EXPLANATORY NOTES

The object of this bill is to give effect to the reform of government accounting policies announced by the Minister of Finance in the Budget Speech of 31 March 1998. In particular, it proposes that expenditures made but not recorded as at 1 April 1997 be included in the net debt of the Government.

The bill provides that the payment of such expenditures is to be made out of the consolidated revenue fund, at the times and subject to the terms and conditions approved by the Minister of Finance, in cases where the payment has not been authorized by specific enactment.

A further object of the bill is to authorize the Government to pay out of the consolidated revenue fund a sum of \$344,129,500.00 for the fiscal year 1997-98 and a sum of \$78,390,900.00 for the fiscal year 1998-99, being the estimates to be voted for each of the programs of the portfolios listed in the schedules and representing Supplementary Estimates 1997-98, and the Supplementary Estimates 1998-99.

Lastly, the bill contains amendments to the Financial Administration Act (R.S.Q., chapter A-6).

LEGISLATION AMENDED BY THIS BILL :

- Financial Administration Act (R.S.Q., chapter A-6).

LEGISLATION REPEALED BY THIS BILL :

- Act to establish a departure incentive management fund (R.S.Q., chapter F-3.2.0.2).
