“A property used in the course of the operator’s marketing activities or administrative activities is not a property used in mining operation activities from the first accumulation site of a mineral substance following its extraction from the mine.”

(2) Paragraphs 1 to 7 and 9 of subsection 1 apply to a fiscal year that begins after 31 December 2013. In addition, when section 9 of the Act applies after 30 March 2010 and before 1 January 2014, the definition of “class 4 property” in that section is to be read as follows:

““class 4 property” means a road, a building, equipment or service property acquired after 30 March 2010 that is not class 3 property and is regularly used in the mining operation;”.

(3) Paragraph 8 of subsection 1 has effect from 6 May 2013.

53. (1) The Act is amended by inserting the following section after section 9.1:

“9.1.1. Where the fiscal year of an operator comprises fewer than 12 months, the depreciation allowance must not exceed the proportion of the maximum amount deductible under any of sections 10, 10.1.1, 10.9 and 10.11 that the number of days in the fiscal year is of 365.”

(2) Subsection 1 has effect from 1 January 2014.

54. (1) The Act is amended by inserting the following heading before section 10:

“§2. — *Rules relating to classes 1, 2, 3 and 4*”.

55. (1) Section 10 of the Act is amended by replacing “section 14” in the portion before paragraph 1 by “section 9.1.1”.

(2) Subsection 1 has effect from 1 January 2014.

56. (1) Section 10.1.1 of the Act is amended

(1) by replacing “section 14” in the portion of the first paragraph before subparagraph 1 by “section 9.1.1”;

(2) by replacing “undepreciated portion of the capital cost” in subparagraph 1 of the first paragraph by “undepreciated capital cost”;

(3) by replacing the second paragraph by the following paragraph:

“Despite the first paragraph, an operator may deduct an amount as a depreciation allowance in respect of class 4 property in computing its annual earnings from a mine it operates for a fiscal year only if it deducts the maximum amount as a depreciation allowance in respect of class 1 property, class 2 property and class 3 property in computing its annual earnings from the mine for the fiscal year.”

(2) Paragraph 1 of subsection 1 has effect from 1 January 2014.

(3) Paragraph 3 of subsection 1 applies to a fiscal year that ends after 30 March 2010. However, when section 10.1.1 of the Act applies to a fiscal year that ends after 30 March 2010 and that includes that date, the second paragraph of that section is to be read as if “annual earnings from a mine it operates” and “annual earnings from the mine” were replaced by “annual profit”.

57. (1) Section 10.2 of the Act is amended by replacing “in section 9” in the second paragraph by “in the first paragraph of section 9”.

(2) Subsection 1 has effect from 1 January 2014.

(2) Subsection 1 has effect from 1 January 2014.

61. (1) The Act is amended by inserting the following after section 10.5:

“§3.—*Rules relating to class transfers*

“**10.6.** Property used in mining operation activities from the first accumulation site of a mineral substance following its extraction from the mine, that an operator owns at the time of the transfer and that is at that time class 1 property, class 2 property, class 3 property or class 4 property of the operator, is deemed to become, immediately after that time, class 1A property, class 2A property, class 3A property or class 4A property of the operator, respectively.

“**10.7.** The undepreciated capital cost of the operator’s class 1A property, immediately after the time of the transfer, is deemed to be equal to the proportion of the undepreciated capital cost of the operator’s class 1 property at the time of the transfer that the capital cost to the operator of all the class 1A property referred to in section 10.6 is of the capital cost of all the class 1 property the operator owns at the time of the transfer.

The undepreciated capital cost of the operator’s class 1 property, immediately after the time of the transfer, is deemed to be equal to the amount by which the undepreciated capital cost of the operator’s class 1 property at the time of the transfer exceeds the undepreciated capital cost of the operator’s class 1A property immediately after the time of the transfer.

The undepreciated capital cost of the operator’s class 2A property, immediately after the time of the transfer, is deemed to be equal to the proportion of the undepreciated capital cost of the operator’s class 2 property at the time of the transfer that the capital cost to the operator of all the class 2A property referred to in section 10.6 is of the capital cost of all the class 2 property the operator owns at the time of the transfer.

The undepreciated capital cost of the operator’s class 2 property, immediately after the time of the transfer, is deemed to be equal to the amount by which the undepreciated capital cost of the operator’s class 2 property at the time of the transfer exceeds the undepreciated capital cost of the operator’s class 2A property immediately after the time of the transfer.

The undepreciated capital cost of the operator’s class 3A property, immediately after the time of the transfer, is deemed to be equal to the proportion of the undepreciated capital cost of the operator’s class 3 property at the time of the transfer that the capital cost to the operator of all the class 3A property referred to in section 10.6 is of the capital cost of all the class 3 property the operator owns at the time of the transfer.

The undepreciated capital cost of the operator’s class 3 property, immediately after the time of the transfer, is deemed to be equal to the amount by which the undepreciated capital cost of the operator’s class 3 property at the time of the transfer exceeds the undepreciated capital cost of the operator’s class 3A property immediately after the time of the transfer.

The undepreciated capital cost of the operator's class 4A property, immediately after the time of the transfer, is deemed to be equal to the proportion of the undepreciated capital cost of the operator's class 4 property at the time of the transfer that the capital cost to the operator of all the class 4A property referred to in section 10.6 is of the capital cost of all the class 4 property the operator owns at the time of the transfer.

The undepreciated capital cost of the operator's class 4 property, immediately after the time of the transfer, is deemed to be equal to the amount by which the undepreciated capital cost of the operator's class 4 property at the time of the transfer exceeds the undepreciated capital cost of the operator's class 4A property immediately after the time of the transfer.

“10.8. Where, because of section 10.6, one or more of an operator's particular properties of one class (in this section referred to as the “old class”) are deemed to have become properties of another class (in this section referred to as the “new class”), the following rules apply for the purpose of determining, at a given time that is subsequent to the time of the transfer, the undepreciated capital cost to the operator of the property of the old class and of the new class:

(1) for the purposes of subparagraph *a* of paragraph 1 of the definition of “undepreciated capital cost” in the first paragraph of section 9, each of the particular properties is deemed to be a property of the new class acquired before the given time and never to have been included in the old class; and

(2) the amount by which the aggregate of all amounts each of which is the capital cost to the operator of each of the particular properties exceeds the undepreciated capital cost of the property of the new class immediately after the time of the transfer is deemed to be a depreciation allowance granted to the operator in respect of the property of the new class and to no longer be a depreciation allowance granted to the operator in respect of the property of the old class.

“§4. — *Rules relating to classes 1A, 2A, 3A and 4A*

“10.9. Subject to section 9.1.1, the amount that an operator may deduct, under subparagraph *b* of subparagraph 2 of the second paragraph of section 8.1.1, in respect of class 1A property, class 2A property or class 3A property as a depreciation allowance in computing the mine-mouth output value in respect of a mine it operates, for a fiscal year, must not exceed the portion, reasonably attributable to the operation of the mine, of the least of

(1) the part of the capital cost of the property of that class, for the fiscal year;

(2) the undepreciated capital cost of the property of that class, before any deduction under that subparagraph *b*, at the end of the fiscal year; and

(3) where the operator no longer owns property of that class at the end of the fiscal year, zero.

“10.10. The part of the capital cost referred to in paragraph 1 of section 10.9 for a fiscal year is equal to the amount obtained by applying, in respect of the property of a class acquired before the end of the fiscal year, the following percentage:

(1) 15% of the total of all amounts each of which is the capital cost of each class 1A property;

(2) 30% of the total of all amounts each of which is the capital cost of each class 2A property; and

(3) 100% of the total of all amounts each of which is the capital cost of each class 3A property.

“10.11. Subject to section 9.1.1, the amount that an operator may deduct, under subparagraph *b* of subparagraph 2 of the second paragraph of section 8.1.1, in respect of class 4A property as a depreciation allowance in computing the mine-mouth output value in respect of a mine it operates, for a fiscal year, must not exceed the portion, reasonably attributable to the operation of the mine, of the lesser of

(1) the amount obtained by multiplying the undepreciated capital cost of the property of that class at the end of the fiscal year before any deduction under that subparagraph *b* at the end of the fiscal year, by 30%; and

(2) where the operator no longer owns property of that class at the end of the fiscal year, zero.

Despite the first paragraph, an operator may deduct an amount as a depreciation allowance in respect of class 4A property in computing the mine-mouth output value in respect of a mine it operates, for a fiscal year, only if it deducts the maximum amount as a depreciation allowance in respect of class 1A property, class 2A property and class 3A property in computing the mine-mouth output value in respect of the mine, for the fiscal year.

“10.12. The amount that an operator is required to include in computing its annual earnings from a mine for a fiscal year, under subparagraph *e* of subparagraph 1 of the fourth paragraph of section 8, and in computing the mine-mouth output value in respect of the mine it operates, for the fiscal year, under subparagraph *e* of subparagraph 1 of the second paragraph of section 8.1.1, in respect of class 1A property or class 2A property, is equal to the proportion of the amount determined under the second paragraph that the use of the property of the class that is reasonably attributable to the operation of the mine for the particular fiscal year is of the total use of that property in that fiscal year.

The amount referred to in the first paragraph is equal to the amount by which the aggregate of the amounts referred to in subparagraphs *a* to *h* of paragraph 2 of the definition of “undepreciated capital cost” in the first paragraph of section 9, in respect of the class, exceeds the aggregate of the amounts referred to in subparagraphs *a* to *d* of paragraph 1 of the definition of that expression.

“10.13. The amount that an operator is required to include in computing its annual earnings from a mine for a fiscal year, under subparagraph *e* of subparagraph 1 of the fourth paragraph of section 8, and in computing the mine-mouth output value in respect of the mine it operates, for the fiscal year, under subparagraph *e* of subparagraph 1 of the second paragraph of section 8.1.1, in respect of class 3A property or class 4A property, is equal to the amount by which the aggregate of the amounts referred to in subparagraphs *a* to *h* of paragraph 2 of the definition of “undepreciated capital cost” in the first paragraph of section 9, in respect of that class, exceeds the aggregate of the amounts referred to in subparagraphs *a* to *d* of paragraph 1 of the definition of that expression, up to the portion of that excess amount that is reasonably attributable to the operation of the mine.

“10.14. Where, because of section 10.6, one or more of an operator’s properties included in any of classes 1, 2, 3 and 4 are deemed, immediately after the time of the transfer, to have become properties of any of classes 1A, 2A, 3A and 4A (in this section referred to as the “new class”), the adjustment amount the operator may deduct in computing the mine-mouth output value in respect of a mine it operates, for a particular fiscal year, in relation to the new class, under subparagraph *c* of subparagraph 2 of the second paragraph of section 8.1.1, is equal to

(1) in relation to any of classes 1A, 2A and 3A, the proportion of the amount that is required to be included in computing the mine-mouth output value in respect of the mine, for the particular fiscal year, in relation to the new class, under subparagraph *e* of subparagraph 1 of the second paragraph of section 8.1.1 that the amount determined under paragraph 2 of section 10.8 in relation to the new class is of the total of the amount determined under that paragraph 2 and any depreciation allowance granted to the operator in respect of the property of the new class under subparagraph *b* of subparagraph 2 of the second paragraph of section 8.1.1; or

(2) in relation to class 4A, the lesser of

(*a*) the proportion of the amount that is required to be included in computing the mine-mouth output value in respect of the mine, for the particular fiscal year, in relation to the new class, under subparagraph *e* of subparagraph 1 of the second paragraph of section 8.1.1 that the amount determined under paragraph 2 of section 10.8 in relation to the new class is of the total of the amount determined under that paragraph 2 and any depreciation allowance granted to the operator in respect of the property of the new class under subparagraph *b* of subparagraph 2 of the second paragraph of section 8.1.1, and

(b) the amount by which the amount determined under paragraph 2 of section 10.8 in relation to the new class exceeds the aggregate of all amounts each of which is an adjustment amount the operator deducted, in relation to the new class, under subparagraph *c* of subparagraph 2 of the second paragraph of section 8.1.1 for a fiscal year preceding the particular fiscal year, in respect of the mine or any other mine it operated in that preceding fiscal year, or for the particular fiscal year, in respect of another mine it operates in the particular fiscal year.

“10.15. For the purposes of subparagraph *f* of subparagraph 2 of the fourth paragraph of section 8 and subparagraph *e* of subparagraph 2 of the second paragraph of section 8.1.1, if, at the end of a fiscal year, an operator no longer owns class 1A property or class 2A property, the amount that the operator is required to deduct in computing its annual earnings from a mine for the fiscal year, and in computing the mine-mouth output value in respect of the mine for the fiscal year, in respect of property of that class, is equal to the proportion of the amount determined under the second paragraph that the use of the property of the class that is reasonably attributable to the operation of the mine for the fiscal year is of the total use of that property in the fiscal year.

The amount referred to in the first paragraph is equal to the amount by which the aggregate of the amounts referred to in subparagraphs *a* to *d* of paragraph 1 of the definition of “undepreciated capital cost” in the first paragraph of section 9, in respect of the class, exceeds the aggregate of the amounts referred to in subparagraphs *a* to *h* of paragraph 2 of the definition of that expression.

“10.16. For the purposes of subparagraph *f* of subparagraph 2 of the fourth paragraph of section 8 and subparagraph *e* of subparagraph 2 of the second paragraph of section 8.1.1, if, at the end of a fiscal year, an operator no longer owns class 3A property or class 4A property, the amount that the operator is required to deduct in computing its annual earnings from a mine for the fiscal year, and in computing the mine-mouth output value in respect of the mine, for the fiscal year, in respect of property of that class, is equal to the amount by which the aggregate of the amounts referred to in subparagraphs *a* to *d* of paragraph 1 of the definition of “undepreciated capital cost” in the first paragraph of section 9, in respect of property of that class, exceeds the aggregate of the amounts referred to in subparagraphs *a* to *h* of paragraph 2 of the definition of that expression, up to the portion of the excess amount that is reasonably attributable to the operation of the mine.

“10.17. In computing the annual earnings from a mine an operator operates for a fiscal year, the operator is required to deduct for the fiscal year, as a depreciation allowance in respect of class 1A property, class 2A property, class 3A property and class 4A property, under subparagraph *b* of subparagraph 2 of the fourth paragraph of section 8, an amount equal to the amount the operator deducted as such for the fiscal year in computing the mine-mouth output value in respect of the mine under subparagraph *b* of subparagraph 2 of the second paragraph of section 8.1.1.

“§5.—*Deemed alienation of property*

“**10.18.** Persons or partnerships ceasing, for an indeterminate period, all activities that relate to their mining operation are deemed to alienate, at the time (in this paragraph referred to as the “time of the alienation”) that is immediately before the time the fiscal year in which those activities cease ends, in accordance with section 2.1, each of their properties of a class for proceeds of alienation equal to the lesser of the fair market value of the property at the time of the alienation and the capital cost of the property at that time.

Persons or partnerships resuming, at any time, their activities that relate to the mining operation referred to in the first paragraph are deemed to reacquire, at that time, each of the properties referred to in the first paragraph and owned by them at that time for a capital cost equal to the lesser of the fair market value of the property at that time and the proceeds of alienation of the property determined in accordance with the first paragraph.

“**10.19.** Operators ceasing, at any time and otherwise than in the circumstances described in section 10.18, to actually use in their mining operation a class 1 property, a class 1A property, a class 2 property or a class 2A property, or to regularly use in their mining operation a class 3 property, a class 3A property, a class 4 property or a class 4A property, are deemed to alienate the property at that time for proceeds of alienation equal to the lesser of the fair market value of the property at that time and its capital cost at that time and to reacquire it after that time for a capital cost equal to those proceeds of alienation.”

(2) Subsection 1, when it enacts sections 10.6 to 10.17 of the Act, applies to a fiscal year that begins after 31 December 2013.

(3) Subsection 1, when it enacts section 10.18 of the Act, applies to persons or partnerships ceasing all activities that relate to their mining operation at a time that occurs after 5 May 2013.

(4) Subsection 1, when it enacts section 10.19 of the Act, applies to persons or partnerships ceasing to use a property in their mining operation at a time that occurs after 5 May 2013.

62. (1) Section 14 of the Act is repealed.

(2) Subsection 1 has effect from 1 January 2014. In addition, when section 14 of the Act applies after 30 March 2010, it is to be read as if “section 10” were replaced by “section 10 or 10.1.1”.

63. (1) Section 16.3 of the Act is amended by replacing “in section 9” in paragraph 1 by “in the first paragraph of section 9”.

(1) the aggregate of the amounts determined by the following formula in respect of each property of the operator (in this section referred to as the “particular property”) that is a processing asset used in processing ore from the mine in the fiscal year and that is in the operator’s possession at the end of the fiscal year:

$A \times B$; and

(2) an amount corresponding to the greater of

(a) 75% of the operator’s annual earnings from the mine, for the fiscal year, determined without reference to subparagraphs *d*, *e*, *g* and *h* of subparagraph 2 of the fourth paragraph of section 8, and

(b) 30% of the operator’s mine-mouth output value in respect of the mine, for the fiscal year, determined without reference to subparagraph *d* of subparagraph 2 of the second paragraph of section 8.1.1.

In the formula in subparagraph 1 of the first paragraph,

i. 10% of the capital cost of the particular property where the property is used solely in processing ore from a gold or silver mine, or

ii. the amount by which 20% of the capital cost of the particular property, where the property is used in processing ore other than ore from a gold or silver mine, exceeds the aggregate of 7% of the proportion of the capital cost of the particular property that the quantity of ore that is smelted or refined by the operator outside Québec, or is the subject of hydrometallurgy activity carried on by the operator outside Québec, and the processing of which required the use of the particular property, is of the total quantity of ore the processing of which required the use of the particular property, and 10% of the proportion of the capital cost of the particular property, where it is used for concentration purposes, that the quantity of ore concentrated by the operator, which is not smelted or refined by the operator, or is not the subject of hydrometallurgy activity carried on by the operator, and the processing of which required the use of the particular property, is of the total quantity of ore the processing of which required the use of the particular property.”

(2) Subsection 1 has effect from 1 January 2014.

67. (1) Section 21 of the Act is amended

(1) by replacing the portion of the first paragraph before subparagraph 1 by the following:

“**21.** Subject to section 25, the amount that an operator may deduct as a processing allowance in computing its annual earnings from a mine for a fiscal

year that begins after 30 March 2010 but before 1 January 2014, under subparagraph *d* of subparagraph 2 of the fourth paragraph of section 8, must not exceed the lesser of”;

(2) by replacing subparagraph 1 of the first paragraph by the following subparagraph:

“(1) the aggregate of the amounts determined by the following formula in respect of each property of the operator (in this section referred to as the “particular property”) that is a processing asset used in processing ore from the mine in the fiscal year and that is in the operator’s possession at the end of the fiscal year:

$A \times B$; and”;

(3) by replacing subparagraph 1 of the second paragraph in the French text by the following subparagraph:

(2) Subsection 1 has effect from 1 January 2014.

69. (1) Section 26.0.1 of the Act is amended by replacing “section 9” in the portion of the second and third paragraphs before subparagraph 1 by “the first paragraph of section 9”.

(2) Subsection 1 has effect from 1 January 2014.

70. (1) The Act is amended by inserting the following before section 30:

“DIVISION I

“MINING TAX ON ANNUAL PROFIT

“**29.1.** An operator’s mining tax on its annual profit for a fiscal year that begins after 31 December 2013 is equal to the aggregate of

(1) the amount determined by the formula

$16\% (A \times B/C)$;

(2) the amount determined by the formula

$22\% (A \times D/C)$; and

(3) the amount determined by the formula

$28\% (A \times E/C)$.

In the formulas in the first paragraph,

(1) A is the operator's annual profit for the fiscal year;

(2) B is 35% or, if it is lesser, the operator's profit margin for the fiscal year;

(3) C is the operator's profit margin for the fiscal year;

(4) D is 15% or, if it is lesser, the amount by which the operator's profit margin for the fiscal year exceeds 35%; and

(5) E is the amount by which the operator's profit margin for the fiscal year exceeds 50%.

For the purposes of the second paragraph, an operator's profit margin for a fiscal year means the proportion that the operator's annual profit for the fiscal year is of the aggregate of all amounts each of which is the gross value of the operator's annual output, for the fiscal year, from a mine it operates in the fiscal year.

For the purpose of determining the profit margin of an operator for a fiscal year, the following rules apply:

(1) where the annual profit of the operator for the fiscal year is greater than the aggregate described in the third paragraph for the fiscal year, the operator's profit margin for the fiscal year is deemed to be equal to 100%; and

(2) where the aggregate described in the third paragraph for the fiscal year is equal to zero, the aggregate is deemed to be equal to \$1."

(2) Subsection 1 has effect from 1 January 2014.

71. (1) Section 30 of the Act is replaced by the following section:

“30. The amount that an operator is required to pay, under the second paragraph of section 5, as duties for a fiscal year that begins before 1 January 2014 is equal to the amount obtained by multiplying its annual profit for the fiscal year by its tax rate for the fiscal year.”

(2) Subsection 1 has effect from 1 January 2014.

72. (1) The Act is amended by inserting the following after section 30:

“DIVISION II

“MINIMUM MINING TAX

“30.1. An operator’s minimum mining tax for a fiscal year that begins after 31 December 2013 is equal to the aggregate of

(1) the amount obtained by multiplying 1% by the lesser of

(a) the aggregate of all amounts each of which is the operator’s mine-mouth output value for the fiscal year in respect of a mine it operates in the fiscal year, and

(b) the operator’s reduced-rate taxable amount for the fiscal year; and

(2) the amount obtained by multiplying 4% by the amount by which the aggregate of all amounts each of which is the operator’s mine-mouth output value for the fiscal year in respect of a mine it operates in the fiscal year exceeds the operator’s reduced-rate taxable amount for the fiscal year.

“30.2. For the purposes of section 30.1, an operator’s reduced-rate taxable amount for a fiscal year is equal to

(1) if the operator is not a member of an associated group in the fiscal year, \$80,000,000; and

(2) if the operator is a member of an associated group in the fiscal year, an amount attributed for the fiscal year to the operator pursuant to the agreement described in the second paragraph and filed with the Minister in the prescribed form containing prescribed information or, if no amount is attributed to the operator under the agreement or in the absence of such an agreement, zero.

The agreement to which subparagraph 2 of the first paragraph refers is the agreement under which all the operators that are members of the associated group in the fiscal year attribute for the fiscal year to one or more of their number, for the purposes of this section, one or more amounts the total of which does not exceed \$80,000,000.

If the aggregate of the amounts attributed, for a fiscal year, pursuant to an agreement described in the second paragraph and entered into with the operators that are members of an associated group in the fiscal year exceeds \$80,000,000, the amount determined under subparagraph 2 of the first paragraph in respect of each of those operators for the fiscal year is deemed, for the purposes of this section, to be equal to the proportion of \$80,000,000 that that amount is of the aggregate of the amounts attributed for the fiscal year under the agreement.

For the purposes of this section, an associated group in a fiscal year means all the operators that are associated with each other at any time in the fiscal year.

“30.3. “156.12. For the purposes of the definition of “additional deduction rate” in section 156.11, a manufacturing corporation for a taxation year may determine the part of its cost of manufacturing and processing capital for the year attributable to goods it uses in a particular area by adding to it the portion of the corporation’s cost of manufacturing and processing capital for the year attributable to goods it uses in another area for which a higher additional deduction rate for the year is provided.

“156.13. Despite the definition of “additional deduction rate” in section 156.11, the additional deduction rate applicable to a manufacturing corporation for a taxation year is, for the year, equal to the rate determined by the formula

$$A \times [(B - 25\%)/25\%].$$

In the formula in the first paragraph,

(a) A is the additional deduction rate applicable to the manufacturing corporation for the year, determined without reference to this section; and

(b) B is the lesser of 50% and the proportion of the manufacturing or processing activities of the manufacturing corporation for the year.

For the taxation year of a manufacturing corporation that ends after 4 June 2014 and that includes that date, the additional deduction rate applicable to the corporation for the year is equal to the rate of the deduction, determined for the year with reference to the first and second paragraphs, multiplied by the proportion that the number of days in the year that follow 4 June 2014 is of the number of days in the year.

“156.14. Subject to section 156.15, a manufacturing corporation for a taxation year may deduct, in computing its income from a business for the year, an amount equal to the amount obtained by multiplying its gross revenue for the year by the additional deduction rate applicable to it for the year.

However, the amount of the deduction to which the manufacturing corporation is entitled under the first paragraph may not exceed

(a) \$100,000, if 2% is the additional deduction rate that would be applicable to the corporation for the year in the absence of section 156.13; and

(b) \$250,000, if 4% is the additional deduction rate that would be applicable to the corporation for the year in the absence of section 156.13.

For the purposes of the second paragraph, if the number of days in the manufacturing corporation's taxation year is less than 365, the amount of \$100,000 or \$250,000, as the case may be, is to be replaced by the proportion of the amount that the number of days in the year is of 365.

“156.15. Despite section 156.14, the amount of the deduction to which a manufacturing corporation is entitled under that section is equal, for a taxation year that ends in a calendar year, to the amount by which the amount of the deduction, determined without reference to this section, exceeds the amount determined by the formula

$$A \times [(B - \$10,000,000)/\$5,000,000].$$

In the formula in the first paragraph,

(a) A is the amount of the deduction to which the manufacturing corporation is entitled for the taxation year under section 156.14, determined without reference to this section; and

(b) B is,

i. if the corporation is not associated with any other corporation in the taxation year for the purposes of section 771.2.1.8, the corporation's paid-up capital determined as provided in section 771.2.1.9 for its preceding taxation year or, if the corporation is in its first fiscal period, on the basis of its financial

statements prepared at the beginning of the fiscal period in accordance with generally accepted accounting principles, and

ii. if the corporation is associated with one or more other corporations in the taxation year for the purposes of section 771.2.1.8, the aggregate of all amounts each of which is, for the corporation or any of the other corporations, the amount of its paid-up capital determined as provided in section 771.2.1.9 for its last taxation year ending in the preceding calendar year or, if the corporation is in its first fiscal period, on the basis of its financial statements prepared at the beginning of the fiscal period in accordance with generally accepted accounting principles.”

(2) Subsection 1 applies to a taxation year that ends after 4 June 2014.

126. (1) Section 157 of the Act is amended

(1) by replacing paragraph *d* by the following paragraph:

“(d) an amount, other than a commission, that is paid by the taxpayer to a person or a partnership for advice as to the advisability for the taxpayer of purchasing or selling a specific share or security or for services in respect of the administration or management of the taxpayer’s shares or securities, if that person’s or partnership’s principal business is to so advise or includes the provision of such services;”;

(2) by replacing paragraph *l* by the following paragraph:

131. (1) Section 170 of the Act is amended

(1) by replacing “réfère l’article 169” in the first paragraph in the French text by “l’article 169 fait référence”;

“The amount to which the first paragraph refers is equal to the amount by which the corporation’s average outstanding debts for the year exceeds the amount equal to 150% of the total of”;

““restrictive covenant”, of a taxpayer, means an agreement entered into, an undertaking made, or a waiver of an advantage or right by the taxpayer, whether legally enforceable or not, that affects, or may affect, in any way whatever, the acquisition or provision of property or services by the taxpayer or by another taxpayer that does not deal at arm’s length with the taxpayer, other than an agreement or undertaking

(a) that disposes of the taxpayer's property; or

(b) that is in satisfaction of an obligation described in section 298.1 that is not a disposition, unless the obligation being satisfied is in respect of a right to property or services that the taxpayer acquired for less than its fair market value;”;

(2) by replacing the definition of “goodwill amount” by the following definition:

““goodwill amount”, of a taxpayer, means an amount that the taxpayer has received or may become entitled to receive, and that is required to be included in the aggregate determined under subparagraph *b* of the second paragraph of section 107 in respect of a business carried on by the taxpayer through an establishment located in Canada;”;

(3) However, when Chapter VII of Title V of Book III of Part I of the Act applies in respect of a restrictive covenant granted by a taxpayer before 9 November 2006, paragraph *b* of the definition of “restrictive covenant” in section 333.4 of the Act is to be read without reference to “, unless the obligation being satisfied is in respect of a right to property or services that the taxpayer acquired for less than its fair market value”.

162. (1) Section 333.6 of the Act is amended

(1) by replacing paragraph *b* by the following paragraph:

“(b) the amount would, but for this chapter, be required to be included in the aggregate determined under subparagraph *b* of the second paragraph of section 107 in respect of a business to which the restrictive covenant relates, and the particular taxpayer makes a valid election under paragraph *b* of subsection 3 of section 56.4 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) after 19 December 2006 to have that paragraph *b* apply in respect of the restrictive covenant; or”;

(3) by replacing subparagraphs *v* to *vii* of paragraph *c* by the following subparagraphs:

“v. the amount is added to the particular taxpayer’s proceeds of disposition, within the meaning assigned by section 251, for the purpose of applying this Part to the disposition of the particular taxpayer’s eligible interest, and

(1) as if “subject to section 333.11,” in the portion before subparagraph *i* were struck out; and

(2) as if subparagraph *iii* were replaced by the following subparagraph:

“*iii.* the amount does not exceed the amount by which the amount that would be the fair market value of the particular taxpayer's eligible interest that is disposed of, if all restrictive covenants that may reasonably be considered to relate to a disposition of a right or of an interest in the business by any taxpayer were provided for no consideration, exceeds the amount that would be the fair market value of the particular taxpayer's eligible interest that is disposed of, if no covenant were granted by any taxpayer that held a right or an interest in the business;”.

(5) Chapter V.2 of Title II of Book I of Part I of the Act applies, with the necessary modifications, in relation to an election described in subsection 4. In addition, for the purposes of section 21.4.7 of the Act in respect of that election, a taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 18 April 2016.

“*vi.* the particular taxpayer and the purchaser elect in the prescribed form to have this paragraph apply in respect of the amount.”

163. (1) Section 333.8 of the Act is amended by replacing paragraph *b* by the following paragraph:

“(b) the restrictive covenant directly relates to the acquisition from one or more other persons (in this section and section 333.13 referred to as the “vendors”) by the purchaser of a right or an interest in the individual's employer, in a corporation related to that employer or in a business carried on by that employer;”.

(2) Subsection 1 applies

(1) to an amount received or receivable by a taxpayer after 7 October 2003, other than an amount received before 1 January 2005 under a grant of a

restrictive covenant made in writing before 8 October 2003 between the taxpayer and a purchaser with whom the taxpayer deals at arm's length; and

(2) to an amount paid or payable by a purchaser after 7 October 2003, other than an amount paid or payable by the purchaser before 1 January 2005 under a grant of a restrictive covenant made in writing before 8 October 2003 between the purchaser and a taxpayer with whom the purchaser deals at arm's length.

164. (1) Sections 333.9 to 333.14 of the Act are replaced by the following sections:

“333.9. Subject to section 333.12, section 421 does not apply to deem consideration to be an amount received or receivable by a taxpayer for a restrictive covenant granted by the taxpayer if

(a) the restrictive covenant is granted by the taxpayer (in this section and section 333.10 referred to as the “vendor”) to

i. another taxpayer (in this section referred to as the “purchaser”) with whom the vendor deals at arm's length, determined without reference to paragraph *b* of section 20 at the time of the grant of the restrictive covenant, or

ii. another person who is an eligible individual in respect of the vendor at the time of the grant of the restrictive covenant;

(b) where subparagraph i of subparagraph *a* applies, the restrictive covenant is an undertaking of the vendor not to provide, directly or indirectly, property or services in competition with the property or services provided or to be provided by the purchaser, or by a person related to the purchaser, in the course of carrying on the business to which the restrictive covenant relates, and

i. the amount that can reasonably be regarded as being consideration for the restrictive covenant is

(1) included by the vendor in computing a goodwill amount of the vendor, or

(2) received or receivable by a corporation that was an eligible corporation of the vendor when the restrictive covenant was granted and included by the eligible corporation in computing a goodwill amount of the eligible corporation in respect of the business to which the restrictive covenant relates, or

ii. it is reasonable to conclude that the restrictive covenant is integral to an agreement in writing,

(1) under which the vendor or the vendor's eligible corporation disposes of property (other than property to which subparagraph 2 applies) to the purchaser, or the purchaser's eligible corporation, for consideration that is received or

receivable by the vendor, or by the vendor's eligible corporation, as the case may be, or

(2) under which shares of the capital stock of a corporation (in this section and section 333.13 referred to as the "target corporation") are disposed of to the purchaser or to another person that is related to the purchaser and with whom the vendor deals at arm's length, determined without reference to paragraph *b* of section 20;

(c) where subparagraph ii of subparagraph *a* applies, the restrictive covenant is an undertaking of the vendor not to provide, directly or indirectly, property or services in competition with the property or services provided or to be provided by the eligible individual, or by an eligible corporation of the eligible individual, in the course of carrying on the business to which the restrictive covenant relates, the conditions of the second paragraph are met and

i. the amount that can reasonably be regarded as being consideration for the restrictive covenant is

(1) included by the vendor in computing a goodwill amount of the vendor, or

(2) received or receivable by a corporation that was an eligible corporation of the vendor when the restrictive covenant was granted and included by the eligible corporation in computing a goodwill amount of the eligible corporation in respect of the business to which the restrictive covenant relates, or

ii. it is reasonable to conclude that the restrictive covenant is integral to an agreement in writing

(1) under which the vendor or the vendor's eligible corporation disposes of property (other than property to which subparagraph 2 applies) to the eligible individual, or the eligible individual's eligible corporation, for consideration that is received or receivable by the vendor, or by the vendor's eligible corporation, as the case may be, or

(2) under which shares of the capital stock of the vendor's eligible corporation (in this section and section 333.13 referred to as the "family corporation") are disposed of to the eligible individual or to the eligible individual's eligible corporation;

(d) no proceeds are received or receivable by the vendor for granting the restrictive covenant;

(e) section 506 does not apply in respect of the disposition of a share of the target corporation or the family corporation, as the case may be;

(f) the restrictive covenant can reasonably be regarded to have been granted to maintain or preserve the fair market value of

i. the benefit of the expenditure derived from the goodwill amount referred to in subparagraph i of subparagraph *b* or *c* and for which a joint election referred to in subparagraph *g* was made,

ii. the property referred to in subparagraph 1 of subparagraph ii of subparagraph *b* or *c*, or

iii. the shares referred to in subparagraph 2 of subparagraph ii of subparagraph *b* or *c*; and

(*g*) a valid joint election is made under paragraph *g* of subsection 7 of section 56.4 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) in respect of the restrictive covenant.

The conditions to which subparagraph *c* of the first paragraph refers are as follows:

(*a*) the vendor is resident in Canada at the time the restrictive covenant is granted and at the time of the disposition referred to in subparagraph ii of subparagraph *c* of the first paragraph; and

(*b*) the vendor does not, at any time after the grant of the restrictive covenant and whether directly or indirectly in any manner whatever, have a right or an interest in the family corporation or in the eligible corporation of the eligible individual, as the case may be.

Chapter V.2 of Title II of Book I applies in relation to an election made under subsection 7 of section 56.4 of the Income Tax Act.

“333.10. For the purposes of section 333.9, subparagraph 1 of subparagraph ii of each of subparagraphs *b* and *c* of the first paragraph of that section applies to the grant of a restrictive covenant only if

(*a*) the consideration that can reasonably be regarded as being in part the consideration for the restrictive covenant is received or receivable by the vendor or the vendor’s eligible corporation, as the case may be, as consideration for the disposition of the property; and

(*b*) where all or part of the consideration can reasonably be regarded as being for a goodwill amount, section 333.5, subparagraph *b* of the first paragraph of section 333.6 and subparagraph i of subparagraphs *b* and *c* of the first paragraph of section 333.9 apply to that consideration.

In determining whether the conditions of subparagraph *c* of the first paragraph of section 333.9 have been met, and for the purposes of section 422, in respect of a restrictive covenant granted by a vendor, the fair market value of a property is the amount that could reasonably be regarded as being the fair market value of the property if the restrictive covenant were part of the property.

“333.11. Subparagraph *c* of the first paragraph of section 333.6 does not apply to an amount that would, but for sections 333.5 to 333.14, be included in computing a taxpayer’s income from a source that is an office or employment or a business or property under paragraph *a* of section 28.

“333.12. Section 333.9 does not apply in respect of a taxpayer’s grant of a restrictive covenant if one of the results of not applying section 421 to the consideration received or receivable in respect of the restrictive covenant would be that paragraph *a* of section 28 would not apply to consideration that would, but for sections 333.5 to 333.14, be included in computing a taxpayer’s income from a source that is an office or employment or a business or property.

“333.13. If section 333.8 or 333.9 applies in respect of a restrictive covenant, the following rules apply:

(a) the amount referred to in paragraph *f* of section 333.8 is to be added in computing the amount received or receivable by the vendors as consideration for the disposition of the right or interest referred to in paragraph *b* of section 333.8; and

(b) the amount that can reasonably be regarded as being in part consideration received or receivable for a restrictive covenant to which subparagraph 2 of subparagraph ii of subparagraph *b* or *c* of the first paragraph of section 333.9 applies is to be added in computing the consideration that is received or receivable by each taxpayer who disposes of shares of the target corporation, or of shares of the family corporation, as the case may be, to the extent of the portion of the consideration that is received or receivable by that taxpayer.

“333.14. Section 270 does not apply to an amount received or receivable as consideration for a restrictive covenant.”

(2) Subject to subsections 3 to 6, subsection 1 applies

(1) to an amount received or receivable by a taxpayer after 7 October 2003, other than an amount received before 1 January 2005 under a grant of a restrictive covenant made in writing before 8 October 2003 between the taxpayer and a purchaser with whom the taxpayer deals at arm’s length; and

(2) to an amount paid or payable by a purchaser after 7 October 2003, other than an amount paid or payable by the purchaser before 1 January 2005 under a grant of a restrictive covenant made in writing before 8 October 2003 between the purchaser and a taxpayer with whom the purchaser deals at arm’s length.

(3) When Chapter VII of Title V of Book III of Part I of the Act applies in respect of a restrictive covenant granted by a taxpayer before 9 November 2006, sections 333.11 and 333.12 of the Act are not to be taken into account.

(4) When Chapter VII of Title V of Book III of Part I of the Act applies in respect of a restrictive covenant, for the purposes of section 21.4.7 of the Act

in respect of an election to which subsection 13 of section 56.4 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) refers if such an election is deemed to be made on a timely basis in accordance with subsection 4 of section 195 of the Technical Tax Amendments Act, 2012 (Statutes of Canada, 2013, chapter 34), a person is deemed to have complied with a requirement of section 21.4.6 of the Act if the person complies with it on or before 18 April 2016.

(5) When Chapter VII of Title V of Book III of Part I of the Act applies in respect of a restrictive covenant granted by a taxpayer before 17 July 2010,

(1) subparagraph *d* of the first paragraph of section 333.9 of the Act is to be read as follows:

“(*d*) for the purposes of subparagraph *i* of subparagraph *b* and subparagraph *c*, no proceeds are received or receivable by the vendor for granting the restrictive covenant;” and

(2) the first paragraph of section 333.10 of the Act is to be read as follows:

“333.10. For the purposes of section 333.9, subparagraph 1 of subparagraph *ii* of subparagraph *b* of the first paragraph of that section and subparagraph 1 of subparagraph *ii* of subparagraph *c* of that first paragraph apply to the grant of a restrictive covenant only if the consideration that can reasonably be regarded as being in part the consideration for the restrictive covenant is received or receivable by the vendor or the vendor’s eligible corporation, as the case may be, as consideration for the disposition of the property.”

(6) When Chapter VII of Title V of Book III of Part I of the Act applies in respect of a restrictive covenant granted by a taxpayer before 25 October 2012,

(1) subparagraph *i* of subparagraph *f* of the first paragraph of section 333.9 of the Act is to be read as follows:

“*i.* the benefit of the expenditure made by the taxpayer derived from the goodwill amount referred to in subparagraph *i* of subparagraph *b* or subparagraph *i* of subparagraph *c*.”; and

(2) section 333.9 of the Act is to be read without reference to subparagraph *g* of the first paragraph and without reference to the third paragraph.

165. (1) Sections 333.15 and 333.16 of the Act are repealed.

“(i) an amount paid to an individual in a taxation year under an arrangement described in paragraph *a* of section 47.16R1 of the Regulation respecting the Taxation Act (chapter I-3, r. 1), to the extent that the amount may reasonably be considered to be attributable to an amount that

i. was included in computing the individual's income for a preceding taxation year and was income, interest or other additional amounts described in subparagraph iv of paragraph *a* of section 47.16R1 of the Regulation respecting the Taxation Act, and

ii. was paid again by the individual under the arrangement in a preceding taxation year.”

(2) Subsection 1 applies from the taxation year 2000.

176. (1) Section 491 of the Act is amended by adding the following paragraph after paragraph *f*:

(2) the Pre-1986/Post-1990 Hepatitis C Settlement Agreement entered into by Her Majesty in right of Canada, or

(3) the Indian Residential Schools Settlement Agreement entered into by Her Majesty in right of Canada on 8 May 2006, and

ii. the only amounts paid to the taxpayer before the end of the year are those provided for under the relevant agreement described in subparagraph i.”

(2) Subsection 1 applies from the taxation year 2006. However, when section 491 of the Act applies for the taxation year 2006, it is to be read without reference to subparagraph 3 of subparagraph i of paragraph g.

177. (1) Section 497 of the Act is amended by replacing “25%” in subparagraph *a* of the second paragraph by “18%”.

(2) Subsection 1 applies in respect of a dividend paid after 31 December 2013.

178. Section 502.0.1 of the Act is amended by replacing paragraph *a* by the following paragraph:

“(a) for the purposes of this Act, except section 503.0.1, the dividend is deemed to be received by the shareholder and paid by the corporation as a taxable dividend and not as a capital dividend; and”.

179. Sections 503.1 and 503.2 of the Act are repealed.

180. (1) Section 504 of the Act is amended, in subsection 2,

(1) by replacing paragraphs *d* and *e* by the following paragraphs:

“(d) a transaction by which an insurance corporation converts contributed surplus related to its insurance business (other than any portion of that contributed surplus that arose in connection with an investment to which subsection 2 of section 212.3 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) applies) into paid-up capital in respect of shares of its capital stock;

“(e) a transaction by which a bank converts contributed surplus resulting from the issuance of shares of its capital stock (other than any portion of that contributed surplus that arose in connection with an investment to which subsection 2 of section 212.3 of the Income Tax Act applies) into paid-up capital in respect of shares of its capital stock; or”;

(2) by replacing the portion of paragraph *f* before subparagraph i by the following:

“(f) a transaction by which a corporation, other than an insurance corporation or a bank, converts into paid-up capital in respect of a particular class of shares of its capital stock any of its contributed surplus (other than any portion of that contributed surplus that arose in connection with an investment to which subsection 2 of section 212.3 of the Income Tax Act applies) resulting, after 31 March 1977,”.

(2) Subsection 1 has effect from 29 March 2012.

181. (1) The Act is amended by inserting the following section after section 539:

“539.1. For the purposes of the first paragraph of section 536 and sections 537 to 539, where a particular corporation issues shares (in this section referred to as “new shares”) of a class of its capital stock to a trust in accordance with a court-approved plan of arrangement, the issue is deemed to be an issue to a taxpayer referred to in the first paragraph of section 536, if the taxpayer disposes of exchanged shares traded on a designated stock exchange to the particular corporation for consideration that consists solely of new shares that are widely traded on a designated stock exchange immediately after and as part of completion of the plan of arrangement.”

(2) Subject to subsection 3, subsection 1 applies in respect of an exchange of shares made after 30 June 2005.

(3) Subsection 1 does not apply in respect of an exchange of shares of a taxpayer that occurs before 5 November 2010 if, within six months of receiving a notice from the Minister of National Revenue that subsection 2.2 of section 85.1 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) applies in respect of the exchange, the taxpayer elects in writing, under subsection 5 of section 221 of the Act to amend the Income Tax Act, the Excise Tax Act, the Federal-Provincial Fiscal Arrangements Act, the First Nations Goods and Services Tax Act and related legislation (Statutes of Canada, 2013, chapter 34), not to have that subsection 2.2 apply in respect of the exchange for the purposes of the Income Tax Act.

182. (1) Section 540.1 of the Act is replaced by the following section:

“540.1. Section 540 does not apply in respect of a disposition at any time by a taxpayer of a share of the capital stock of a particular foreign affiliate of the taxpayer to another foreign affiliate of the taxpayer if

(a) the following conditions are met:

i. all or substantially all of the property of the particular affiliate was, immediately before that time, excluded property, within the meaning of section 576.1, of the particular affiliate, and

ii. the disposition is part of a transaction or event or a series of transactions or events for the purpose of disposing of the share to a person or partnership that, immediately after the transaction, event or series, was a person or partnership with whom the taxpayer is dealing at arm’s length, other than a foreign affiliate of the taxpayer in respect of which the taxpayer has a qualifying interest, within the meaning of paragraph *m* of subsection 2 of section 95 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), at the time of the transaction or event or throughout the series, as the case may be; or

(b) the adjusted cost base to the taxpayer of the share at that time is greater than the amount that would, in the absence of section 540, be the taxpayer’s proceeds of disposition of the share in respect of the disposition.”

(2) Subsection 1 applies in respect of a disposition that occurs after 19 August 2011.

(3) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer's tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 and 2. Sections 93.1.8 and 93.1.12 of the Tax Administration Act (chapter A-6.002) apply to such assessments, with the necessary modifications.

183. (1) Section 540.2 of the Act is amended by replacing the first paragraph by the following paragraph:

“540.2. Subject to section 540, and subsection 2 of section 95 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) when it has effect for the purposes of section 579, the rules set out in sections 540.3 and 540.4 apply where a corporation not resident in Canada (in this division referred to as the “foreign corporation”) issues a share of its capital stock to a taxpayer in exchange for capital property owned by the taxpayer that is a share (in this division referred to as the “exchanged foreign share”) of the capital stock of a second corporation not resident in Canada.”

(2) Subsection 1 has effect from 1 July 2005.

184. (1) The Act is amended by inserting the following section after section 540.4:

“540.4.1. For the purposes of the first paragraph of section 540.2 and sections 540.3 and 540.4, where a foreign corporation issues shares (in this section referred to as “new shares”) of a class of its capital stock to a trust in accordance with a court-approved plan of arrangement, the issue is deemed to be an issue to a taxpayer referred to in the first paragraph of section 540.2, if the taxpayer disposes of exchanged foreign shares traded on a designated stock exchange to the foreign corporation for consideration that consists solely of new shares that are widely traded on a designated stock exchange immediately after and as part of completion of the plan of arrangement.”

(2) Subject to subsection 3, subsection 1 applies in respect of an exchange of shares made after 30 June 2005.

(3) Subsection 1 does not apply in respect of an exchange of shares of a taxpayer that occurs before 5 November 2010 if, within six months of receiving a notice from the Minister of National Revenue that subsection 6.1 of section 85.1 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) applies in respect of the exchange, the taxpayer elects in writing, under subsection 5 of section 221 of the Act to amend the Income Tax Act, the Excise Tax Act, the Federal-Provincial Fiscal Arrangements Act, the First Nations Goods and Services Tax Act and related legislation (Statutes of Canada, 2013, chapter 34), not to have that subsection 6.1 apply in respect of the exchange for the purposes of the Income Tax Act.

185. (1) The Act is amended by inserting the following section after section 555.0.1:

“555.0.2. For the purposes of section 555.0.1, if there is a merger or combination, otherwise than as a result of the distribution of property to one corporation on the winding-up of another corporation, of two or more corporations not resident in Canada (each of which is referred to in this section as a “predecessor foreign corporation”), as a result of which one or more predecessor foreign corporations ceases to exist and, immediately after the merger or combination, another predecessor foreign corporation (referred to in this section as the “survivor corporation”) owns properties (except an amount receivable from, or shares of the capital stock of, any predecessor foreign corporation) representing all or substantially all of the fair market value of all such properties owned by each predecessor foreign corporation immediately before the merger or combination, the following rules apply:

(a) the merger or combination is deemed to be a merger or combination of the predecessor foreign corporations to form one corporation not resident in Canada;

(b) the survivor corporation is deemed to be the corporation not resident in Canada so formed;

(c) all of the properties of the survivor corporation immediately before the merger or combination that are properties of the survivor corporation immediately after the merger or combination are deemed to become properties of the survivor corporation as a consequence of the merger or combination;

(d) all of the liabilities of the survivor corporation immediately before the merger or combination that are liabilities of the survivor corporation immediately after the merger or combination are deemed to become liabilities of the survivor corporation as a consequence of the merger or combination;

(e) all of the shares of the capital stock of the survivor corporation that were outstanding immediately before the merger or combination and that are shares of the capital stock of the survivor corporation immediately after the merger or combination are deemed to become shares of the capital stock of the survivor corporation as a consequence of the merger or combination; and

(f) all of the shares of the capital stock of each predecessor foreign corporation (other than the survivor corporation) that were outstanding immediately before the merger or combination and that cease to exist as a consequence of the merger or combination are deemed to have been exchanged by the shareholders of each such predecessor foreign corporation for shares of the survivor corporation as a consequence of the merger or combination.”

(2) Subsection 1 applies in respect of a merger or combination in respect of a taxpayer that occurs after 31 December 1994. However, that subsection does not apply in respect of a merger or combination in respect of a taxpayer

that occurs before 20 August 2011 if the taxpayer has made a valid election to that effect under subsection 4 of section 64 of the Technical Tax Amendments Act, 2012 (Statutes of Canada, 2013, chapter 34).

(3) Chapter V.2 of Title II of Book I of Part I of the Act applies in relation to an election made under subsection 4 of section 64 of the Technical Tax Amendments Act, 2012. For the purposes of section 21.4.7 of the Taxation Act in respect of an election under that subsection 4, the taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 18 April 2016.

(4) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer's tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 and 2. Sections 93.1.8 and 93.1.12 of the Tax Administration Act (chapter A-6.002) apply to such assessments, with the necessary modifications.

186. (1) The Act is amended by inserting the following section after section 560.1.2:

“560.1.2.0.1. For the purposes of subparagraph *b* of the first paragraph of section 560, where the particular capital property is an interest of a subsidiary in a partnership, the fair market value of the interest at the time the parent last acquired control of the subsidiary is deemed to be equal to the amount determined by the formula

$A - B.$

In the formula in the first paragraph,

(*a*) *A* is the fair market value (determined without reference to this section) of the interest of the subsidiary in the partnership at the time the parent last acquired control of the subsidiary; and

(*b*) *B* is the portion of the amount by which the fair market value (determined without reference to this section) of the interest of the subsidiary in the partnership at the time the parent last acquired control of the subsidiary exceeds its cost amount at that time as may reasonably be regarded as attributable at that time to the aggregate of all amounts each of which is

i. in the case of a depreciable property held directly by the partnership or held indirectly by the partnership through one or more other partnerships, the amount by which the fair market value (determined without reference to liabilities) of the property exceeds its cost amount,

ii. in the case of a Canadian resource property or a foreign resource property held directly by the partnership or held indirectly by the partnership through one or more other partnerships, the fair market value (determined without reference to liabilities) of the property, or

iii. in the case of a property that is not a capital property, a Canadian resource property or a foreign resource property and that is held directly by the partnership or held indirectly through one or more other partnerships, the amount by which the fair market value (determined without reference to liabilities) of the property exceeds its cost amount.

For the purposes of subparagraph *a* of the second paragraph, the fair market value of an interest of the subsidiary in a particular partnership at the time the parent last acquired control of the subsidiary is deemed not to include the amount that is the aggregate of all amounts each of which is equal to the fair market value of a property that would otherwise be included in computing the fair market value of the interest, if

(*a*) as part of the transaction or event or series of transactions or events in which control of the subsidiary is last acquired by the parent and on or before the acquisition of control,

i. the subsidiary disposes of the property to the particular partnership or any other partnership and the second paragraph of section 614 applies in respect of the disposition, or

ii. where the property is an interest in a partnership, the subsidiary acquires the interest in the particular partnership or any other partnership from a person or partnership with whom the subsidiary does not deal at arm's length (otherwise than because of a right referred to in paragraph *b* of section 20) and Divisions I to IV of Chapter IV apply in respect of the acquisition; and

(*b*) at the time of the acquisition of control, the particular partnership holds directly, or indirectly through one or more other partnerships, property described in any of subparagraphs i to iii of subparagraph *b* of the second paragraph.”

(2) Subsection 1, when it enacts the first and second paragraphs of section 560.1.2.0.1 of the Act, applies in respect of an amalgamation that occurs after 28 March 2012 or of a winding-up that begins after that date, other than — if a taxable Canadian corporation (in this subsection and subsection 4 referred to as the “parent corporation”) has acquired control of another taxable Canadian corporation (in this subsection and subsection 4 referred to as the “subsidiary corporation”) — an amalgamation of the parent corporation and the subsidiary corporation that occurs before 1 January 2013, or a winding-up of the subsidiary corporation into the parent corporation that begins before the latter date, if

(1) the parent corporation acquired control of the subsidiary corporation before 29 March 2012 or was obligated as evidenced in writing to acquire control of the subsidiary before that date; and

(2) the parent corporation had the intention as evidenced in writing to amalgamate with, or wind up, the subsidiary corporation before 29 March 2012.

(3) Subsection 1, when it enacts the third paragraph of section 560.1.2.0.1 of the Act, applies in respect of a disposition made after 13 August 2012 other

than a disposition made before 1 January 2013 pursuant to an obligation under a written agreement entered into before 14 August 2012 by parties that deal with each other at arm's length.

(4) For the purposes of paragraph 1 of subsection 2, the parent corporation is not considered to be obligated to acquire control of the subsidiary corporation, and for the purposes of subsection 3, the parties are not considered to be obligated to make a disposition if, as a result of amendments to the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), the parent corporation or any of the parties, as the case may be, may be excused from that obligation.

187. (1) Section 569 of the Act is replaced by the following section:

“569. Despite the second paragraph of section 424, if at any time a taxpayer receives a property (in this section referred to as the “distributed property”) from a foreign affiliate (in this section referred to as the “disposing affiliate”) of the taxpayer on a liquidation and dissolution of the disposing affiliate and the distributed property is received in respect of shares of the capital stock of the disposing affiliate that are disposed of on the liquidation and dissolution, the following rules apply:

(a) subject to sections 569.0.0.3 and 569.0.0.4, the distributed property is deemed to have been disposed of at that time by the disposing affiliate to the taxpayer for proceeds of disposition equal to the relevant cost base (within the meaning of subsection 4 of section 95 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement)) to the disposing affiliate of the distributed property in respect of the taxpayer, immediately before that time, if

i. the liquidation and dissolution is a qualifying liquidation and dissolution of the disposing affiliate, or

ii. the distributed property is a share of the capital stock of another foreign affiliate of the taxpayer that was, immediately before that time, excluded property (within the meaning of section 576.1) of the disposing affiliate;

(b) if subparagraph *a* does not apply to the distributed property, the distributed property is deemed to have been disposed of at that time by the disposing affiliate to the taxpayer for proceeds of disposition equal to the distributed property's fair market value at that time;

(c) the distributed property is deemed to have been acquired, at that time, by the taxpayer at a cost equal to the amount determined under subparagraph *a* or *b* to be the disposing affiliate's proceeds of disposition of the distributed property;

(d) each share (in subparagraph *e* and section 569.0.0.3 referred to as a “disposed share”) of a class of the capital stock of the disposing affiliate that

is disposed of by the taxpayer on the liquidation and dissolution is deemed to have been disposed of for proceeds of disposition equal to the amount determined by

A/B; and

(e) if the liquidation and dissolution is a qualifying liquidation and dissolution of the disposing affiliate, any loss of the taxpayer in respect of the disposition of a disposed share is deemed to be nil.

In the formula in subparagraph *d* of the first paragraph,

(a) A is the aggregate of all amounts each of which is the net distribution amount in respect of a distribution of distributed property made, at any time, in respect of the class, and

(b) B is the total number of issued and outstanding shares of the class that are owned by the taxpayer during the liquidation and dissolution.”

(2) Subsection 1 applies in respect of a liquidation and dissolution of a foreign affiliate of a taxpayer that begins after 27 February 2004. In addition, if the taxpayer makes a valid election under subsection 2 of section 65 of the Technical Tax Amendments Act, 2012 (Statutes of Canada, 2013, chapter 34) in respect of all of its foreign affiliates, the following rules apply:

(1) subsection 1 applies in respect of property received by the taxpayer after 27 February 2004 and before 19 August 2011 on a redemption, acquisition or cancellation of a share of the capital stock of, on a payment of a dividend by, or on a reduction of the paid-up capital of, a foreign affiliate of the taxpayer; and

(2) in respect of property described in paragraph 1 and property received by the taxpayer on a liquidation and dissolution of a foreign affiliate of the taxpayer that began after 27 February 2004 and before 19 August 2011, section 569 of the Act is to be read as follows:

“569. Despite the second paragraph of section 424, if at any time a taxpayer receives a property (in this section referred to as the “distributed property”) from a foreign affiliate (in this section referred to as the “disposing affiliate”) of the taxpayer on a liquidation and dissolution of the disposing affiliate, on a redemption, acquisition or cancellation of a share of the capital stock of the disposing affiliate, on a payment of a dividend by the disposing affiliate, or on a reduction of the paid-up capital of the disposing affiliate, the following rules apply:

(a) subject to sections 569.0.0.3 and 569.0.0.4, the distributed property is deemed to have been disposed of at that time by the disposing affiliate to the taxpayer for proceeds of disposition equal to the relevant cost base (within the meaning of subsection 4 of section 95 of the Income Tax Act (Revised Statutes

of Canada, 1985, chapter 1, 5th Supplement)) to the disposing affiliate of the distributed property in respect of the taxpayer, immediately before that time, if the distributed property

i. was received on a liquidation and dissolution of the disposing affiliate that is a qualifying liquidation and dissolution of the disposing affiliate, or

ii. was a share of the capital stock of another foreign affiliate of the taxpayer that was, immediately before that time, excluded property (within the meaning of section 576.1) of the disposing affiliate;

(b) if subparagraph *a* does not apply to the distributed property, the distributed property is deemed to have been disposed of at that time by the disposing affiliate to the taxpayer for proceeds of disposition equal to the distributed property's fair market value at that time;

(c) the distributed property is deemed to have been acquired, at that time, by the taxpayer at a cost equal to the amount determined under subparagraph *a* or *b* to be the disposing affiliate's proceeds of disposition of the distributed property;

(d) if the taxpayer disposed of shares of the capital stock of the disposing affiliate on a liquidation and dissolution of the disposing affiliate (each such share being referred to in subparagraph *f* and section 569.0.0.3 as a "disposed share") or on a redemption, acquisition or cancellation of shares of the capital stock of the disposing affiliate, the taxpayer's proceeds of disposition of the shares are deemed to be the amount determined by the formula

$A - B$;

(e) if the taxpayer received the distributed property as a dividend or a reduction of paid-up capital, the amount of the dividend paid by the disposing affiliate or the amount of the reduction of the paid-up capital, as the case may be, is deemed to be equal to the amount determined by the formula

$A - C$; and

(f) if the distributed property was received on a liquidation and dissolution of the disposing affiliate that is a qualifying liquidation and dissolution of the disposing affiliate, any loss of the taxpayer in respect of the disposition of a disposed share is deemed to be nil.

In the formulas in subparagraphs *d* and *e* of the first paragraph,

(a) *A* is the aggregate of all amounts each of which is the cost to the taxpayer of a distributed property, as determined under subparagraph *c* of the first paragraph;

(b) *B* is the aggregate of all amounts each of which is an amount owing (other than an unpaid dividend) by, or an obligation of, the disposing affiliate

that was assumed or cancelled by the taxpayer because of the liquidation and dissolution or the redemption, acquisition or cancellation; and

(c) C is the aggregate of all amounts each of which is an amount owing (other than an unpaid dividend) by, or an obligation of, the disposing affiliate that was assumed or cancelled by the taxpayer because of the payment of the dividend or the reduction of paid-up capital.”

(3) However, where section 569 of the Act, enacted by subsection 1 and paragraph 2 of subsection 2, applies before 15 May 2009, it is to be read as if “the second paragraph of section 424” in the portion before subparagraph *a* of the first paragraph were replaced by “paragraphs 2 and 3 of section 424”.

(4) Chapter V.2 of Title II of Book I of Part I of the Act applies in relation to an election made under subsection 2 of section 65 of the Technical Tax Amendments Act, 2012. For the purposes of section 21.4.7 of the Taxation Act in respect of such an election, the taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 18 April 2016.

(5) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer’s tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 and 2. Sections 93.1.8 and 93.1.12 of the Tax Administration Act (chapter A-6.002) apply to such assessments, with the necessary modifications.

183. (1) The Act is amended by inserting the following sections after section 569:

“569.0.0.1. For the purposes of sections 569, 569.0.0.3 and 569.0.0.4, a qualifying liquidation and dissolution of a foreign affiliate (in this section referred to as the “disposing affiliate”) of a taxpayer means a liquidation and dissolution of the disposing affiliate in respect of which the taxpayer makes a valid election under subsection 3.1 of section 88 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

Chapter V.2 of Title II of Book I applies in relation to an election made under subsection 3.1 of section 88 of the Income Tax Act.

“569.0.0.2. For the purposes of subparagraph *a* of the second paragraph of section 569, net distribution amount in respect of a distribution of distributed property means the amount determined by the formula

$A - B.$

In the formula in the first paragraph,

(*a*) A is the cost to the taxpayer of the distributed property as determined under subparagraph *c* of the first paragraph of section 569; and

(b) B is the aggregate of all amounts each of which is an amount owing (other than an unpaid dividend) by, or an obligation of, the disposing affiliate that was assumed or cancelled by the taxpayer in consideration for the distribution of the distributed property.

“569.0.0.3. For the purposes of subparagraph *a* of the first paragraph of section 569, if a liquidation and dissolution is a qualifying liquidation and dissolution of a disposing affiliate, the taxpayer would, in the absence of this section and after taking into account an election referred to in section 589, where applicable, realize a capital gain from the disposition of a disposed share and the taxpayer makes a valid election under subsection 3.3 of section 88 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) for the purposes of that Act, the distributed property that was, immediately before the disposition, capital property of the disposing affiliate is deemed to have been disposed of by the disposing affiliate to the taxpayer for proceeds of disposition equal to the amount claimed by the taxpayer in the election.

Chapter V.2 of Title II of Book I applies in relation to an election made under subsection 3.3 of section 88 of the Income Tax Act.

“569.0.0.4. For the purposes of subparagraph *a* of the first paragraph of section 569, a distributed property is deemed to have been disposed of by a disposing affiliate to a taxpayer for proceeds of disposition equal to the adjusted cost base of the distributed property to the disposing affiliate immediately before the time of its disposition, if

(a) the liquidation and dissolution is a qualifying liquidation and dissolution of the disposing affiliate;

(b) the distributed property is, at the time of its disposition, taxable Canadian property (other than treaty-protected property) of the disposing affiliate that is a share of the capital stock of a corporation resident in Canada; and

(c) the taxpayer and the disposing affiliate have made a valid joint election under paragraph *c* of subsection 3.5 of section 88 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

Chapter V.2 of Title II of Book I applies in relation to an election made under paragraph *c* of subsection 3.5 of section 88 of the Income Tax Act.”

(2) Subsection 1 applies in respect of a liquidation and dissolution of a foreign affiliate that begins after 27 February 2004. In addition, if the taxpayer has made a valid election under subsection 2 of section 65 of the Technical Tax Amendments Act, 2012 (Statutes of Canada, 2013, chapter 34), in relation to all its foreign affiliates, subsection 1 is, in respect of property received by the taxpayer after 27 February 2004 and before 19 August 2011 on a redemption, acquisition or cancellation of a share of the capital stock of, on a payment of a dividend by, or on a reduction of the paid-up capital of, a foreign affiliate of the taxpayer and property received by the taxpayer on a liquidation and

dissolution of a foreign affiliate of the taxpayer that began after 27 February 2004 and before 19 August 2011, to be read without reference to section 569.0.0.2 of the Taxation Act.

(3) For the purposes of section 21.4.7 of the Act in respect of an election referred to in any of sections 569.0.0.1, 569.0.0.3 and 569.0.0.4 of the Act, a taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 18 April 2016.

(4) Chapter V.2 of Title II of Book I of Part I of the Act applies in relation to an election made under subsection 2 of section 65 of the Technical Tax Amendments Act, 2012. For the purposes of section 21.4.7 of the Taxation Act in respect of such an election, the taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 18 April 2016.

(5) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer's tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 and 2. Sections 93.1.8 and 93.1.12 of the Tax Administration Act (chapter A-6.002) apply to such assessments, with the necessary modifications.

189. (1) Section 574 of the Act is amended by replacing the first paragraph by the following paragraph:

“574. For the purposes of this Title, the participating percentage of a share owned by a taxpayer of the capital stock of a corporation that, at the end of its taxation year, is a controlled foreign affiliate of the taxpayer, is equal to

(a) the percentage that would be the taxpayer's equity percentage in the affiliate at the end of that year on the assumption that the taxpayer owns no share other than that share, if

i. the affiliate and each other corporation that is relevant to the determination of the taxpayer's equity percentage in the affiliate have, at that time, only one class of issued shares, and

ii. no foreign affiliate (in this subparagraph referred to as the “upper-tier affiliate”) of the taxpayer that is relevant to the determination of the taxpayer's participating percentage in the affiliate has, at that time, a participating percentage in a foreign affiliate of the taxpayer that has a participating percentage in the upper-tier affiliate; and

(b) in any other case, the percentage determined in prescribed manner.”

(2) Subsection 1 applies in respect of a taxation year of a foreign affiliate of a taxpayer that begins after 19 August 2011.

(3) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer's tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 and 2. Sections 93.1.8 and 93.1.12 of the Tax Administration Act (chapter A-6.002) apply to such assessments, with the necessary modifications.

190. (1) The Act is amended by inserting the following section after the heading of Chapter II of Title X of Book III of Part I:

“576.2. In this chapter,

“specified amount” in respect of a loan or indebtedness that is required by section 577.5 to be included in computing the income of a taxpayer for a taxation year means an amount equal to the amount that is required by subsection 6 of section 90 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) to be included in computing the income of the taxpayer for the year, in respect of the loan or indebtedness;

“specified debtor” at any time, in respect of a taxpayer resident in Canada, means

(a) the taxpayer;

(b) a person with which the taxpayer does not, at that time, deal at arm's length, other than a corporation not resident in Canada that is, at that time, a controlled foreign affiliate, within the meaning of section 127.1, of the taxpayer;

(c) a partnership a member of which is, at that time, a person or partnership that is a specified debtor in respect of the taxpayer because of paragraph *a* or *b*; and

(d) if the taxpayer is a partnership,

i. any member of the partnership that is a corporation resident in Canada if the creditor affiliate or a member of the creditor partnership, as the case may be, within the meaning assigned to those expressions in section 577.5, is, at that time, a foreign affiliate of the corporation,

ii. a person with which a corporation referred to in subparagraph i does not, at that time, deal at arm's length, other than a controlled foreign affiliate, within the meaning of section 127.1, of the partnership or of a member of the partnership that holds, directly or indirectly, an interest in the partnership representing at least 90% of the fair market value of all such interests, or

iii. a partnership a member of which is, at that time, a specified debtor in respect of the taxpayer because of subparagraph i or ii.”

(2) Subsection 1 applies in respect of a loan received or indebtedness incurred after 19 August 2011. In addition, subsection 1 applies in respect of

any portion of a particular loan received or a particular indebtedness incurred before 20 August 2011 that remains outstanding on 19 August 2014, as if that portion were a separate loan or indebtedness that was received or incurred, as the case may be, on 20 August 2014 in the same manner and on the same terms as the particular loan or indebtedness.

191. (1) The Act is amended by inserting the following sections after section 577.1:

“577.2. For the purposes of this Act, an amount is deemed to be a dividend paid or received, as the case may be, at any time on a share of a class of the capital stock of a corporation not resident in Canada that is a foreign affiliate of a taxpayer if the amount is the share’s portion of a pro rata distribution (other than a distribution made in the course of the liquidation and dissolution of the corporation, on a redemption, acquisition or cancellation of the share by the corporation, or on a qualifying return of capital in respect of the share) made at that time by the corporation in respect of all the shares of that class.

“577.3. For the purposes of section 577.2, a distribution made at any time by a foreign affiliate of a taxpayer in respect of a share of the capital stock of the affiliate that is a reduction of the paid-up capital of the affiliate in respect of the share and that would, in the absence of this section, be deemed under section 577.2 to be a dividend paid or received, at that time, on the share is a qualifying return of capital at that time in respect of the share if a valid election is made in respect of the distribution under subsection 3 of section 90 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

Chapter V.2 of Title II of Book I applies in relation to an election made under subsection 3 of section 90 of the Income Tax Act.

“577.4. For the purposes of this Act, no amount paid or received at any time is a dividend paid or received on a share of the capital stock of a corporation not resident in Canada that is a foreign affiliate of a taxpayer unless it is so deemed under this Part.

“577.5. Except where section 113 applies, if a person or partnership receives at any time a loan from, or becomes at that time indebted to, a creditor that is at that time a foreign affiliate of a taxpayer resident in Canada, or a partnership of which such an affiliate is a member, (in subparagraph i of paragraph *d* of the definition of “specified debtor” in section 576.2 referred to respectively as “creditor affiliate” and “creditor partnership”), and the person or partnership is at that time a specified debtor in respect of the taxpayer, the specified amount in respect of the loan or indebtedness is to be included in computing the income of the taxpayer for the taxpayer’s taxation year that includes that time.

“577.6. For the purposes of this section and sections 576.2, 577.5 and 577.7 to 577.11, if at any time a person or partnership (in this section referred

to as the “intermediate lender”) makes a loan to another person or partnership (in this section referred to as the “intended borrower”) because the intermediate lender received a loan from another person or partnership (in this section referred to as the “initial lender”), the following rules apply:

(a) the loan made by the intermediate lender to the intended borrower is deemed, at that time, to have been made by the initial lender to the intended borrower under the same terms and conditions and at the same time as it was made by the intermediate lender to the extent of the lesser of the amount of the loan made by the initial lender to the intermediate lender and the amount of the loan made by the intermediate lender to the intended borrower; and

(b) the loan made by the initial lender to the intermediate lender and the loan made by the intermediate lender to the intended borrower are deemed not to have been made to the extent of the amount of the loan deemed to have been made under paragraph *a*.

“577.7. Section 577.5 does not apply in respect of

(a) a loan or indebtedness that is repaid, other than as part of a series of loans or other transactions and repayments, within two years of the day the loan was made or the indebtedness arose;

(b) indebtedness that arose in the ordinary course of the business of the creditor or a loan made in the ordinary course of the creditor’s ordinary business of lending money if, at the time the indebtedness arose or the loan was made, bona fide arrangements were made for repayment of the indebtedness or loan within a reasonable time; and

(c) a loan that was made, or indebtedness that arose, in the ordinary course of carrying on a life insurance business outside Canada if

i. the loan or indebtedness is owed by the taxpayer or by a subsidiary wholly-owned corporation of the taxpayer,

ii. the taxpayer, or the subsidiary wholly-owned corporation, as the case may be, is a life insurance corporation resident in Canada,

iii. the loan or indebtedness directly relates to a business of the taxpayer, or of the subsidiary wholly-owned corporation, that is carried on outside Canada, and

iv. the interest on the loan or indebtedness is included in computing the active business income of the creditor, or if the creditor is a partnership, a member of the partnership, under clause A of subparagraph ii of paragraph *a* of subsection 2 of section 95 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), or would be so included if it were otherwise income from property within the meaning of subsection 1 of that section 95.

“577.8. A corporation resident in Canada may deduct in computing its income for a taxation year, in respect of a specified amount included in that computation under section 577.5 or in respect of an amount so included under section 577.9 in relation to a particular loan or indebtedness, a particular amount that is equal to the amount that the corporation deducts for the year in relation to the particular loan or indebtedness under subsection 9 of section 90 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

“577.9. A corporation resident in Canada is required in computing its income for a particular taxation year to include any amount deducted by the corporation under section 577.8 in computing its income for the taxation year preceding the particular year.

“577.10. A corporation may not claim a deduction for a taxation year under section 577.8 in respect of the same portion of a specified amount in respect of a loan or indebtedness for which a deduction is claimed for that year or a preceding taxation year by the corporation, or by the partnership of which the corporation is a member, under section 577.11.

“577.11. In computing a taxpayer’s income for a particular taxation year, there may be deducted the amount determined by the formula

$$A \times (B/C).$$

In the formula in the first paragraph,

(a) A is the specified amount, in respect of a loan or indebtedness, that is included under section 577.5 in computing the taxpayer’s income for a preceding taxation year;

(b) B is the portion of the loan or indebtedness that is repaid in the particular year, to the extent it is established, having regard to subsequent events or otherwise, that the repayment is not part of a series of loans or other transactions and repayments; and

(c) C is the amount, in respect of the loan or indebtedness, that is referred to in the description of A in the formula in the definition of “specified amount” in subsection 15 of section 90 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).”

(2) Subsection 1, where it enacts sections 577.2 to 577.4 of the Act, has effect from 20 August 2011. In addition, if a taxpayer has made a valid election under paragraph *a* of subsection 2 of section 79 of the Technical Tax Amendments Act, 2012 (Statutes of Canada, 2013, chapter 34), sections 577.2 and 577.4 of the Taxation Act, enacted by subsection 1, have effect from 21 December 2002 and before 20 August 2011 in relation to the taxpayer and, for that purpose, section 577.2 of the Act is to be read as follows:

“577.2. For the purposes of this Act, an amount is deemed to be a dividend paid or received, as the case may be, at any time on a share of a class of the capital stock of a corporation not resident in Canada that is a foreign affiliate of a taxpayer if the amount is the share’s portion of a pro rata distribution (other than a distribution made in the course of the liquidation and dissolution of the corporation, on a redemption, acquisition or cancellation of the share by the corporation, or on the reduction of the paid-up capital in relation to the share) made at that time by the corporation in respect of all the shares of that class.”

(3) Subsection 1, where it enacts sections 577.5 to 577.11 of the Act, applies in respect of a loan received or indebtedness incurred after 19 August 2011. In addition,

(1) subsection 1, where it enacts sections 577.5 to 577.11 of the Act, applies in respect of any portion of a particular loan received or a particular indebtedness incurred before 20 August 2011 that remains outstanding on 19 August 2014, as if that portion were a separate loan or indebtedness that was received or incurred, as the case may be, on 20 August 2014 in the same manner and on the same terms as the particular loan or indebtedness; and

(2) if the taxpayer has made a valid election under paragraph *b* of subsection 3 of section 66 of the Technical Tax Amendments Act, 2012, Chapter II of Title X of Book III of Part I of the Taxation Act is, in relation to the taxpayer, to be read without reference to section 577.6 in respect of all the loans and indebtedness received or incurred before 25 October 2012.

(4) For the purposes of section 21.4.7 of the Act in respect of an election referred to in section 577.3 of the Act, a taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 18 April 2016.

(5) Chapter V.2 of Title II of Book I of Part I of the Act applies in relation to an election made under paragraph *b* of subsection 3 of section 66 of the Technical Tax Amendments Act, 2012 and to an election made under paragraph *a* of subsection 2 of section 79 of that Act. For the purposes of section 21.4.7 of the Taxation Act in respect of an election referred to in either of those paragraphs, the taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 18 April 2016.

(6) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer’s tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 to 3. Sections 93.1.8 and 93.1.12 of the Tax Administration Act (chapter A-6.002) apply to such assessments, with the necessary modifications.

192. (1) Section 583 of the Act is replaced by the following section:

“583. A taxpayer who has included an amount under section 580 in respect of a share of a controlled foreign affiliate in computing the taxpayer’s income for a taxation year or for one of the five preceding taxation years may deduct in so computing for the year the lesser of

(a) the aggregate of any amount prescribed in respect of the affiliate that is attributable to the amount and any income or profits tax paid by the affiliate, or by another foreign affiliate of the taxpayer in respect of a dividend received from the affiliate, that is reasonably attributable to the amount, to the extent that the aggregate was not deductible under this section for a preceding year, multiplied by the taxpayer’s prescribed tax factor for the year; and

(b) the amount by which that amount exceeds the aggregate of the amounts deductible under this section in respect of the share for the five preceding taxation years.”

(2) Subsection 1 applies from the taxation year 2002.

193. (1) The Act is amended by inserting the following section after section 587:

“587.1. A taxpayer is required to add, in computing the adjusted cost base to the taxpayer of a share of the capital stock of a foreign affiliate of the taxpayer, any amount required by subparagraph *b* of the first paragraph of section 590 to be so added.”

(2) Subsection 1 has effect from 28 February 2004.

194. (1) Section 589 of the Act is amended

(1) by replacing the first paragraph by the following paragraph:

“589. If a corporation resident in Canada makes a valid election under subsection 1 of section 93 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), in respect of any share of the capital stock of a particular foreign affiliate of the corporation that is disposed of, at any time, by the corporation (in this section referred to as the “disposing corporation”) or by another foreign affiliate (in this section referred to as the “disposing affiliate”) of the corporation, the amount designated in the election, in accordance with paragraph *a* of that subsection 1, not exceeding the amount that would, in the absence of this section, be the gain of the disposing corporation or disposing affiliate, as the case may be, from the disposition of the share, is deemed, for the purposes of this Part,

(a) to have been a dividend received on the share from the particular foreign affiliate by the disposing corporation or disposing affiliate, as the case may be, immediately before that time; and

(b) not to have been received by the disposing corporation or disposing affiliate, as the case may be, as proceeds of disposition in respect of the disposition of the share.”;

(2) by striking out the second paragraph;

(3) by replacing the third paragraph by the following paragraph:

“Chapter V.2 of Title II of Book I applies in relation to an election made under subsection 1 of section 93 of the Income Tax Act.”

(2) Subsection 1 applies in respect of an election in respect of a disposition that occurs after 19 August 2011. However, subsection 1 does not apply in respect of the determination of the income earned or realized by a foreign affiliate of a corporation under subparagraph *d* of the first paragraph of section 308.6 of the Act unless that subparagraph *d*, as enacted by section 155, applies in respect of that determination.

(3) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer’s tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 and 2. Sections 93.1.8 and 93.1.12 of the Tax Administration Act (chapter A-6.002) apply to such assessments, with the necessary modifications.

195. (1) The Act is amended by inserting the following section after section 589.1:

“589.1.1. The rules in the second paragraph apply if

(a) a particular foreign affiliate of a corporation resident in Canada disposes at any time of a share (in this subparagraph and the second paragraph referred to as the “disposed share”) of the capital stock of another foreign affiliate of the corporation and the particular foreign affiliate would, in the absence of section 589 and the second paragraph, have realized a capital gain from the disposition of the disposed share; or

(b) in the absence of section 589 and the second paragraph, a corporation resident in Canada would be deemed under section 261, because of a valid election under section 577.3 or subparagraph *i* of paragraph *b* of subsection 2 of section 5901 of the Income Tax Regulations made under the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), to have realized a gain, at any time, from the disposition of a share (in the second paragraph referred to as the “disposed share”) of the capital stock of a foreign affiliate of the corporation.

The rules to which the first paragraph refers are the following:

(a) the corporation resident in Canada is deemed to have made the election referred to in the first paragraph of section 589, at the time referred to in the first paragraph, in respect of the disposition of the disposed share; and

(b) the corporation resident in Canada is deemed to have designated, in the election, an amount equal to the amount that it is deemed, under paragraph *b* of subsection 1.11 of section 93 of the Income Tax Act, to have designated in the election in respect of the disposition of the disposed share.”

(2) Subsection 1 applies in respect of a disposition of shares of the capital stock of a foreign affiliate of a corporation that occurs after 19 August 2011. In addition,

(1) if the corporation has made a valid election under paragraph *a* of subsection 2 of section 79 of the Technical Tax Amendments Act, 2012 (Statutes of Canada, 2013, chapter 34), subsection 1 applies in respect of dispositions of shares of the capital stock of all foreign affiliates of the corporation that occur after 20 December 2002 and before 20 August 2011, in which case subparagraph *b* of the first paragraph of section 589.1.1 of the Taxation Act is to be read as follows:

“(b) in the absence of section 589 and the second paragraph, a corporation resident in Canada would be deemed under section 261, because of a valid election under subparagraph *i* of paragraph *b* of subsection 2 of section 5901 of the Income Tax Regulations made under the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), to have realized a gain, at any time, from the disposition of a share (in the second paragraph referred to as the “disposed share”) of the capital stock of a foreign affiliate of the corporation.”; and

(2) if the corporation has not made an election under paragraph *a* of subsection 2 of section 79 of the Technical Tax Amendments Act, 2012 and has made a valid election under paragraph *b* of subsection 8 of section 68 of that Act, section 589.1.1 of the Taxation Act, enacted by subsection 1, applies in respect of any disposition of shares of the capital stock of a foreign affiliate of the corporation that occurs after 27 February 2004 and before 20 August 2011, in which case section 589.1.1 is to be read as follows:

“589.1.1. If at any time shares of the capital stock of a foreign affiliate of a corporation resident in Canada are disposed of by another foreign affiliate of the corporation, the corporation is deemed

(a) to have made, at that time, an election referred to in the first paragraph of section 589 in respect of each of those shares; and

(b) to have designated, in the election, an amount equal to the amount it is deemed, under paragraph *b* of subsection 1.1 of section 93 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), to have designated in respect of each of those shares.”

(3) Chapter V.2 of Title II of Book I of Part I of the Act applies in relation to an election made under paragraph *a* of subsection 2 of section 79 of the Technical Tax Amendments Act, 2012 and to an election made under paragraph *b* of subsection 8 of section 68 of that Act. For the purposes of section 21.4.7 of the Taxation Act in respect of such an election, the taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 18 April 2016.

(4) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer's tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 and 2. Sections 93.1.8 and 93.1.12 of the Tax Administration Act (chapter A-6.002) apply to such assessments, with the necessary modifications.

196. (1) Sections 590 and 591 of the Act are replaced by the following sections:

“590. If a taxpayer resident in Canada or a foreign affiliate (which taxpayer or foreign affiliate is referred to in this section as the “transferee”) of the taxpayer acquires shares of the capital stock of one or more foreign affiliates (each referred to in this section as an “acquired affiliate”) of the taxpayer on a disposition of shares (such shares disposed of being referred to in this section as the “disposed shares”) of the capital stock of any other foreign affiliate of the taxpayer (other than, where the transferee is a foreign affiliate of the taxpayer, a disposition of shares that are, immediately before the disposition, excluded property of the transferee or a disposition to which section 238.1 applies), the following rules apply:

(a) the capital loss of the transferee from the disposition is deemed to be nil; and

(b) in computing the adjusted cost base to the transferee of a share of a particular class of the capital stock of an acquired affiliate that is owned by the transferee immediately after the disposition, there is to be added the amount determined by the formula

$$[(A - B) \times C/D]/E.$$

In the formula in subparagraph *b* of the first paragraph,

(a) *A* is the aggregate of all amounts each of which is the cost amount to the transferee, immediately before the disposition, of a disposed share;

(b) *B* is the total of

i. the aggregate of all amounts each of which is the proceeds of disposition of a disposed share, and

ii. the aggregate of all amounts in respect of the computation of losses of the transferee from the dispositions of the disposed shares, each of which is, in respect of the disposition of a disposed share, the amount by which the amount referred to in subparagraph *a* of the second paragraph of section 591 exceeds the amount determined by the formula in that second paragraph;

(*c*) C is the fair market value, immediately after the disposition, of all shares of the particular class owned, immediately after the disposition, by the transferee;

(*d*) D is the fair market value, immediately after the disposition, of all shares owned, immediately after the disposition, by the transferee of the capital stock of all acquired affiliates; and

(*e*) E is the number of shares of the particular class that are owned by the transferee immediately after the disposition.

“591. The amount of a particular loss sustained by a vendor that is a particular corporation resident in Canada or a foreign affiliate of the particular corporation is determined in accordance with the rules set out in the second paragraph where

(*a*) the particular corporation has a particular loss, determined without reference to this chapter, from the disposition by it at any time (in this section referred to as the “disposition time”) of a share (in this section referred to as the “affiliate share”) of the capital stock of a foreign affiliate of the particular corporation; or

(*b*) the foreign affiliate of the particular corporation has a particular loss, determined without reference to this chapter, from the disposition by it at any time (in this section referred to as the “disposition time”) of a share (in this section referred to as the “affiliate share”) of the capital stock of another foreign affiliate of the particular corporation that is not excluded property.

Where a particular loss is a loss referred to in subparagraph *a* or *b* of the first paragraph, the amount of the particular loss is deemed to be equal to the greater of

(*a*) the amount determined by the formula

$A - (B - C)$; and

(*b*) the lesser of

i. the portion of the particular loss, determined without reference to this chapter, that can reasonably be considered to be attributable to a fluctuation in the value of a currency other than Canadian currency relative to Canadian currency, and

ii. the amount determined in respect of the vendor that is

(1) if the particular loss is a capital loss, the amount of a gain (other than a specified gain) that was realized within 30 days before or after the disposition time by the vendor and that is described in the fourth paragraph, or that is a capital gain realized within 30 days before or after the disposition time by the vendor under an agreement described in the fifth paragraph, or

(2) in any other case, the amount of a gain (other than a specified gain or a capital gain) that was realized within 30 days before or after the disposition time by the vendor and that is included in computing the income of the vendor for the taxation year that includes the time the gain was realized, if the gain meets any of the conditions of the sixth paragraph.

In the formula in subparagraph *a* of the second paragraph,

(*a*) *A* is the amount of the particular loss determined without reference to this chapter;

(*b*) *B* is the aggregate of all amounts each of which is an amount received before the disposition time, in respect of a tax-exempt dividend on the affiliate share or on a share for which the affiliate share was substituted, by

i. the particular corporation,

ii. another corporation that is related to the particular corporation,

iii. a foreign affiliate of the particular corporation, or

iv. a foreign affiliate of another corporation that is related to the particular corporation; and

(*c*) *C* is the total of

i. the aggregate of all amounts each of which is the amount by which a loss (determined without reference to this chapter), from a previous disposition by a corporation, or a foreign affiliate described in subparagraph *b*, of the affiliate share or a share for which the affiliate share was substituted, was reduced under subparagraph *a* of the second paragraph in respect of tax-exempt dividends referred to in subparagraph *b*,

ii. the aggregate of all amounts each of which is twice the amount by which an allowable capital loss (determined without reference to this chapter) of a corporation or a foreign affiliate described in subparagraph *b*, from a previous disposition by a partnership of the affiliate share or a share for which the affiliate share was substituted, was reduced under subparagraph *a* of the second paragraph of section 591.1 in respect of tax-exempt dividends referred to in subparagraph *b*,

iii. the aggregate of all amounts each of which is the amount by which a loss (determined without reference to this chapter), from a previous disposition by a corporation, or a foreign affiliate described in subparagraph *b*, of an interest in a partnership, was reduced under subparagraph *a* of the second paragraph of section 591.2 in respect of tax-exempt dividends referred to in subparagraph *b*, and

iv. the aggregate of all amounts each of which is twice the amount by which an allowable capital loss (determined without reference to this chapter) of a corporation or a foreign affiliate described in subparagraph *b*, from a previous disposition by a partnership of an interest in another partnership, was reduced under subparagraph *a* of the second paragraph of section 591.3 in respect of tax-exempt dividends referred to in subparagraph *b*.

The gain to which subparagraph 1 of subparagraph ii of subparagraph *b* of the second paragraph refers is a gain that

(*a*) is deemed under section 262 to be a capital gain of the vendor for the taxation year that includes the time the gain was realized from the disposition of currency other than Canadian currency; and

(*b*) is in respect of the settlement or extinguishment of a foreign currency debt that

i. was issued or incurred by the vendor within 30 days before or after the acquisition of the affiliate share by the vendor,

ii. was, at all times at which it was a debt obligation of the vendor, owing to a person or partnership that dealt, at all times during which the foreign currency debt was outstanding, at arm's length with the particular corporation, and

iii. could reasonably be considered to have been issued or incurred in relation to the acquisition of the affiliate share.

The agreement to which subparagraph 1 of subparagraph ii of subparagraph *b* of the second paragraph refers is an agreement that

(*a*) was entered into by the vendor within 30 days before or after the acquisition of the affiliate share by the vendor with a person or partnership that dealt, at all times during which the agreement was in force, at arm's length with the particular corporation;

(*b*) provides for the purchase, sale or exchange of currency; and

(*c*) can reasonably be considered to have been entered into by the vendor for the principal purpose of hedging the foreign exchange exposure arising in connection with the acquisition of the affiliate share.

The conditions to which subparagraph 2 of subparagraph ii of subparagraph *b* of the second paragraph refers in respect of a gain referred to in that subparagraph 2 are the following:

(a) the gain is in respect of the settlement or extinguishment of a foreign currency debt that

i. was issued or incurred by the vendor within 30 days before or after the acquisition of the affiliate share by the vendor,

ii. was, at all times at which it was a debt obligation of the vendor, owing to a person or partnership that dealt, at all times during which it was outstanding, at arm's length with the particular corporation, and

iii. can reasonably be considered to have been issued or incurred in relation to the acquisition of the affiliate share; and

(b) the gain is provided for in an agreement described in the fifth paragraph.”

(2) Subsection 1, where it replaces section 590 of the Act, applies in respect of an acquisition of shares of the capital stock of a foreign affiliate of a taxpayer that occurs after 27 February 2004. However, where section 590 of the Act applies in respect of an acquisition that occurs before 20 August 2011, it is to be read as if the portion before subparagraph *a* of the first paragraph were replaced by the following:

“590. If a taxpayer resident in Canada or a foreign affiliate (which taxpayer or foreign affiliate is referred to in this section as the “transferee”) of the taxpayer has acquired shares of the capital stock of one or more foreign affiliates (each referred to in this section as an “acquired affiliate”) of the taxpayer on a disposition of shares (such shares disposed of being referred to in this section as the “disposed shares”) of the capital stock of any other foreign affiliate of the taxpayer (other than a disposition to which section 238.1 applies), the following rules apply:”.

(3) In addition, if the taxpayer makes a valid election under paragraph *b* of subsection 8 of section 68 of the Technical Tax Amendments Act, 2012 (Statutes of Canada, 2013, chapter 34), subsection 1, where it replaces section 590 of the Taxation Act, applies in respect of any acquisition of shares of the capital stock of all foreign affiliates of the taxpayer that occurs after 31 December 1994 as if the portion of the first paragraph of section 590 of the Act before subparagraph *a*, enacted by subsection 1, were read as provided in subsection 2.

(4) Subsection 1, where it replaces section 591 of the Act, applies in respect of a loss sustained by a corporation resident in Canada, or a foreign affiliate of the corporation, from a disposition (in paragraphs 1 and 3 referred to as a “relevant disposition”) of a share that occurs after 27 February 2004. However,

(1) subject to paragraph 3, in respect of a relevant disposition in respect of the corporation that occurs before 19 August 2012, the following rules apply:

Sections 93.1.8 and 93.1.12 of the Tax Administration Act (chapter A-6.002) apply to such assessments, with the necessary modifications.

197. (1) The Act is amended by inserting the following section after section 591:

“591.0.1. For the purposes of subparagraphs 1 and 2 of subparagraph ii of subparagraph *b* of the second paragraph of section 591, “specified gain” means a gain in respect of the settlement or extinguishment of a foreign currency debt referred to in subparagraph *b* of the fourth paragraph of that section or in subparagraph *a* of the sixth paragraph of that section, or that arises under a particular agreement referred to in the fifth paragraph of that section, if the particular corporation, or any person or partnership with which the particular corporation was not—at any time during which the foreign currency debt was outstanding or the particular agreement was in force, as the case may be—dealing at arm’s length, entered into an agreement that may reasonably be considered to have been entered into for the principal purpose of hedging any foreign exchange exposure arising in connection with the foreign currency debt or the particular agreement.”

(2) Subsection 1 applies in respect of a loss sustained by a corporation resident in Canada, or a foreign affiliate of the corporation, from a disposition of a share that occurs after 18 August 2012, unless the corporation makes a valid election under paragraph *c* of subsection 9 of section 68 of the Technical Tax Amendments Act, 2012 (Statutes of Canada, 2013, chapter 34), in which case subsection 1 applies in respect of a loss sustained by a corporation resident in Canada, or a foreign affiliate of the corporation, from a disposition of a share that occurs after 27 February 2004.

(3) In addition, if the corporation makes a valid election under paragraph *b* of subsection 9 of section 68 of the Technical Tax Amendments Act, 2012 in respect of all losses of the corporation and of all foreign affiliates of the corporation, from dispositions (in this subsection referred to as “pertinent dispositions”) of shares or partnership interests that occur before 28 February 2004, subsection 1 applies in respect of all such dispositions that occur after 31 December 1994 and before 28 February 2004.

198. (1) Section 591.1 of the Act is replaced by the following section:

“591.1. The amount of a particular allowable capital loss sustained by a particular corporation resident in Canada or a foreign affiliate of the particular corporation is determined in accordance with the rules set out in the second paragraph where

(*a*) the particular corporation has a particular allowable capital loss, determined without reference to this chapter, from the disposition at any time (in this section referred to as the “disposition time”) by a partnership (in this section and section 591.1.1 referred to as the “disposing partnership”) of a share (in this section referred to as the “affiliate share”) of the capital stock of a foreign affiliate of the particular corporation; or

(b) the foreign affiliate of the particular corporation has a particular allowable capital loss, determined without reference to this chapter, from the disposition at any time (in this section referred to as the “disposition time”) by a partnership (in this section and section 591.1.1 referred to as the “disposing partnership”) of a share (in this section referred to as the “affiliate share”) of the capital stock of another foreign affiliate of the particular corporation that would not be excluded property of the affiliate if the affiliate had owned the share immediately before the disposition time.

Where a particular allowable capital loss is a loss referred to in subparagraph *a* or *b* of the first paragraph, the amount of the particular allowable capital loss is deemed to be equal to the greater of

(a) the amount determined by the formula

$A - (B - C)$; and

(b) the lesser of

i. the portion of the particular allowable capital loss, determined without reference to this chapter, that can reasonably be considered to be attributable to a fluctuation in the value of a currency other than Canadian currency relative to Canadian currency, and

ii. one-half of the amount determined in respect of the particular corporation, or the foreign affiliate of the particular corporation, that is the amount of a gain (other than a specified gain) that

(1) was realized within 30 days before or after the disposition time by the disposing partnership to the extent that the gain is reasonably attributable to the particular corporation or the foreign affiliate, as the case may be, if the gain is described in the fourth paragraph, or

(2) is a capital gain (to the extent that the capital gain is reasonably attributable to the particular corporation or the foreign affiliate, as the case may be) realized within 30 days before or after the disposition time by the disposing partnership under an agreement described in the fifth paragraph.

In the formula in subparagraph *a* of the second paragraph,

(a) *A* is the amount of the particular allowable capital loss determined without reference to this chapter,

(b) *B* is one-half of the aggregate of all amounts each of which is an amount received before the disposition time, in respect of a tax-exempt dividend on the affiliate share or on a share for which the affiliate share was substituted, by

i. the particular corporation,

- ii. another corporation that is related to the particular corporation,
- iii. a foreign affiliate of the particular corporation, or
- iv. a foreign affiliate of another corporation that is related to the particular corporation; and

(c) C is the total of

- i. the aggregate of all amounts each of which is one-half of the amount by which a loss (determined without reference to this chapter), from a previous disposition by a corporation, or a foreign affiliate described in subparagraph *b*, of the affiliate share or a share for which the affiliate share was substituted, was reduced under subparagraph *a* of the second paragraph of section 591 in respect of tax-exempt dividends referred to in subparagraph *b*,

- ii. the aggregate of all amounts each of which is the amount by which an allowable capital loss (determined without reference to this chapter), of a corporation or a foreign affiliate described in subparagraph *b*, from a previous disposition by a partnership of the affiliate share or a share for which the affiliate share was substituted, was reduced under subparagraph *a* of the second paragraph in respect of tax-exempt dividends referred to in subparagraph *b*,

- iii. the aggregate of all amounts each of which is one-half of the amount by which a loss (determined without reference to this chapter), from a previous disposition by a corporation, or a foreign affiliate described in subparagraph *b*, of an interest in a partnership, was reduced under subparagraph *a* of the second paragraph of section 591.2 in respect of tax-exempt dividends referred to in subparagraph *b*, and

- iv. the aggregate of all amounts each of which is the amount by which an allowable capital loss (determined without reference to this chapter), of a corporation, or a foreign affiliate described in subparagraph *b*, from a previous disposition by a partnership of an interest in another partnership, was reduced under subparagraph *a* of the second paragraph of section 591.3 in respect of tax-exempt dividends referred to in subparagraph *b*.

The gain to which subparagraph 1 of subparagraph ii of subparagraph *b* of the second paragraph refers is a gain that

(*a*) is deemed under section 262 to be a capital gain of the disposing partnership for the taxation year that includes the time the gain was realized from the disposition of currency other than Canadian currency; and

(*b*) is in respect of the settlement or extinguishment of a foreign currency debt that

- i. was issued or incurred by the disposing partnership within 30 days before or after the acquisition of the affiliate share by the disposing partnership,

ii. was, at all times at which it was a debt obligation of the disposing partnership, owing to a person or partnership that dealt, at all times during which the foreign currency debt was outstanding, at arm's length with the particular corporation, and

iii. could reasonably be considered to have been issued or incurred in relation to the acquisition of the affiliate share.

The agreement to which subparagraph 2 of subparagraph ii of subparagraph *b* of the second paragraph refers is an agreement that

(*a*) was entered into by the disposing partnership, within 30 days before or after the acquisition of the affiliate share by the disposing partnership, with a person or partnership that dealt, at all times during which the agreement was in force, at arm's length with the particular corporation;

(*b*) provides for the purchase, sale or exchange of currency; and

(*c*) can reasonably be considered to have been entered into by the disposing partnership for the principal purpose of hedging the foreign exchange exposure arising in connection with the acquisition of the affiliate share.”

(2) Subsection 1 applies in respect of a loss sustained by a corporation resident in Canada, or a foreign affiliate of the corporation, from a disposition (in paragraphs 1 and 3 referred to as the “relevant disposition”) of a share that occurs after 27 February 2004. However,

(1) subject to paragraph 3, in respect of a relevant disposition in respect of the corporation that occurs before 19 August 2012, the following rules apply:

(*a*) if the corporation does not make a valid election under subparagraph ii of paragraph *a* of subsection 9 of section 68 of the Technical Tax Amendments Act, 2012 (Statutes of Canada, 2013, chapter 34), subparagraph *b* of the second paragraph of section 591.1 of the Taxation Act is to be read as follows:

“(*b*) one-half of the total of the following amounts determined in respect of the particular corporation or the foreign affiliate of the particular corporation, as the case may be:

i. the amount of the gain of the particular corporation, the foreign affiliate or the disposing partnership (to the extent that the gain is reasonably attributable to the particular corporation or the foreign affiliate, as the case may be) that is included in the determination made under section 262 of the capital gain or capital loss of the particular corporation, the foreign affiliate or the disposing partnership, as the case may be, for the taxation year that includes the time the gain was realized from the disposition of currency of a country other than Canada if the gain is in respect of

(1) the settlement or extinguishment of an obligation of the particular corporation, the foreign affiliate or the disposing partnership, as the case may

be, that can reasonably be considered to have been issued or incurred in relation to the acquisition of the affiliate share by the disposing partnership, or

(2) if that taxation year began before 20 August 2011 (in the case of the particular corporation) or ended before 20 August 2011 (in the case of the foreign affiliate), the redemption, acquisition or cancellation of a share of the capital stock of the particular corporation or the foreign affiliate, as the case may be, that can reasonably be considered to have been issued in relation to the acquisition of the affiliate share by the disposing partnership, and

ii. the amount of any gain realized by the disposing partnership (to the extent that the gain is reasonably attributable to the particular corporation or the foreign affiliate), the particular corporation or the foreign affiliate, as the case may be, under an agreement that provides for the purchase, sale or exchange of currency, or from the disposition of a currency, which agreement or currency, as the case may be, can reasonably be considered to have been entered into or acquired, by the particular corporation, the foreign affiliate or the disposing partnership, as the case may be, for the principal purpose of hedging the foreign exchange exposure arising in connection with the acquisition of the affiliate share.”, and

(b) if the corporation makes a valid election under subparagraph ii of paragraph *a* of subsection 9 of section 68 of the Technical Tax Amendments Act, 2012, in respect of any relevant disposition in respect of the corporation, the following rules apply:

i. the formula in subparagraph *a* of the second paragraph of section 591.1 of the Taxation Act is to be read as follows in respect of any relevant disposition in respect of the corporation:

“ $A - (B - C) + D$; and”,

ii. section 591.1 of the Act is to be read, in respect of any relevant disposition in respect of the corporation, as if the following subparagraph were added after subparagraph *c* of the third paragraph:

“(d) *D* is the lesser of

i. the amount by which the amount determined under subparagraph *b* exceeds the amount determined under subparagraph *c*, and

ii. one-half of the total of the following amounts determined in respect of the particular corporation, or the foreign affiliate of the particular corporation, as the case may be:

(1) the amount of the gain of the particular corporation, the foreign affiliate or the disposing partnership (to the extent that the gain is reasonably attributable to the particular corporation or the foreign affiliate, as the case may be) that is included in the determination made under section 262 of the capital gain or capital loss of the particular corporation, the foreign affiliate or the disposing

partnership, as the case may be, for the taxation year that includes the time the gain was realized from the disposition of currency of a country other than Canada if the gain is in respect of the settlement or extinguishment of an obligation of the particular corporation, the foreign affiliate or the disposing partnership, as the case may be, that can reasonably be considered to have been issued or incurred in relation to the acquisition of the affiliate share by the disposing partnership, or, if that taxation year began before 20 August 2011 (in the case of the particular corporation) or ended before 20 August 2011 (in the case of the foreign affiliate), the redemption, acquisition or cancellation of a share of the capital stock of the particular corporation or the foreign affiliate, as the case may be, that can reasonably be considered to have been issued in relation to the acquisition of the affiliate share by the disposing partnership, and

iii. if the corporation makes a valid election under subsection 32 of section 70 of the Technical Tax Amendments Act, 2012, subparagraph 1 of subparagraph ii of subparagraph *d* of the third paragraph of section 591.1 of the Taxation Act, enacted by subparagraph ii, is to be read as if “20 August 2011” were replaced wherever it appears by “1 July 2011”, and

in Canada, or a foreign affiliate of the corporation, from a disposition of a share that occurs after 27 February 2004.

(3) In addition, if the corporation makes a valid election under paragraph *b* of subsection 9 of section 68 of the Technical Tax Amendments Act, 2012 in respect of all losses of the corporation and of all foreign affiliates of the corporation, from dispositions (in this subsection referred to as “pertinent dispositions”) of shares or partnership interests that occur before 28 February 2004, subsection 1 applies in respect of all pertinent dispositions that occur after 30 November 1999 and before 28 February 2004.

200. (1) Section 591.2 of the Act is replaced by the following section:

“591.2. The amount of a particular loss sustained by a vendor that is a particular corporation resident in Canada or a foreign affiliate of the particular corporation is determined in accordance with the rules set out in the second paragraph where

(*a*) the particular corporation has a particular loss, determined without reference to this chapter, from the disposition by it at any time (in this section referred to as the “disposition time”) of an interest in a partnership that has a direct or indirect right or interest in shares (in this section referred to as the “affiliate shares”) of the capital stock of a foreign affiliate of the particular corporation; or

Where a particular loss is a loss referred to in subparagraph *a* or *b* of the first paragraph, the amount of the particular loss is deemed to be equal to the greater of

(*a*) the amount determined by the formula

$A - (B - C)$; and

(*b*) the lesser of

i. the portion of the particular loss, determined without reference to this chapter, that can reasonably be considered to be attributable to a fluctuation in the value of a currency other than Canadian currency relative to Canadian currency, and

In the formula in subparagraph *a* of the second paragraph,

(*a*) *A* is the amount of the particular loss determined without reference to this chapter;

(*b*) *B* is the aggregate of all amounts each of which is an amount received before the disposition time, in respect of a tax-exempt dividend on affiliate shares or on shares for which affiliate shares were substituted, by

i. the particular corporation,

ii. another corporation that is related to the particular corporation,

iii. a foreign affiliate of the particular corporation, or

iv. a foreign affiliate of another corporation that is related to the particular corporation; and

ii. the aggregate of all amounts each of which is twice the amount by which an allowable capital loss (determined without reference to this chapter) of a corporation or a foreign affiliate described in subparagraph *b*, from a previous disposition by a partnership of the affiliate shares or shares for which the affiliate shares were substituted, was reduced under subparagraph *a* of the second paragraph of section 591.1 in respect of tax-exempt dividends referred to in subparagraph *b*,

iii. the aggregate of all amounts each of which is the amount by which a loss (determined without reference to this chapter), from a previous disposition by a corporation, or a foreign affiliate described in subparagraph *b*, of an interest in a partnership, was reduced under subparagraph *a* of the second paragraph in respect of tax-exempt dividends referred to in subparagraph *b*, and

iv. the aggregate of all amounts each of which is twice the amount by which an allowable capital loss (determined without reference to this chapter) of a corporation or a foreign affiliate described in subparagraph *b*, from a previous disposition by a partnership of an interest in another partnership, was reduced under subparagraph *a* of the second paragraph of section 591.3 in respect of tax-exempt dividends referred to in subparagraph *b*.

The gain to which subparagraph 1 of subparagraph ii of subparagraph *b* of the second paragraph refers is a gain that

(*a*) is deemed under section 262 to be a capital gain of the vendor for the taxation year that includes the time the gain was realized from the disposition of currency other than Canadian currency; and

(*b*) is in respect of the settlement or extinguishment of a foreign currency debt that

i. was issued or incurred by the vendor within 30 days before or after the acquisition of a partnership interest by the vendor,

(*a*) was entered into by the vendor within 30 days before or after the acquisition of the partnership interest by the vendor with a person or partnership that dealt, at all times during which the agreement was in force, at arm's length with the particular corporation;

(*b*) provides for the purchase, sale or exchange of currency; and

(*c*) can reasonably be considered to have been entered into by the vendor for the principal purpose of hedging the foreign exchange exposure arising in connection with the acquisition of the partnership interest.

The conditions to which subparagraph 2 of subparagraph ii of subparagraph *b* of the second paragraph refers in respect of a gain described in that subparagraph 2 are the following:

(2) Subsection 1 applies in respect of a loss sustained by a corporation resident in Canada, or a foreign affiliate of the corporation, from a disposition of a partnership interest that occurs after 18 August 2012, unless the corporation makes a valid election under paragraph *c* of subsection 9 of section 68 of the Technical Tax Amendments Act, 2012 (Statutes of Canada, 2013, chapter 34), in which case subsection 1 applies in respect of a loss sustained by a corporation resident in Canada, or a foreign affiliate of the corporation, from a disposition of a partnership interest that occurs after 27 February 2004.

(3) In addition, if the corporation makes a valid election under paragraph *b* of subsection 9 of section 68 of the Technical Tax Amendments Act, 2012 in respect of all losses of the corporation and of all foreign affiliates of the corporation, from dispositions (in this subsection referred to as “pertinent

202. (1) Section 591.3 of the Act is replaced by the following section:

“591.3. The amount of a particular allowable capital loss sustained by a particular corporation resident in Canada or a foreign affiliate of the particular corporation is determined in accordance with the rules set out in the second paragraph where

(a) the particular corporation has a particular allowable capital loss, determined without reference to this chapter, from the disposition at any time (in this section referred to as the “disposition time”) by a partnership (in this section and section 591.3.1 referred to as the “particular partnership”) of an interest in another partnership that has a direct or indirect right or interest in shares (in this section referred to as the “affiliate shares”) of the capital stock of a foreign affiliate of the particular corporation; or

(b) the foreign affiliate of the particular corporation has a particular allowable capital loss, determined without reference to this chapter, from the disposition at any time (in this section referred to as the “disposition time”) by a partnership (in this section and section 591.3.1 referred to as the “particular partnership”) of an interest in another partnership that has a direct or indirect right or interest in shares (in this section referred to as the “affiliate shares”) of the capital stock of a foreign affiliate of the particular corporation that would not be excluded property of the affiliate if the affiliate had owned the shares immediately before the disposition time.

Where a particular allowable capital loss is a loss referred to in subparagraph *a* or *b* of the first paragraph, the amount of the particular allowable capital loss is deemed to be equal to the greater of

(a) the amount determined by the formula

$A - (B - C)$; and

(b) the lesser of

i. the portion of the particular allowable capital loss, determined without reference to this chapter, that can reasonably be considered to be attributable to a fluctuation in the value of a currency other than Canadian currency relative to Canadian currency, and

ii. one-half of the amount determined in respect of the particular corporation or the foreign affiliate of the particular corporation that is the amount of a gain (other than a specified gain) that

(1) was realized within 30 days before or after the disposition time by the particular partnership to the extent that the gain is reasonably attributable to the particular corporation or the foreign affiliate, as the case may be, if the gain is described in the fourth paragraph, or

(2) is a capital gain (to the extent that the capital gain is reasonably attributable to the particular corporation or the foreign affiliate, as the case may be) realized within 30 days before or after the disposition time by the particular partnership under an agreement described in the fifth paragraph.

In the formula in subparagraph *a* of the second paragraph,

(*a*) *A* is the amount of the particular allowable capital loss determined without reference to this chapter;

(*b*) *B* is one-half of the aggregate of all amounts each of which is an amount received before the disposition time, in respect of a tax-exempt dividend on affiliate shares or on shares for which the affiliate shares were substituted, by

- i. the particular corporation,
- ii. another corporation that is related to the particular corporation,
- iii. a foreign affiliate of the particular corporation, or
- iv. a foreign affiliate of another corporation that is related to the particular corporation; and

(*c*) *C* is the total of

i. the aggregate of all amounts each of which is one-half of the amount by which a loss (determined without reference to this chapter), from a previous disposition by a corporation, or a foreign affiliate described in subparagraph *b*, of the affiliate shares or shares for which the affiliate shares were substituted, was reduced under subparagraph *a* of the second paragraph of section 591 in respect of tax-exempt dividends referred to in subparagraph *b*,

ii. the aggregate of all amounts each of which is the amount by which an allowable capital loss (determined without reference to this chapter), of a corporation or a foreign affiliate described in subparagraph *b*, from a previous disposition by a partnership of the affiliate shares or shares for which the affiliate shares were substituted, was reduced under subparagraph *a* of the second paragraph of section 591.1 in respect of tax-exempt dividends referred to in subparagraph *b*,

iii. the aggregate of all amounts each of which is one-half of the amount by which a loss (determined without reference to this chapter), of a corporation or a foreign affiliate described in subparagraph *b*, from a previous disposition by a corporation, or a foreign affiliate described in subparagraph *b*, of an interest in a partnership, was reduced under subparagraph *a* of the second paragraph

of section 591.2 in respect of tax-exempt dividends referred to in subparagraph *b*, and

iv. the aggregate of all amounts each of which is the amount by which an allowable capital loss (determined without reference to this chapter), of a corporation or a foreign affiliate described in subparagraph *b*, from a previous disposition by a partnership of an interest in another partnership, was reduced under subparagraph *a* of the second paragraph in respect of tax-exempt dividends referred to in subparagraph *b*.

The gain to which subparagraph 1 of subparagraph ii of subparagraph *b* of the second paragraph refers is a gain that

(*a*) is deemed under section 262 to be a capital gain of the particular partnership for the taxation year that includes the time the gain was realized from the disposition of currency other than Canadian currency; and

(*b*) is in respect of the settlement or extinguishment of a foreign currency debt that

i. was issued or incurred by the particular partnership within 30 days before or after the acquisition of the partnership interest by the partnership,

ii. was, at all times at which it was a debt obligation of the particular partnership, owing to a person or partnership that dealt, at all times during which the foreign currency debt was outstanding, at arm's length with the particular corporation, and

iii. could reasonably be considered to have been issued or incurred in relation to the acquisition of the partnership interest.

The agreement to which subparagraph 2 of subparagraph ii of subparagraph *b* of the second paragraph refers is an agreement that

(*a*) was entered into by the particular partnership, within 30 days before or after the acquisition of the partnership interest by the particular partnership, with a person or partnership that dealt, at all times during which the agreement was in force, at arm's length with the particular corporation;

(*b*) provides for the purchase, sale or exchange of currency; and

(*c*) can reasonably be considered to have been entered into by the particular partnership for the principal purpose of hedging the foreign exchange exposure arising in connection with the acquisition of the partnership interest.”

(2) Subsection 1 applies in respect of a loss sustained by a corporation resident in Canada, or a foreign affiliate of the corporation, from a disposition (in paragraphs 1 and 3 referred to as the “relevant disposition”) of a partnership interest that occurs after 27 February 2004. However,

(1) subject to paragraph 3, in respect of a relevant disposition in respect of the corporation that occurs before 19 August 2012, the following rules apply:

(1) the settlement or extinguishment of an obligation of the particular corporation, the foreign affiliate, the particular partnership or the other partnership, as the case may be, that can reasonably be considered to have been issued or incurred in relation to the acquisition of the affiliate shares, or

(2) if that taxation year began before 20 August 2011 (in the case of the particular corporation) or ended before 20 August 2011 (in the case of the foreign affiliate), the redemption, acquisition or cancellation of a share of the particular corporation or the foreign affiliate, as the case may be, or an interest in the particular partnership or the other partnership, as the case may be, that can reasonably be considered to have been issued in relation to the acquisition of the affiliate shares, and

ii. the amount of any gain realized by a partnership (to the extent that the gain is reasonably attributable to the particular corporation or the foreign affiliate, as the case may be), by the particular corporation or the foreign affiliate, as the case may be, under an agreement that provides for the purchase, sale or exchange of currency, or from the disposition of a currency, which agreement or currency, as the case may be, can reasonably be considered to have been entered into or acquired by the particular corporation, the foreign affiliate or the partnership, as the case may be, for the principal purpose of hedging the foreign exchange exposure arising in connection with the acquisition of the affiliate shares.”, and

209. (1) Section 614 of the Act is amended

(1) by replacing the portion of the second paragraph before subparagraph *a* by the following:

“Despite any other provision of this Part, other than section 93.3.1 and the third paragraph, where a taxpayer disposes of any property that is a capital property, Canadian resource property, foreign resource property, incorporeal capital property or inventory to a partnership that, immediately after the disposition, is a Canadian partnership of which the taxpayer is a member, and the taxpayer and all the other members of the partnership make a valid election for the purposes of subsection 2 of section 97 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) in respect of the disposition or, where that election cannot be made because of subsection 21.2 of section 13 of that Act, make an election, in the prescribed form referred to in the first paragraph of section 520.1, the following rules apply:”;

(2) by adding the following paragraph after the second paragraph:

“The second paragraph does not apply in respect of a disposition of a property by a taxpayer to a partnership if

(a) as part of a transaction or event or series of transactions or events that includes the disposition

i. control of a taxable Canadian corporation is acquired by another taxable Canadian corporation (in this paragraph referred to as the “subsidiary” and the “parent”, respectively),

ii. the subsidiary is amalgamated with one or more other corporations in the course of an amalgamation to which section 550.9 applies or is wound up in accordance with Chapter VII of Title IX, and

iii. the parent designates an amount in accordance with paragraph *d* of subsection 1 of section 88 of the Income Tax Act in respect of an interest in a partnership;

(b) the disposition of the property occurs after the acquisition of control of the subsidiary;

(c) the property is a capital property whose disposition may not be the subject of a valid election for the purposes of subsection 2 of section 97 of the Income Tax Act because of subsection 21.2 of section 13 of that Act but could, in the absence of this paragraph, be the subject of an election under the second paragraph given the inapplicability of section 93.3.1 in respect of the disposition; and

(d) the subsidiary is the taxpayer or has, before the disposition of the property, directly or indirectly in any manner whatever, an interest in the taxpayer.”

(2) Subsection 1 applies in respect of a disposition made after 28 March 2012.

210. (1) Section 637 of the Act is amended

(1) by replacing the portion of the first paragraph before subparagraph *b* by the following:

“637. If, as part of a transaction or event or series of transactions or events, a taxpayer disposes of an interest in a particular partnership and an interest in the partnership is acquired by a person or partnership described in any of paragraphs *a* to *d* of section 637.1, the taxpayer’s taxable capital gain from the disposition of the interest is deemed, despite section 231, to be equal to the total of

(*a*) subject to the second paragraph, 1/2 of the portion of the taxpayer’s capital gain for the year from the disposition that can reasonably be attributed to the increase in the value of a property of the particular partnership that is capital property other than depreciable property held directly or indirectly by the particular partnership through one or more other partnerships; and”;

(2) by replacing the second paragraph by the following paragraph:

“However, where the taxation year of the taxpayer includes 28 February 2000 or 17 October 2000, or begins after 28 February 2000 and ends before 17 October 2000, the reference to the fraction “1/2” in subparagraph *a* of the first paragraph, as it read in respect of that taxation year, is to be read as a reference to the fraction in paragraphs *a* to *d* of section 231.0.1 that applies to the taxpayer for the year.”

(2) Subsection 1 applies in respect of a disposition made after 28 March 2012. However,

(1) when it applies in respect of a disposition made before 14 August 2012, the portion of the first paragraph of section 637 of the Act before subparagraph *b* is to be read as follows:

“637. If, as part of a transaction or event or series of transactions or events, a taxpayer disposes of an interest in a partnership and the interest is acquired by a person exempt from tax under sections 980 to 999.1 or by a person not resident in Canada, the taxpayer’s taxable capital gain from the disposition of the interest is deemed, despite section 231, to be equal to the total of

(*a*) 1/2 of the portion of the taxpayer’s capital gain for the year from the disposition that can reasonably be attributed to the increase in the value of any capital property of the partnership other than depreciable property; and”;

(2) it does not apply in respect of a disposition of an interest in a partnership made by a taxpayer before 1 January 2013 to a person with whom the taxpayer deals at arm’s length if the taxpayer was obligated to dispose of the interest to the person pursuant to a written agreement entered into before 29 March 2012; in that respect, a taxpayer is not considered to be obligated to dispose of an interest in a partnership if, as a result of amendments to the Income Tax Act

(Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), the taxpayer may be excused from the obligation.

211. (1) The Act is amended by inserting the following sections after section 637:

“**637.1.** Subject to section 637.2, section 637 applies in respect of a disposition of a partnership interest by a taxpayer if the interest is acquired by

(a) a person exempt from tax under sections 980 to 999.1;

(b) a person not resident in Canada;

(c) another partnership to the extent that the interest can reasonably be considered to be held, at the time of its acquisition by the other partnership, indirectly through one or more partnerships, by a person that is

i. a person exempt from tax under sections 980 to 999.1,

ii. a person not resident in Canada, or

iii. a trust resident in Canada (other than a mutual fund trust) if

(1) an interest as a beneficiary under the trust is held, directly or indirectly through one or more other partnerships, by a person exempt from tax under sections 980 to 999.1 or by a trust (other than a mutual fund trust), and

(2) the fair market value of all the interests as beneficiaries under the trust held by persons referred to in subparagraph 1 exceeds 10% of the fair market value of all the interests as beneficiaries under the trust; or

(d) a trust resident in Canada (other than a mutual fund trust) to the extent that the trust can reasonably be considered to have a beneficiary that is

i. a person exempt from tax under sections 980 to 999.1,

ii. a partnership, if

(1) an interest in the partnership is held, whether directly or indirectly through one or more other partnerships, by one or more persons exempt from tax under sections 980 to 999.1 or by one or more trusts (other than mutual fund trusts), and

(2) the fair market value of all the interests in the partnership held by persons referred to in subparagraph 1 exceeds 10% of the fair market value of all the interests in the partnership, or

iii. another trust (other than a mutual fund trust), if

(1) at least one beneficiary under the other trust is a person exempt from tax under sections 980 to 999.1, a partnership or a trust (other than a mutual fund trust), and

(2) the fair market value of all the interests as beneficiaries under the other trust held by the persons referred to in subparagraph 1 exceeds 10% of the fair market value of all the interests as beneficiaries under the other trust.

“637.2. Section 637 does not apply in respect of a taxpayer’s disposition of a partnership interest to a partnership or trust described in paragraph *c* or *d* of section 637.1 if the extent to which section 637 would, but for this section, apply to the taxpayer’s disposition of the interest because of that paragraph *c* or *d* does not exceed 10% of the taxpayer’s interest.

The first paragraph does not apply in respect of a disposition to a trust under which the amount of the income or capital to be distributed at any time in respect of any interest as a beneficiary under the trust depends on the exercise by any person or partnership of, or the failure by any person or partnership to exercise, a power to appoint.

“637.3. Section 637 does not apply in respect of a taxpayer’s disposition of a partnership interest to a person not resident in Canada if

(a) property of the partnership is used, immediately before and immediately after the acquisition of the interest by that person, in carrying on a business in an establishment situated in Canada; and

(b) the fair market value of all the property referred to in paragraph *a* is not less than 90% of the fair market value of all property of the partnership.

“637.4. The rules of the second paragraph apply in respect of a taxpayer’s particular interest in a partnership if

(a) it may be reasonable to conclude that one of the purposes of a dilution, reduction or alteration of the particular interest was to avoid the application of section 637 in respect of the particular interest; and

(b) as part of a transaction or event or series of transactions or events that includes the dilution, reduction or alteration of the particular interest, there is

i. an acquisition of an interest in the partnership by a person or partnership described in any of paragraphs *a* to *d* of section 637.1, or

ii. an increase in, or alteration of, an interest in the partnership held by a person or partnership described in any of paragraphs *a* to *d* of section 637.1.

For the purposes of section 637,

(a) the taxpayer is deemed to have disposed of an interest in the partnership at the time of the dilution, reduction or alteration;

(b) the taxpayer is deemed to have a capital gain from the disposition equal to the amount by which the fair market value of the particular interest immediately before the time of the dilution, reduction or alteration exceeds the fair market value of the particular interest immediately after that time; and

(c) the person or partnership referred to in subparagraph *b* of the first paragraph is deemed to have acquired an interest in the partnership as part of the transaction or event or series of transactions or events that includes the disposition referred to in subparagraph *a*.”

(2) Subsection 1, where it enacts sections 637.1, 637.2 and 637.4 of the Act, has effect from 14 August 2012, but does not apply in respect of a disposition, dilution, reduction or alteration of an interest in a partnership if the disposition, dilution, reduction or alteration is made before 1 January 2013 by persons that deal with each other at arm’s length and pursuant to an obligation resulting from a written agreement entered into before 14 August 2012 and if no party to the agreement may be exempted from the obligation as a result of amendments to the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

(3) Subsection 1, when it enacts section 637.3 of the Act, has effect from 29 March 2012.

212. (1) Section 647 of the Act is amended

(1) by inserting “a pooled registered pension plan,” after “a registered pension plan,” in subparagraph *a* of the third paragraph;

(2) by replacing subparagraph *a.1* of the third paragraph by the following subparagraph:

“(a.1) a trust, other than a trust described in subparagraph *a* or *d*, a trust to which section 53 or 58 applies or a trust prescribed for the purposes of section 688, all or substantially all of the property of which is held for the purpose of providing benefits to individuals each of whom is provided with benefits in respect of, or because of, an office or employment or former office or employment of any individual;”;

(3) by striking out subparagraph *b* of the fourth paragraph.

(2) Paragraph 1 of subsection 1 has effect from 14 December 2012.

(3) Paragraph 2 of subsection 1 applies to a taxation year that begins after 31 December 2006.

(4) Paragraph 3 of subsection 1 applies to a taxation year that begins after 31 October 2011.

213. (1) Section 649 of the Act is amended by replacing subparagraphs 1 and 2 of subparagraph iv of paragraph *b* by the following subparagraphs:

“(1) not less than 95% of its income for the current year, determined without reference to sections 262 and 295.1 and paragraph *a* of section 657, is derived from, or from the disposition of, investments described in subparagraph iii, or

“(2) not less than 95% of its income for each of the relevant periods, determined without reference to sections 262 and 295.1 and paragraph *a* of section 657 and as though each of those periods were a taxation year, is derived from, or from the disposition of, investments described in subparagraph iii.”.

(2) Subsection 1 applies from the taxation year 2003.

214. (1) Section 651.1 of the Act is replaced by the following section:

“**651.1.** Except as otherwise provided in this Part and without restricting the application of sections 316.1, 456 to 458, 462.1 to 462.24, 467, 467.1, Division III of Chapter II.1 of Title I of Book V and section 1034.0.0.2, an amount included under any of sections 659 and 661 to 663 in computing the income for a taxation year of a beneficiary of a trust is deemed to be income of the beneficiary for the year from a property that is an interest in the trust and not from any other source, and an amount deductible in computing the amount that would, but for paragraphs *a* and *b* of section 657 and section 657.1, be the income of a trust for a taxation year is not to be deducted by a beneficiary of the trust in computing the beneficiary’s income for a taxation year.”

(2) Subsection 1 applies from the taxation year 2013.

215. (1) Sections 656.4 to 656.8 of the Act are repealed.

(2) Subsection 1 applies to a taxation year that begins after 31 October 2011.

(2) Subsection 1 applies to a taxation year that begins after 31 October 2011.

218. (1) Section 668.3 of the Act is replaced by the following section:

“**668.3.** For the purposes of sections 668 to 668.2, the net taxable capital gains of a trust for a taxation year are the amount determined by the formula

$A + B - C - D$.

In the formula in the first paragraph,

(a) A is the aggregate of all amounts each of which is the taxable capital gain of the trust for the year from the disposition of a capital property that was held by the trust immediately before the disposition;

(b) B is the aggregate of all amounts each of which is an amount deemed under section 668 to be a taxable capital gain of the trust for the year;

(c) C is the aggregate of all amounts each of which is the allowable capital loss (other than an allowable business investment loss) of the trust for the year from the disposition of a capital property; and

(d) D is the net capital losses deducted by the trust under section 729 in computing its taxable income for the year.”

(2) Subsection 1 applies to a taxation year that begins after 31 October 2011. In addition, when section 668.3 of the Act applies to a taxation year that begins after 31 December 2000 and before 1 November 2011, it is to be read as follows:

“**668.3.** For the purposes of sections 668 to 668.2, the net taxable capital gains of a trust for a taxation year are the amount, if any, by which the aggregate of the taxable capital gains of the trust for the year exceeds the aggregate of its allowable capital losses (other than an allowable business investment loss) for the year and its net capital losses deducted under section 729 in computing its taxable income for the year.”

219. (1) Sections 668.5 to 668.8 of the Act are repealed.

(2) Subsection 1 applies to a taxation year that begins after 31 October 2011.

220. (1) Section 677 of the Act is amended, in subparagraph *d* of the second paragraph,

(1) by replacing subparagraph 2 of subparagraph iii by the following subparagraph:

“(2) in exchange for the payment and in full settlement of the debt or other obligation, the trust transfers property, the fair market value of which is not less than the principal amount of the debt or other obligation, to the specified party within 12 months after the payment was made or, if written application has been made to the Minister by the trust within that 12-month period, within any longer period that the Minister considers reasonable in the circumstances, and”;

(2) by adding the following subparagraph after subparagraph iii:

“iv. incurred by the trust before 24 October 2012 if, in full settlement of the debt or other obligation, the trust transfers property, the fair market value of which is not less than the principal amount of the debt or other obligation, to the person or partnership to whom the debt or other obligation is owed within 12 months after 26 June 2013 or, if written application has been made to the Minister by the trust within that 12-month period, within any longer period that the Minister considers reasonable in the circumstances.”

(2) Subsection 1 applies to a taxation year that ends after 20 December 2002. However, when a transfer is required to be made, under subparagraph 2 of subparagraph iii of subparagraph *d* of the second paragraph of section 677 of the Act, within 12 months of a payment, the transfer is deemed to have been made within the prescribed time if it is made on or before the day that is 12 months after 26 June 2013.

(3) In addition, for the taxation years that end before 26 June 2013, subparagraph 3 of subparagraph iii of subparagraph *d* of the second paragraph of section 677 of the Act is to be read as if “within the first 12 months after the individual’s death” were replaced by “after the individual’s death and on or before the day that is 12 months after 26 June 2013”.

(2) Subsection 1 applies in respect of a distribution made after 31 December 1999. However, when subparagraph *c* of the first paragraph of section 688 of the Act in the French text has effect before 15 May 2009, it is to be read as if “la distribution” were replaced by “l’attribution”.

222. (1) Section 688.1.1 of the Act is amended by replacing the first paragraph by the following paragraph:

“**688.1.1.** If a trust that is resident in Canada for a taxation year makes in the taxation year one or more distributions of property in circumstances in which section 688.1 applies, the following rules apply:

(2) before 20 December 2006, it is to be read as follows:

$A - B$;

“recognized business” of a corporation or a partnership in relation to a large investment project means a business or part of a business, carried on in Québec by the corporation or partnership, in connection with which the large investment project was carried out or is in the process of being carried out and in respect of which the corporation or partnership keeps separate accounts in relation to the eligible activities of the corporation or partnership, in relation to the project;

“tax-free period” of a corporation or a partnership, for a taxation year or a fiscal period, in relation to a large investment project, means the part of the taxation year or fiscal period that is both covered by a certificate issued to the corporation or partnership in respect of the large investment project and included in the 10-year period that begins on the date of the beginning of the tax-free period in respect of the project or, where the corporation or partnership acquired all or substantially all of the recognized business in relation to the project and the Minister of Finance authorized the transfer of the carrying out of the project to the corporation or partnership, according to the qualification certificate issued to the corporation or partnership, in relation to the project, in the part of that 10-year period that begins on the date of acquisition of the recognized business;

“total qualified capital investments”, at a particular date, of a corporation or a partnership, in relation to a large investment project, means the aggregate of the expenditures of a capital nature incurred by the corporation or partnership, as the case may be, from the beginning of the carrying out of the large investment project until that date, to obtain goods or services with a view to establishing, in Québec, the recognized business of the corporation or partnership, in relation to the project, or with a view to increasing or modernizing the production of such a business, except such expenditures that are related to the purchase or use of land or the acquisition of a business already carried on in Québec.

In the formula in the definition of “prior loss attributable to eligible activities” of a corporation for a particular taxation year or of a partnership for a particular fiscal period, in the first paragraph,

(a) A is

i. in relation to a corporation, the aggregate of all amounts each of which is the amount, in respect of the corporation, for a taxation year preceding the particular year, by which the amount determined under subparagraph *b* of the second paragraph of section 737.18.17.5 exceeds the amount determined under subparagraph *a* of that second paragraph, and

ii. in relation to a partnership, the aggregate of all amounts each of which is the amount, in respect of the partnership, for a fiscal period preceding the particular fiscal period, by which the amount determined under subparagraph *e* of the second paragraph of section 737.18.17.5 exceeds the amount determined under subparagraph *d* of that second paragraph; and

(b) B is

i. in relation to a corporation, the aggregate of all amounts each of which is the amount that reduced, because of C in the formula in subparagraph *a* of the first paragraph of section 737.18.17.5, the amount that would have been otherwise deductible by the corporation, under that section, for a taxation year preceding the particular year, and

ii. in relation to a partnership, the aggregate of all amounts each of which is the amount that reduced, because of F in the formula in subparagraph *b* of

the first paragraph of section 737.18.17.5, the amount of which a portion would have been otherwise deductible by a corporation that is a member of the partnership, under that section, for a taxation year in which a fiscal period preceding the particular fiscal period of the partnership ends.

“737.18.17.2. For the purposes of this Title, to determine the income or loss of a corporation for a taxation year, or of a partnership for a fiscal period, from its eligible activities in relation to a large investment project, the income or loss is to be computed as if

(a) the eligible activities were the carrying on of a separate business; and

(b) the corporation or partnership were deducting in computing its income for the taxation year or fiscal period and had deducted in computing its income for any preceding taxation year or fiscal period, in relation to the separate business, the maximum amount in respect of any reserve, allowance or other amount.

For the purposes of subparagraph *b* of the first paragraph, the following rules must be taken into consideration:

(a) the undepreciated capital cost, on the date described in the third paragraph for the corporation or partnership, in respect of the large investment project, of depreciable property of a prescribed class in relation to the separate business referred to in subparagraph *a* of the first paragraph, is deemed to include the amount that is the amount by which the total depreciation, within the meaning of paragraph *b* of section 93, allowed to the corporation or partnership, as the case may be, before that date, in respect of property of that class, exceeds the aggregate of all amounts each of which is an amount that the corporation or partnership, as the case may be, included, under section 94, in respect of property of that class, in computing its income for a taxation year or fiscal period ending before that date; and

(b) the eligible incorporeal capital amount of the corporation or partnership, in respect of the separate business referred to in subparagraph *a* of the first paragraph, on the date described in the third paragraph for the corporation or partnership, in relation to the large investment project, is deemed to include the amount that is the amount by which the aggregate of all amounts each of which is an amount that the corporation or partnership, as the case may be, deducted in computing its income from the separate business, under paragraph *b* of section 130, for a taxation year or fiscal period that ended before that date, exceeds the aggregate of all amounts each of which is an amount that the corporation or partnership, as the case may be, included in computing its income from the separate business under section 105 for such a taxation year or fiscal period.

The date to which subparagraphs *a* and *b* of the second paragraph refer is the date of the beginning of the tax-free period in respect of the large investment project, unless the corporation or partnership acquired all or substantially all

of the recognized business in relation to the large investment project and the Minister of Finance authorized the transfer of the carrying out of the project to the corporation or partnership, according to the qualification certificate issued to the corporation or partnership, in relation to the project, in which case it is the date of acquisition of the recognized business.

“737.18.17.3. Where, at any time, a corporation or a partnership (in this section referred to as the “acquirer”) acquired all or substantially all of a recognized business from another corporation or partnership (in this section referred to as the “vendor”), in relation to a large investment project, and the Minister of Finance previously authorized the transfer of the carrying out of the large investment project to the acquirer, according to a qualification certificate issued by that Minister to the acquirer in respect of the project,

(a) the following rules must be taken into consideration for the purposes of this Title:

i. for the purpose of computing the prior loss attributable to eligible activities of the acquirer for a taxation year or fiscal period that ends after that time, there shall be added to the amount otherwise represented by A in the formula in the definition of “prior loss attributable to eligible activities” in the first paragraph of section 737.18.17.1, unless it is otherwise included in that amount, the portion that is reasonably attributable to the recognized business of the amount by which the aggregate of the following amounts exceeds the amount represented by C or F in the formula in subparagraph *a* or *b* of the first paragraph of section 737.18.17.5, in respect of the vendor for that taxation year or fiscal period:

(1) the amount, in respect of the vendor for the taxation year or fiscal period, by which the amount determined under subparagraph *b* or *e* of the second paragraph of section 737.18.17.5 exceeds the amount determined under subparagraph *a* or *d* of that second paragraph, and

(2) the prior loss attributable to eligible activities of the vendor for that taxation year or fiscal period, and

ii. for the purpose of computing the prior loss attributable to eligible activities of the vendor for a taxation year or fiscal period that ends after that time, there shall be added to the amount otherwise represented by B in the formula in the definition of “prior loss attributable to eligible activities” in the first paragraph of section 737.18.17.1, the portion of the excess amount referred to in subparagraph *i*, in respect of the acquirer for such a taxation year or fiscal period; and

(b) the following rules must be taken into consideration when determining, for the purposes of subparagraphs *a* and *b* or *d* and *e* of the second paragraph of section 737.18.17.5, the amount referred to therein in relation to the large investment project:

i. the taxation year or fiscal period of the vendor that includes that time is deemed to end immediately before that time, and

ii. the taxation year or fiscal period of the acquirer that includes that time is deemed to begin at that time.

“737.18.17.4. If, at a particular time, the activities carried on in Québec by a person or a partnership in relation to a business diminish or cease and it may reasonably be considered that, as a result, a corporation or another partnership begins, after the particular time, to carry on similar activities in the course of carrying on a recognized business, in relation to a large investment project, or increases the scope of similar activities carried on in the course of carrying on such a business, those activities or portions of activities, as the case may be, are, subject to section 737.18.17.3, deemed not to be eligible activities of the corporation or of the other partnership carried on in the course of carrying on the recognized business.

“CHAPTER II

“DEDUCTION

“737.18.17.5. A corporation that, in a taxation year, carries on a recognized business in relation to a large investment project or is a member of a partnership that carries on such a recognized business in the partnership’s fiscal period ending in that year, may, subject to the third paragraph, deduct in computing its taxable income for the year, if a certificate has been issued for the year or fiscal period in relation to the large investment project, an amount not exceeding the portion of its income for the year that may reasonably be considered to be equal to the lesser of the amount determined in accordance with section 737.18.17.6, in respect of the corporation for the year, and the aggregate of

(a) the amount determined by the formula

$(A - B) - C$; and

(b) the aggregate of all amounts each of which is the corporation’s share of the amount determined, in respect of such a partnership of which the corporation is a member, by the formula

$(D - E) - F$.

In the formulas in the first paragraph,

(a) A is the aggregate of all amounts each of which is equal to the amount obtained by multiplying the corporation’s income for the taxation year from its eligible activities, in relation to a large investment project, by the proportion that the number of days in the corporation’s tax-free period for the year, in relation to the large investment project, is of the number of days in the year;

(b) B is the aggregate of all amounts each of which is equal to the amount obtained by multiplying the corporation's loss for the taxation year from its eligible activities, in relation to a large investment project, by the proportion that the number of days in the corporation's tax-free period for the year, in relation to the large investment project, is of the number of days in the year;

(c) C is the prior loss attributable to eligible activities of the corporation for the year;

(d) D is the aggregate of all amounts each of which is equal to the amount obtained by multiplying the partnership's income for the fiscal period from its eligible activities, in relation to a large investment project, by the proportion that the number of days in the partnership's tax-free period for the fiscal period, in relation to the large investment project, is of the number of days in the fiscal period;

(e) E is the aggregate of all amounts each of which is equal to the amount obtained by multiplying the partnership's loss for the fiscal period from its eligible activities, in relation to a large investment project, by the proportion that the number of days in the partnership's tax-free period for the fiscal period, in relation to the large investment project, is of the number of days in the fiscal period; and

(f) F is the prior loss attributable to eligible activities of the partnership for the fiscal period.

A corporation may deduct an amount under the first paragraph in computing its taxable income for a taxation year only if it encloses, with the fiscal return it is required to file under section 1000 for the year,

(a) the prescribed form containing prescribed information; and

(b) in relation to each large investment project referred to in the first paragraph of the corporation or of a partnership of which the corporation is a member,

i. the financial statements relating to the eligible activities of the corporation or partnership, in relation to the large investment project, for the taxation year or fiscal period, as the case may be,

ii. a copy of the qualification certificate issued to the corporation or partnership in respect of the large investment project,

iii. a copy of the certificate issued for the corporation's taxation year or the partnership's fiscal period, as the case may be, in relation to the large investment project,

iv. where the large investment project is a project of the partnership, a copy of each agreement referred to in section 737.18.17.10 in respect of the fiscal

period of the partnership that ends in the taxation year or in a preceding taxation year, in relation to the project, unless it has already been filed, and

v. where the corporation or partnership acquired or sold all or substantially all of the recognized business in relation to the large investment project, a copy of the agreement referred to in section 737.18.17.12 in respect of the transfer, unless it has already been filed.

For the purposes of subparagraph *b* of the first paragraph, the corporation's share of an amount, for a fiscal period of a partnership, is equal to the agreed proportion of that amount in respect of the corporation for the partnership's fiscal period.

“737.18.17.6. The amount to which the first paragraph of section 737.18.17.5 refers in respect of a corporation for a taxation year is equal, subject to subparagraph *a* of the first paragraph of section 737.18.17.7, to the aggregate of the following amounts that is multiplied, if the corporation has an establishment situated outside Québec, by the reciprocal of the proportion that its business carried on in Québec is of the aggregate of its business carried on in Canada or in Québec and elsewhere, as determined under subsection 2 of section 771:

(*a*) 100/11.9 of the lesser of the aggregate of all amounts each of which is the corporation's tax exemption amount for the year in respect of a large investment project of the corporation, or of a partnership of which it is a member, that is referred to in the first paragraph of section 737.18.17.5 and the amount that is determined in its respect for the year under subparagraph ii of subparagraph *d* of the fifth paragraph; and

(*b*) 100/8 of the amount by which the aggregate of all amounts each of which is the corporation's tax exemption amount for the year in respect of a large investment project of the corporation, or of a partnership of which it is a member, that is referred to in the first paragraph of section 737.18.17.5 exceeds the amount that is determined in its respect for the year under subparagraph ii of subparagraph *d* of the fifth paragraph.

For the purposes of this section, a corporation's tax exemption amount for a taxation year in respect of a large investment project of the corporation, or of a partnership of which it is a member, is equal to the lesser of the amount that is determined under the fourth paragraph, for the year, in relation to the large investment project and the balance of the corporation's tax assistance limit for the year in respect of the project.

The balance of a corporation's tax assistance limit, for a particular taxation year, in respect of a large investment project, is equal to

(*a*) in the case of a large investment project of the corporation, the amount by which the corporation's tax assistance limit, in relation to the project, determined in accordance with section 737.18.17.8, exceeds the aggregate of

i. the aggregate of all amounts each of which is, for a preceding taxation year, in relation to the large investment project, equal to the amount determined by the formula

$$A \times B \times C,$$

ii. the aggregate of all amounts each of which is the corporation's contribution exemption amount, for the particular taxation year or a preceding taxation year, in respect of the large investment project, determined in accordance with the second paragraph of section 34.1.0.3 of the Act respecting the Régie de l'assurance maladie du Québec (chapter R-5), and

iii. where, at any time in the particular taxation year, the corporation transfers its recognized business in relation to the large investment project to another corporation or a partnership, the amount that was transferred to the other corporation or the partnership pursuant to the agreement referred to in section 737.18.17.12 in respect of the transfer; or

(b) in the case of a large investment project of a partnership of which the corporation is a member, the amount by which the corporation's tax assistance limit for the particular year, in relation to the large investment project, determined in accordance with section 737.18.17.9 exceeds the aggregate of all amounts each of which is, for a preceding taxation year, in relation to the project, equal to the amount determined by the formula

$$A \times B \times C.$$

The amount to which the second paragraph refers, for a taxation year of the corporation, in relation to a large investment project, is determined by the formula

$$A \times D \times E.$$

In the formulas in the third and fourth paragraphs,

(a) A is 1, unless the corporation has an establishment situated outside Québec for the taxation year, in which case it is the proportion that the corporation's business carried on in Québec is of the aggregate of its business carried on in Canada or in Québec and elsewhere, as determined under subsection 2 of section 771 for the year;

(b) B is the aggregate of, subject to subparagraph b of the first paragraph of section 737.18.17.7,

i. 8% of the amount by which the amount that would be determined in respect of the corporation for the year under section 771.2.1.2 if no reference were made to section 771.2.5.1 and, for the purposes of paragraph b of section 771.2.1.2, its taxable income for the year were computed without reference to section 737.18.17.5, exceeds the amount determined in its respect for the year under section 771.2.1.2, and

ii. 11.9% of the amount by which the amount that is deducted by the corporation in computing its taxable income for the year under section 737.18.17.5 exceeds the excess amount determined under subparagraph i;

(c) C is the proportion that the corporation's tax exemption amount for the year in respect of the large investment project is of the aggregate of all amounts each of which is the corporation's tax exemption amount for the year in respect of a large investment project of the corporation, or of a partnership of which it is a member, that is referred to in the first paragraph of section 737.18.17.5 for the year;

(d) D is the aggregate of, subject to subparagraph *b* of the first paragraph of section 737.18.17.7,

i. 8% of the amount by which the amount that would be determined in respect of the corporation for the year under section 771.2.1.2 if no reference were made to section 771.2.5.1 and, for the purposes of paragraph *b* of section 771.2.1.2, its taxable income for the year were computed without reference to section 737.18.17.5, exceeds the amount that would be determined in its respect for the year under section 771.2.1.2 if the corporation were to deduct, in computing its taxable income, the amount that, but for this section, would be determined under section 737.18.17.5, and

ii. 11.9% of the amount by which the amount that could be deducted in computing the corporation's taxable income for the year under section 737.18.17.5 if no reference were made to this section exceeds the excess amount determined under subparagraph i; and

(e) E is

i. in the case of a large investment project of the corporation, the proportion that the amount that A would be in the formula in subparagraph *a* of the first paragraph of section 737.18.17.5, for the taxation year, in respect of the corporation, if the corporation's income referred to in subparagraph *a* of the second paragraph of that section were derived only from its eligible activities, in relation to the large investment project, is of the total of the amount that A is in that formula for the year, in respect of the corporation, and the aggregate of all amounts each of which is the corporation's share of the amount that D is in the formula in subparagraph *b* of that first paragraph for the fiscal period of a partnership of which the corporation is a member that ends in the year, or

ii. in the case of a large investment project of a partnership of which the corporation is a member, the proportion that the corporation's share of the amount that D would be in the formula in subparagraph *b* of the first paragraph of section 737.18.17.5, for the fiscal period of the partnership that ends in the taxation year, if the partnership's income referred to in subparagraph *d* of the second paragraph of that section were derived only from its eligible activities, in relation to the large investment project, is of the total of the amount that A is in the formula in subparagraph *a* of that first paragraph for the year, in respect of the corporation, and the aggregate of all amounts each of which is the

corporation's share of the amount that D is for the fiscal period of a partnership of which the corporation is a member that ends in the year.

For the purpose of determining the amount referred to in subparagraph *i* of subparagraph *a* of the third paragraph or in subparagraph *b* of that paragraph for any preceding taxation year for which section 733.0.5.1 applies to the corporation, subparagraph *b* of the fifth paragraph is to be read as if

(*a*) the amount that is deducted by the corporation in computing its taxable income for the year under section 737.18.17.5 were increased by the amount by which its non-capital loss for the year exceeds the amount that would be that loss if it were determined without reference to section 733.0.5.1; and

(*b*) the corporation's taxable income for the year, determined without reference to section 737.18.17.5, were equal to the amount that, but for this section, would be determined in its respect for the year under section 737.18.17.5.

For the purposes of subparagraph *e* of the fifth paragraph, the corporation's share of an amount for a partnership's fiscal period is equal to the agreed proportion of that amount in respect of the corporation for the partnership's fiscal period.

“737.18.17.7. Where the corporation described in section 737.18.17.5 for a taxation year is a manufacturing corporation, within the meaning assigned by the first paragraph of section 771.1, to which paragraph *d.3* of subsection 1 of section 771 applies for the year, section 737.18.17.6 is to be read

(*a*) as if “100/8” in subparagraph *b* of the first paragraph were replaced by,

i. if subparagraph *ii* of subparagraph *a* of the first paragraph of section 771.0.2.5 applies to the corporation, “100/4”,

ii. if subparagraph *i* of subparagraph *a* of the first paragraph of section 771.0.2.5 applies to the corporation, the ratio determined by the formula

$$100/\{8 - [(A \times 100) + (B \times 100)]\}, \text{ or}$$

iii. if subparagraph *b* of the first paragraph of section 771.0.2.5 applies to the corporation, the ratio obtained by dividing 100 by the amount by which 8 exceeds the aggregate of

(1) the number determined by the formula

$$[A \times (C - 25\%)/25\%] \times 100, \text{ and}$$

(2) the number determined by the formula

$$[B \times (C - 25\%)/25\%] \times 100; \text{ and}$$

(b) as if “8%” in subparagraph i of subparagraphs *b* and *d* of the fifth paragraph were replaced by,

i. if subparagraph ii of subparagraph *a* of the first paragraph of section 771.0.2.5 applies to the corporation, “4%”,

ii. if subparagraph i of subparagraph *a* of the first paragraph of section 771.0.2.5 applies to the corporation, the percentage determined by the formula

$$8\% - (A + B), \text{ or}$$

iii. if subparagraph *b* of the first paragraph of section 771.0.2.5 applies to the corporation, the amount by which 8% exceeds the aggregate of

(1) the percentage determined by the formula

$$A \times (C - 25\%) / 25\%, \text{ and}$$

(2) the percentage determined by the formula

$$B \times (C - 25\%) / 25\%.$$

In the formulas in the first paragraph,

(a) *A* is the proportion of 2% that the number of days in the taxation year that follow 4 June 2014 but precede 1 April 2015 is of the number of days in the taxation year;

(b) *B* is the proportion of 4% that the number of days in the taxation year that follow 31 March 2015 is of the number of days in the taxation year; and

(c) *C* is the proportion of the manufacturing or processing activities, within the meaning assigned by the first paragraph of section 771.1, of the corporation for the taxation year.

“737.18.17.8. A corporation’s tax assistance limit in relation to a large investment project is 15% of its total qualified capital investments on the date of the beginning of the tax-free period in respect of the large investment project, unless the corporation acquired all or substantially all of the recognized business in relation to the project, in which case it is the amount that was transferred to the corporation pursuant to the agreement referred to in section 737.18.17.12 in respect of the acquisition.

“737.18.17.9. A corporation’s tax assistance limit, in relation to a large investment project of a partnership of which the corporation is a member, for a particular taxation year in which a fiscal period of the partnership ends is

(a) the aggregate of all amounts each of which is an amount allocated to the corporation, for the particular year or for a preceding taxation year, pursuant to the agreement referred to in section 737.18.17.10 in respect of the fiscal period of the partnership that ends in that year, in relation to the large investment project; or

(b) zero, if in respect of any fiscal period of the partnership that ends in the particular taxation year or in a preceding taxation year, no such agreement has been entered into in relation to the large investment project.

“737.18.17.10. The agreement to which section 737.18.17.9 refers in respect of a particular fiscal period of a partnership, in relation to a large investment project of the partnership, is the agreement under which the partnership and all its members agree on an amount in respect of the partnership’s tax assistance limit in relation to the large investment project, for the purpose of allocating to each corporation that is a member of the partnership, for the taxation year in which the particular fiscal period ends, its share of the agreed amount, which amount must not be greater than the amount by which the amount described in the second paragraph exceeds the aggregate of

(a) the aggregate of all amounts each of which is the amount so agreed on, in respect of a preceding fiscal period of the partnership, in relation to the particular large investment project;

(b) the aggregate of all amounts each of which is the partnership’s contribution exemption amount for a preceding fiscal period, in respect of the large investment project, determined in accordance with the second paragraph of section 34.1.0.3 of the Act respecting the Régie de l’assurance maladie du Québec (chapter R-5); and

(c) where, at any time in the particular fiscal period, the partnership transfers its recognized business in relation to the large investment project to a corporation or another partnership, the amount that was transferred to the corporation or the other partnership pursuant to the agreement referred to in section 737.18.17.12 in respect of the transfer.

The amount to which the portion of the first paragraph before subparagraph *a* refers is 15% of the total qualified capital investments of the partnership on the date of the beginning of the tax-free period in respect of the large investment project, unless the partnership acquired all or substantially all of the recognized business in relation to the project, in which case it is the amount that is transferred to the partnership pursuant to the agreement referred to in section 737.18.17.12 in respect of the acquisition.

The share of a corporation that is a member of the partnership of the amount agreed on under an agreement referred to in the first paragraph, in respect of a fiscal period, is the agreed proportion of that amount in respect of the corporation for the partnership’s fiscal period.

“737.18.17.11. Where the amount agreed on, in respect of a particular fiscal period of a partnership, in relation to a large investment project, pursuant to an agreement referred to in section 737.18.17.10, is greater than the excess amount referred to in the first paragraph of that section, the agreed amount is, for the purposes of this Title and section 34.1.0.3 of the Act respecting the Régie de l’assurance maladie du Québec (chapter R-5), deemed to be equal to that excess amount.

“737.18.17.12. Where, at any time in a particular taxation year or fiscal period, a corporation or a partnership, as the case may be, (in this section referred to as the “acquirer”), acquired all or substantially all of a recognized business from another corporation or partnership (in this section referred to as the “vendor”) in relation to a large investment project, and the Minister of Finance previously authorized the transfer of the carrying out of the large investment project to the acquirer, according to a qualification certificate issued by that Minister to the acquirer in respect of the project, the vendor and the acquirer shall enter into an agreement under which an amount in respect of the vendor’s tax assistance limit in relation to the project is transferred to the acquirer, which amount must not be greater than the amount by which the amount described in the second paragraph exceeds,

(a) where the vendor is a corporation, the total of

i. the aggregate of all amounts each of which is, for a preceding taxation year, equal to the amount determined by the formula

$A \times B \times C$, and

ii. the aggregate of all amounts each of which is the vendor’s contribution exemption amount, for a preceding taxation year, in respect of the large investment project, determined in accordance with the second paragraph of section 34.1.0.3 of the Act respecting the Régie de l’assurance maladie du Québec (chapter R-5); or

(b) where the vendor is a partnership, the total of

i. the aggregate of all amounts each of which is the amount agreed on, in respect of a preceding fiscal period of the vendor, in relation to the large investment project, pursuant to an agreement referred to in section 737.18.17.10 in respect of the fiscal period, and

ii. the aggregate of all amounts each of which is the vendor’s contribution exemption amount, for a preceding fiscal period, in respect of the large investment project, determined in accordance with the second paragraph of section 34.1.0.3 of the Act respecting the Régie de l’assurance maladie du Québec.

The amount to which the portion of the first paragraph before subparagraph *a* refers is 15% of the total qualified capital investments of the vendor on the date

of the beginning of the tax-free period in respect of the large investment project, unless the vendor acquired all or substantially all of the recognized business in relation to the project following a previous transfer, in which case it is the amount that was transferred to the vendor pursuant to the agreement referred to in this section in respect of the acquisition.

In the formula in subparagraph i of subparagraph *a* of the first paragraph,

(*a*) *A* is 1, unless the vendor has an establishment situated outside Québec for the preceding year, in which case it is the proportion that the vendor's business carried on in Québec is of the aggregate of its business carried on in Canada or in Québec and elsewhere, as determined under subsection 2 of section 771 for that preceding year;

(*b*) *B* is, subject to the fifth paragraph, the aggregate of

i. 8% of the amount by which the amount that would be determined in respect of the vendor for the preceding year under section 771.2.1.2 if no reference were made to section 771.2.5.1 and if, for the purposes of paragraph *b* of section 771.2.1.2, its taxable income for the preceding year were computed without reference to section 737.18.17.5, exceeds the amount determined in its respect for the preceding year under section 771.2.1.2, and

ii. 11.9% of the amount by which the amount that the vendor deducts in computing its taxable income for the preceding year under section 737.18.17.5 exceeds the excess amount determined under subparagraph i; and

(*c*) *C* is the proportion that the vendor's tax exemption amount for the preceding year in respect of the large investment project, determined in accordance with the second paragraph of section 737.18.17.6, is of the aggregate of all amounts each of which is the vendor's tax exemption amount for the preceding year, determined in accordance with that second paragraph, in respect of a large investment project of the vendor, or of a partnership of which it is a member, that is referred to in the first paragraph of section 737.18.17.5 for that preceding year.

i. an amount that is the net salary or wages paid by an employer, in accordance with the Act respecting industrial accidents and occupational diseases (chapter A-3.001), for each day or part of a day when a worker must be absent from work to receive care or undergo medical examinations in connection with the worker's injury, or to take part in a personal rehabilitation program, or

ii. an amount that replaces income described in paragraph *e* of section 725.

“766.3.2. If an individual is resident in Québec at the end of a particular taxation year and is the beneficiary of a covered benefit attributable to a preceding taxation year, the individual is required to add to the individual's tax otherwise payable, for the particular year, the amount determined by the formula

$$A - B + C + D + E - F.$$

In the formula in the first paragraph,

(a) *A* is the tax that would have been payable by the individual under this Part for the preceding year if the covered benefit attributable to the preceding year had been determined in that preceding year;

(b) *B* is the tax payable by the individual under this Part for that preceding year;

(c) *C* is the amount determined without reference to section 7.5 by the formula

$$G - H;$$

covered benefit attributable to the preceding year had been determined in that year, and

ii. the amount by which the amount that a person, other than the individual, deducted under section 776.41.21 in computing the person's tax otherwise payable for that preceding year exceeds the amount that the person could have deducted under section 776.41.21 in computing the person's tax otherwise payable for that preceding year, if the covered benefit attributable to the preceding year had been determined in that year;

(e) E is the aggregate of all amounts each of which is an amount deemed to have been paid to the Minister under section 1029.8.50.3 on account of the individual's tax payable under this Part for a preceding taxation year because of the application of this section in respect of a covered benefit attributable to the preceding year; and

In subparagraphs *c* and *d* of the second paragraph, the individual's eligible spouse for the preceding taxation year means a person who would be the individual's eligible spouse for that year, within the meaning of sections 776.41.1 to 776.41.4, if the portion of section 776.41.1 before paragraph *a* were read as if "for a taxation year" were replaced by "for a preceding taxation year".

For the purposes of this section, if an individual dies or ceases to be resident in Canada in the particular taxation year, the last day of that taxation year is the day on which the individual died or the last day on which the individual was resident in Canada.

For the purpose of applying this Part to any taxation year,

(a) an amount that is not otherwise deducted in computing an individual's taxable income or tax payable under this Part for a taxation year (in this subparagraph referred to as the "preceding year"), but that is deducted for the purpose of establishing the amount determined in respect of the individual under subparagraph *a* or *d* of the second paragraph or subparagraph *b* of the third paragraph for the preceding year, is deemed, for the application of this Part to any taxation year, to have been deducted in computing the individual's taxable income or tax payable, as the case may be, under this Part for the preceding year, including when establishing the amount determined in respect of the individual under subparagraph *a* or *d* of the second paragraph or subparagraph *b* of the third paragraph or under any of subparagraphs *a*, *c* and *d* of the fourth paragraph of section 766.2 for another taxation year;

(b) an amount that is otherwise deducted in computing an individual's taxable income or tax payable under this Part for a taxation year subsequent to a particular taxation year may not be taken into account for the purpose of establishing the amount determined in respect of the individual under subparagraph *a* or *d* of the second paragraph or subparagraph *b* of the third paragraph for the particular taxation year;

(c) an amount that, under subparagraph *a* of the sixth paragraph of section 766.2, is deemed to be deducted in computing an individual's taxable income or tax payable under this Part for a particular taxation year, because it is deducted in that computation for the purpose of establishing the amount determined in respect of the individual under any of subparagraphs *a*, *c* and *d* of the fourth paragraph of section 766.2 for the particular year, may not be taken into account for the purpose of establishing the amount determined in respect of the individual under subparagraph *a* or *d* of the second paragraph or subparagraph *b* of the third paragraph for the particular year; and

(d) an amount that is otherwise deducted in computing an individual's taxable income or tax payable under this Part for a particular taxation year, but that is not deducted for the purpose of establishing the amount determined in respect of the individual under subparagraph *a* or *d* of the second paragraph or subparagraph *b* of the third paragraph for the particular year, is deemed, for the application of this Part to any other taxation year, not to have been deducted in computing the individual's taxable income or tax payable, as the case may be, under this Part for the particular year.

This section does not apply in respect of an individual's separate fiscal return filed under the second paragraph of section 429 or section 681 or 1003.

If a specified individual would be, but for this division, required under section 662 or paragraph *a* of section 663 to include an amount in computing the specified individual's income for a taxation year, to the extent that the amount can reasonably be considered to be attributable to a taxable capital gain (other than an excluded amount) of a trust from a disposition of shares (other than shares listed on a designated stock exchange or shares of a mutual fund corporation) that are transferred, either directly or indirectly, in

any manner whatever, to a person with whom the specified individual does not deal at arm's length, section 662 and paragraph *a* of section 663 do not apply in respect of the amount and twice the amount is deemed to be received by the specified individual in the year as a taxable dividend that is not an eligible dividend.

“TITLE VI.0.2

“POOLED REGISTERED PENSION PLANS

“CHAPTER I

“DEFINITIONS

“965.0.19. In this Title,

“administrator”, of a pooled pension plan, means

(a) a corporation resident in Canada that is responsible for the administration of the plan and that is authorized under the Pooled Registered Pension Plans Act (Statutes of Canada, 2012, chapter 16) or a similar law of a province to act as an administrator for one or more pooled pension plans; or

(b) an entity designated in respect of the plan under section 21 of the Pooled Registered Pension Plans Act or any provision of a law of a province that is similar to that section;

“member”, of a pooled pension plan, means an individual (other than a trust) who holds an account under the plan;

“pooled pension plan” means a plan that is registered under the Pooled Registered Pension Plans Act or a similar law of a province;

“qualifying annuity”, for an individual, means a life annuity that

(a) is payable to the individual or, where the annuity is constituted for the benefit of the individual and the individual’s spouse jointly, is payable to the individual and, on the individual’s death, to the individual’s spouse;

(b) is payable beginning no later than the later of the end of the calendar year in which the annuity is acquired and the end of the calendar year in which the individual attains 71 years of age;

(c) unless the annuity is subsequently commuted into a single payment, is payable

i. at least annually, and

ii. in equal amounts, except for an amount that is not so payable solely because of an adjustment that would, if the annuity were an annuity under a retirement savings plan, be in accordance with any of subparagraphs iii to v of

paragraph *b* of subsection 3 of section 146 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement);

(*d*) if the annuity includes a guaranteed period, requires that

i. the guaranteed period not exceed 15 years, and

ii. in the event of the death of the individual and that of the individual's spouse during the guaranteed period, any remaining amounts otherwise payable be commuted into a single payment as soon as practicable after the later death; and

(*e*) does not permit any premiums to be paid, other than the premium paid from the PRPP to acquire the annuity;

“successor member” means an individual who was the spouse of a member of a PRPP immediately before the death of the member and who acquires, as a consequence of the death, all of the member's rights in respect of the member's account under the PRPP.

For the purposes of the definition of “qualifying survivor” in the first paragraph, a child or grandchild of the member is presumed not to be financially dependent on the member at the time of the death of the member if the child's or grandchild's income, for the taxation year preceding the taxation year in which the member died, was greater than the amount determined by the formula in subsection 1.1 of section 146 of the Income Tax Act for that preceding year.

“CHAPTER II

“TAX

“**965.0.20.** No tax is payable under this Part by a trust governed by a PRPP on its taxable income for a taxation year.

“**965.0.21.** Despite section 965.0.20, a trust governed by a PRPP that carries on a business in a taxation year shall pay tax under this Part on the amount that would be its taxable income for the year if it had no incomes or losses from sources other than that business.

“965.0.22. For the purposes of section 965.0.21, the following rules apply:

(a) a capital gain or capital loss from the disposition of a property held in connection with a business is deemed to be income or a loss, as the case may be, from carrying on the business; and

(b) the trust’s income is to be computed without reference to paragraph *a* of section 657 and sections 666 and 668.

“CHAPTER III

“DEDUCTIONS

“965.0.23. There may be deducted in computing an employer’s income for a taxation year, the amount that, by virtue of paragraph *q* of subsection 1 of section 20 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), is allowed as a deduction for the year in computing the employer’s income for the purposes of that Act in respect of a contribution made to a PRPP.

“965.0.24. For the purposes of Title IV (other than sections 924.1, 931.1, 931.3 and 931.5), and paragraph *a* of sections 935.3 and 935.14, a contribution made to a pooled registered pension plan by a member of such a plan is deemed to be a premium paid by the member to a registered retirement savings plan under which the member is the annuitant, within the meaning of paragraph *b* of section 905.1.

“965.0.25. There may be deducted in computing the income of a member of a PRPP for the taxation year in which the member dies, an amount not exceeding the amount determined, after all amounts payable from the member’s account under the PRPP have been distributed, by the formula

$$A - B.$$

In the formula in the first paragraph,

(a) A is the aggregate of all amounts each of which is an amount in respect of the member’s account

i. included in computing the member’s income under section 965.0.28 because of the application of section 965.0.30,

ii. included in computing the income of another taxpayer under section 965.0.32 or 965.0.34, or

iii. transferred in accordance with section 965.0.35 in circumstances described in subparagraph iii of paragraph *b* of that section; and

(b) B is the aggregate of all distributions made from the member's account after the member's death.

“965.0.26. Unless the Minister has waived in writing the application of this section with respect to all or any portion of the amount determined under section 965.0.25, that section does not apply in respect of a member's account under a PRPP if the last distribution from the account was made after the end of the calendar year following the year in which the member died.

“965.0.27. For the purposes of section 133.4, subparagraph i of paragraph *a* of the definition of “excluded right or interest” in section 785.0.1, subparagraph *d* of the first paragraph of section 890.0.1, sections 890.0.2, 913 and 924.0.1, paragraph *b* of the definition of “excluded premium” in the first paragraph of section 935.1, paragraph *c* of the definition of “excluded premium” in the first paragraph of section 935.12, the second paragraph of section 961.17 and Chapter III of Title VI.0.1, a member's account under a pooled registered pension plan is deemed to be a registered retirement savings plan under which the member is the annuitant, within the meaning of paragraph *b* of section 905.1.

“CHAPTER IV

“AMOUNTS TO BE INCLUDED

“965.0.28. If a taxpayer is a member of a PRPP, the taxpayer shall include, in computing income for a taxation year, the aggregate of all amounts each of which is a distribution made in the year from the member's account under the PRPP, other than an amount that is

(a) included in computing the income of another taxpayer under section 965.0.29;

(b) referred to in section 965.0.36; or

(c) distributed after the death of the member.

“965.0.29. If a taxpayer is the employer of a member of a PRPP, the taxpayer shall include, in computing income for a taxation year, the aggregate of all amounts each of which is a return of contributions that is described in clause A of subparagraph ii of paragraph *d* of subsection 3 of section 147.5 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) and that is made to the taxpayer in the year.

“965.0.30. If a member of a PRPP dies and there is no successor member in respect of the deceased member's account under the PRPP, an amount, equal to the amount by which the fair market value of all property held in connection with the account immediately before the death exceeds the total of all amounts distributed from the account that are described in section 965.0.32, is deemed to have been distributed from the account immediately before the death.

“965.0.31. If a member of a PRPP dies and there is a successor member in respect of the deceased member’s account under the PRPP, the following rules apply:

(a) the account ceases to be an account of the deceased member at the time of the death;

(b) the successor member is, after the time of the death, deemed to hold the account as a member of the PRPP; and

(c) the successor member is deemed to be a separate member in respect of any other account under the PRPP that the successor member holds.

“965.0.32. If, as a consequence of the death of a member of a PRPP, an amount is distributed in a taxation year from the member’s account under the PRPP to, or on behalf of, a qualifying survivor in relation to the member, the amount must be included in computing the qualifying survivor’s income for the year, except to the extent that the amount is referred to in section 965.0.36.

“965.0.33. If an amount is distributed at a particular time from a deceased member’s account under a PRPP to the member’s legal representative and a qualifying survivor of the member is entitled to all or a portion of the amount in full or partial satisfaction of the qualifying survivor’s rights as a beneficiary under the deceased’s succession, then, for the purposes of section 965.0.32, the amount or portion of the amount, as the case may be, is deemed to have been distributed at that time from the member’s account to the qualifying survivor (and not to the legal representative) to the extent that it is so designated jointly by the legal representative and the qualifying survivor in the prescribed form filed with the Minister.

“965.0.34. A taxpayer who is not a qualifying survivor in relation to a member of a PRPP shall include, in computing income for a taxation year, the aggregate of all amounts each of which is an amount determined by the formula

$A - B.$

In the formula in the first paragraph,

(a) A is the amount of a distribution made in the year from the member’s account under the PRPP as a consequence of the member’s death to, or on behalf of, the taxpayer; and

(b) B is an amount designated by the administrator of the PRPP not exceeding the lesser of

i. the amount of the distribution, and

ii. the amount by which the fair market value of all property held in connection with the account immediately before the death of the member exceeds the total of

(1) the amount designated in accordance with this paragraph in respect of any prior distribution made from the account, and

(2) an amount included under section 965.0.32 in computing the income of a qualifying survivor in relation to the member.

“CHAPTER V

“TRANSFERS

“**965.0.35.** An amount is transferred from a member’s account under a pooled registered pension plan in accordance with this section if

(a) the amount is a single amount;

(b) the amount is transferred on behalf of an individual

i. who is the member,

ii. who is a spouse or former spouse of the member and who is entitled to the amount under a decree, order or judgment of a competent tribunal, or under a written separation agreement, relating to a partition of property between the member and the individual, in settlement of rights arising out of, or on the breakdown of, their marriage, or

iii. who is entitled to the amount as a consequence of the death of the member and was a spouse of the member immediately before the death; and

v. a licensed annuities provider, within the meaning of section 965.0.1, to acquire a qualifying annuity for the individual.

“965.0.36. Where an amount is transferred in accordance with section 965.0.35 from a member’s account under a PRPP on behalf of an individual, the following rules apply:

(a) the amount must not, by reason only of that transfer, be included in computing the income of the individual; and

(b) no deduction may be made in respect of the amount in computing the income of any taxpayer.

“965.0.37. If an amount is transferred in accordance with section 965.0.35 to acquire a qualifying annuity, an individual shall include, in computing income for a taxation year under this Title and not under any other provision of this Act, any amount received by the individual during the year out of or under the annuity or as proceeds from the disposition of the annuity.”

(2) Subsection 1 has effect from 14 December 2012.

352. (1) Section 968 of the Act is amended by inserting “a pooled registered pension plan,” after “a registered pension plan,” in the second paragraph.

“excluded property” of a qualified shipowner means

(a) depreciable property;

(b) property, other than depreciable property, used by the qualified shipowner in the course of carrying on its business; and

“qualified vessel” of a taxpayer means a scow or a vessel described in section 130R165 of the Regulation respecting the Taxation Act (chapter I-3, r. 1) or in paragraph *c* of class 7 of Schedule B to that Regulation.

“CHAPTER II

“GENERAL RULES

“979.25. All the qualified property of a qualified shipowner within a reserve created by the shipowner with a view to accumulating the capital necessary to have work carried out by the operator of a qualified shipyard so as to maintain or renovate qualified vessels in the shipowner's fleet or to have a qualified vessel built constitutes a tax-free reserve of the shipowner.

“979.26. A tax-free reserve of a qualified shipowner may be created only after the shipowner has obtained a qualification certificate.

“979.27. A tax-free reserve of a qualified shipowner begins on the day on which, for the first time, the shipowner sends the notice required by section 979.28 to the Minister.

A qualified shipowner must file a copy of the qualification certificate with the fiscal return the shipowner is required to file under section 1000 for the taxation year in which a tax-free reserve was created by the shipowner.

“979.28. Qualified property is considered to be an eligible addition to the tax-free reserve of a qualified shipowner as of the day on which the shipowner informs the Minister, in the prescribed form containing prescribed information, that the property has been allocated to the shipowner’s tax-free reserve.

“979.29. The first eligible addition to a tax-free reserve of a qualified shipowner must be made on or before 31 December 2023.

Despite the first paragraph, a shipowner who obtains a qualification certificate from the Minister of the Economy, Innovation and Exports after 31 December 2023 may make an initial eligible addition to the tax-free reserve after that date within a reasonable time following the date on which the qualification certificate is issued.

“979.30. The amount that consists of the interest and dividends attributable to qualified property within the tax-free reserve of a qualified shipowner, and the amount by which the proceeds received by the shipowner from the disposition of such property exceed the expenses incurred by the shipowner to dispose of the property, must be retained in the tax-free reserve, except the part of the amount or excess amount that is withdrawn as an eligible withdrawal or is used to pay tax or settle an obligation of the same nature required to be paid or settled in relation to the amount or excess amount under a law of a jurisdiction other than Québec or a regulation made under such a law.

“979.31. A tax-free reserve of a qualified shipowner ends at the latest on 31 December 2033.

“979.32. A tax-free reserve of a qualified shipowner is deemed to end on the first day of the taxation year

(a) for which the shipowner fails to file the documents required under section 979.37; or

(b) in which the shipowner makes a withdrawal other than an eligible withdrawal.

“979.33. A tax-free reserve of a qualified shipowner is deemed never to have existed if it is reasonable to consider that the ultimate purpose sought by the qualified shipowner in creating the tax-free reserve was to obtain a tax

benefit and not to have work carried out by the operator of a qualified shipyard in such a shipyard to maintain or renovate the shipowner's fleet of qualified vessels or to have such a shipyard build qualified vessels.

“979.34. Despite sections 1010 to 1011, the Minister shall make any assessments, reassessments or additional assessments of tax, interest and penalties and any determinations and redeterminations as are necessary for a taxation year to take into account the application of section 979.33.

“CHAPTER III

“ADMINISTRATION

“979.35. A qualified shipowner is required for a taxation year to keep separate accounting for the tax-free reserve that must state

(a) the total value of the qualified property within the reserve at the beginning of the year or, if later, on the day on which the reserve was created;

(b) all eligible additions to the reserve made in the year and all eligible withdrawals from the reserve made in the year;

(c) the interest and dividend income received in the year that is attributable to qualified property within the reserve;

(d) in relation to the disposition in the year of qualified property within the reserve, the amount by which the proceeds of disposition of the property exceeds the expenditures made for the purpose of making the disposition; and

(e) the total value of the qualified property in the reserve at the end of the year.

“979.36. For each taxation year, a qualified shipowner must specify, in the prescribed form containing prescribed information, the amount of dividends and interest attributable to qualified property within its tax-free reserve and the amount of any gain realized or loss sustained from the disposition of qualified property within the tax-free reserve.

“979.37. A qualified shipowner must file, along with the fiscal return the shipowner is required to file under section 1000 for a taxation year in which it has a tax-free reserve, documents showing the separate accounting for the reserve as well as the form prescribed for the purposes of section 979.36.

“CHAPTER IV

“DEDUCTION

“979.38. An amount may be deducted in computing a qualified shipowner's taxable income for a taxation year that is equal to the part of the

amount included in computing that income for the year as interest and dividends attributable to qualified property within the shipowner's tax-free reserve, if the amount is not otherwise deductible in computing the shipowner's taxable income for the year.

“CHAPTER V

“CAPITAL GAINS AND CAPITAL LOSSES

“**979.39.** For the purpose of computing a qualified shipowner's income for a taxation year, the following rules apply:

(a) the amount of any taxable capital gain for the year from the disposition of qualified property within the shipowner's tax-free reserve is deemed to be nil; and

(b) the amount of any allowable capital loss for the year from the disposition of qualified property within the shipowner's tax-free reserve is deemed to be nil.

“**979.40.** A qualified shipowner's allowable capital loss from the disposition of particular qualified property not within its tax-free reserve immediately before the disposition time is deemed to be nil if, in the period that includes the 90 days following that time, the particular qualified property or property identical to it is allocated to the qualified shipowner's tax-free reserve as a result of an eligible addition to the reserve.

For the purposes of the first paragraph, the right to acquire qualified property is deemed to be property identical to the qualified property, other than a right, as security only, derived from a hypothec, mortgage, agreement of sale or similar obligation.”

For the purposes of the first paragraph, a corporation’s share of a particular amount, in relation to a qualified partnership of which it is a member at the

i. if the qualified corporation acquired qualified property in the particular year and the corporations with which it is so associated acquired qualified property in a taxation year that ends in the particular year, for the purposes of Division II.6.14.2, for a total amount of at least \$25,000 or if the qualified corporation and the corporations with which it is so associated acquired such property for a total amount of less than \$25,000 in the particular year or in a taxation year that ends in the particular year, as the case may be, or in the preceding taxation year or a taxation year that ends in the preceding taxation year, as the case may be, and the total amount for which such property was acquired by the corporations in those two years is at least \$25,000, other than property acquired from a person with whom the purchaser, a specified shareholder of the purchaser or, if the purchaser is a cooperative, a specified member of the purchaser, is not dealing at arm's length, the aggregate of all amounts each of which is equal to the amount of an expenditure of a capital nature of the corporation, in respect of the qualified building, for the particular year or a preceding taxation year except where, in the case of an expenditure of a capital nature for a preceding taxation year, the expenditure of a capital nature is or may be included in the amount of the corporation's qualified expenditure for a taxation year preceding the particular year, or

(c) in the case of a qualified partnership,

i. if in the particular fiscal period it acquired qualified property, for the purposes of Division II.6.14.2, for a total amount of at least \$25,000 or if it

ii. if subparagraph i does not apply to the qualified partnership and the partnership acquired qualified property, for the purposes of Division II.6.14.2, in the fiscal period preceding the particular fiscal period for a total amount of at least \$25,000, other than property acquired from a corporation that is a member of the partnership or from a person with whom such a corporation, a specified shareholder of the corporation or, if the corporation is a cooperative, a specified member of the corporation, is not dealing at arm's length, the aggregate of all amounts each of which is equal to the amount of an expenditure of a capital nature of the partnership for the particular fiscal period, in respect of the qualified building;

“qualified manufacturing corporation” has the meaning assigned by the first paragraph of section 1029.8.36.166.40;

“specified member” of a corporation that is a cooperative, in a taxation year, means a member having, directly or indirectly, at any time in the year, at least 10% of the votes at a meeting of the members of the cooperative.

For the purposes of paragraph *b* of the definition of “qualified building” in the first paragraph, a building that is acquired in connection with the carrying out of a large investment project is deemed to be used in the course of carrying on a recognized business referred to in that paragraph that the corporation or partnership begins to carry on at a particular time and that relates to the large investment project, if the expenditures of a capital nature for its acquisition are incurred by the corporation or partnership in the period that begins at the beginning of the carrying out of the project and ends immediately before the particular time.

For the purposes of the definition of “expenditure of a capital nature” in the first paragraph, an expenditure that is included, at the end of a taxation year or fiscal period, in the capital cost of a building does not include an expenditure so included under section 180 or 182.

For the purposes of the definitions of “aluminum producing corporation” and “oil refining corporation” in the first paragraph, the rules set out in subparagraphs *b* and *c* of the second paragraph of section 1029.8.36.166.60.6 apply for the purpose of determining whether a corporation is associated with a partnership or a trust at any time.

“1029.8.36.166.60.2. For the purposes of this division, the balance of a qualified corporation’s cumulative limit for a particular taxation year is equal,

(*a*) if the qualified corporation is not associated with another corporation in the particular year, to the amount by which \$150,000 exceeds the amount by which the aggregate of all amounts each of which is the qualified corporation’s qualified expenditure, in respect of a qualified building, for a taxation year preceding the particular year, or its share of a partnership’s qualified expenditure, in respect of a qualified building, for a fiscal period of the partnership that ends in such a preceding taxation year, in respect of which an amount is deemed to have been paid to the Minister by the corporation for the preceding year under section 1029.8.36.166.60.8 or 1029.8.36.166.60.9, as the case may be, exceeds the amount determined in accordance with the fifth paragraph; or

(*b*) if the qualified corporation is associated with one or more other corporations in the particular year, to the amount attributed for the particular year to the qualified corporation pursuant to the agreement described in the second paragraph and filed with the Minister in the prescribed form or, if no amount is attributed to the qualified corporation pursuant to that agreement or in the absence of such an agreement, to zero or to the amount attributed to it by the Minister, if applicable, for the particular year in accordance with this division.

The agreement to which subparagraph *b* of the first paragraph refers, in respect of a particular taxation year of the qualified corporation, is the agreement under which all the corporations that are associated with each other in the particular taxation year attribute, for the purposes of this section, to one or more of their number one or more amounts the total of which is not greater than the amount by which \$150,000 exceeds the amount by which the aggregate of the following amounts exceeds the amount determined in accordance with the sixth paragraph, where each of those amounts is

(*a*) the qualified expenditure of a corporation that is a member of the group of corporations associated with each other in the particular year, in respect of a qualified building, for a taxation year that ends before the beginning of the particular year, in relation to which an amount is deemed to have been paid to the Minister by the corporation under section 1029.8.36.166.60.8; or

If the aggregate of the amounts attributed, in respect of a taxation year, in an agreement described in the second paragraph and entered into with the corporations that are associated with each other in the particular year is greater than the first excess amount referred to in that paragraph, the amount determined under subparagraph *b* of the first paragraph in respect of each of those corporations for that taxation year is deemed, for the purposes of this section, to be equal to the proportion of that excess amount that that amount is of the aggregate of the amounts attributed for that year in the agreement.

For the purposes of subparagraph *a* of the first paragraph and subparagraph *b* of the second paragraph, a corporation's share of the qualified expenditure, in respect of a qualified building, of a partnership for a fiscal period is equal to the agreed proportion of that expenditure in respect of the corporation for the fiscal period.

The amount to which subparagraph *a* of the first paragraph refers is equal to the aggregate of all amounts each of which is the product obtained by multiplying a tax that the corporation is required to pay for the particular taxation year or a preceding taxation year under Part III.10.9.2.1 in respect of a qualified expenditure of the corporation or the corporation's share of a qualified expenditure of a partnership of which it is a member, in relation to which the corporation is deemed to have paid an amount to the Minister under this division for a taxation year preceding the particular year, by the reciprocal of the rate determined in respect of the corporation under section 1029.8.36.166.60.10 for that preceding taxation year in relation to the corporation's qualified expenditure or the corporation's share of the qualified expenditure of the partnership, as the case may be.

The amount to which the second paragraph refers is equal to the aggregate of all amounts each of which is the product obtained by multiplying a tax that a corporation that is a member of the group of associated corporations referred to in the second paragraph is required to pay for the particular taxation year or a preceding taxation year under Part III.10.9.2.1 in respect of a qualified expenditure of the corporation or the corporation's share of a qualified expenditure of a partnership of which it is a member, in relation to which the corporation is deemed to have paid an amount to the Minister under this division for a preceding taxation year, by the reciprocal of the rate determined in respect of the corporation under section 1029.8.36.166.60.10 for that preceding taxation year in relation to the corporation's qualified expenditure or the corporation's share of the qualified expenditure of the partnership, as the case may be.

“1029.8.36.166.60.3. If a corporation associated with one or more other corporations in a taxation year fails to file with the Minister an agreement for the purposes of this division within 30 days after notice in writing by the

Minister has been sent to any of the corporations so associated with each other that such an agreement is required for the purposes of any assessment of tax under this Part, the Minister shall, for the purposes of this division, attribute for the taxation year an amount to one or more of the corporations so associated, which amount or the aggregate of which amounts must be equal to the first excess amount referred to in the second paragraph of section 1029.8.36.166.60.2 and determined for the year; in any such case, the balance of the cumulative limit of each of those corporations for the year is equal to the amount so attributed to it.

“1029.8.36.166.60.4. For the purposes of this division, the balance of a qualified partnership’s cumulative limit for a fiscal period is equal to the amount by which \$150,000 exceeds the aggregate of all amounts each of which is the amount by which the qualified partnership’s qualified expenditure, in respect of a qualified building, for a preceding fiscal period exceeds the amount of any government assistance, non-government assistance, benefit or advantage attributable to that expenditure, that the partnership has received, is entitled to receive or may reasonably expect to receive on or before the day that is six months after the end of the fiscal period.

“1029.8.36.166.60.5. The paid-up capital of a corporation for a particular taxation year is equal,

(a) where the corporation is not a member of an associated group in the particular year, to its paid-up capital, determined in accordance with the second paragraph, for the taxation year preceding the particular year; and

(b) where the corporation is a member of an associated group in the particular year, to the aggregate of all amounts each of which is its paid-up capital, determined in accordance with the second paragraph, for the taxation year preceding the particular year, and the paid-up capital of each other member of the group, determined in accordance with the second paragraph, for its last taxation year that ended before the beginning of the particular year.

ii. in respect of a corporation that is an insurer within the meaning assigned by the Act respecting insurance, its paid-up capital that would be determined for that year in accordance with Title II of Book III of Part IV if it were a bank and paragraph *a* of section 1140 were replaced by paragraph *a* of subsection 1 of section 1136;

(b) a business carried on by an individual who is a member of an associated group in a taxation year is deemed to be carried on by a corporation referred to in subparagraph i of subparagraph *a* and a partnership or a trust which is a member of an associated group in a taxation year is deemed to be a corporation referred to in subparagraph i of subparagraph *a*, the paid-up capital of which is determined in accordance with Title I of Book III of Part IV but without reference to paragraph *b.1.2* of section 1137 and any participating interest of which in the nature of capital stock or surplus is deemed to be referred to in paragraph *a* or *b* of subsection 1 of section 1136; and

(c) the interest of a member of an associated group in a taxation year in another member of that group is deemed to be an investment in shares and bonds of another corporation.

For the purposes of subparagraph *a* of the first paragraph, where the particular year is the first fiscal period of the corporation, its paid-up capital is determined, in accordance with the second paragraph, on the basis of its financial statements prepared at the beginning of that fiscal period in accordance with generally accepted accounting principles or, where such financial statements have not been prepared, or have not been prepared in accordance with generally accepted accounting principles, on the basis of such financial statements that would be prepared in accordance with generally accepted accounting principles.

For the purposes of subparagraph *b* of the first paragraph, where a member of the associated group, other than the corporation, has no taxation year ending before the beginning of the particular year, its paid-up capital is determined, in accordance with the second paragraph, on the basis of its financial statements prepared at the beginning of its first fiscal period in accordance with generally accepted accounting principles or, where such financial statements have not been prepared, or have not been prepared in accordance with generally accepted accounting principles, on the basis of such financial statements that would be prepared in accordance with generally accepted accounting principles.

(c) a trust is deemed to be a corporation all the voting shares in the capital stock of which

i. in the case of a testamentary trust under which one or more beneficiaries are entitled to receive all of the income of the trust that arose before the date of death of one or the last surviving of those beneficiaries (in this subparagraph *c* referred to as the “distribution date”) and under which no other person can, before the distribution date, receive or otherwise obtain the enjoyment of any of the income or capital of the trust,

“1029.8.36.166.60.7. “1029.8.36.166.60.8. A qualified corporation for a taxation year that encloses the documents referred to in the fourth paragraph with the fiscal

return it is required to file for the year under section 1000 is deemed, subject to the third paragraph and section 1029.8.36.166.60.11, to have paid to the Minister on the qualified corporation's balance-due day for the year, on account of its tax payable for the year under this Part, an amount equal to the aggregate of all amounts each of which is equal to the product obtained by multiplying the corporation's qualified expenditure for the year, in respect of a qualified building, by the rate determined in relation to that qualified expenditure under section 1029.8.36.166.60.10.

The aggregate of all amounts each of which is a corporation's qualified expenditure for a taxation year, in respect of a qualified building, may not exceed the amount that is the amount by which the balance of its cumulative limit for the year exceeds the aggregate of all amounts each of which is the corporation's share of the qualified expenditure of a qualified partnership, in respect of a qualified building, for a fiscal period that ends in the taxation year, in respect of which the corporation is deemed to have paid an amount to the Minister for the year under section 1029.8.36.166.60.9.

(*a*) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(*b*) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

The documents to which the first paragraph refers are the following:

(*a*) the prescribed form containing prescribed information; and

(*b*) a copy of the agreement described in section 1029.8.36.166.60.2, if applicable.

section 1029.8.36.166.60.11, to have paid to the Minister on the qualified corporation's balance-due day for the year, on account of its tax payable for the year under this Part, an amount equal to the aggregate of all amounts each of which is equal to the product obtained by multiplying the corporation's share of the qualified expenditure of such a qualified partnership, in respect of a qualified building, for such a particular fiscal period by the rate determined in relation to its share of the qualified expenditure under section 1029.8.36.166.60.10.

For the purposes of the first paragraph, the aggregate of all amounts each of which is the amount of a qualified partnership's qualified expenditure, in respect of a qualified building, for a fiscal period may not exceed the balance of the partnership's cumulative limit for that fiscal period.

The aggregate of all amounts each of which is a corporation's share of a qualified partnership's qualified expenditure, in respect of a qualified building, for a fiscal period of the partnership that ends in a taxation year of the corporation may not exceed the amount that is the amount by which the balance of the corporation's cumulative limit for the taxation year exceeds the aggregate of all amounts each of which is the corporation's qualified expenditure, in respect of a qualified building, for the year in respect of which the corporation is deemed to have paid an amount to the Minister for the year under section 1029.8.36.166.60.8.

“§3. — Government assistance, non-government assistance and other particulars

“1029.8.36.166.60.13. For the purpose of computing the amount that is deemed to have been paid to the Minister by a corporation, for a taxation year, under section 1029.8.36.166.60.8 or 1029.8.36.166.60.9, the following rules apply:

(a) the corporation’s qualified expenditure referred to in the first paragraph of section 1029.8.36.166.60.8 is to be reduced by the amount of any government assistance or non-government assistance attributable to the expenditure that the corporation has received, is entitled to receive or may reasonably expect to receive on or before the corporation’s filing-due date for the taxation year; and

(b) the corporation’s share of the qualified expenditure of a partnership referred to in the first paragraph of section 1029.8.36.166.60.9, for a fiscal period of the partnership that ends in the corporation’s taxation year, is to be reduced

i. by the corporation’s share of the amount of any government assistance or non-government assistance attributable to the expenditure that the partnership has received, is entitled to receive or may reasonably expect to receive on or before the day that is six months after the end of the fiscal period, and

ii. by the amount of any government assistance or non-government assistance attributable to the expenditure that the corporation has received, is entitled to receive or may reasonably expect to receive on or before the day that is six months after the end of the fiscal period.

For the purposes of subparagraph i of subparagraph *b* of the first paragraph, the corporation’s share, for the partnership’s fiscal period, of the amount of any government assistance or non-government assistance that the partnership has received, is entitled to receive or may reasonably expect to receive, is equal to the agreed proportion of the amount in respect of the corporation for the fiscal period.

“1029.8.36.166.60.14. If, before 1 January 2020, a corporation pays in a taxation year (in this section referred to as the “repayment year”), pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph *a* of the first paragraph of section 1029.8.36.166.60.13, the corporation’s qualified expenditure in respect of a qualified building for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.166.60.8 in respect of the expenditure, for a particular taxation year, the corporation is deemed to have paid to the Minister on its balance-due day for the repayment year, on account of its tax payable for that year under this Part, if the corporation encloses the prescribed form containing prescribed information with the fiscal return it is required to file under section 1000, for the repayment year, an amount equal to the amount by which the amount that the corporation would be deemed to have paid to the Minister, in respect of the qualified expenditure, under section 1029.8.36.166.60.8 for the particular year, if the particular amount that is the lesser of the aggregate of all amounts each of which is an amount of assistance so repaid at or before the end of the repayment year and the balance of the corporation’s cumulative limit for the repayment year, had reduced, for the particular year, the amount of any government assistance or non-government assistance referred to in subparagraph *a* of the first paragraph of section 1029.8.36.166.60.13, exceeds the aggregate of

(*a*) the amount that the corporation is deemed to have paid to the Minister in respect of the qualified expenditure under section 1029.8.36.166.60.8 for the particular year; and

(*b*) any amount that the corporation is deemed to have paid to the Minister under this section for a taxation year preceding the repayment year, in respect of an amount of repayment of that assistance.

The particular amount to which the first paragraph refers is deemed, for the purpose of determining, other than for the purposes of this section, the balance of the corporation’s cumulative limit for the repayment year and a subsequent taxation year, to be a qualified expenditure of the corporation in respect of the qualified building for a taxation year preceding the repayment year.

“1029.8.36.166.60.15. If, before 1 January 2020, a partnership pays, in a fiscal period (in this section referred to as the “fiscal period of repayment”), pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph *i* of subparagraph *b* of the first paragraph of section 1029.8.36.166.60.13, a corporation’s share of the qualified expenditure of the partnership in respect of a qualified building for a particular fiscal period, for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.166.60.9, in respect of the share, for its taxation year in which the particular fiscal period ended, the corporation is deemed to have paid to the Minister on the corporation’s balance-due day for its taxation year in which the fiscal period

of repayment ends, on account of its tax payable for that year under this Part, if the corporation is a member of the partnership at the end of the fiscal period of repayment and it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the aggregate of all amounts each of which is a particular amount that the corporation would be deemed, if the assumptions set out in the second paragraph were taken into account, to have paid to the Minister, in respect of the share, under section 1029.8.36.166.60.9 for its taxation year in which the particular fiscal period ends, exceeds the aggregate of

(a) the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister, in respect of the qualified expenditure of the partnership in respect of the qualified building, under section 1029.8.36.166.60.9 for its taxation year in which the particular fiscal period ends, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment; and

(b) any amount that the corporation would be deemed to have paid to the Minister under this section for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of that assistance repaid by the partnership, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The particular amount to which the first paragraph refers is to be computed as if

(a) the lesser of the corporation's share of any amount of assistance repaid at or before the end of the fiscal period of repayment and the balance of the corporation's cumulative limit for its taxation year in which the fiscal period of repayment ended reduced, for the particular fiscal period, the corporation's share of the amount of any government assistance or non-government assistance referred to in subparagraph i of subparagraph b of the first paragraph of section 1029.8.36.166.60.13; and

(b) the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The amount determined in accordance with subparagraph a of the second paragraph is deemed, for the purpose of determining, other than for the purposes of this section, the balance of the corporation's cumulative limit for the taxation year in which the fiscal period of repayment ends and a subsequent taxation year, to be the corporation's share of a qualified expenditure of the partnership in respect of a qualified building, for a fiscal period of the partnership that ends in a taxation year of the corporation preceding the taxation year in which the fiscal period of repayment ends.

For the purposes of subparagraph *a* of the second paragraph, the corporation's share for the partnership's fiscal period of any amount of assistance repaid is equal to the agreed proportion of the amount in respect of the corporation for the fiscal period.

“1029.8.36.166.60.16. If, before 1 January 2020, a corporation is a member of a partnership at the end of a fiscal period of the partnership (in this section referred to as the “fiscal period of repayment”) and pays, in the fiscal period of repayment, pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph ii of subparagraph *b* of the first paragraph of section 1029.8.36.166.60.13, its share of the qualified expenditure of the partnership in respect of a qualified building for a particular fiscal period, for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.166.60.9, in respect of the share, for its taxation year in which the particular fiscal period ended, the corporation is deemed to have paid to the Minister on the corporation's balance-due day for its taxation year in which the fiscal period of repayment ends, on account of its tax payable for that year under this Part, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the aggregate of all amounts each of which is a particular amount that the corporation would be deemed, if the assumptions set out in the second paragraph were taken into account, to have paid to the Minister, in respect of the share, under section 1029.8.36.166.60.9 for its taxation year in which the particular fiscal period ends, exceeds the aggregate of

(*a*) the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister, in respect of the share, under section 1029.8.36.166.60.9 for its taxation year in which the particular fiscal period ends, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment; and

(*b*) any amount that the corporation would be deemed to have paid to the Minister under this section for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of that assistance repaid by the corporation, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The particular amount to which the first paragraph refers is to be computed as if

(*a*) the lesser of any amount of assistance repaid at or before the end of the fiscal period of repayment and the balance of the corporation's cumulative limit for its taxation year in which the fiscal period of repayment ended reduced, for the particular fiscal period, the amount of any government assistance or non-

government assistance referred to in subparagraph ii of subparagraph *b* of the first paragraph of section 1029.8.36.166.60.13; and

(*b*) the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The amount determined in accordance with subparagraph *a* of the second paragraph is deemed, for the purpose of determining, other than for the purposes of this section, the balance of the corporation's cumulative limit for the taxation year in which the fiscal period of repayment ends and a subsequent taxation year, to be the corporation's share of a qualified expenditure of the partnership in respect of a qualified building, for a fiscal period of the partnership that ends in a taxation year of the corporation preceding the taxation year in which the fiscal period of repayment ends.

“1029.8.36.166.60.17. For the purposes of sections 1029.8.36.166.60.14 to 1029.8.36.166.60.16, an amount of assistance is deemed to be repaid by a corporation or a partnership at a particular time, pursuant to a legal obligation, if that amount

(*a*) reduced, because of section 1029.8.36.166.60.13, the qualified expenditure or the share of a corporation that is a member of the partnership in such an expenditure, for the purpose of computing the amount that the corporation or the corporation that is a member of the partnership is deemed to have paid to the Minister for a taxation year under section 1029.8.36.166.60.8 or 1029.8.36.166.60.9;

(*b*) was not received by the corporation or partnership; and

(*c*) ceased at the particular time to be an amount that the corporation or partnership may reasonably expect to receive.

“1029.8.36.166.60.18. If, in respect of a qualified expenditure of a qualified corporation or of a qualified partnership, in respect of a qualified building, a person or a partnership has obtained, is entitled to obtain or may reasonably expect to obtain a benefit or advantage, other than a benefit or advantage that may reasonably be attributed to the acquisition of the qualified building, whether in the form of a reimbursement, compensation or guarantee, in the form of proceeds of disposition of a property which exceed the fair market value of the property, or in any other form or manner, the following rules apply:

(*a*) for the purpose of computing the amount that is deemed to have been paid to the Minister for a taxation year under section 1029.8.36.166.60.8 by the qualified corporation, the amount of the qualified expenditure is to be reduced by the amount of the benefit or advantage that the person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain on or before the qualified corporation's filing-due date for the taxation year; and

(b) for the purpose of computing the amount that is deemed to have been paid to the Minister for a taxation year under section 1029.8.36.166.60.9 by a qualified corporation that is a member of the qualified partnership, the corporation's share, for a fiscal period of the partnership that ends in the taxation year, of the amount of the qualified expenditure, is to be reduced

i. by the corporation's share, for the fiscal period, of the amount of the benefit or advantage that the person or partnership, other than a person referred to in subparagraph ii, has obtained, is entitled to obtain or may reasonably expect to obtain on or before the day that is six months after the end of the fiscal period, and

ii. by the amount of the benefit or advantage that the qualified corporation or a person with whom it does not deal at arm's length has obtained, is entitled to obtain or may reasonably expect to obtain on or before the day that is six months after the end of the fiscal period.

For the purposes of subparagraph i of subparagraph b of the first paragraph, the share, for a fiscal period of a qualified partnership, of a qualified corporation that is a member of the qualified partnership of the amount of the benefit or advantage that the partnership, or a person referred to in that subparagraph i, has obtained, is entitled to obtain or may reasonably expect to obtain, is equal to the agreed proportion of the amount in respect of the qualified corporation for the fiscal period.

(*a*) if the qualified corporation is not associated with another corporation in the particular year, to the amount by which \$312,500 exceeds the amount by which the aggregate of all amounts each of which is the qualified corporation’s eligible expenses, in relation to an eligible information technology integration contract, for a taxation year preceding the particular year, or its share of a qualified partnership’s eligible expenses, in relation to an eligible information technology integration contract, for a fiscal period of the partnership that ends in a taxation year preceding the particular year, in respect of which an amount is deemed to have been paid to the Minister by the corporation for the preceding year under section 1029.8.36.166.60.27 or 1029.8.36.166.60.28, as the case may be, exceeds the amount determined in accordance with the fourth paragraph; or

The agreement to which subparagraph *b* of the first paragraph refers, in respect of a particular taxation year of the qualified corporation, is the agreement under which all the corporations that are associated with each other in the particular taxation year attribute, for the purposes of this section, to one or more of their number, one or more amounts the total of which is not greater than the amount by which \$312,500 exceeds the amount by which the aggregate

“1029.8.36.166.60.22. For the purposes of this division, the balance of a qualified partnership’s cumulative limit for a particular fiscal period is equal to the amount by which \$312,500 exceeds the aggregate of all amounts each of which is the amount by which the qualified partnership’s eligible expenses, in relation to an eligible information technology integration contract, for a preceding fiscal period exceeds the amount of any government assistance, non-government assistance, benefit or advantage attributable to those expenses, that the partnership has received, is entitled to receive or may reasonably expect to receive on or before the day that is six months after the end of the fiscal period.

(*c*) the interest of a member of an associated group in a taxation year in another member of that group is deemed to be an investment in shares and bonds of another corporation.

For the purposes of subparagraph *a* of the first paragraph, where the particular year is the first fiscal period of the corporation, its paid-up capital is determined, in accordance with the second paragraph, on the basis of its financial statements prepared at the beginning of that fiscal period in accordance with generally accepted accounting principles or, where such financial statements have not been prepared, or have not been prepared in accordance with generally accepted accounting principles, on the basis of such financial statements that would be prepared in accordance with generally accepted accounting principles.

For the purposes of subparagraph *b* of the first paragraph, where a member of the associated group, other than the corporation, has no taxation year ending before the beginning of the particular year, its paid-up capital is determined, in accordance with the second paragraph, on the basis of its financial statements prepared at the beginning of its first fiscal period in accordance with generally accepted accounting principles or, where such financial statements have not been prepared, or have not been prepared in accordance with generally accepted accounting principles, on the basis of such financial statements that would be prepared in accordance with generally accepted accounting principles.

capital stock of which are owned at the given time by each member of the partnership in a proportion equal to the agreed proportion in respect of the member for the partnership's fiscal period that includes that time; and

(c) a trust is deemed to be a corporation all the voting shares in the capital stock of which

i. in the case of a testamentary trust under which one or more beneficiaries are entitled to receive all of the income of the trust that arose before the date of death of one or the last surviving of those beneficiaries (in this subparagraph *c* referred to as the "distribution date") and under which no other person can, before the distribution date, receive or otherwise obtain the enjoyment of any of the income or capital of the trust,

(1) if such a beneficiary's share of the income or capital of the trust depends on the exercise by any person of, or the failure by any person to exercise, a power to appoint, and if the given time occurs before the distribution date, are owned at that time by the beneficiary, or

(2) if subparagraph 1 does not apply and the given time occurs before the distribution date, are owned at that time by such a beneficiary in a proportion equal to the proportion that the fair market value of the beneficial interest in the trust of the beneficiary is of the fair market value of the beneficial interests in the trust of all the beneficiaries,

ii. if a beneficiary's share of the accumulating income or of the capital of the trust depends on the exercise by any person of, or the failure by any person to exercise, a power to appoint, are owned at the given time by the beneficiary, unless subparagraph i applies and that time occurs before the distribution date,

iii. in any case where subparagraph ii does not apply, are owned at the given time by the beneficiary in a proportion equal to the proportion that the fair market value of the beneficial interest in the trust of the beneficiary is of the fair market value of all beneficial interests in the trust, unless subparagraph i applies and that time occurs before the distribution date, and

iv. in the case of a trust referred to in section 467, are owned at the given time by the person referred to in that section from whom property of the trust or property for which property of the trust was substituted was directly or indirectly received.

“1029.8.36.166.60.25. If it may reasonably be considered that one of the main reasons for the separate existence of two or more corporations in a taxation year is to cause a qualified corporation to be deemed to have paid an amount to the Minister under this division for that year or to increase an amount that a qualified corporation is deemed to have paid to the Minister under this division for that year, those corporations are deemed, for the purposes of this division, to be associated with each other in the year.

“1029.8.36.166.60.26. For the purposes of this division, a corporation’s share of an amount, in relation to a partnership of which it is a member at the end of a fiscal period, is equal to the agreed proportion of that amount in respect of the corporation for the fiscal period.

“§2.— *Credits*

“1029.8.36.166.60.27. A qualified corporation for a taxation year that encloses the documents referred to in the fourth paragraph with the fiscal return it is required to file for the year under section 1000 is deemed, subject to the third paragraph, to have paid to the Minister on the qualified corporation’s balance-due day for the year, on account of its tax payable for the year under this Part, an amount equal to the product obtained by multiplying 80% of the lesser of the following amounts by the rate determined in its respect for the year under section 1029.8.36.166.60.29:

(a) the aggregate of all amounts each of which is the corporation’s eligible expenses for the year, in relation to an eligible information technology integration contract; and

(b) the balance of the corporation’s cumulative limit for the year.

For the purposes of subparagraph *b* of the first paragraph, the balance of a qualified corporation’s cumulative limit for a taxation year is to be reduced, if applicable, by the aggregate of all amounts each of which is the corporation’s share of the eligible expenses of a qualified partnership for a fiscal period that ends in the year, in relation to an eligible information technology integration contract, in respect of which the corporation is deemed to have paid an amount to the Minister for the year under section 1029.8.36.166.60.28.

For the purpose of computing the payments that a corporation is required to make under subparagraph *a* of the first paragraph of section 1027 or any of sections 1159.7, 1175 and 1175.19 where those sections refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of its tax payable for the year under this Part and its tax payable for the year under Parts IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(a) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

The documents to which the first paragraph refers are the following:

(a) the prescribed form containing prescribed information;

(b) a copy of any valid certificate issued for the purposes of this division to the corporation in respect of an eligible information technology integration contract; and

(c) a copy of the agreement described in section 1029.8.36.166.60.20, if applicable.

“1029.8.36.166.60.28. A qualified corporation for a taxation year that is a member of a qualified partnership at the end of a fiscal period of the qualified partnership that ends in the year and that encloses the documents referred to in the sixth paragraph with the fiscal return it is required to file for the year under section 1000, is deemed, subject to the fourth paragraph, to have paid to the Minister on the qualified corporation’s balance-due day for the year, on account of its tax payable for the year under this Part, an amount equal to the product obtained by multiplying 80% of the lesser of the following amounts by the rate determined in its respect for the year under section 1029.8.36.166.60.29:

(a) the aggregate of all amounts each of which is the corporation’s share of such a qualified partnership’s eligible expenses for such a fiscal period, in relation to an eligible information technology integration contract; and

(b) the balance of the corporation’s cumulative limit for the year.

For the purposes of subparagraph *a* of the first paragraph, the aggregate of all amounts each of which is a qualified partnership’s eligible expenses for a fiscal period, in relation to an eligible information technology integration contract, may not exceed the balance of the partnership’s cumulative limit for that fiscal period.

For the purposes of subparagraph *b* of the first paragraph, the balance of a qualified corporation’s cumulative limit for a taxation year is to be reduced, if applicable, by the aggregate of all amounts each of which is the corporation’s eligible expenses for the year, in relation to an eligible information technology integration contract, in respect of which the corporation is deemed to have paid an amount to the Minister for the year under section 1029.8.36.166.60.27.

For the purpose of computing the payments that a corporation is required to make under subparagraph *a* of the first paragraph of section 1027 or any of sections 1159.7, 1175 and 1175.19 where those sections refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of its tax payable for the year under this Part and its tax payable for the year under Parts IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(a) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

Despite the definition of “eligible expenses” in the first paragraph of section 1029.8.36.166.60.19 and for the purpose of applying this section to a qualified corporation referred to in the first paragraph, the eligible expenses for a particular fiscal period, in relation to an eligible information technology integration contract, of a qualified partnership of which the corporation is a member do not include

(a) the expenses that would otherwise be such expenses because of subparagraph ii of paragraph *b* of the definition of “eligible expenses” in the first paragraph of section 1029.8.36.166.60.19 and that are incurred in a fiscal period of the partnership preceding the particular fiscal period and ends in a taxation year for which the corporation was not a qualified corporation; or

(b) the expenses that would otherwise be such expenses because of subparagraph iii of paragraph *b* of the definition of “eligible expenses” in the first paragraph of section 1029.8.36.166.60.19 and that are incurred in a fiscal period of the partnership that ends in a taxation year for which the corporation was not a qualified corporation.

The documents to which the first paragraph refers are the following:

(a) the prescribed form containing prescribed information;

(b) a copy of any valid certificate issued for the purposes of this division to a partnership in respect of an eligible information technology integration contract; and

(c) a copy of the agreement described in section 1029.8.36.166.60.20, if applicable.

“1029.8.36.166.60.29. The rate to which the first paragraph of sections 1029.8.36.166.60.27 and 1029.8.36.166.60.28 refers, in respect of a qualified corporation for a taxation year, means the rate determined by the formula

$$25\% - [25\% \times (A - \$15,000,000)/\$5,000,000].$$

In the formula in the first paragraph, A is the greater of

(a) \$15,000,000; and

(b) the lesser of \$20,000,000 and the corporation's paid-up capital for the year, determined in accordance with section 1029.8.36.166.60.23.

“§3. — *Government assistance, non-government assistance and other particulars*

“**1029.8.36.166.60.30.** For the purpose of computing the amount that is deemed to have been paid to the Minister by a corporation, for a taxation year, under section 1029.8.36.166.60.27 or 1029.8.36.166.60.28, the following rules apply:

(a) the corporation's eligible expenses, referred to in subparagraph *a* of the first paragraph of section 1029.8.36.166.60.27, are to be reduced by the amount of any government assistance or non-government assistance attributable to the expenses that the corporation has received, is entitled to receive or may reasonably expect to receive on or before the corporation's filing-due date for the taxation year; and

(b) the corporation's share of the eligible expenses of a partnership, referred to in subparagraph *a* of the first paragraph of section 1029.8.36.166.60.28, for a fiscal period of the partnership that ends in the corporation's taxation year, is to be reduced

i. by the corporation's share of the amount of any government assistance or non-government assistance attributable to the expenses that the partnership has received, is entitled to receive or may reasonably expect to receive on or before the day that is six months after the end of the fiscal period, and

ii. by the amount of any government assistance or non-government assistance attributable to the expenses that the corporation has received, is entitled to receive or may reasonably expect to receive on or before the day that is six months after the end of the fiscal period.

“**1029.8.36.166.60.31.** If, before 1 January 2020, a corporation pays, in a taxation year (in this section referred to as the “repayment year”), pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of paragraph *a* of section 1029.8.36.166.60.30, the corporation's eligible expenses, in relation to an eligible information technology integration contract, for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.166.60.27 in respect of those expenses for a particular taxation year, the corporation is deemed, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the repayment year under section 1000, to have paid to the Minister on its balance-due day for the repayment year, on account of its tax payable for that year under this Part, an amount equal to the amount by which the amount that the corporation would

be deemed to have paid to the Minister in respect of the eligible expenses, under section 1029.8.36.166.60.27 for the particular year, if the particular amount that is the lesser of the aggregate of all amounts each of which is an amount of assistance so repaid at or before the end of the repayment year and the balance of the corporation's cumulative limit for the repayment year, had reduced, for the particular year, the amount of any government assistance or non-government assistance referred to in paragraph *a* of section 1029.8.36.166.60.30, exceeds the aggregate of

(*a*) the amount that the corporation is deemed to have paid to the Minister in respect of the eligible expenses under section 1029.8.36.166.60.27 for the particular year; and

(*b*) any amount that the corporation is deemed to have paid to the Minister under this section for a taxation year preceding the repayment year in respect of an amount of repayment of that assistance.

The particular amount to which the first paragraph refers is deemed, for the purpose of determining, other than for the purposes of this section, the balance of the corporation's cumulative limit for the repayment year and a subsequent taxation year, to be eligible expenses of the corporation in respect of an eligible information technology integration contract for a taxation year preceding the repayment year.

“1029.8.36.166.60.32. If, before 1 January 2020, a partnership pays, in a fiscal period (in this section referred to as the “fiscal period of repayment”), pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph *i* of paragraph *b* of section 1029.8.36.166.60.30, a corporation's share of a partnership's eligible expenses, in relation to an eligible information technology integration contract, for a particular fiscal period, for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.166.60.28 in respect of the share, for its taxation year in which the particular fiscal period ended, the corporation is deemed to have paid to the Minister on the corporation's balance-due day for its taxation year in which the fiscal period of repayment ends, on account of its tax payable for that year under this Part, if the corporation is a member of the partnership at the end of the fiscal period of repayment and it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the aggregate of all amounts each of which is a particular amount that the corporation would be deemed, if the assumptions set out in the second paragraph were taken into account, to have paid to the Minister, in respect of the share, under section 1029.8.36.166.60.28 for its taxation year in which the particular fiscal period ends, exceeds the aggregate of

(*a*) the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister in respect of the

partnership's eligible expenses, in relation to an eligible information technology integration contract, under section 1029.8.36.166.60.28 for its taxation year in which the particular fiscal period ends, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment; and

(b) any amount that the corporation would be deemed to have paid to the Minister under this section for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of that assistance repaid by the partnership, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The particular amount to which the first paragraph refers is to be computed as if

(a) the lesser of the corporation's share of any amount of assistance repaid at or before the end of the fiscal period of repayment and the balance of the corporation's cumulative limit for its taxation year in which the fiscal period of repayment ended, reduced, for the particular fiscal period, the corporation's share of the amount of any government assistance or non-government assistance referred to in subparagraph i of paragraph b of section 1029.8.36.166.60.30; and

(b) the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The amount determined in accordance with subparagraph a of the second paragraph is deemed, for the purpose of determining, other than for the purposes of this section, the balance of the corporation's cumulative limit for the taxation year in which the fiscal period of repayment ends and a subsequent taxation year, to be the corporation's share of the partnership's eligible expenses, in relation to an eligible information technology integration contract, for a fiscal period of the partnership that ends in a taxation year of the corporation preceding the taxation year in which the fiscal period of repayment ends.

“1029.8.36.166.60.33. If, before 1 January 2020, a corporation is a member of a partnership at the end of a fiscal period of the partnership (in this section referred to as the “fiscal period of repayment”), and pays, in the fiscal period of repayment, pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph ii of paragraph b of section 1029.8.36.166.60.30, its share of the partnership's eligible expenses, in relation to an eligible information technology integration contract, for a particular fiscal period, for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.166.60.28, in respect of the share, for its taxation year in which the particular fiscal period ended, the corporation is deemed to have paid to the Minister on the corporation's balance-due day for its taxation year

in which the fiscal period of repayment ends, on account of its tax payable for that year under this Part, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the aggregate of all amounts each of which is a particular amount that the corporation would be deemed, if the assumptions set out in the second paragraph were taken into account, to have paid to the Minister, in respect of the share, under section 1029.8.36.166.60.28 for its taxation year in which the particular fiscal period ends, exceeds the aggregate of

(a) the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister, in respect of the share, under section 1029.8.36.166.60.28 for its taxation year in which the particular fiscal period ends, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment; and

(b) any amount that the corporation would be deemed to have paid to the Minister under this section for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of that assistance repaid by the corporation, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The particular amount to which the first paragraph refers is to be computed as if

(a) the lesser of any amount of assistance repaid at or before the end of the fiscal period of repayment and the balance of the corporation's cumulative limit for its taxation year in which the fiscal period of repayment ended, reduced, for the particular fiscal period, the amount of any government assistance or non-government assistance referred to in subparagraph ii of paragraph *b* of section 1029.8.36.166.60.30; and

(b) the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The amount determined in accordance with subparagraph *a* of the second paragraph is deemed, for the purpose of determining, other than for the purposes of this section, the balance of the corporation's cumulative limit for the taxation year in which the fiscal period of repayment ends and a subsequent taxation year, to be the corporation's share of the partnership's eligible expenses, in relation to an eligible information technology integration contract, for a fiscal period of the partnership that ends in a taxation year of the corporation preceding the taxation year in which the fiscal period of repayment ends.

“1029.8.36.166.60.34. For the purposes of sections 1029.8.36.166.60.31 to 1029.8.36.166.60.33, an amount of assistance is deemed to be repaid by a corporation or a partnership at a particular time, pursuant to a legal obligation, if that amount

(a) reduced, because of section 1029.8.36.166.60.30, the eligible expenses or the share of a corporation that is a member of the partnership in such expenses, for the purpose of computing the amount that the corporation or the corporation that is a member of the partnership is deemed to have paid to the Minister for a taxation year under section 1029.8.36.166.60.27 or 1029.8.36.166.60.28;

(b) was not received by the corporation or partnership; and

(c) ceased at the particular time to be an amount that the corporation or partnership may reasonably expect to receive.

“1029.8.36.166.60.35. If, in respect of the eligible expenses of a qualified corporation or a qualified partnership, in relation to an eligible information technology integration contract, a person or a partnership has obtained, is entitled to obtain or may reasonably expect to obtain a benefit or advantage, other than a benefit or advantage that may reasonably be attributed to an eligible information technology integration contract, whether in the form of a reimbursement, compensation or guarantee, in the form of proceeds of disposition of a property which exceed the fair market value of the property, or in any other form or manner, the following rules apply:

(a) for the purpose of computing the amount that is deemed to have been paid to the Minister for a taxation year under section 1029.8.36.166.60.27 by the qualified corporation, the amount of the eligible expenses is to be reduced by the amount of the benefit or advantage that the person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain on or before the qualified corporation’s filing-due date for the taxation year; and

(b) for the purpose of computing the amount that is deemed to have been paid to the Minister for a taxation year under section 1029.8.36.166.60.28 by a qualified corporation that is a member of the qualified partnership, the corporation’s share, for a fiscal period of the partnership that ends in the taxation year, of the amount of the eligible expenses, is to be reduced

i. by the corporation’s share, for the fiscal period, of the amount of the benefit or advantage that the person or partnership, other than a person referred to in subparagraph ii, has obtained, is entitled to obtain or may reasonably expect to obtain on or before the day that is six months after the end of the fiscal period, and

ii. by the amount of the benefit or advantage that the qualified corporation or a person with whom it does not deal at arm’s length has obtained, is entitled to obtain or may reasonably expect to obtain on or before the day that is six months after the end of the fiscal period.”

(2) Subsection 1 applies in respect of an expenditure or expenses incurred after 7 October 2013.

467. (1) Section 1029.8.36.166.62 of the Act is amended

(1) by replacing “30%” in the first paragraph by “24%”;

(2) by replacing the portion of the fourth paragraph before subparagraph *a* by the following:

“Despite the first paragraph, a corporation operating an international financial centre on 30 March 2010 may be deemed to have paid an amount to the Minister under this section for all or part of a taxation year preceding 1 January 2013 only if”.

(2) Paragraph 1 of subsection 1 applies in respect of the portion of qualified wages that is incurred after 4 June 2014. However, where section 1029.8.36.166.62 of the Act applies to a taxation year that ends after 4 June 2014 and that includes that date, and the amount of qualified wages that a corporation incurs in the year in respect of an eligible employee for all or part of the year is, because of the definition of “qualified wages” in section 1029.8.36.166.61 of the Act, limited to the amount obtained under paragraph *a* of that definition, the portion of qualified wages that is incurred after 4 June 2014 is deemed to be equal to the amount by which the amount of the qualified wages exceeding the portion of the expenditure incurred as wages by the corporation, in respect of the employee, in the year and before 5 June 2014 while the employee qualified as an eligible employee of the corporation, exceeds the aggregate of

(1) the aggregate of all amounts each of which is an amount of government assistance or non-government assistance attributable to that portion of the expenditure that the corporation has received, is entitled to receive or may reasonably expect to receive, on or before the corporation’s filing-due date for the taxation year; and

(2) the aggregate of all amounts each of which is the amount of a benefit or advantage in respect of that portion of the expenditure, other than a benefit or advantage that may reasonably be attributed to the duties performed by the employee in the course of the operations of the business carried on by the corporation in the taxation year, that a person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain, on or before the corporation’s filing-due date for the taxation year, whether in the form of a reimbursement, compensation or guarantee, in the form of proceeds of disposition of property which exceed the fair market value of the property, or in any other form or manner.

(3) Paragraph 2 of subsection 1 has effect from 31 March 2010.

468. (1) Section 1029.8.36.166.66 of the Act is amended by replacing “30%” in the first paragraph by “24%”.

(2) Subsection 1 applies in respect of the portion of qualified wages that is incurred after 4 June 2014. However, where section 1029.8.36.166.66 of the

Act applies to a taxation year that ends after 4 June 2014 and that includes that date, and the amount of qualified wages that a qualified corporation incurs in the year in respect of an eligible employee for all or part of the year is, because of the definition of “qualified wages” in the first paragraph of section 1029.8.36.166.65 of the Act, limited to the amount obtained under paragraph *a* of that definition, the portion of qualified wages that is incurred after 4 June 2014 is deemed to be equal to the amount by which the amount of the qualified wages exceeding the portion of the expenditure incurred as wages by the qualified corporation, in respect of the employee, in the year and before 5 June 2014 while the employee qualified as an eligible employee of the qualified corporation, exceeds the aggregate of

(1) the aggregate of all amounts each of which is an amount of government assistance or non-government assistance attributable to that portion of the expenditure that the qualified corporation has received, is entitled to receive or may reasonably expect to receive, on or before the qualified corporation’s filing-due date for the taxation year; and

(2) the aggregate of all amounts each of which is the amount of a benefit or advantage in respect of that portion of the expenditure, other than a benefit or advantage that may reasonably be attributed to the duties performed by the employee in the course of the operations of the business carried on by the qualified corporation in the taxation year, that a person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain, on or before the qualified corporation’s filing-due date for the taxation year, whether in the form of a reimbursement, compensation or guarantee, in the form of proceeds of disposition of property which exceed the fair market value of the property, or in any other form or manner.

469. (1) Section 1029.8.36.166.70 of the Act is amended by replacing “40%” in the portion of the first paragraph before subparagraph *a* by “32%”.

(2) Subsection 1 applies in respect of the portion of qualified expenditure that is incurred after 4 June 2014. However, where section 1029.8.36.166.70 of the Act applies to a taxation year that ends after 4 June 2014 and that includes that date, for the purpose of determining the portion of the amount deemed to have been paid to the Minister under the first paragraph of that section in respect of the portion of the qualified expenditure for the year that is incurred after that date, the corporation’s qualified expenditure limit for the year referred to in subparagraph *b* of that paragraph is to be replaced by the amount by which that limit exceeds the portion of the corporation’s qualified expenditure for the year that is incurred before 5 June 2014 and that, for the purpose of determining the portion of the amount deemed to have been paid to the Minister under the first paragraph in its respect, is referred to in subparagraph *a* of that first paragraph.

470. (1) Section 1029.8.36.167 of the Act is amended by inserting the following definition in alphabetical order in the first paragraph:

““associated group” in a taxation year has the meaning assigned by section 1029.8.36.167.1;”.

(2) Subsection 1 has effect from 21 December 2013.

471. (1) The Act is amended by inserting the following section after section 1029.8.36.167:

“1029.8.36.167.1. An associated group in a taxation year means all the corporations that are associated with each other at any given time in the year.

For the purposes of the first paragraph, the following rules apply:

(a) a business carried on by an individual, other than a trust, is deemed to be carried on by a corporation all the voting shares in the capital stock of which are owned at the given time by the individual;

(b) a partnership is deemed to be a corporation whose taxation year corresponds to the partnership’s fiscal period and all the voting shares in the capital stock of which are owned at the given time by each member of the partnership in a proportion equal to the agreed proportion in respect of the member for the partnership’s fiscal period that includes that time; and

(c) a trust is deemed to be a corporation all the voting shares in the capital stock of which

i. in the case of a testamentary trust under which one or more beneficiaries are entitled to receive all of the income of the trust that arose before the date of death of one or the last surviving of those beneficiaries (in this subparagraph *c* referred to as the “distribution date”) and under which no other person can, before the distribution date, receive or otherwise obtain the enjoyment of any of the income or capital of the trust,

(1) if such a beneficiary’s share of the income or capital of the trust depends on the exercise by any person of, or the failure by any person to exercise, a power to appoint, and if the given time occurs before the distribution date, are owned at that time by the beneficiary, or

(2) if subparagraph 1 does not apply and the given time occurs before the distribution date, are owned at that time by such a beneficiary in a proportion equal to the proportion that the fair market value of the beneficial interest in the trust of the beneficiary is of the fair market value of the beneficial interests in the trust of all the beneficiaries,

ii. if a beneficiary’s share of the accumulating income or of the capital of the trust depends on the exercise by any person of, or the failure by any person to exercise, a power to appoint, are owned at the given time by the beneficiary, unless subparagraph i applies and that time occurs before the distribution date,

iii. in any case where subparagraph ii does not apply, are owned at the given time by the beneficiary in a proportion equal to the proportion that the fair market value of the beneficial interest in the trust of the beneficiary is of the fair market value of all beneficial interests in the trust, unless subparagraph i applies and that time occurs before the distribution date, and

If the individuals cannot agree as to what portion of the particular amount each would, but for this section, be deemed to have paid to the Minister under section 1029.8.164, the Minister may determine what portion of that amount is deemed to be paid to the Minister by each individual under that section.”

The tax to which the first paragraph refers is equal to the amount by which the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister for a taxation year in which a fiscal period of the partnership preceding the fiscal period of repayment ends under any of sections 1029.8.36.166.60.9, 1029.8.36.166.60.15 and 1029.8.36.166.60.16, in relation to the qualified expenditure, if the agreed proportion in respect of the corporation for that preceding fiscal period were the same as that for the fiscal period of repayment, exceeds the total of

The tax to which the first paragraph refers is equal to the amount by which the aggregate of all amounts each of which is an amount that the corporation is deemed to have paid to the Minister for a taxation year preceding the particular taxation year under section 1029.8.36.166.60.8 or 1029.8.36.166.60.14, in respect of the qualified building, exceeds the aggregate of all amounts each of which is a tax that the corporation is required to pay under section 1129.45.41.18.2 in respect of the qualified building for a taxation year preceding the particular year.

The conditions for recognition as an eligible related title are deemed never to have been met in respect of a given title that is linked to a main multimedia title where it appears, on the last day of the 12-month period following the date of initial commercialization of the given title, that the total labour expenditure,

However, only the amounts that are incurred and paid on or before the day that is 12 months after the date of initial commercialization of the related title linked to the particular title and that relate exclusively to the production of the particular title may be taken into account."

Such work includes activities relating to the writing of the title's script, the development of its interactive structure, the acquisition and production of its constituent elements, its computer and online development, the system architecture, the title's community of users, the analysis of performance-related quantitative data for the purpose of optimizing the title's performance, and technological activities relating to its updating. In the case of a title that is recognized as an eligible related title, such work also includes eligible computer-aided special effects and animation activities.

However, activities relating to the acquisition of copyrights or to the mastering, media duplication, promotion, distribution or dissemination of a title, other than activities relating to the system architecture or technological activities relating to the updating of the title, may not be recognized as eligible production work in respect of a title.

Activities relating to the system architecture include the design, installation, development and maintenance of the infrastructure that hosts a title, including the network and the servers required to operate it, the development of tools aimed at optimizing the operation, management and maintenance of such infrastructure, as well as the management of the system security and of the data access.”;

(3) technical services to the community, which include activities to coordinate and optimize user relations.

Technological activities relating to the installation of the new versions of a title, the updating of its contents, the optimization of the computer infrastructure in operation, and the regular or urgent maintenance tasks in connection with that infrastructure are technological activities relating to the updating of a title.”

(2) Subsection 1 applies in respect of an application for a certificate filed after 30 September 2013.

547. (1) Division IV of Chapter V of Schedule A to the Act, comprising sections 5.12 and 5.13, is repealed.

The conditions for recognition as an eligible related title are deemed never to have been met in respect of a given title that is linked to a main multimedia title where it appears, on the last day of the 12-month period following the date of initial commercialization of the given title, that the total labour expenditure, in respect of the main multimedia title, of the corporation that produces it is less than \$1,000,000. The same applies where it appears, at a particular time in the period referred to in the second paragraph, that the corporation that produces the given title and the corporation that produces the main multimedia title are no longer associated with each other.

In this section, the total labour expenditure of a corporation in respect of a particular title is the aggregate of all amounts each of which is the amount of the corporation’s qualified labour expenditure for a particular taxation year, in respect of the particular title, within the meaning of the first paragraph of section 1029.8.36.0.3.8 of the Taxation Act, the portion of the corporation’s

qualified labour expenditure for a particular taxation year that may reasonably be attributed to the particular title, within the meaning of the first paragraph of section 1029.8.36.0.3.18 of that Act, or the amount that would be the amount of the corporation's qualified labour expenditure for a particular taxation year in respect of the particular title, within the meaning of the first paragraph of section 1029.8.36.0.3.8 of that Act, if the corporation were a qualified corporation within the meaning of that first paragraph. However, only the amounts that are incurred and paid on or before the day that is 12 months after the date of initial commercialization of the related title linked to the particular title and that relate exclusively to the production of the particular title may be taken into account.”

(2) Subsection 1 applies in respect of an application for a certificate filed after 30 September 2013.

551. (1) Section 6.11 of Schedule A to the Act is amended

To be recognized as eligible production work in relation to an eligible title, work must be engaged in as of the beginning of the design stage and for the purpose of carrying out the stages in its production. Such work includes activities relating to the writing of the title's script, the development of its interactive structure, the acquisition and production of its constituent elements, its computer and online development, the system architecture, the title's community of users, the analysis of performance-related quantitative data for the purpose of optimizing the title's performance, and technological activities relating to its updating. In the case of an eligible title that is recognized as an eligible related title, such work also includes eligible computer-aided special effects and animation activities.

However, activities relating to the acquisition of copyrights or to the mastering, media duplication, promotion, distribution or dissemination of an eligible title, other than activities relating to the system architecture or technological activities relating to the updating of the title, may not be recognized as eligible production work in respect of an eligible title.

Activities relating to the system architecture include the design, installation, development and maintenance of the infrastructure that hosts an eligible title, including the network and the servers required to operate it, the development of tools aimed at optimizing the operation, management and maintenance of such infrastructure, as well as the management of the system security and of the data access.”;

(3) technical services to the community, which include activities to coordinate and optimize user relations.

However, in its application to the corporation for that taxation year, the third paragraph of section 13.3 of Schedule A to the Act, enacted by subsection 1, is to be read as if “activities described in subparagraphs 5 and 7” were replaced wherever it appears by “activities described in subparagraph 7”.

555. (1) Section 13.5 of Schedule A to the Act is amended

“15.2. To benefit from the tax credit for scientific research and experimental development work carried on by a biopharmaceutical corporation, a corporation must obtain from Investissement Québec a qualification certificate in respect of the activities it carries on or will carry on and a certificate in respect of the activities it carries on. However, an application for a qualification certificate cannot be granted by Investissement Québec if the application is filed after 3 June 2014.

The certificate must be obtained for each taxation year for which the corporation intends to avail itself of the tax credit for scientific research and experimental development work carried on by a biopharmaceutical corporation. However, no certificate may be issued to a corporation for a taxation year of the corporation that begins after 4 June 2014.

If, at a particular time, Investissement Québec revokes a qualification certificate issued to a corporation, any certificate issued to the corporation for the taxation year that includes the date on which the revocation becomes effective or for a subsequent taxation year is deemed to be revoked by Investissement Québec at that time. In such a case, the effective date of the deemed revocation is the date of coming into force of the certificate that is deemed to be revoked.

“DIVISION II

“QUALIFICATION CERTIFICATE AND CERTIFICATE

“15.3. A qualification certificate issued to a corporation under this chapter certifies that the activities specified in the qualification certificate and that the corporation carries on or will carry on are recognized as eligible activities.

“15.4. The following human health-related activities are eligible activities:

(1) integrated innovative pharmaceuticals (patented products) that consist in manufacturing and commercializing drugs as well as carrying out drug-related activities in the form of basic research, product development, clinical research or chemical synthesis;

(2) generic pharmaceutical manufacturing that consists in manufacturing and commercializing generic versions of prescription or non-prescription drugs whose patents have expired;

(3) contract pharmaceutical manufacturing that consists in manufacturing drugs for innovative pharmaceutical businesses, generic products businesses or large buyers;

(4) biotechnology that comprises

(a) therapeutic products, namely those that derive from drug research and development essentially targeting the small-molecule market rather than biological products, or that consist in devising methods of administering drugs in an organism or in developing cellular therapies,

(b) diagnostic products,

(c) biological processes, namely those that consist in producing drugs or vaccines, producing pharmaceutical proteins through the culture of genetically modified cells, developing genetically modified organisms for the production of drugs or in extracting active drug ingredients from natural sources, and

(d) pharmaceutical research, which consists in using genetic information to define targets for drug action or in offering products and services in genomics research; and

(5) contract research that consists in providing services in developing new drugs, such as bioequivalence studies, preclinical and clinical trials and the management of studies.

“15.5. A certificate issued to a corporation certifies that the activities it carried on throughout the taxation year for which the application for the certificate was filed are activities mentioned in the qualification certificate the corporation has obtained.

“15.6. Investissement Québec may issue a certificate to a corporation if, for the taxation year for which the application for the certificate is filed,

(1) the qualification certificate issued to the corporation was valid; and

(2) Investissement Québec is of the opinion that the activities specified in the corporation’s qualification certificate represented at least 75% of the activities it carried on throughout that taxation year.

For the purposes of subparagraph 2 of the first paragraph, Investissement Québec shall take into consideration the duties performed by all of the corporation’s employees and the activities that were carried on on its behalf in that taxation year.

“15.7. Investissement Québec may, before issuing a qualification certificate or a certificate under this chapter or before amending or revoking such a document, obtain the advice of the Ministère de l’Enseignement supérieur, de la Recherche, de la Science et de la Technologie.

“CHAPTER XVI

“SECTORAL PARAMETERS OF TAX CREDIT RELATING TO INFORMATION TECHNOLOGY INTEGRATION

“DIVISION I

“INTERPRETATION AND GENERAL

“**16.1.** In this chapter, “tax credit relating to information technology integration” means the fiscal measure provided for in Division II.6.14.2.2 of Chapter III.1 of Title III of Book IX of Part I of the Taxation Act, under which a corporation is deemed to have paid an amount to the Minister of Revenue on account of its tax payable under that Part for a taxation year.

“**16.2.** To benefit from the tax credit relating to information technology integration, a corporation or, if it avails itself of the measure as a member of a partnership, the partnership, must obtain from Investissement Québec a certificate in respect of each of the contracts for which it avails itself of the measure (in this chapter referred to as a “contract certificate”).

An application by a corporation or a partnership for a certificate in respect of a contract must be filed with Investissement Québec before the contract is entered into. However, Investissement Québec may, for reasons it considers reasonable, allow such an application to be filed after the contract is entered into.

Despite the second paragraph, Investissement Québec may not accept an application filed after 3 June 2014 for a certificate in respect of a contract.

“DIVISION II

“CONTRACT CERTIFICATE

“**16.3.** A contract certificate that is issued to a corporation or a partnership certifies that the contract referred to in the certificate is recognized as an eligible information technology integration contract. It also lists the activities carried on under the contract that constitute the supply of a qualified management software package.

“**16.4.** A contract to be entered into by a corporation or a partnership is recognized as an eligible information technology integration contract if it corresponds exactly to a written prior agreement, made after 7 October 2013 and before 1 January 2018, that

(1) is related to a preliminary analysis carried out by the corporation or partnership or on its behalf to draw up a plan describing its needs so that it may have access to a computerized infrastructure allowing a management software package to be used to optimize its business processes; and

(2) is entered into with a person dealing at arm's length with the corporation or partnership who undertakes to provide the property and services relating to the supply of a qualified management software package himself, herself or itself.

“16.5. The following activities, alone or in combination, constitute the supply of a qualified management software package:

(1) the sale or leasing of a management software package or of an open-source management software package, or of usage rights for such property, that mainly enables management of one or more of the following elements:

(a) all the operational processes of a business through the integration of all the functions of the business;

(b) the interactions of a business with its clients through multiple and interconnected communication channels; or

(c) a network of businesses involved in the production of a product or the provision of a service required by the end client to cover all movements of materials or information from point of origin to point of consumption;

(2) the provision of services related to the development, integration (installation and implementation), reconfiguration and evolution of a software package referred to in subparagraph 1;

(3) the provision of services required to support and train the personnel of the business and resolve bugs in relation to the integration of a software package referred to in subparagraph 1 into the business; and

(4) the sale or leasing of general-purpose data processing equipment and related system software, including ancillary data processing equipment, and of the application software required as part of the integration of a software package referred to in subparagraph 1 into the business, or of usage rights of such property.

An activity described in subparagraph 4 of the first paragraph constitutes the supply of a qualified management software package only if the property that is the subject of the activity was not used for any purpose or acquired or leased to be used or leased for any purpose whatsoever before it was acquired or leased by a corporation or partnership.”

(2) Subsection 1,

(1) where it enacts Chapter XV of Schedule A to that Act, has effect from 21 November 2012;

(2) where it enacts Chapter XVI of Schedule A to that Act, applies in respect of an application for a certificate filed after 7 October 2013.

560. (1) Section 1.1 of Schedule C to the Act is amended by adding the following paragraph after paragraph 9:

“(10) the tax exemption in relation to a tax-free reserve of a qualified shipowner provided for in section 726.4.0.2 of the Taxation Act and in Title X of Book VII of Part I of that Act.”

(2) Subsection 1 has effect from 5 June 2014.

561. (1) Section 8.3 of Schedule C to the Act is replaced by the following section:

“8.3. An activity certificate issued to a corporation or a partnership for a taxation year or a fiscal period, as applicable, certifies that a design activity relating to a business carried on by the corporation or partnership in Québec was carried out by the corporation or partnership in the year or the fiscal period or, on its behalf, by a qualified outside consultant in the year or a preceding taxation year or in the fiscal period or a preceding fiscal period.”

(2) Subsection 1 applies in respect of an application for a certificate for a taxation year or fiscal period that ends after 31 December 2012.

562. (1) Section 9.1 of Schedule C to the Act is amended by inserting the following definition in alphabetical order:

““issuance period” in respect of a vessel means the six-year period that begins on the date of coming into force of the first qualification certificate referred to in the first paragraph of section 9.2 that is issued in respect of the vessel;”.

(2) Subsection 1 has effect from 12 July 2013.

563. (1) Section 9.2 of Schedule C to the Act is amended

(1) by replacing the first paragraph by the following paragraph:

“9.2. A corporation must obtain a qualification certificate (in Division II referred to as a “vessel qualification certificate”) from the Minister, in respect of each vessel for which the corporation intends to claim the tax credit for the construction or conversion of vessels. An application for such a qualification certificate must be filed for each period, which does not exceed three years and which is included in the issuance period relating to the vessel, for which the corporation wishes to benefit from the tax credit. If the construction or conversion work in respect of the vessel is carried out under a subcontract, the corporation must also obtain a qualification certificate in respect of the subcontract (in Division II referred to as a “subcontract qualification certificate”) from the Minister.”;

(2) by inserting the following paragraph after the second paragraph:

“In addition, a corporation may obtain a qualification certificate (in Division II referred to as a “pre-eligibility qualification certificate”) from the Minister, in respect of each vessel for which the corporation plans to apply for a qualification certificate referred to in the first paragraph.”;

(3) by replacing subparagraphs 1 and 2 of the third paragraph by the following subparagraphs:

“(1) in the case of a qualification certificate referred to in the first paragraph,

(a) after a preliminary agreement has been reached with the client in respect of the project, but before a firm contract has been entered into in that respect, in the case of the first qualification certificate in respect of the vessel;

(b) before the end of the period for which the preceding qualification certificate was obtained, in any other case;

“(2) in the case of a qualification certificate referred to in the second paragraph, before the beginning of the construction or conversion work in respect of the vessel; or”;

(4) by adding the following subparagraph after subparagraph 2 of the third paragraph:

“(3) in the case of a qualification certificate referred to in the third paragraph, before a preliminary agreement has been reached with the client.”;

(5) by adding the following paragraphs after the fourth paragraph:

“However, the Minister may deliver a qualification certificate referred to in the first paragraph in respect of a vessel for a particular period, other than the first, only if the following conditions are met in respect of the corporation applying for it:

(1) such a qualification certificate in respect of the vessel was issued to the corporation for any preceding period included in its issuance period; and

(2) at the time the qualification certificate is to be issued for the particular period, no certificate referred to in subparagraph 1 has been revoked.

If, at a particular time, the Minister revokes a qualification certificate referred to in the first paragraph issued to the corporation in respect of a vessel for a given period, any such certificate issued to the corporation in respect of the vessel for a particular period subsequent to the given period is deemed to be revoked by the Minister at that time. In such a case, the effective date of the deemed revocation is the date of coming into force of the certificate that is deemed to be revoked.”

(2) Subsection 1 applies in respect of a qualification certificate for which an application is filed after 11 July 2013.

564. (1) Section 9.6 of Schedule C to the Act is amended, in the first paragraph,

(1) by replacing subparagraph 1 by the following subparagraph:

“(1) its essential characteristics are different from those of vessels constructed or converted previously by the corporation, or the construction or conversion work in respect of the vessel requires an investment in innovation in any of the following fields:

- (a) planning the work,
- (b) production methods and processes, and
- (c) integrating advanced or ecological technologies; and”;

(2) by striking out subparagraph 2;

(3) by replacing subparagraph 3 by the following subparagraph:

“(3) it is the first vessel of a series whose repeat business potential is established, in particular by commitments to order, letters of intent of clients already operating maritime services or a market study showing the construction potential for a series of vessels.”

(2) Subsection 1 applies in respect of an application for a qualification certificate that is filed after 11 July 2013.

565. (1) Schedule C to the Act is amended by inserting the following sections after section 9.7:

“9.7.1. A pre-eligibility qualification certificate issued to a corporation certifies that, in respect of the vessel to be constructed or converted and referred to in the certificate, the Minister would issue a vessel qualification certificate to the corporation if, after reaching a preliminary agreement with a client in respect of a vessel construction or conversion project, as the case may be, the corporation applied for one to the Minister.

“9.7.2. The Minister may issue a pre-eligibility qualification certificate to a corporation in respect of a vessel to be constructed or converted only if the corporation shows, to the Minister’s satisfaction, that the conditions of sections 9.4 to 9.6 will be met as of the filing of an application for a first vessel qualification certificate in respect of the vessel.

“9.7.3. The Minister is not bound by a pre-eligibility qualification certificate the Minister issued to a corporation in respect of a vessel to be constructed or converted if the Minister ascertains that any of the conditions of sections 9.4 to 9.6 has not been met.”

(2) Subsection 1 applies in respect of a qualification certificate for which an application is filed after 11 July 2013.

566. (1) Schedule C to the Act is amended by adding the following after section 10.5:

“CHAPTER XI

“DIVISION I

“INTERPRETATION AND GENERAL

“tax exemption relating to a tax-free reserve of a qualified shipowner” means the fiscal measure provided for in section 726.4.0.2 of the Taxation Act and in Title X of Book VII of Part I of that Act under which a corporation may benefit from a tax exemption for a taxation year in aspect of income earned within a reserve.

“11.2. To benefit from the tax exemption relating to a tax-free reserve of a qualified shipowner, a corporation is required to obtain a qualification certificate from the Minister.

The Minister may issue a qualification certificate to a corporation only if the corporation has filed an application with the Minister for that purpose before 1 January 2024.

“DIVISION II

“QUALIFICATION CERTIFICATE

“11.3. The qualification certificate issued to a qualified shipowner certifies that the shipowner, in carrying on its business, operates one or more qualified vessels and intends to set up a contingency fund with a view to having

work carried out by a corporation that operates a qualified shipyard, in that shipyard, to maintain or renovate qualified vessels in the shipowner's fleet or to qualified vessel built.”

(2) Subsection 1 has effect from 5 June 2014.

567. (1) Section 1.1 of Schedule E to the Act is amended by adding the following paragraph after paragraph 6:

“(7) the tax holidays relating to the carrying out of a large investment project provided for in sections 737.18.17.1 to 737.18.17.13 of the Taxation Act and sections 33, 34, 34.1.0.3 and 34.1.0.4 of the Act respecting the Régie de l'assurance maladie du Québec.”

(2) Subsection 1 has effect from 21 November 2012.

568. (1) Section 4.3 of Schedule E to the Act is amended

(1) by replacing the fourth paragraph by the following paragraph:

“Subject to subparagraph 4 of the first paragraph of section 4.4, the Minister may not issue an initial certificate in respect of an investment project unless the application for such a certificate was filed with the Minister in writing before 12 June 2003. In addition, the Minister may not issue an initial certificate to which such an application relates after 19 November 2012.”;

(2) by inserting the following paragraphs after the fourth paragraph:

“The application for an annual certificate must be filed with the Minister within 15 months after the end of the corporation's taxation year, or the partnership's fiscal period, in which the calendar year for which it is made ends. However, the Minister may, if the Minister considers that the circumstances so warrant, accept such an application despite the expiry of the time limit, provided the application is filed on or before the last day of the eighteenth month after the end of the taxation year or fiscal period concerned.

However, the Minister may issue an annual certificate that concerns a calendar year ending in a taxation year or fiscal period that ends before 20 November 2012 if the application for that certificate is filed with the Minister before 20 February 2014.”;

(3) by replacing “Similarly, the Minister may not” in the fifth paragraph by “The Minister may not”.

(2) Subsection 1 has effect from 20 November 2012.

569. (1) Section 6.3 of Schedule E to the Act is amended by replacing the first paragraph by the following paragraph:

“6.3. A corporation qualification certificate issued to a corporation certifies that the activities specified in the certificate and carried on exclusively, or are required to be so carried on by the corporation, are recognized as eligible activities.”

(2) Subsection 1 has effect from 21 March 2012.

570. (1) Section 6.4 of Schedule E to the Act is amended by replacing the first paragraph by the following paragraph:

“6.4. The Minister may issue a corporation qualification certificate only if the net shareholders’ equity of the corporation for its taxation year preceding that in which the corporation files its application for the certificate or, where the corporation is in its first fiscal period, at the beginning of that fiscal period, is less than \$15,000,000.”

(2) Subsection 1 has effect from 21 March 2012.

571. (1) Section 6.6 of Schedule E to the Act is replaced by the following section:

“6.6. A corporation certificate issued to a corporation certifies that all the activities it carried out throughout the taxation year for which the application for the certificate is filed, or for the part of that year specified in the certificate, are activities mentioned in the corporation qualification certificate it obtained.”

(2) Subsection 1 has effect from 21 March 2012.

572. (1) Section 6.7 of Schedule E to the Act is amended by replacing paragraph 2 by the following paragraph:

“(2) it is established to the Minister’s satisfaction that all or substantially all of the activities the corporation carried out consisted in a provision of services to clients with whom the corporation was dealing at arm’s length.”

(2) Subsection 1 applies to a taxation year that ends after 11 July 2014.

573. (1) Schedule E to the Act is amended by adding the following after section 7.8:

“CHAPTER VIII

“SECTORAL PARAMETERS OF FISCAL MEASURES RELATING TO CARRYING OUT OF A LARGE INVESTMENT PROJECT

“DIVISION I

“INTERPRETATION AND GENERAL

“8.1. In this chapter, unless the context indicates otherwise,

“start-up period” of an investment project means the 48-month period that begins on the date on which the qualification certificate referred to in the first paragraph of section 8.3 was issued to a corporation or a partnership in relation to the project;

“tax-free period” of a corporation or a partnership, in relation to an investment project, means the 10-year period that begins on the date specified for that purpose by the Minister in the first certificate referred to in the second paragraph of section 8.3 that is issued to the corporation or partnership in respect of the project;

“tax holiday relating to the carrying out of a large investment project” means any of the following fiscal measures from which a corporation holding a qualification certificate referred to in the first paragraph of section 8.3, a corporation that is a member of a partnership holding such a qualification certificate or, if the measure is the measure described in paragraph 2, any other person who is a member of such a partnership, may benefit:

(1) the fiscal measure provided for in Title VII.2.3.1 of Book IV of Part I of the Taxation Act, under which the corporation may deduct an amount in computing its taxable income for a taxation year; and

(2) the fiscal measure provided for in sections 33, 34, 34.1.0.3 and 34.1.0.4 of the Act respecting the Régie de l'assurance maladie du Québec, which allows the corporation or the other person to obtain a contribution exemption under subparagraph *d.1* of the seventh paragraph of section 34 of that Act.

“8.2. For the purposes of this Act and despite sections 1175.28.15 and 1175.28.17 of the Taxation Act, every person who is a member of a partnership holding the qualification certificate referred to in the first paragraph of section 8.3 is considered to be the person benefiting from or availing himself, herself or itself of the fiscal measure described in paragraph 2 of the definition of “tax holiday relating to the carrying out of a large investment project” in section 8.1, according to the agreed proportion in respect of the person for the fiscal period of the partnership that ends in the person’s taxation year for which the measure applies.

“8.3. To benefit from a tax holiday relating to the carrying out of a large investment project, in respect of an investment project, a corporation or, if it

claims the tax holiday as a member of a partnership, the partnership must obtain a qualification certificate in respect of the project (in this chapter referred to as an “initial qualification certificate”) from the Minister.

In addition, the corporation or partnership must, for that purpose, obtain a certificate in respect of the investment project (in this chapter referred to as an “annual certificate”) from the Minister. Such a certificate must be obtained, as applicable, for each taxation year in which the corporation intends to claim, in respect of the project, a tax holiday relating to the carrying out of a large investment project, or for each fiscal period of the partnership that ends in such a taxation year, provided that the year or fiscal period is included in whole or in part in the corporation’s or partnership’s tax-free period in relation to the project.

The documents referred to in the first and second paragraphs that are obtained by a partnership are also required in order for a person, other than a corporation, who is a member of the partnership to avail himself, herself or itself of the fiscal measure referred to in paragraph 2 of the definition of “tax holiday relating to the carrying out of a large investment project” in section 8.1.

Subject to subparagraph 4 of the first paragraph of section 8.4, the Minister may issue an initial qualification certificate in respect of an investment project only if the application for such a certificate was filed with the Minister in writing before the investment project began to be carried out and on or before 20 November 2015.

The corporation’s or partnership’s commitments in respect of an investment project are taken into account in determining the date on which the project began to be carried out. However, commitments related to market or feasibility studies are not sufficient in themselves to consider that the investment project has begun to be carried out.

An application for an annual certificate must be filed with the Minister within 15 months after the end of the taxation year or fiscal period for which it is made.

However, where the Minister considers that the circumstances so warrant, the Minister may grant such an application despite the expiry of that time limit, provided that the application is filed on or before the last day of the eighteenth month following the end of the taxation year or fiscal period concerned.

The Minister may not issue an annual certificate to a corporation or a partnership in respect of an investment project for a particular taxation year or fiscal period unless, at the time the annual certificate is to be issued, the initial qualification certificate that the corporation or partnership holds in respect of the project is still valid.

If, at a particular time, the Minister revokes the initial qualification certificate issued to a corporation or a partnership in respect of an investment project, any annual certificate issued to the corporation or partnership in respect of the

project for a taxation year or fiscal period that is subsequent to the given taxation year or fiscal period that includes the effective date of the revocation is deemed to be revoked by the Minister at that time. In such a case, the effective date of the deemed revocation is the date of coming into force of the certificate that is deemed to be revoked. The annual certificate issued in respect of the project for the given taxation year or fiscal period is also deemed to be revoked by the Minister at that time, except that the effective date of the deemed revocation is the date specified in the notice of revocation of the initial qualification certificate.

“8.4. If, at any given time in a particular taxation year or fiscal period, a corporation or partnership acquires from another corporation or partnership (in this section referred to as the “transferee” and the “transferor”, respectively) all or substantially all of the part that is carried on in Québec of the business in connection with which are carried on activities arising from the carrying out of an investment project that has been referred to in a first annual certificate and in respect of which the transferor holds a valid initial qualification certificate and, for the purposes of this chapter, the Minister agrees to the transfer of the carrying out of the investment project to the transferee, the following rules apply:

(1) the initial qualification certificate issued to the transferor is deemed to be revoked from that time;

(2) the annual certificate issued to the transferor in respect of the project for the particular year or fiscal period is also deemed to be revoked from that time;

(3) the first annual certificate issued or deemed, because of the application of this subparagraph, to have been issued to the transferor in respect of the project is, for the purposes of the definition of “tax-free period” in section 8.1 and of the first paragraph of section 8.10, deemed to have been issued to the transferee; and

(4) the Minister must issue an initial qualification certificate to the transferee in respect of the project, which comes into force at that time.

The Minister may agree to the transfer of the carrying out of the investment project to the transferee if the transferee undertakes to continue in Québec the carrying out of all or substantially all of the project as submitted to and approved by the Minister at the time of the transfer.

If the Minister issued a particular initial qualification certificate to a transferee under subparagraph 4 of the first paragraph in relation to the acquisition (in this paragraph referred to as the “particular acquisition”) by the transferee, at a given time, of all or substantially all of the part that is carried on in Québec of the particular business in connection with which activities arising from the carrying out of the investment project in respect of which that qualification certificate was issued are carried on and if, at a time subsequent to the given

time, the Minister revokes or is deemed, because of the application of this paragraph, to have revoked the initial qualification certificate that was issued to the transferor involved in the particular acquisition, in respect of the project, the particular qualification certificate is also deemed to have been revoked by the Minister at that subsequent time. The effective date of the deemed revocation is the date of coming into force of the particular qualification certificate.

“DIVISION II

“INITIAL QUALIFICATION CERTIFICATE

“**8.5.** An initial qualification certificate issued to a corporation or a partnership states that the investment project referred to in the certificate will likely be recognized as a large investment project.

Where the qualification certificate is issued under subparagraph 4 of the first paragraph of section 8.4, it also specifies that the Minister authorizes the transfer of the carrying out of the investment project to the corporation or partnership and states the date of the beginning of the tax-free period, in relation to the project, that is mentioned in the first annual certificate that was obtained in its respect and that is deemed to have been issued to the corporation or partnership under subparagraph 3 of the first paragraph of that section.

“**8.6.** The Minister issues an initial qualification certificate in respect of an investment project to a corporation or a partnership if

(1) the project is to be carried out after 20 November 2012 and the corporation or partnership shows, to the Minister’s satisfaction, that the activities arising from the project will be carried on in Québec;

(2) subject to the second paragraph, the project concerns activities in

(a) the manufacturing sector described under codes 31 to 33 of the North American Industry Classification System (NAICS)-Canada, as amended from time to time and published by Statistics Canada, which code is in this subparagraph 2 referred to as the “NAICS code”,

(b) the wholesale trade sector described under NAICS code 41,

(c) the warehousing and storage group described under NAICS code 4931,
or

(d) the data processing, hosting, and related services subsector described under NAICS code 518; and

(3) the corporation or partnership shows, to the Minister’s satisfaction, that it is likely that, as a result of the carrying out of the project, not later than the end of the start-up period of the project, the total capital investments attributable

to its carrying out, determined in accordance with section 8.7, will be at least \$200,000,000.

Mineral substance processing activities are excluded from the activities described in subparagraph 2 of the first paragraph.

Any mineral substance concentration activity, including any pelletization, as well as any activity involving the smelting, refining or hydrometallurgy of ore from a gold or silver mine is considered to be a mineral substance processing activity.

For the purposes of the third paragraph, “hydrometallurgy” means any processing of an ore or concentrate that produces a metal, metallic salt or metallic compound by carrying out a chemical reaction in an aqueous or organic solution.

“8.7. The total capital investments attributable to the carrying out of an investment project, at a particular time, correspond to the aggregate of the expenditures of a capital nature incurred, from the beginning of the carrying out of the investment project until that time, to obtain goods or services with a view to establishing, in Québec, the business or part of the business in connection with which activities arising from the carrying out of the project are carried on, or with a view to increasing or modernizing the production of such a business or part of a business.

However, in computing the total capital investments attributable to the carrying out of an investment project, the capital investments that are related to the purchase or use of land or the acquisition of a business already carried on in Québec are not taken into account.

“DIVISION III

“ANNUAL CERTIFICATE

“8.8. An annual certificate issued to a corporation or a partnership in respect of an investment project certifies that the corporation or partnership is continuing, in the taxation year or fiscal period, as the case may be, for which the application for the certificate is made, to carry out the investment project in respect of which an initial qualification certificate was issued to it. The certificate also confirms that the project is recognized for the year or fiscal period as a large investment project.

In the first annual certificate issued in respect of an investment project, the Minister specifies the date of the beginning of the corporation’s or partnership’s tax-free period in relation to the project. That date is the earlier of

(1) the date on which the corporation or partnership begins to carry on the business in connection with which activities arising from the carrying out of the project are carried on; and

(2) the date on which the total capital investments attributable to the carrying out of the project is, for the first time, at least \$200,000,000.

“8.9. An annual certificate in respect of an investment project may be issued, for a particular taxation year or fiscal period, to a corporation or a partnership, as the case may be, if,

(1) the activities arising from the project are carried on in Québec; and

(2) subject to the third paragraph, the total capital investments attributable to the carrying out of the project, at any time in the particular year or fiscal period, is at least \$200,000,000.

The Minister may not issue an annual certificate to a corporation or a partnership, in respect of an investment project, for a taxation year or fiscal period that is subsequent to the start-up period of the project unless a first annual certificate has been issued in respect of the project for a taxation year or fiscal period that is included in whole or in part in that period. In addition, the Minister may issue an annual certificate in respect of an investment project only for a taxation year or fiscal period that is included in whole or in part in the corporation’s or partnership’s tax-free period in relation to the project.

In addition, where a corporation’s taxation year or a partnership’s fiscal period is included only in part in the start-up period of an investment project, the first annual certificate, in relation to the investment project, may be issued for the year or fiscal period, as the case may be, only if the requirement of subparagraph 2 of the first paragraph is met for that part of the year or fiscal period. The same applies, where an annual certificate is to be issued for a taxation year or fiscal period that is included only in part in the corporation’s or partnership’s tax-free period, in relation to the investment project.

“8.10. If, at a particular time, the first annual certificate that was issued to a corporation or a partnership for a particular taxation year or fiscal period, as the case may be, in respect of an investment project is revoked by the Minister, the following rules apply:

(1) the certificate is deemed never to have been issued;

(2) the Minister may, for a taxation year or fiscal period that is subsequent to the particular year or fiscal period and that is included in whole or in part in the start-up period of the project, issue a first annual certificate to the corporation or partnership in respect of the project or amend an annual certificate that the Minister has already issued to it so that that certificate becomes the first annual certificate of the corporation or partnership if, for that subsequent year or fiscal period, the project meets the requirements of the first paragraph of section 8.9; and

(3) any other annual certificate issued to the corporation or partnership in respect of the project for any taxation year or fiscal period, unless subsequent

to the year or fiscal period for which a certificate referred to in subparagraph 2 was issued, if any, is deemed to be revoked by the Minister at that particular time.

The effective date of the deemed revocation under subparagraph 3 of the first paragraph is the date of coming into force of the annual certificate that is deemed to be revoked.”

(2) Subsection 1 has effect from 21 November 2012. However, when Chapter VIII of Schedule E to the Act applies in respect of an investment project described in subsection 3, it is to be read as if “\$200,000,000” were replaced by “\$300,000,000” in the following provisions:

(2) in respect of which an application for an initial qualification certificate has been made by a corporation or partnership before 8 October 2013 and whose carrying out began after 7 October 2013, unless the corporation or partnership applies with the Minister of Finance in writing on or before 21 November 2015 or, if it is earlier, on the date on which the corporation or partnership, as the case may be, files an application for a first annual certificate in respect of the investment project, to have the investment project referred to in subsection 2 not include the corporation’s or partnership’s investment project.

The aggregate of all amounts each of which is a contribution that, under subparagraph *d.1* of the seventh paragraph of section 34, is not payable by an employer for a taxation year or a fiscal period may not exceed the aggregate of all amounts each of which is a contribution exemption amount of the employer for the taxation year or for the fiscal period, as the case may be, in respect of a large investment project of the employer that is referred to in that subparagraph *d.1*.

For the purposes of this section, an employer’s contribution exemption amount for a taxation year or a fiscal period, as the case may be, in respect of a large investment project of the employer is equal to the lesser of

(a) the balance of the employer’s tax assistance limit, for the taxation year or fiscal period, in respect of the large investment project; and

(b) the aggregate of all amounts each of which is, for the taxation year or fiscal period, a contribution that would not be payable by the employer in respect of wages paid or deemed to be paid to an employee, in relation to part of the employee’s working time devoted to eligible activities of the employer, in relation to the project, if subparagraph *d.1* of the seventh paragraph of section 34 were applied without reference to this section.

The balance of an employer’s tax assistance limit, for a particular taxation year or fiscal period, in respect of a large investment project of the employer, is equal to

(a) where the employer is a corporation, the amount by which the employer’s tax assistance limit, in relation to the large investment project, determined in accordance with section 737.18.17.8 of the Taxation Act (chapter I-3), exceeds the aggregate of

i. the aggregate of all amounts each of which is, for the particular taxation year or a preceding taxation year, in relation to the large investment project, equal to the amount determined by the formula

$$A \times B \times C,$$

ii. the aggregate of all amounts each of which is the employer’s contribution exemption amount, for a preceding taxation year, in respect of the large investment project, and

iii. where, at any time in the particular taxation year, the employer transfers its recognized business in relation to the large investment project to another corporation or a partnership, the amount that was transferred to the other corporation or the partnership pursuant to the agreement referred to in section 737.18.17.12 of the Taxation Act in respect of the transfer; or

(b) where the employer is a partnership, the amount by which the employer's tax assistance limit, in relation to the large investment project, determined in accordance with section 34.1.0.4, exceeds the aggregate of

i. the aggregate of all amounts each of which is the employer's contribution exemption amount, for a preceding fiscal period, in respect of the large investment project,

ii. the aggregate of all amounts each of which is an amount agreed on, in respect of the particular fiscal period or a preceding fiscal period, in relation to the large investment project, pursuant to an agreement referred to in section 737.18.17.10 of the Taxation Act, and

iii. where, at any time in the particular fiscal period, the employer transfers its recognized business in relation to the large investment project to a corporation or another partnership, the amount that was transferred to the corporation or the other partnership pursuant to the agreement referred to in section 737.18.17.12 of the Taxation Act in respect of the transfer.

In the formula in subparagraph i of subparagraph *a* of the third paragraph,

(a) *A* is 1, unless the employer has an establishment situated outside Québec for the taxation year, in which case it is the proportion that the employer's business carried on in Québec is of the aggregate of the employer's business carried on in Canada or in Québec and elsewhere, as determined under subsection 2 of section 771 of the Taxation Act for the year;

(b) *B* is, subject to the sixth paragraph, the aggregate of

i. 8% of the amount by which the amount that would be determined in respect of the employer for the year under section 771.2.1.2 of the Taxation Act if no reference were made to section 771.2.5.1 of that Act and if, for the purposes of paragraph *b* of section 771.2.1.2 of that Act, the employer's taxable income for the year, for the purposes of Part I of that Act, were computed without reference to section 737.18.17.5 of that Act, exceeds the amount determined in respect of the employer for the year under section 771.2.1.2 of that Act, and

ii. 11.9% of the amount by which the amount that is deducted in computing the employer's taxable income for the year under section 737.18.17.5 of the Taxation Act exceeds the excess amount determined under subparagraph i; and

(c) *C* is the proportion that the employer's tax exemption amount for the year in respect of the large investment project, determined in accordance with the second paragraph of section 737.18.17.6 of the Taxation Act, is of the aggregate of all amounts each of which is such a tax exemption amount of the employer for the year in respect of a large investment project of the employer, or of a partnership of which the employer is a member, that is referred to in the first paragraph of section 737.18.17.5 of that Act for the year.

For the purpose of determining the amount referred to in subparagraph i of subparagraph *a* of the third paragraph for any taxation year for which section 733.0.5.1 of the Taxation Act applies to the employer, subparagraph *b* of the fourth paragraph is to be read as if

(*a*) the amount that is deducted in computing the employer's taxable income for the year under section 737.18.17.5 of that Act were increased by the amount by which the employer's non-capital loss for the year exceeds the amount that would be that loss if it were determined without reference to section 733.0.5.1 of that Act; and

(*b*) the employer's taxable income for the year, for the purposes of Part I of that Act, determined without reference to section 737.18.17.5 of that Act, were equal to the amount that, but for section 737.18.17.6 of that Act, would be determined in respect of the employer for the year under section 737.18.17.5 of that Act.

In the case where the employer is a manufacturing corporation, within the meaning assigned by the first paragraph of section 771.1 of the Taxation Act, to which paragraph *d.3* of subsection 1 of section 771 of that Act applies for the taxation year, the reference to "8%" in subparagraph i of subparagraph *b* of the fourth paragraph is to be read

(*a*) as a reference to "4%", where subparagraph ii of subparagraph *a* of the first paragraph of section 771.0.2.5 of the Taxation Act applies to the employer;

(*b*) as a reference to the percentage determined by the following formula, where subparagraph i of subparagraph *a* of the first paragraph of section 771.0.2.5 of the Taxation Act applies to the employer:

$8\% - (D + E)$; and

(*c*) as a reference to the amount by which 8% exceeds the aggregate of the following percentages, where subparagraph *b* of the first paragraph of section 771.0.2.5 of the Taxation Act applies to the employer:

i. the percentage determined by the formula

$D \times (F - 25\%) / 25\%$, and

ii. the percentage determined by the formula

$(A/B) - 1$.

In the formula in the first paragraph,

“51.0.2. Where, in a year subsequent to the year 2012, a deduction at source has been made under this Act or a similar plan from the salary and wages of an employee who is resident outside Québec at the end of 31 December of the year or, if the employee died in the year, on the date of the employee’s death, the provisions of the similar plan apply to determine whether the employee is deemed to have made an overpayment for the year.”

729. Section 405 of the Act is repealed.

730. (1) The Act is amended by inserting the following before Chapter VIII of Title I:

“DIVISION III

“MANAGER OF AN INVESTMENT PLAN

“**406.1.** For the purposes of this division, “investment plan” and “manager” have the meaning assigned by section 433.15.1.

“**406.2.** If an investment plan that is a selected listed financial institution and the manager of the investment plan have made a joint election referred to in the first or second paragraph of section 433.22 and that election is in effect in a particular reporting period of the manager for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15), the manager shall file a return with the Minister within the time the manager is required to file a return in accordance with section 238 of that Act for the particular reporting period, specifying the amount described in the second paragraph, if, throughout the particular reporting period, the manager

(1) is not registered under Division I of Chapter VIII and is not required to be; and

(2) is not a selected listed financial institution.

The amount referred to in the first paragraph is the negative amount that the investment plan could otherwise have deducted in determining its net tax under section 433.16 or 433.16.2 for a reporting period of the investment plan, if the manager has paid or credited the negative amount to the investment plan, or the positive amount that the investment plan would otherwise have been required

to include in determining its net tax under either of those sections for the investment plan's reporting period, if the negative or positive amount were determined on the basis of the following assumptions:

(1) the beginning of the investment plan's reporting period coincided with the later of the beginning of the manager's particular reporting period for the purposes of Part IX of the Excise Tax Act and the day in the manager's particular reporting period on which the election referred to in the first or second paragraph of section 433.22, as the case may be, between the investment plan and the manager becomes effective;

(2) the end of the investment plan's reporting period coincided with the earlier of the end of the manager's particular reporting period for the purposes of Part IX of the Excise Tax Act and the day in the manager's particular reporting period on which the election referred to in the first or second paragraph of section 433.22, as the case may be, between the investment plan and the manager ceases to have effect;

(3) subparagraphs 1 and 2 of the third paragraph of section 433.22 did not apply in respect of the investment plan's reporting period; and

(4) if, at any time in the investment plan's reporting period, no election referred to in the first or second paragraph of section 470.2, as the case may be, is in effect between the investment plan and the manager, an amount of tax that became payable by the investment plan at that time, or that was paid by the investment plan at that time without having become payable, is included in determining the negative or positive amount only if the amount of tax is attributable to a supply made by the manager to the investment plan.

“406.3. If the amount described in the second paragraph of section 406.2 in relation to a return provided for in that section is positive, the manager shall pay that amount to the Minister on or before the day on which the manager is required to file the return.

If the amount described in the second paragraph of section 406.2 in relation to a return provided for in that section is negative, the manager may apply to the Minister for a rebate of that amount on or before the day on which the manager is required to file the return.

The investment plan and the manager are solidarily liable for any amount owing under this section and for any interest or penalties in respect of such an amount.

“406.4. The return provided for in this division must be made in the prescribed form containing prescribed information and be filed with the Minister in the manner determined by the Minister.”

(2) Subsection 1 has effect from 1 January 2013. However, where section 406.2 of the Act applies in relation to a particular reporting period of

the manager for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) that includes 1 January 2013 but that began before that date, that section 406.2 is to be read as if subparagraph 1 of its second paragraph were replaced by the following subparagraph:

“(1) the beginning of the investment plan’s reporting period coincided with the latest of

(a) the beginning of the manager’s particular reporting period for the purposes of Part IX of the Excise Tax Act,

(b) the day in the manager’s particular reporting period for the purposes of Part IX of the Excise Tax Act on which the election referred to in the first or second paragraph of section 433.22, as the case may be, between the investment plan and the manager becomes effective, and

(c) 1 January 2013;”.

(3) However, where an investment plan’s manager has filed with the Minister a particular return before 21 October 2015, except where the particular return was filed in accordance with section 406.2 of the Act, enacted by subsection 1,

(1) section 406.2 of the Act is, in respect of that particular return relating to a particular reporting period of the investment plan and of any previous reporting period of the investment plan, to be read as follows:

“**406.2.** If an investment plan that is a selected listed financial institution and the manager of the investment plan have made a joint election referred to in the first or second paragraph of section 433.22, the manager shall file a return with the Minister in respect of a particular reporting period of the investment plan on the day on or before which the investment plan is required, or would be required in the absence of section 470.2, to file a return in accordance with section 470.1 for the particular reporting period, specifying the amount described in the second paragraph, if the manager

(1) is not registered under Division I of Chapter VIII and is not required to be; and

(2) is not a selected listed financial institution.

The amount referred to in the first paragraph is the negative amount that the investment plan could otherwise have deducted in determining its net tax under section 433.16 or 433.16.2 for the investment plan’s particular reporting period, if the manager has paid or credited the negative amount to the investment plan, or the positive amount that the investment plan would otherwise have been required to include in determining its net tax under either of those sections for the particular reporting period, if the negative or positive amount were determined on the basis of the following assumptions:

(1) the beginning of the investment plan's particular reporting period coincided with the day on which the election referred to in the first or second paragraph of section 433.22, as the case may be, between the investment plan and the manager becomes effective, if that day is later than the first day of the particular reporting period;

(2) the end of the investment plan's particular reporting period coincided with the day on which the election referred to in the first or second paragraph of section 433.22, as the case may be, between the investment plan and the manager ceases to have effect, if that day is earlier than the last day of the particular reporting period;

(3) subparagraphs 1 and 2 of the third paragraph of section 433.22 did not apply in respect of the particular reporting period; and

(4) if, at any time in the particular reporting period, no election referred to in the first or second paragraph of section 470.2, as the case may be, is in effect between the investment plan and the manager, an amount of tax that became payable by the investment plan at that time, or that was paid by the investment plan at that time without having become payable, is included in determining the negative or positive amount only if the amount of tax is attributable to a supply made by the manager to the investment plan.”;

(2) section 406.2 of the Act, enacted by subsection 1, applies only in respect of a return relating to a particular reporting period of the manager for the purposes of Part IX of the Excise Tax Act that begins after the end of the investment plan's last reporting period in respect of which a return is required to be filed in accordance with section 406.2 of the Act respecting the Québec sales tax, enacted by paragraph 1; and

(3) in respect of the first return required to be filed by the manager under paragraph 2, the amount determined under the second paragraph of section 406.2 of the Act, enacted by subsection 1, is deemed to be the positive or negative amount obtained by the formula

A + B.

(4) For the purposes of the formula in paragraph 3 of subsection 3,

(1) A is the particular amount that is determined under the second paragraph of section 406.2 of the Act, enacted by subsection 1; and

(2) B is the portion of the particular amount that would be determined under the second paragraph of section 406.2 of the Act, enacted by subsection 1, in respect of the manager's particular reporting period for the purposes of Part IX of the Excise Tax Act that includes the last day of the investment plan's last reporting period in respect of which a return is required to be filed under section 406.2 of the Act respecting the Québec sales tax, enacted by paragraph 1 of subsection 3, if section 406.2 of the Act, enacted by subsection 1, applied in respect of the manager's particular reporting period, and that may reasonably

be considered not to have been taken into account in computing the amount determined under the second paragraph of section 406.2 of the Act, enacted by paragraph 1 of subsection 3, in respect of the investment plan's last reporting period.

(5) A return that would otherwise be required to be filed before 21 November 2015 under section 406.2 of the Act, enacted by subsection 1, is deemed to have been filed with the Minister within the time referred to in the first paragraph of that section 406.2 if it is filed with the Minister on or before 21 November 2015.

(6) A positive amount that would be payable to the Minister before 21 November 2015 under section 406.3 of the Act and the rebate of a negative amount that may be applied for to the Minister before that date under that section 406.3, where that amount is determined in accordance with section 406.2 of the Act, enacted by subsection 1, is deemed to have been paid or applied for, as the case may be, to the Minister within the time referred to in the first paragraph of that section 406.2 if it is paid or applied for, as the case may be, on or before 21 November 2015.

(7) A return filed before 21 October 2015 under section 406.2 of the Act, enacted by paragraph 1 of subsection 3, is deemed to have been filed with the Minister within the time referred to in the first paragraph of that section 406.2.

(8) A positive amount that would be payable to the Minister before 21 October 2015 under section 406.3 of the Act and the rebate of a negative amount that may be applied for to the Minister before that date under that section 406.3, where that amount is determined in accordance with section 406.2 of the Act, enacted by paragraph 1 of subsection 3, is deemed to have been paid or applied for, as the case may be, to the Minister within the time referred to in the first paragraph of that section 406.2 if it is paid or applied for, as the case may be, on or before 21 October 2015.

731. (1) Section 407.6 of the Act is replaced by the following section:

“407.6. Despite section 407, a selected listed financial institution is required to be registered if

(1) the financial institution is a registrant under Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15);

(2) the financial institution has made an election under the first paragraph of section 433.22 or 470.2 that comes into effect on a particular day and no election under the first paragraph of section 470.5 is in effect on the particular day; or

(3) the financial institution revokes an election made under the first paragraph of section 470.5, or withdraws from such an election, as of a particular day, in

accordance with section 470.6 or 470.7 and an election under the first paragraph of section 433.22 or 470.2 is in effect on the particular day.”

(2) Subsection 1 has effect from 1 January 2013.

732. (1) The Act is amended by inserting the following section after section 407.6:

“**407.6.1.** The following rules apply in respect of a group described in the second paragraph:

- (1) the group is required to be registered;
- (2) each member of the group is deemed to be a registrant; and
- (3) despite sections 407 to 407.6, no member of the group is required to be separately registered.

For the purposes of the first paragraph, a group is made up of the selected listed financial institutions that have, jointly with their manager, made an election referred to in the first or third paragraph of section 470.5.

Where a selected listed financial institution becomes, on a particular day, a member of an existing group that is registered or required to be registered, the following rules apply:

- (1) the financial institution is deemed to be a registrant as of the particular day; and
- (2) despite sections 407 to 407.6, the financial institution is not required to be separately registered as of the particular day.

In this division, “manager” has the meaning assigned by section 433.15.1.”

(2) Subsection 1 has effect from 1 January 2013.

Where a particular provision of this subdivision III, or of the regulations made under it, refers, in respect of a financial institution that is a selected listed financial institution throughout a reporting period in a fiscal year and that is also a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) throughout the reporting period, to the value of an element in a formula in the Excise Tax Act or a regulation made under that Act, or to the value such an

element would have, in respect of the financial institution as regards Québec, if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act, that value is to be determined with reference to any election, authorization or agreement that is in effect for the reporting period for the purposes of the Excise Tax Act or a regulation made under that Act.

“433.15.10. Where a provision of this subdivision III, or of the regulations made under it, refers, in respect of an investment plan, to the percentage applicable to the investment plan that would be determined as regards Québec under subsection 2 of section 225.2 of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) or Parts 2 and 5 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under that Act if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act, or to a value that requires that that percentage be determined, the following rules apply:

(1) where the investment plan is a selected listed financial institution for the purposes of Part IX of the Excise Tax Act throughout a reporting period in a particular fiscal year, Québec is deemed not to be the participating province having the highest tax rate on the first day of the particular fiscal year; and

(2) where the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act throughout a reporting period in a particular fiscal year, Québec is deemed to be the participating province having the highest tax rate on the first day of the particular fiscal year.

“433.15.11. For the purposes of this subdivision III and the regulations made under it, if a financial institution that is a selected listed financial institution throughout a particular reporting period in a fiscal year is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) throughout the particular period and one or more parts of the business of the financial institution for the particular period consist of operations normally conducted by any of the types of financial institutions described in any of sections 24 to 26 and 29 to 38 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under that Act, the financial institution and the Minister may agree that the percentage applicable to the financial institution as regards Québec for the particular period that would be determined under subsection 2 of section 225.2 of that Act, or Parts 2 and 5 of those Regulations, if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act, be determined as provided for in section 39 of those Regulations.

The first paragraph does not apply in respect of a financial institution described in any of sections 24 to 26 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations.

“433.15.12. For the purposes of this subdivision III and the regulations made under it, if a particular fiscal year would be, in the absence of this section, the first fiscal year of an investment plan, the following rules apply:

(1) the investment plan is deemed to have both another fiscal year that immediately precedes the particular fiscal year, and another taxation year that immediately precedes the taxation year in which the particular fiscal year ends; and

(2) the other fiscal year referred to in paragraph 1 is deemed to end in the other taxation year referred to in that paragraph.

“433.15.13. For the purposes of this subdivision III and the regulations made under it, if an investment plan results from a plan merger, within the meaning of subsection 1 of section 16 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15), and it is a selected listed financial institution immediately after the merger, the fiscal year of the investment plan that precedes the fiscal year that includes the day on which the merger occurs and the fiscal year that includes that day are each deemed to end in a different taxation year of the investment plan and both of those taxation years are deemed to follow each other in the same order as the corresponding fiscal years.”

(2) Subsection 1 has effect from 1 January 2013. However,

(1) in determining if a financial institution is a selected listed financial institution throughout a reporting period in a fiscal year that ends in a taxation year of the financial institution that begins before 8 May 2013, the definition of “permanent establishment” in the first paragraph of section 433.15.1 of the Act is to be read

(a) as if “other than an investment plan,” in paragraph 2 were struck out; and

(b) without reference to paragraph 3;

(2) in determining if a financial institution is a qualifying small investment plan throughout a particular fiscal year that begins before 8 May 2013, subsection 1 of section 7 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15), to which subparagraphs 1 and 3 of the third paragraph of section 433.15.1 of the Act respecting the Québec sales tax refer, is to be read without reference to paragraph *c* of the description of A in the formula and paragraphs *b* and *c* of the description of B in the formula, where the financial institution does not meet the condition of paragraph *a* of section 9 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations during its taxation year in which the particular fiscal year ends, and it elects to have section 7 of those Regulations read as if an election had been made under paragraph *c* of section 20 of the Regulations Amending Various GST/HST Regulations, No. 4 (SOR/2013-71);

(3) subparagraph *a* of subparagraph 5 of the first paragraph of section 433.15.2 of the Act is to be read, for a reporting period that begins before 8 May 2013 and is included in a particular fiscal year, as if “taxation year that precedes the particular taxation year” were replaced by “particular taxation year”, where

(a) the financial institution made an election under paragraph *d* of section 20 of the Regulations Amending Various GST/HST Regulations, No. 4; or

(b) if the financial institution does not meet the condition of paragraph *a* of section 9 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations during its taxation year in which the particular fiscal year ends, it elects to have this paragraph 3 apply; and

(4) when the first paragraph of section 433.15.5 of the Act applies before 8 May 2013, it is to be read as if “if the conditions of subparagraph 5 of the first paragraph of section 433.15.2 are not met in respect of a reporting period in the fiscal year,” were struck out.

749. (1) The Act is amended by inserting the following heading before section 433.16:

“3. — *Special attribution method*”.

(2) Subsection 1 has effect from 1 January 2013.

750. (1) Section 433.16 of the Act is amended

(1) by replacing the portion of the first paragraph before the formula by the following:

“**433.16.** In determining the net tax for a particular reporting period in a fiscal year that ends in a taxation year of a selected listed financial institution of a prescribed class that is neither a non-stratified investment plan referred to in the fifth paragraph of section 433.16.2 nor a stratified investment plan, the financial institution shall add the positive amount or deduct the negative amount determined by the formula”;

(2) by replacing subparagraph 3 of the second paragraph by the following subparagraph:

“(3) C is

(a) where the financial institution is an investment plan and no election under section 433.19.4 or under section 50 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act is in effect throughout the fiscal year, the percentage corresponding to the value C would have in the formula in subsection 2 of section 225.2 of the Excise Tax Act, determined for the preceding taxation year, for the financial

institution as regards Québec, if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act, and

(b) in any other case, the percentage corresponding to the value C would have in the formula in subsection 2 of section 225.2 of the Excise Tax Act, determined for the taxation year, for the financial institution as regards Québec, if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act;”;

(3) by replacing subparagraphs *a* and *b* of subparagraph 6 of the second paragraph by the following subparagraphs:

“(a) the aggregate of all amounts each of which is the tax (other than a prescribed amount of tax) under the first paragraph of section 16 in respect of supplies made to the financial institution, or under the first paragraph of section 17 in respect of corporeal property brought into Québec from outside Canada by the financial institution, that

i. became payable, or was paid without having become payable, by the financial institution during the particular reporting period or any of the reporting periods described in the fourth paragraph,

ii. was not included in determining the positive or negative amounts that the financial institution is required to add, or may deduct, under this section or section 433.16.2 in determining its net tax for any reporting period other than the particular reporting period, and

iii. is claimed by the financial institution in a return under Division IV filed by the financial institution for the particular reporting period, and”;

“(b) where the financial institution and another person have made an election under subsection 4 of section 225.2 of the Excise Tax Act, or under section 433.17, in respect of a supply made during the particular reporting period of property or a service, the aggregate of all amounts each of which is an amount equal to the tax payable by the other person under the first paragraph of section 16, the first paragraph of section 17, or section 18 or 18.0.1 that is included in the cost to the other person of supplying the property or service to the financial institution; and”;

(4) by adding the following paragraphs after the second paragraph:

“A selected listed financial institution that is a non-stratified investment plan throughout a particular reporting period in a particular fiscal year may elect in the prescribed form containing prescribed information that the value of A, described in subparagraph 1 of the second paragraph, be determined for the particular reporting period as if an election under section 60 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations were in effect, if

(1) the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act throughout the particular reporting period;

(2) units of the investment plan are issued, distributed or offered for sale in the particular fiscal year and immediately before the issuance, distribution or offering for sale no units of the investment plan are issued and outstanding; and

(3) no election under section 433.19.1 or 433.19.10 is in effect in respect of the investment plan and the particular fiscal year.

A reporting period to which subparagraph *i* of subparagraph *a* of subparagraph 6 of the second paragraph applies, in relation to a particular reporting period, is any reporting period that precedes the particular reporting period, provided that the particular reporting period ends within two years after the end of the financial institution's fiscal year that includes the preceding reporting period and the financial institution was a selected listed financial institution throughout the preceding reporting period."

(2) Subsection 1 applies in respect of a reporting period that ends after 31 December 2012.

(3) However, for the purposes of subparagraph *b* of subparagraph 3 of the second paragraph of section 433.16 of the Act in relation to a reporting period that begins before 8 May 2013, a financial institution that is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) throughout the reporting period may elect that the value C would have in the formula in subsection 2 of section 225.2 of the Excise Tax Act be determined as if an election had been made under paragraph *g* of section 20 of the Regulations Amending Various GST/HST Regulations, No. 4 (SOR/2013-71).

751. (1) The Act is amended by inserting the following sections after section 433.16:

"433.16.1. A selected listed financial institution that is a non-stratified investment plan throughout a particular reporting period in a particular fiscal year may elect in the prescribed form containing prescribed information that the value of C in the formula in the first paragraph of section 433.16 be determined as if an election under subclause I of clause B of subparagraph *ii* of paragraph *d* of section 59 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) had been made, if

(1) the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act throughout the particular reporting period;

(2) units of the investment plan are issued, distributed or offered for sale in the particular fiscal year and immediately before the issuance, distribution or offering for sale no units of the investment plan are issued and outstanding;

(3) no election under the third paragraph of section 433.16 or under section 433.19.1 or 433.19.10 is in effect in respect of the investment plan and the particular fiscal year;

(4) the reconciliation day, within the meaning of subparagraph ii of paragraph *a* of section 59 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations, is not included in the particular fiscal year; and

(5) no election under section 433.19.4 is in effect throughout the particular fiscal year.

A selected listed financial institution that is a non-stratified investment plan (other than an exchange-traded fund) throughout a particular reporting period in a particular fiscal year may elect in the prescribed form containing prescribed information that the value of C in the formula in the first paragraph of section 433.16 be determined as if an election under paragraph *b* of section 60.1 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations had been made, if

(1) the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act throughout the particular reporting period;

(2) units of the investment plan are issued, distributed or offered for sale in the particular fiscal year and immediately before the issuance, distribution or offering for sale no units of the investment plan are issued and outstanding;

(3) the fifth paragraph of section 433.16.2 does not apply to the investment plan for the particular reporting period; and

(4) paragraph *d* of section 59 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations would not be applicable to the investment plan if Québec were a participating province within the meaning of subsection 1 of section 123 of the Excise Tax Act.

“433.16.2. A selected listed financial institution that is a stratified investment plan or a non-stratified investment plan referred to in the fifth paragraph shall, in determining its net tax for a particular reporting period in a fiscal year that ends in its taxation year, add the positive amount or deduct the negative amount, as the case may be, determined by the formula

$$[A \times (B/C)] - D + E.$$

For the purposes of the formula in the first paragraph,

(1) A is

(a) where the financial institution is a stratified investment plan, the value A would have in the formula in subsection 1 of section 48 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15), determined for the particular reporting period, for the financial institution as regards Québec, if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act, and

(b) where the financial institution is a non-stratified investment plan, the value A would have in the formula in subsection 2 of section 48 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations, determined for the particular reporting period, for the financial institution as regards Québec, if Québec were a participating province within the meaning of subsection 1 of section 123 of the Excise Tax Act;

(2) B is the tax rate specified in the first paragraph of section 16;

(3) C is the tax rate specified in subsection 1 of section 165 of the Excise Tax Act;

(4) D is the total of

(a) the aggregate of all amounts each of which is the tax (other than a prescribed amount of tax) under the first paragraph of section 16 in respect of supplies made to the financial institution or under the first paragraph of section 17 in respect of corporeal property brought into Québec from outside Canada, that

i. became payable by the financial institution, or was paid by the financial institution without having become payable, during the particular reporting period or any of the reporting periods described in the fourth paragraph,

ii. was not included in determining the positive or negative amounts that the financial institution shall add, or may deduct, under this section or section 433.16 in determining its net tax for a reporting period other than the particular reporting period, and

iii. is specified by the financial institution in a statement it files under Division IV for the particular reporting period, and

(b) where the financial institution and another person made an election under subsection 4 of section 225.2 of the Excise Tax Act or under section 433.17, in respect of a supply of property or a service made in the particular reporting period, the aggregate of all amounts each of which is an amount equal to the tax payable by the other person under the first paragraph of section 16, the first paragraph of section 17, or section 18 or 18.0.1 that is included in the cost to the other person of supplying the property or service to the financial institution; and

(5) E is the total of all amounts each of which is a positive or negative prescribed amount.

A selected listed financial institution that is a stratified investment plan throughout a particular reporting period in a particular fiscal year may elect in the prescribed form containing prescribed information, in respect of a series of the stratified investment plan, that the value of A, described in subparagraph 1 of the second paragraph, be determined for the particular reporting period as if an election under section 63 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations, in respect of the series, were in effect, if

(1) the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act throughout the particular reporting period;

(2) units of the series are issued, distributed or offered for sale in the particular fiscal year and immediately before the issuance, distribution or offering for sale no units of the series are issued and outstanding; and

(3) no election under section 433.19.1 or 433.19.11 is in effect in respect of the series and the particular fiscal year.

For the purposes of subparagraph *i* of subparagraph *a* of subparagraph 4 of the second paragraph, a reporting period to which this paragraph applies is, in respect of a particular reporting period, a reporting period preceding the particular reporting period provided that the particular reporting period ends no later than two years after the end of the fiscal year of the financial institution that includes the preceding reporting period and the financial institution has been a selected listed financial institution throughout the preceding reporting period.

If a selected listed financial institution is a non-stratified investment plan, this section applies, in respect of a particular reporting period, only if an election under section 49 or 61 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations or under section 433.19.1 or 433.19.10 is in effect throughout the particular reporting period.

“433.16.3. A selected listed financial institution that is a stratified investment plan throughout a particular reporting period in a particular fiscal year may elect, in respect of a series of the stratified investment plan (other than an exchange-traded series), in the prescribed form containing prescribed information that the value of A in the formula in the first paragraph of section 433.16.2 be determined as if an election under paragraph *b* of section 63.1 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) had been made, in respect of the series, if

(1) the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act throughout the particular reporting period;

(2) units of the series are issued, distributed or offered for sale in the particular fiscal year and immediately before the issuance, distribution or offering for sale no units of the series are issued and outstanding;

(3) no election under section 433.19.1 or 433.19.11 is in effect in respect of the series and the particular fiscal year; and

(4) paragraph *d* of section 62 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations would not be applicable to the series if Québec were a participating province within the meaning of subsection 1 of section 123 of the Excise Tax Act.”

(2) Subsection 1 has effect from 1 January 2013. However, when section 433.16.2 of the Act applies in respect of a particular reporting period of a person that immediately follows the reporting period that is deemed to end on 31 December 2012 under the second paragraph of section 458.8 of the Act, subparagraphs *a* and *b* of subparagraph 1 of the second paragraph of section 433.16.2 of the Act are to be read as follows:

“(a) where the financial institution is a stratified investment plan, the product obtained by multiplying the value A would have in the formula in subsection 1 of section 48 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15), determined as regards Québec for the reporting period of the financial institution for the purposes of Part IX of that Act that includes 1 January 2013, if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act, by the proportion that the number of days in the particular reporting period is of the number of days in the reporting period of the financial institution for the purposes of Part IX of that Act that includes 1 January 2013, and

“(b) where the financial institution is a non-stratified investment plan, the product obtained by multiplying the value A would have in the formula in subsection 2 of section 48 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations, determined as regards Québec for the reporting period of the financial institution for the purposes of Part IX of the Excise Tax Act that includes 1 January 2013, if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act, by the proportion that the number of days in the particular reporting period is of the number of days in the reporting period of the financial institution for the purposes of Part IX of that Act that includes 1 January 2013;”.

752. (1) Section 433.17 of the Act is replaced by the following section:

“433.17. Where a selected listed financial institution is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) and the financial institution and a person, other than a prescribed person or a person of a prescribed class, have made the joint election required under section 297.0.2.1, the financial institution and the person may make a joint election to have the value of A in the formula in the first paragraph of section 433.16 or 433.16.2 determined as if an election under subsection 4 of section 225.2 of the Excise Tax Act were in effect and applied to every supply referred to in section 297.0.2.1 that is made by the person to the financial institution at a time when the election made under this section is in effect.”

(2) Subsection 1 has effect from 1 January 2013.

753. (1) The Act is amended by inserting the following sections after section 433.19:

“433.19.1. If a selected listed financial institution is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) and it is an investment plan, it may,

(1) where the financial institution is a stratified investment plan (other than a mortgage investment corporation), elect, in respect of a series of the investment plan (other than an exchange-traded series), that the value of A in the formula in the first paragraph of section 433.16.2 for a reporting period in a fiscal year in which the election is in effect be determined as if an election under section 49 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act in respect of the series were in effect throughout the reporting period; or

(2) where the financial institution is a non-stratified investment plan (other than an exchange-traded fund or a mortgage investment corporation), elect that the value of A in the formula in the first paragraph of section 433.16.2 for a reporting period in a fiscal year in which the election is in effect be determined as if an election under section 49 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations were in effect throughout the reporting period.

An election under the first paragraph is not to become effective if

(1) on the day on which the election is otherwise to become effective, an election made by the financial institution under section 433.19.7 or 433.19.11 in respect of the series, in the case of a stratified investment plan, or under section 433.19.7 or 433.19.10 in respect of the investment plan, in the case of a non-stratified investment plan, is in effect;

(2) on the day on which the election is otherwise to become effective, an election made by the financial institution under section 433.19.4 is in effect; or

(3) on 30 September immediately preceding the day on which the election is otherwise to become effective, less than 90% of the total value of the units of the series or of the investment plan, as the case may be, is held by individuals or specified investors in the investment plan.

“433.19.2. An election under section 433.19.1 is to

- (1) be made in the prescribed form containing prescribed information;
- (2) set out the first fiscal year of the financial institution in which it is to be in effect; and
- (3) specify whether the investment plan’s percentages, or the investment plan’s percentages for the series of the investment plan to which the election relates, which are used in determining the value of A in the formula in the first paragraph of section 433.16.2, are to be determined on a daily basis, a weekly basis, a monthly basis or a quarterly basis.

If an election under section 433.19.1 ceases to have effect on a particular day, any subsequent election under that section is not a valid election unless the first day of the fiscal year set out in the subsequent election is a day that is at least three years after the particular day.

“433.19.3. An election made under section 433.19.1 by a person becomes effective on the first day of the person’s fiscal year that is set out in the election and ceases to have effect on the earliest of

- (1) where, in a particular fiscal year of the person, more than 10% of the total value either of the units of the series in respect of which the election is in effect, if the person is a stratified investment plan, or of the units of the investment plan, if the person is a non-stratified investment plan, is held by persons other than individuals or specified investors in the investment plan for the particular fiscal year, the first day immediately following the particular fiscal year;
- (2) the first day of the person’s fiscal year in which the person either ceases to be an investment plan or a selected listed financial institution or becomes a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) or a mortgage investment corporation;
- (3) where the person is a stratified investment plan, the first day of the person’s fiscal year in which the series in respect of which the election is in effect becomes an exchange-traded series, or where the person is a non-stratified investment plan, the first day of the person’s fiscal year in which the person becomes an exchange-traded fund; and
- (4) the day on which a revocation of the election becomes effective.

A person that has made an election under section 433.19.1 may revoke the election by filing a notice of revocation with the Minister in the prescribed form containing prescribed information, and the revocation becomes effective on the first day of a particular fiscal year of the person that begins at least three years after the election became effective.

“433.19.4. If a selected listed financial institution is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) and it is an investment plan, it may,

(1) where the financial institution is a stratified investment plan, elect that the value of A in the formula in the first paragraph of section 433.16.2 for a reporting period in a fiscal year in which the election is in effect be determined as if an election under section 50 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act were in effect throughout the reporting period; or

(2) where the financial institution is an investment plan that is neither a non-stratified investment plan referred to in the fifth paragraph of section 433.16.2 nor a stratified investment plan, elect that the value of C in the formula in the first paragraph of section 433.16 for a reporting period in the fiscal year in which the election is in effect be determined as if an election under section 50 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations were in effect throughout the reporting period.

An election made under the first paragraph is not to become effective if, on the day on which the election is otherwise to become effective, an election made by the financial institution under section 433.19.1 or 433.19.11 in respect of a series, in the case of a stratified investment plan, or under section 433.19.1 or 433.19.10 in respect of the investment plan, in the case of a non-stratified investment plan, is in effect.

“433.19.5. An election under section 433.19.4 is to

(1) be made in the prescribed form containing prescribed information; and

(2) set out the first fiscal year of the financial institution in which the election is to be in effect.

If an election under section 433.19.4 ceases to have effect on a particular day, any subsequent election under that section is not a valid election unless the first day of the fiscal year set out in the subsequent election is a day that is at least three years after the particular day.

“433.19.6. An election made under section 433.19.4 by a person becomes effective on the first day of the person’s fiscal year that is set out in the election and ceases to have effect on the earlier of

(1) the first day of the person's fiscal year in which the person either ceases to be an investment plan or a selected listed financial institution or becomes a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15); and

(2) the day on which a revocation of the election becomes effective.

A person that has made an election under section 433.19.4 may revoke the election by filing a notice of revocation with the Minister in the prescribed form containing prescribed information, and the revocation becomes effective on the first day of a particular fiscal year of the person that begins at least three years after the election became effective.

“433.19.7. If a selected listed financial institution is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) and it is an investment plan, it may,

(1) where the financial institution is a stratified investment plan, elect, in respect of a series of the investment plan, that the value of A in the formula in the first paragraph of section 433.16.2 for a reporting period in a fiscal year in which the election is in effect be determined as if an election under subsection 1 of section 18 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act in respect of the series were in effect throughout the reporting period; or

(2) where the financial institution is an investment plan (other than a stratified investment plan), elect, in respect of the investment plan, that the value of C in the formula in the first paragraph of section 433.16 for a reporting period in a fiscal year in which the election is in effect be determined as if an election under subsection 2 of section 18 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations in respect of the investment plan were in effect throughout the reporting period.

An election made under the first paragraph is not to become effective if, on the day on which the election is otherwise to become effective, an election made by the financial institution under section 433.19.1 or 433.19.11 in respect of the series, in the case of a stratified investment plan, or under section 433.19.1 or 433.19.10 in respect of the investment plan, in the case of a non-stratified investment plan, is in effect.

“433.19.8. An election under section 433.19.7 is to

(1) be made in the prescribed form containing prescribed information;

(2) set out the first fiscal year of the investment plan in which the election is to be in effect; and

(3) specify whether the attribution points in respect of the investment plan or a series of the investment plan, as the case may be, which are used in

determining the value of C in the formula in the first paragraph of section 433.16 or the value of A in the formula in the first paragraph of section 433.16.2, are to be quarterly, monthly, weekly or daily.

If an election under section 433.19.7 ceases to have effect on a particular day, any subsequent election under that section is not a valid election unless the first day of the fiscal year set out in the subsequent election is a day that is at least three years after the particular day.

“433.19.9. An election made under section 433.19.7 by a person becomes effective on the first day of the person’s fiscal year that is set out in the election and ceases to have effect on the earlier of

(1) the first day of the person’s fiscal year in which the person either ceases to be an investment plan or a selected listed financial institution or becomes a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15); and

(2) the day on which a revocation of the election becomes effective.

A person that has made an election under section 433.19.7 may revoke the election by filing a notice of revocation with the Minister in the prescribed form containing prescribed information, and the revocation becomes effective on the first day of a particular fiscal year of the person that begins at least three years after the election became effective.

“433.19.10. A selected listed financial institution that is a non-stratified investment plan throughout a particular reporting period in a particular fiscal year may elect in the prescribed form containing prescribed information that the value of A in the formula in the first paragraph of section 433.16.2 be determined as if an election under section 61 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) had been made in respect of the particular fiscal year if

(1) the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act throughout the particular reporting period;

(2) units of the investment plan are issued, distributed or offered for sale in the particular fiscal year and immediately before the issuance, distribution or offering for sale no units of the investment plan are issued and outstanding; and

(3) no election under section 433.19.1 or the third paragraph of section 433.16 is in effect in respect of the investment plan and the particular fiscal year.

An election made under the first paragraph by a non-stratified investment plan is to specify whether the investment plan’s percentage as regards Québec,

which is used in determining the value of A in the formula in the first paragraph of section 433.16.2, is to be determined by using investor percentages and whether that percentage is to be determined on a daily basis, a weekly basis, a monthly basis or a quarterly basis.

“433.19.11. A selected listed financial institution that is a stratified investment plan throughout a particular reporting period in a particular fiscal year may elect in the prescribed form containing prescribed information that the value of A in the formula in the first paragraph of section 433.16.2 be determined in respect of a particular series of the investment plan as if an election under section 64 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) had been made in respect of the particular series and the particular fiscal year if

(1) the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act throughout the particular reporting period;

(2) units of the series of the investment plan are issued, distributed or offered for sale in the particular fiscal year and immediately before the issuance, distribution or offering for sale no units of the series are issued and outstanding; and

(3) no election made under section 433.19.1 or the third paragraph of section 433.16.2 is in effect in respect of the particular series and the particular fiscal year.

An election made under the first paragraph by a stratified investment plan in respect of a series of the investment plan is to specify whether the investment plan's percentage for the series and as regards Québec, which is used in determining the value of A in the formula in the first paragraph of section 433.16.2, is to be determined by using investor percentages and whether that percentage is to be determined on a daily basis, a weekly basis, a monthly basis or a quarterly basis.

“433.19.12. A selected listed financial institution that is an exchange-traded fund, but is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) throughout a reporting period in a particular fiscal year, may apply to the Minister to use particular methods, for the particular fiscal year that ends in a particular taxation year, to determine

(1) where the financial institution is a stratified investment plan, the financial institution's percentage, for each exchange-traded series of the financial institution and as regards Québec for the particular taxation year, that is used in determining the value of A in the formula in the first paragraph of section 433.16.2; and

(2) where the financial institution is a non-stratified investment plan, the financial institution's percentage, as regards Québec for the particular taxation year, that is referred to in subparagraph 3 of the second paragraph of section 433.16.

“433.19.13. An application under section 433.19.12 is to

(1) be made in the prescribed form containing prescribed information;

(2) include, if the financial institution is a stratified investment plan, the particular methods to be used for each exchange-traded series of the financial institution or, if the financial institution is a non-stratified investment plan, the particular methods to be used by the financial institution; and

(3) be filed with the Minister, in the manner determined by the Minister, on or before the day that is 180 days before the first day of the fiscal year for which the application is made or any later day determined by the Minister.

The Minister shall consider an application made under the first paragraph and notify the financial institution in writing of the Minister's decision to authorize or deny the use of the particular methods described in the application, on or before the latest of

(1) the day that is 180 days after the receipt of the application;

(2) the day that is 180 days before the first day of the fiscal year for which the application is made; and

(3) the day that the Minister may specify, if the day is set out in a written application filed by the financial institution with the Minister.

An authorization granted under the second paragraph in respect of a fiscal year of a financial institution ceases to have effect on the first day of the fiscal year and, for the purposes of this Title, is deemed never to have been granted, if

(1) the Minister revokes the authorization and sends a notice of revocation to the financial institution at least 60 days before the first day of the fiscal year; or

(2) the financial institution files with the Minister, in the manner determined by the Minister, a notice of revocation in the prescribed form containing prescribed information on or before the first day of the fiscal year.

“433.19.14. Where, in accordance with the second paragraph of section 433.19.13, the Minister authorizes the use of particular methods for a fiscal year of a selected listed financial institution, the following rules apply:

(1) if the financial institution is a stratified investment plan, the percentage for the taxation year in which the fiscal year ends that is used in determining, for an exchange-traded series of the financial institution, the value of A in the formula in the first paragraph of section 433.16.2 is determined in accordance with those particular methods;

(2) if the financial institution is a non-stratified investment plan, the percentage for the taxation year in which the fiscal year ends that is referred to in subparagraph 3 of the second paragraph of section 433.16 is determined in accordance with those particular methods; and

(3) to determine the percentage referred to in paragraph 1 or 2, the particular methods must be used consistently by the financial institution throughout the fiscal year and as specified in the application it filed for that purpose.

“433.19.15. A selected listed financial institution that is a stratified investment plan, but is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15), may elect, in respect of a series of the financial institution, that paragraph *a* of subsection 3 of section 225.4 of that Act not be taken into account for the purpose of determining the financial institution’s percentage, for the series and as regards Québec, that is used in determining the value of A in the formula in the first paragraph of section 433.16.2 for a reporting period in a fiscal year in which the election is in effect.

A selected listed financial institution that is a non-stratified investment plan, but is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act, may elect that paragraph *a* of subsection 4 of section 225.4 of that Act not be taken into account for the purpose of determining the financial institution’s percentage as regards Québec that is used in determining the value of C in the formula in the first paragraph of section 433.16 or the value of A in the formula in the first paragraph of section 433.16.2, as the case may be, for a reporting period in a fiscal year in which the election is in effect.

A selected listed financial institution that is a pension entity of a pension plan or a private investment plan, but is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act, may elect that paragraph *a* of subsection 5 of section 225.4 of that Act not be taken into account for the purpose of determining the financial institution’s percentage as regards Québec that is used in determining the value of C in the formula in the first paragraph of section 433.16 for a reporting period in a fiscal year in which the election is in effect.

“433.19.16. An election under section 433.19.15 is to

(1) be made in the prescribed form containing prescribed information;

(2) set out the first fiscal year of the person during which the election is to be in effect; and

(3) be filed with the Minister, in the manner determined by the Minister, on or before the first day of the fiscal year or any later day determined by the Minister.

If an election under section 433.19.15 is revoked and such revocation becomes effective on a particular day, in accordance with section 433.19.17, any subsequent election under section 433.19.15 is not a valid election unless the first day of the fiscal year set out in the subsequent election is a day that is at least five years after the particular day or any earlier day as the Minister may determine on application by the person.

“433.19.17. An election made under section 433.19.15 by a person becomes effective on the first day of the fiscal year of the person that is specified in the election and ceases to have effect on the earliest of

(1) the first day of the fiscal year of the person in which the person ceases to be a selected listed financial institution;

(2) the first day of the fiscal year of the person in which the person becomes a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15);

(6) the day on which a revocation of the election becomes effective.

A person that has made an election under section 433.19.15 may revoke the election and the revocation becomes effective on the first day of a particular fiscal year of the person that is at least five years after the effective date of the election or, if the Minister authorizes it, on the first day of an earlier fiscal year of the person.

A person that intends to revoke an election under the second paragraph shall file with the Minister, in the manner determined by the Minister, a notice of revocation in the prescribed form containing prescribed information on or before the first day of the particular fiscal year or of the earlier fiscal year, as the case may be.

“433.19.18. For the purposes of section 433.16.2 and the first paragraph of section 433.19.19, the attribution point that is used in determining the value of A in the formula in the first paragraph of section 433.16.2 in respect of a series, where the financial institution is a stratified investment plan, means, for all taxation years of the investment plan in which a fiscal year that ends in the calendar year 2013 ends and for the taxation year that precedes the earliest of those taxation years, the day determined by the financial institution, which day must be in the calendar year 2012, if

(1) no election made by the financial institution under section 433.19.7 in respect of a series of the investment plan is in effect throughout a fiscal year of the investment plan that ends before 1 January 2014; and

(2) the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) throughout a reporting period in a fiscal year that ends in the calendar year 2013.

For the purposes of section 433.16 and the second paragraph of section 433.19.19, the attribution point that is used in determining the percentage referred to in subparagraph 3 of the second paragraph of section 433.16, where the financial institution is a non-stratified investment plan, means, for all taxation years of the investment plan in which a fiscal year that ends in the calendar year 2013 ends and for the taxation year that precedes the earliest of those taxation years, the day determined by the financial institution, which day must be in the calendar year 2012, if

(1) no election made by the financial institution under section 433.19.7 in respect of the investment plan is in effect throughout a fiscal year of the investment plan that ends before 1 January 2014; and

(2) the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act throughout a reporting period in a fiscal year that ends in the calendar year 2013.

“433.19.19. If a selected listed financial institution is a stratified investment plan throughout a reporting period in a particular fiscal year that ends in the calendar year 2013, no election under section 433.19.1 or 433.19.11 is in effect in respect of a series of the financial institution throughout a fiscal year that ends in the calendar year 2013, no election under section 433.19.4 is in effect throughout such a fiscal year and the investment plan is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15), the financial institution may elect in the prescribed form containing prescribed information that, in respect of each of its series (other than an exchange-traded series), the financial institution’s percentage for each of those series and as regards Québec, which is used in determining the value of A in the formula in the first paragraph of section 433.16.2, for a taxation year (in this section referred to as the “specified taxation year”) that is either the taxation year in which the particular fiscal year

ends or the taxation year preceding that taxation year, correspond to the percentage that would be the financial institution's percentage determined under section 30 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act for the specified taxation year if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act and the following assumptions were taken into account:

(1) where, on an attribution point in respect of the series for the specified taxation year that is used in determining the value of A in the formula in the first paragraph of section 433.16.2, less than 10% of the total value of the units of the series are held by investors (in this section referred to as "institutional investors") that are neither individuals nor specified investors in the financial institution for the particular fiscal year, all units of the series held, on the attribution point, by an institutional investor in respect of which the financial institution does not know, on 31 December 2013, the institutional investor's investor percentage as regards Québec as of the attribution point did not exist on the attribution point;

(2) where subparagraph 1 does not apply in respect of an attribution point in respect of the series for the specified taxation year that is used in determining the value of A in the formula in the first paragraph of section 433.16.2 and, on the attribution point, less than 10% of the total value of the units of the series held by institutional investors are held by particular institutional investors in respect of which the financial institution does not know, on 31 December 2013, the institutional investor's investor percentage as regards Québec as of the attribution point, all units of the series held, on the attribution point, by the particular institutional investors did not exist on the attribution point;

(4) section 30 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations was amended by replacing "October 15 of the calendar year" and "December 31 of the calendar year" wherever they appear by "December 31, 2013".

If a selected listed financial institution is a non-stratified investment plan (other than an exchange-traded fund) throughout a reporting period in a particular fiscal year that ends in the calendar year 2013, no election under any of sections 433.19.1, 433.19.4 and 433.19.10 is in effect in respect of the investment plan throughout a fiscal year that ends in the calendar year 2013 and the financial institution is not a selected listed financial institution for the purposes of Part IX of the Excise Tax Act, the financial institution may elect in the prescribed form containing prescribed information that, in respect of the investment plan, the financial institution's percentage as regards Québec that is referred to in subparagraph 3 of the second paragraph of section 433.16, for

a specified taxation year, correspond to the percentage that would be the financial institution's percentage determined under section 32 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations for the specified taxation year if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act and the following assumptions were taken into account:

(1) where, on an attribution point in respect of the financial institution for the specified taxation year that is used in determining the value of C in the formula in the first paragraph of section 433.16, less than 10% of the total value of the units of the financial institution are held by institutional investors, all units of the financial institution held, on the attribution point, by an institutional investor in respect of which the financial institution does not know, on 31 December 2013, the institutional investor's investor percentage as regards Québec as of the attribution point did not exist on the attribution point;

(3) where subparagraphs 1 and 2 do not apply in respect of an attribution point in respect of the financial institution for the specified taxation year that is used in determining the value of C in the formula in the first paragraph of section 433.16, any institutional investor that holds, on the attribution point, units of the financial institution was an individual; and

(4) section 32 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations was amended by replacing "October 15 of the calendar year" and "December 31 of the calendar year" wherever they appear by "December 31, 2013".

(2) Subsection 1 has effect from 1 January 2013.

754. (1) Section 433.20 of the Act is amended by replacing the portion before paragraph 2 by the following:

determining the total under subparagraph 6 of the second paragraph of section 433.16 or subparagraph 4 of the second paragraph of section 433.16.2; and”.

(2) Subsection 1 has effect from 1 January 2013.

(2) Subsection 1 has effect from 1 January 2013.

756. (1) The Act is amended by inserting the following after section 433.21:

“4. — Tax adjustment transfers

“433.22. A selected listed financial institution that is an investment plan and the manager of the investment plan may jointly elect to have the rules of the third paragraph apply in relation to a particular reporting period of the manager in which the election is in effect, if, for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15), the investment plan is a registrant and is not a selected listed financial institution.

The rules of the third paragraph apply if an investment plan that is a selected listed financial institution and the manager of the investment plan have made a joint election under subsection 1 of section 55 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act in relation to a particular reporting period of the manager in which the election is in effect.

The rules to which the first and second paragraphs refer are the following:

(1) for the investment plan, no amount of tax under subsection 1 of section 165 of the Excise Tax Act or under any of sections 212, 218 and 218.01 of that Act is to be taken into account in determining the value of A in the formula in the first paragraph of section 433.16 or 433.16.2, as the case may be, and no amount of tax under any of sections 16, 17, 18 and 18.0.1 is to be taken into account in determining the value of F in the formula in the first paragraph of section 433.16 or the value of D in the formula in the first paragraph of section 433.16.2, as the case may be, if

(a) the amount of tax is attributable to a supply made by the manager to the investment plan, and

(b) the amount of tax became payable by the investment plan or was paid by the investment plan without having become payable at a time that is

i. during the manager's particular reporting period,

ii. at a time when an election referred to in the first or second paragraph is in effect between the investment plan and the manager, and

iii. at a time when no election referred to in the first or second paragraph of section 470.2, as the case may be, is in effect between the investment plan and the manager;

(2) for the investment plan, sections 433.16 and 433.16.2 do not apply in determining its net tax for a reporting period of the investment plan throughout which an election referred to in the first or second paragraph, as the case may be, and an election referred to in the first or second paragraph of section 470.2, as the case may be, are both in effect between the investment plan and the manager, and in which the manager's particular reporting period ends; and

(3) if the manager is not a selected listed financial institution throughout its particular reporting period, the manager may deduct the negative amount that the investment plan could otherwise have deducted under section 433.16 or 433.16.2 for a particular reporting period of the investment plan, where the manager has paid or credited the negative amount to the investment plan, and the manager shall include the positive amount that the investment plan would otherwise have been required to include under either of those sections for the investment plan's particular reporting period, if the negative or positive amount were determined on the basis of the following assumptions:

(a) the beginning of the investment plan's particular reporting period coincided with the later of the beginning of the manager's particular reporting period and the day in the manager's particular reporting period on which an election referred to in the first or second paragraph, as the case may be, between the investment plan and the manager becomes effective,

(b) the end of the investment plan's particular reporting period coincided with the earlier of the end of the manager's particular reporting period and the day in the manager's particular reporting period on which an election referred to in the first or second paragraph, as the case may be, between the investment plan and the manager ceases to have effect,

(c) subparagraphs 1 and 2 did not apply in respect of the investment plan's particular reporting period, and

(d) if, at any time in the investment plan's particular reporting period, no election referred to in the first or second paragraph of section 470.2, as the case may be, is in effect between the investment plan and the manager, an amount of tax that became payable by the investment plan, or that was paid by the investment plan without having become payable, at that time is included in

determining the negative or positive amount only if the amount of tax is attributable to a supply made by the manager to the investment plan.

An election under the first paragraph is to

- (1) be made in the prescribed form containing prescribed information;
- (2) set out the day on which the election is to become effective; and
- (3) be filed with the Minister, in the manner determined by the Minister, before the day on which the election is to become effective or any later day determined by the Minister.

“433.23. An election made under the first paragraph of section 433.22 by a particular person that is a manager and another person that is an investment plan ceases to have effect on the earliest of

- (1) the day on which the particular person ceases to be the manager of the other person;
- (2) the day on which the other person ceases to be an investment plan or a selected listed financial institution;
- (3) the day on which the other person becomes a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15); and
- (4) the day on which a revocation of the election becomes effective.

A manager or an investment plan that made an election under the first paragraph of section 433.22 may revoke the election and the revocation becomes effective on the day it specifies.

A person that intends to revoke an election under the second paragraph shall file with the Minister, in the manner determined by the Minister, a notice of revocation in the prescribed form containing prescribed information on or before the day specified under that paragraph or any later day determined by the Minister.

A revocation by a person of an election under the second paragraph becomes effective only if the person notifies, before the day specified under that paragraph, the other person with whom the person made the election.

“433.24. If a manager and an investment plan made an election referred to in the first or second paragraph of section 433.22, as the case may be, and that election is in effect during a reporting period of the manager, the manager and the investment plan are solidarily liable for any amount owing in respect of the net tax for that reporting period and for any interest or penalties in respect of such an amount.

Every person that is an investment plan and that is required to file an interim return under section 470.1 for a reporting period in a particular fiscal year shall calculate the amount that is the net tax of the person for the reporting period, where

“(3) C is the percentage corresponding to the value C would have in the formula in subsection 2 of section 225.2 of the Excise Tax Act, determined for the preceding taxation year, for the financial institution as regards Québec, if that value were determined with reference to subsection 10 of section 48 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under that Act and if Québec were a participating province within the meaning of subsection 1 of section 123 of that Act;”.

Where a person (other than an investment plan) becomes a selected listed financial institution in a reporting period that ends in a particular fiscal year, the interim net tax of the person for each reporting period included in the fiscal year is the amount that would be the person’s net tax for the reporting period if subparagraph 3 of the second paragraph of section 433.16 were read as follows:

“(3) C is the percentage that would be applicable to the financial institution as regards Québec for the preceding reporting period if it were determined in accordance with the regulations made under the Excise Tax Act for the purposes

(2) the fiscal year of the person resulting from the merger begins on the day of the merger.

“458.5.3. If a person is both a financial institution described in paragraph 6 or 9 of the definition of “listed financial institution” in section 1 and a selected listed financial institution throughout a particular reporting period in a particular fiscal year, and the person is not a selected listed financial institution throughout a reporting period in the subsequent fiscal year of the person, that subsequent fiscal year ends on the day on which it would end but for this subdivision IV.”

(2) Subsection 1 applies in respect of a fiscal year that ends after 31 December 2012. However, when section 458.5.1 of the Act applies in respect of a fiscal year that begins before 1 January 2013, it is to be read without reference to “and the person was not a selected listed financial institution throughout the reporting period immediately before the particular reporting period” in the portion before paragraph 1.

776. (1) Section 458.7 of the Act is amended by adding the following paragraph after paragraph 2:

“(3) a financial institution described in paragraph 6 or 9 of the definition of “listed financial institution” in section 1 that is a selected listed financial institution throughout a particular reporting period in a particular fiscal year without being a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15).”

(2) Subsection 1 has effect from 1 January 2013.

777. (1) Section 459.3 of the Act is replaced by the following section:

“459.3. Elections made under sections 459.2 and 459.2.1 by a person remain in effect until the beginning of the particular day on which an election by that person under section 459.4 or 460 becomes effective or, if applicable, until the day on which a revocation of the elections becomes effective, in accordance with the second paragraph, if that day is before the particular day.

A listed financial institution that has made an election under section 459.2 or 459.2.1 may revoke the election and the revocation becomes effective on the first day of a particular fiscal year of the financial institution.

A listed financial institution that intends to revoke an election under the second paragraph shall file with the Minister, in the manner determined by the Minister, a notice of revocation in the prescribed form containing prescribed information, on or before the first day of the particular fiscal year or any later day determined by the Minister.”

(2) Subsection 1 applies in respect of a fiscal year that ends after 31 December 2012.

778. (1) Section 459.5 of the Act is amended

(1) by adding the following paragraph after paragraph 3:

“(4) the day on which a revocation of the election made in accordance with the second paragraph becomes effective.”;

(2) by adding the following paragraphs:

“A listed financial institution that has made an election referred to in the first paragraph may revoke the election and the revocation becomes effective on the first day of a particular fiscal year of the financial institution.

A listed financial institution that intends to revoke an election under the second paragraph shall file with the Minister, in the manner determined by the Minister, a notice of revocation in the prescribed form containing prescribed information, on or before the first day of the particular fiscal year or any later day determined by the Minister.”

(2) Subsection 1 applies in respect of a fiscal year that ends after 31 December 2012.

779. (1) The Act is amended by inserting the following section before section 468:

“**467.1.** For the purposes of this subdivision, “investment plan” and “manager” have the meaning assigned by section 433.15.1.”

(2) Subsection 1 has effect from 1 January 2013.

780. (1) The Act is amended by inserting the following sections after section 470.1:

“**470.2.** An investment plan that is a selected listed financial institution and the manager of the investment plan may jointly elect to have the third paragraph apply if, for the purposes of Part IX of the Excise Tax Act (Revised

Statutes of Canada, 1985, chapter E-15), the investment plan is a registrant and is not a selected listed financial institution.

The third paragraph applies when an investment plan that is a selected listed financial institution and the manager of the investment plan have made a joint election under subsection 1 of section 53 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act.

Despite paragraph 2 of section 468 and sections 470 and 470.1, any interim or final return that the investment plan would be required to file on or before a particular day under this subdivision, but for this section, must be filed by the manager of the investment plan if an election referred to in the first or second paragraph is in effect on the particular day.

If, immediately before the time at which an investment plan ceases to exist, an election referred to in the first or second paragraph is in effect, the return required to be filed under paragraph 1 of section 470.1 for the last reporting period of the investment plan and the returns required to be filed under paragraph 2 of that section for the reporting periods included in the last fiscal year of the investment plan must be filed by the manager of the investment plan.

An election under the first paragraph is to

- (1) be made in the prescribed form containing prescribed information;
- (2) set out the day on which the election is to become effective; and
- (3) be filed with the Minister, in the manner determined by the Minister, before the day on which the election is to become effective or any later day determined by the Minister.

“470.3. An election made under the first paragraph of section 470.2 by a particular person that is an investment plan and another person that is the manager of the investment plan ceases to have effect on the earliest of

- (1) the day on which the other person ceases to be the manager of the particular person;
- (2) the day that follows the day on or before which a return is required to be filed under this subdivision for the reporting period of the particular person in which the particular person ceases to be an investment plan;
- (3) the day that follows the day on or before which a return is required to be filed under this subdivision for the last reporting period throughout which the particular person is a selected listed financial institution;

(4) the day that follows the day on or before which a return is required to be filed under this subdivision for a particular reporting period if the particular person is a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) throughout the reporting period that follows the particular reporting period; and

(5) the day on which a revocation of the election becomes effective.

An investment plan that has made an election under the first paragraph of section 470.2 may revoke the election and the revocation becomes effective on the day specified by the investment plan.

An investment plan that intends to revoke an election under the second paragraph shall file with the Minister, in the manner determined by the Minister, a notice of revocation in the prescribed form containing prescribed information on or before the day specified under that paragraph or any later day determined by the Minister.

A revocation by an investment plan of an election under the second paragraph becomes effective only if the investment plan notifies, before the day specified under that paragraph, the manager of the investment plan.

“470.4. If a manager and an investment plan have made an election referred to in the first or second paragraph of section 470.2, as the case may be, and, on a day on which that election is effective, the manager is required to file a return for a reporting period in accordance with the third paragraph of that section or the manager files a return for a reporting period of the investment plan, the manager and the investment plan are solidarily liable for any amount owing for that reporting period on account of the net tax and for any interest or penalties in respect of such an amount or in respect of the filing of the return.

“470.5. A manager and any two or more investment plans may jointly elect to have the fourth paragraph apply, if

(1) each of the investment plans has made a joint election under the first paragraph of section 470.2 with the manager; and

(2) the end of the respective reporting periods of those investment plans in the fiscal year in which the election is to become effective are reasonably expected to coincide with each other.

Where an election under the first paragraph of section 470.2 was made by a particular investment plan and its manager and the manager has made a particular election under the first paragraph with other investment plans, the particular investment plan and the manager may jointly elect to have the particular investment plan be included in the particular election as of a particular day, if the end of the reporting period of the particular investment plan in the fiscal year in which the joint election is to become effective is reasonably expected to coincide with the end of the reporting periods of the other

investment plans in the fiscal year of each of those investment plans, in which case the following rules apply:

- (1) the particular election ceases to have effect on the particular day; and
- (2) an election is deemed to have been made under the first paragraph by the manager, the particular investment plan and the other investment plans and that election is deemed to become effective on the particular day.

Where a manager and two or more investment plans have made a joint election under subsection 1 of section 54 of the Selected Listed Financial Institutions Attribution Method (GST/HST) Regulations made under the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) and two or more of the investment plans are selected listed financial institutions, the fourth paragraph applies in respect of each of the selected listed financial institutions.

Despite paragraph 2 of section 468 and sections 470 and 470.1, a manager shall file a single joint interim or final return in the prescribed form containing prescribed information, on behalf of the investment plans on or before the particular day on which each of the investment plans would be required to file an interim or final return under this subdivision, but for this section, if the election referred to in the first or third paragraph is in effect on the particular day.

Where, immediately before the particular time at which a particular investment plan ceases to exist, a joint election referred to in the first or third paragraph is in effect, the following rules apply:

- (1) subject to subparagraph 3, if a joint election made by the manager and two or more other investment plans is in effect on the day on or before which a single joint interim return is required to be filed because of the fourth paragraph and paragraph 1 of section 470.1 for the particular reporting period of those other investment plans that begins on the same day as the last reporting period of the particular investment plan, the joint interim return must include the information determined by the Minister concerning the last reporting period of the particular investment plan;

- (2) subject to subparagraph 3, if a joint election made by the manager and two or more other investment plans is in effect on the day on or before which a single joint final return is required to be filed because of the fourth paragraph and paragraph 2 of section 470.1 for a particular reporting period of those other investment plans that is included in the fiscal year of those other investment plans that begins on the same day as the last fiscal year of the particular investment plan, the joint final return must include the information determined by the Minister concerning the reporting period of the particular investment plan that begins on the same day as the particular reporting period; and

- (3) if the joint election was made by the manager and only one other investment plan that is a selected listed financial institution, the election ceases to have effect, if it is referred to in the first paragraph, or is considered to no

longer be in effect, if it is referred to in the third paragraph, as the case may be, on the day that includes the particular time.

An election under the first paragraph is to

- (1) be made in the prescribed form containing prescribed information;
- (2) set out the day on which the election is to become effective; and
- (3) be filed with the Minister, in the manner determined by the Minister, before the day on which the election is to become effective or any later day determined by the Minister.

“470.6. An investment plan that has made a particular election under the first paragraph of section 470.5 may elect to withdraw from the particular election, in which case the election must meet the conditions set out in the sixth paragraph of section 470.5.

A particular investment plan is deemed to have withdrawn from a particular election under the first paragraph of section 470.5 on the earliest of

- (1) the day following the day on or before which a return is required to be filed under this subdivision for the particular reporting period of the particular investment plan immediately before the first reporting period in a fiscal year of the particular investment plan that, otherwise than because of section 458.5.2, does not coincide with the reporting periods of the other investment plans that have made the particular election;
- (2) the day on which the manager that made the particular election ceases to be the manager of the particular investment plan;
- (3) the day following the day on or before which a return is required to be filed under this subdivision for the reporting period of the particular investment plan in which the particular investment plan ceases to be an investment plan;
- (4) the day following the day on or before which a return is required to be filed under this subdivision for the last reporting period of the particular investment plan throughout which the particular investment plan is a selected listed financial institution; and
- (5) the day following the day on or before which a return is required to be filed under this subdivision for a particular reporting period where the particular investment plan is a selected listed financial institution for the purposes of Part IX of the Excise Tax Act (Revised Statutes of Canada, 1985, chapter E-15) throughout the reporting period that follows the particular reporting period.

An election made by a particular investment plan to withdraw, in accordance with the first paragraph, from a particular election made by a manager and one

or more other investment plans may only become effective on or after the day on which the manager and the other investment plans are notified of the election.

If, on a particular day, a particular investment plan withdraws, in accordance with the first paragraph, from a particular election made by a manager and one or more other investment plans or is deemed to have withdrawn from that election in accordance with the second paragraph, the following rules apply:

(1) the particular election ceases to have effect on the particular day; and

(2) if the particular election was made by the particular investment plan, the manager and two or more other investment plans, an election is deemed to have been made under the first paragraph of section 470.5 by the manager and those other investment plans and that election is deemed to have become effective on the particular day.

“470.7. Investment plans that have made an election under the first paragraph of section 470.5 may jointly revoke the election and the revocation becomes effective on the day specified by them.

Investment plans that intend to revoke an election under the first paragraph shall file with the Minister, in the manner determined by the Minister, a notice of revocation in the prescribed form containing prescribed information on or before the day specified under that paragraph or any later day determined by the Minister.

A revocation by those investment plans of an election under the first paragraph becomes effective only if one of the investment plans notifies, before the day specified under that paragraph, the manager that made the election.

“470.8. If a manager and two or more investment plans have made an election under the first or third paragraph of section 470.5, as the case may be, and, on a day on which the election is effective, the manager is required to file a joint return for the reporting periods of those investment plans in accordance with the fourth paragraph of that section or the manager files a joint return for the reporting periods of the investment plans, the manager and the investment plans are solidarily liable for any amount owing for those reporting periods on account of the net tax and for any interest or penalties in respect of such an amount or in respect of the filing of the return.”

(2) Subsection 1 applies in respect of a reporting period that ends after 31 December 2012.

(3) However, when an election referred to in the first or second paragraph of section 470.2 of the Act is effective at a particular time that is not later than 8 May 2013 and that particular time is immediately before the time at which the investment plan having made the election ceases to exist, section 470.1 of the Act is to be read, in respect of any return required to be filed by the manager having made the election, in accordance with the fourth paragraph of

section 470.2 of the Act, unless the investment plan filed the return before 9 May 2013, as if paragraphs 1 and 2 were replaced by the following paragraphs:

“(1) an interim return for the reporting period on or before 8 November 2013; and

“(2) a final return for the reporting period on or before 8 November 2013.”

(4) However, when an election referred to in the first or third paragraph of section 470.5 of the Act is effective at a particular time that is not later than 8 May 2013 and that particular time is immediately before the time at which an investment plan having made the election ceases to exist, and subparagraph 3 of the fifth paragraph of section 470.5 of the Act does not apply, section 470.1 of the Act is to be read, in respect of any return that is referred to in the fifth paragraph of section 470.5 of the Act and that is required to be filed by the manager having made the election, as if paragraphs 1 and 2 were replaced by the following paragraphs:

“(1) an interim return for the reporting period on or before the later of the day that is one month after the end of the reporting period and 8 November 2013; and

“(2) a final return for the reporting period on or before the later of the day that is six months after the end of the fiscal year and 8 November 2013.”

781. Section 473.2 of the Act is amended by striking out the definition of “fiscal year”.

782. (1) Section 486 of the Act is amended by striking out the definition of “consumption on the premises”.

(2) Subsection 1 has effect from 6:00 a.m. on 1 August 2014.

783. (1) Sections 487 and 488 of the Act are replaced by the following sections:

“487. Every person shall, at the time of making a purchase at a retail sale in Québec of any alcoholic beverage, pay a specific tax equal to 0.063 of a cent per millilitre of beer or 0.140 of a cent per millilitre of any other alcoholic beverage the person purchases.

“488. Every person who carries on business or ordinarily resides in Québec and brings or causes to be brought into Québec any alcoholic beverage for use or consumption by the person or by another person at the person’s expense shall, immediately after the bringing of the alcoholic beverage into Québec, pay to the Minister a specific tax equal to 0.063 of a cent per millilitre of beer or 0.140 of a cent per millilitre of any other alcoholic beverage so brought into Québec.

However, the specific tax payable under the first paragraph does not apply to an alcoholic beverage so brought into Québec if the tax under section 17 is not payable in respect of the alcoholic beverage because of the application of paragraph 1 of section 81.”

(2) Subsection 1 has effect from 6:00 a.m. on 1 August 2014. However, where section 488 of the Act applies before 21 October 2015, it is to be read as follows:

“488. Every person who carries on business or ordinarily resides in Québec and brings or causes to be brought into Québec any alcoholic beverage for use or consumption by the person or by another person at the person’s expense or purchases, by way of a retail sale made outside Québec, an alcoholic beverage that is in Québec shall, on the date the use or consumption of the alcoholic beverage begins in Québec, pay to the Minister a specific tax equal to 0.063 of a cent per millilitre of beer or 0.140 of a cent per millilitre of any other alcoholic beverage so brought into Québec or purchased.”

(3) In addition, every person who sells an alcoholic beverage in Québec must,

(1) for an alcoholic beverage intended for consumption in an establishment, make a report to the Minister in prescribed form, not later than 31 October 2014,

(a) on the inventory of beer and any other alcoholic beverage the person has in stock at 6:00 a.m. on 1 August 2014 in respect of which an amount equal to the specific tax has been collected in advance or should have been collected, other than beer and any other alcoholic beverage in respect of which the specific tax is reduced under section 489.1 of the Act, so as to obtain the rebate of the amount corresponding to the amount by which the amount equal to the specific tax that the person has paid in respect of those alcoholic beverages exceeds the amount of the specific tax calculated on the inventory at the rate in effect in respect of the beer and any other alcoholic beverage, as the case may be, as of 6:00 a.m. on 1 August 2014, and

(b) on the inventory of beer the person has in stock at 6:00 a.m. on 1 August 2014 in respect of which an amount equal to the specific tax has been collected in advance or should have been collected and in respect of which the specific tax is reduced under the first paragraph of section 489.1 of the Act, so as to obtain the rebate, in relation to the inventory, of the amount corresponding to the amount by which the amount equal to the specific tax that the person has paid in respect of the inventory, having regard to a rate of reduction of 33%, exceeds the amount of the specific tax calculated on the inventory at the rate in effect as of 6:00 a.m. on 1 August 2014, having regard to a rate of reduction of 33%; and

(b) on the inventory of beer the person has in stock at 6:00 a.m. on 1 August 2014 in respect of which an amount equal to the specific tax has been collected in advance or should have been collected and in respect of which the specific tax is reduced under the first paragraph of section 489.1 of the Act and, in relation to the inventory, remit to the Minister an amount equal to the specific tax calculated on the inventory at the rate in effect at 6:00 a.m. on 1 August 2014, having regard to a rate of reduction of 67%, after deduction of the amount equal to the specific tax calculated on the inventory at the rate in effect before 6:00 a.m. on 1 August 2014, having regard to a rate of reduction of 67%.
