programs listed in Schedule 1, less the amounts totalling \$30,826,709,940.00 of the appropriations voted pursuant to Appropriation Act No. 1, 2024–2025 (2024, chapter 3).

2. In the case of programs for which a net voted appropriation appears in the Expenditure Budget, the amount of the appropriation for the programs concerned may be increased, subject to the stipulated conditions, when the revenues associated with the net voted appropriation exceed revenue forecasts.

3. The Conseil du trésor may authorize the transfer between programs or portfolios of the portion of an appropriation for which provision has been made to that end, for the purposes of and, where applicable, according to the conditions described in the Expenditure Budget.

Furthermore, it may, in cases other than the transfer of a portion of an appropriation referred to in the first paragraph, authorize the transfer of a portion of an appropriation between programs in the same portfolio, insofar as such a transfer does not increase or decrease the amount of the appropriation authorized by law by more than 15.0%, excluding, where applicable, the portion of the appropriation for which provision has been made.

4. The balance of the expenditure and investment forecasts for the special funds listed in Schedule 2 is approved for the 2024–2025 fiscal year.

5. The excess special fund expenditures and investments for the 2022–2023 fiscal year listed in Schedule 3 are approved.

6. This Act comes into force on 7 May 2024.
