EXPLANATORY NOTES

The purpose of this bill is to make the Société des Traversiers du Québec subject to the Act respecting the governance of state-owned enterprises and to include new, specially adapted governance rules in the Société's constituting Act.

These new rules affect such aspects as the composition of the board of directors of the Société, which will consist of nine board members, including the chair and the president and chief executive officer. The bill separates the functions of the chair of the board and those of the president and chief executive officer of the Société and prescribes the rules of appointment for both positions.

New rules are also to apply to the functioning of the board of directors, the establishment of committees under the board, and the disclosure and publication of information. The bill also contains amendments designed to modernize the administration of the Société, in particular with regard to its powers.

Finally, the bill contains transitional provisions and consequential amendments.

LEGISLATION AMENDED BY THIS BILL:

- Act respecting the governance of state-owned enterprises (R.S.Q., chapter G-1.02);
- Act respecting the Société des Traversiers du Québec (R.S.Q., chapter S-14);
- Act respecting contracting by public bodies (2006, chapter 29).
