(2) Subsection 1 has effect from 27 March 2015.

ACT RESPECTING DUTIES ON TRANSFERS OF IMMOVABLES

26. (1) The Act respecting duties on transfers of immovables (chapter D-15.1) is amended by inserting the following after the heading of Chapter II:

“DIVISION I

“LIABILITY AND OTHER RULES FOR DETERMINING THE AMOUNT OWED AS TRANSFER DUTIES”.

(2) Subsection 1 has effect from 18 March 2016.

27. (1) The Act is amended by inserting the following sections after section 4:

“4.1. A transferee exempt from the payment of transfer duties under subparagraph *a* of the first paragraph of section 19 in respect of the transfer of an immovable is required to pay the transfer duties that would have been otherwise payable in respect of the transfer if, at a particular time in the 24-month period following the date of the transfer, the percentage of voting rights that may be exercised by the transferor under any circumstances at the annual meeting of shareholders of the transferee falls below 90%.

A transferee exempt from the payment of transfer duties under subparagraph *d* of the first paragraph of section 19 in respect of the transfer of an immovable is required to pay the transfer duties that would have been otherwise payable in respect of the transfer if, at a particular time in the 24-month period following the date of the transfer, the transferor and the transferee that are parties to the transfer cease to be closely related legal persons.

Where the transferor referred to in the first paragraph dies in the 24-month period following the date of the transfer of the immovable, the first paragraph is to be read as if “at a particular time in the 24-month period following the date of the transfer” were replaced by “at a particular time in the period preceding the date of the transferor’s death and following the date of the transfer”.

The transferee who is required to pay transfer duties under the first or second paragraph in respect of the transfer of an immovable may be so required only once in the 24-month period referred to in that paragraph.

“4.2. For the purposes of the second paragraph of section 4.1, a legal person that, at the time of the transfer, is closely related to a particular legal person, within the meaning of the second paragraph of section 19, ceases, at a particular time, to be closely related to the particular legal person if, at that time, the percentage of voting rights that may be exercised by the particular legal person and one or more legal persons referred to in the second paragraph of section 19 under any circumstances at the annual meeting of shareholders of the legal person falls below 90%.

For the purpose of determining the percentage of voting rights mentioned in the first paragraph, the second and third paragraphs of section 19 apply by replacing “at the time of the transfer” by “at the particular time”.

“4.3. For the purposes of the first and second paragraphs of section 4.1 and section 4.2, each person, other than the transferor or the transferee, who, at any time, has a right under a contract or otherwise, either immediately or in the future and either absolutely or contingently, to, or to acquire, shares of a legal person or to control the voting rights of such shares, or to cause a legal person to redeem, acquire or cancel any shares of its capital stock owned by other shareholders of the legal person, is deemed, at that time, to have exercised that right, except where the right is not exercisable at that time because its exercise is contingent on the death, bankruptcy or permanent disability of a person.”

(2) Subsection 1 applies in respect of the transfer of an immovable made after 17 March 2016.

28. (1) Section 5 of the Act is amended by replacing paragraphs *a* and *a.1* by the following paragraphs:

“(a) if the amount of the consideration furnished by the transferee for the transfer of the immovable exceeds the amount mentioned in the application for registration in accordance with subparagraph *e* of the first paragraph of section 9 or in the notice of disclosure referred to in the second paragraph of section 6 or 6.1;

“(a.1) if the amount of the consideration furnished by the transferee for the transfer of movables referred to in section 1.0.1 exceeds the amount mentioned in the declaration provided for in the second paragraph of any of sections 9, 10.1 and 10.2; or”.

(2) Subsection 1 applies in respect of the transfer of an immovable made after 17 March 2016.

29. (1) Section 6 of the Act is replaced by the following section:

“6. The transfer duties are payable from the date of the transfer of the immovable. They are due as prescribed in section 11.

The transferee of the immovable shall declare the transfer by filing an application for registration in the land register of the deed evidencing the transfer. However, if the deed evidencing the transfer of the immovable is not registered in the land register on or before the ninetieth day after the date of the transfer, a notice of disclosure of the transfer of the immovable containing the information listed in section 10.1 must be filed, on or before that ninetieth day, with the municipality in whose territory the immovable is situated.

For the purposes of the second paragraph, if the transfer that is the subject of a notice of disclosure has been made to two or more transferees, each of them is required to file a notice of disclosure with the municipality. However, a notice of disclosure filed by a transferee, on behalf of all the transferees, is deemed to have been filed by each of them.

Despite the first and second paragraphs, where an immovable is transferred as a consequence of a death, the transfer duties are payable from the date of the registration in the land register of the declaration of transmission of the immovable relating to the transfer.”

(2) Subsection 1 applies in respect of the transfer of an immovable made after 17 March 2016.

30. (1) The Act is amended by inserting the following sections after section 6:

“6.1. Despite the first paragraph of section 6, the transfer duties that a transferee is required to pay under the first or second paragraph of section 4.1 are payable from the particular time referred to in that paragraph. They are due as prescribed in section 11.

The transferee shall declare to be required to pay transfer duties under the first or second paragraph of section 4.1 in respect of an immovable by filing a notice of disclosure containing the information listed in section 10.2 with the municipality in whose territory the immovable is situated on or before the ninetieth day after the particular time referred to in that paragraph.

For the purposes of the second paragraph, if the transfer that is the subject of a notice of disclosure has been made to two or more transferees, each of them is required to file a notice of disclosure with the municipality. However, a notice of disclosure filed by a transferee, on behalf of all the transferees, is deemed to have been filed by each of them.

“6.2. A transferee is not required to pay transfer duties on the registration in the land register of a deed evidencing the transfer of an immovable if the transfer has been the subject of a notice of disclosure referred to in section 10.1 or 10.2 or of special duties described in section 1129.33.0.3 of the Taxation Act (chapter I-3).”

(2) Subsection 1 applies in respect of the transfer of an immovable made after 17 March 2016.

31. (1) Section 8 of the Act is amended

(1) by replacing the portion before paragraph *a* of subsection 2 by the following:

“**8.** The value of the consideration furnished by the transferee for the transfer of an immovable acquired in replacement of an immovable right conveyed by the transferee at the time of an expropriation or which the transferee conveyed to a person pursuant to a notice of expropriation from such person must be reduced, for the purpose of computing the transfer duties, by an amount equal to the proceeds of disposition which may reasonably be attributed to such immovable right.

The reduction referred to in the first paragraph must not be made unless”;

(2) by replacing subparagraphs *A* to *C* of subparagraph ii of paragraph *b* of subsection 2 by the following subparagraphs:

“(1) the day the transferee has agreed to an amount as full compensation for that immovable right;

“(2) where a claim or other proceeding has been taken before a tribunal of competent jurisdiction, the day on which the amount of the compensation is finally determined by that tribunal; or

“(3) where a claim or other proceeding referred to in subparagraph 2 has not been taken within two years after the event giving rise to compensation, the day that is two years following the day of that event.”;

(3) by replacing subsection 3 by the following paragraph:

“The reduction referred to in the first paragraph does not apply if the replaced immovable right was intended for purposes of speculation.”

(2) Subsection 1 has effect from 18 March 2016.

Except in the case provided for in section 13.1, any claim resulting from transfer duties, except the portion of the claim that is unpaid as the result of fraudulent representation or of a declaration equivalent to fraud, is prescribed by three years from the date of filing with the municipality of the notice of disclosure of the transfer of the immovable referred to in section 10.1, or from the date of registration of the transfer, where the transfer has not been the subject of such a notice of disclosure and the deed evidencing the transfer is registered in the land register.”

(2) Subsection 1 applies in respect of the transfer of an immovable made after 17 March 2016.

(2) Subsection 1 has effect from 18 March 2016.

37. (1) Section 16 of the Act is amended by replacing the second paragraph by the following paragraph:

“For the purposes of subparagraph *d* of the first paragraph, a legal person is closely related to a particular legal person if, at the time of the transfer, the particular legal person, a qualifying subsidiary of the particular legal person, a legal person of which the particular legal person is a qualifying subsidiary, a qualifying subsidiary of a legal person of which the legal person is a qualifying subsidiary or two or more such legal persons or subsidiaries owns shares of the capital stock of the legal person carrying at least 90% of the voting rights that may be exercised under any circumstances at the annual meeting of shareholders of the legal person.

For the purposes of the second paragraph, a legal person whose shares of the capital stock carrying at least 90% of the voting rights that may be exercised under any circumstances at the annual meeting of shareholders of the legal person are owned, at the time of the transfer, by another legal person is a qualifying subsidiary of that other legal person at that time.

For the purposes of this section, each person, other than the transferor or the transferee, who, at any time, has a right under a contract or otherwise, either immediately or in the future and either absolutely or contingently, to, or to acquire, shares of a legal person or to control the voting rights of such shares, or to cause a legal person to redeem, acquire or cancel any shares of its capital stock owned by other shareholders of the legal person, is deemed, at that time, to have exercised that right, except where the right is not exercisable at that time because its exercise is contingent on the death, bankruptcy or permanent disability of a person.”

(2) by replacing the fourth paragraph by the following paragraph:

“Thoroughfares, fences or landscape development works are not to be entered on the roll if they are accessory to the system or a component of the system. In that respect, any public or private road, regardless of its area, is a thoroughfare accessory to an electric system or to a component of such a system, even if it is not used exclusively for the purposes of the system or component.”;

(3) by adding the following paragraph after the ninth paragraph:

“Works accessory to an electric system or a component of such a system include works that have been built because of the existence of the network or component, regardless of whether they are materially connected and whether they are used for the production, transmission or distribution of electric power or for the operation of the system or component.”

(2) Subsection 1 applies from the calendar year 2016.

44. (1) The Act is amended by inserting the following after section 210:

“DIVISION I.1

“GRANT FOR SENIORS TO OFFSET A MUNICIPAL TAX INCREASE

“§1.—*Interpretation and general rules*

“210.1. In this division, unless the context indicates otherwise,

“eligible spouse” of a person for a year means the person who is the person’s eligible spouse for the year for the purposes of Title IX of Book V of Part I of the Taxation Act (chapter I-3);

“family income” of a person for a year means the aggregate of the income of the person for the year, determined under Part I of the Taxation Act, and the income, for the year, of the person’s eligible spouse for the year, determined under that Part I;

“roll” means the property assessment roll.

For the purposes of this division, “spouse” and “former spouse” must be construed in accordance with the rules of sections 2.2 and 2.2.1 of the Taxation Act.

“210.2. For the purposes of this division, a person is considered to be a person resident in Québec or Canada if the person is so considered for the purposes of the Taxation Act (chapter I-3), and is considered to be a person not resident in Québec or Canada in any other case.

“210.3. For the purposes of the definition of “family income” in the first paragraph of section 210.1, the following rules apply:

(1) the income for a year of a person who was not resident in Canada throughout the year is deemed to be equal to the income that would be determined in respect of the person for the year under Part I of the Taxation Act (chapter I-3) if the person had been resident in Québec and in Canada throughout the year or, if the person died in the year, throughout the period of the year preceding the time of death; and

(2) if a person becomes a bankrupt in a year, section 779 of the Taxation Act does not apply for the purpose of determining the person’s income for the year.

“210.4. The amount referred to in paragraph 5 of section 210.5 that must be used for a year subsequent to the year 2016 is to be adjusted annually in such a manner that the amount used for that year is equal to the total of the amount used for the preceding year and the product obtained by multiplying that amount so used by the factor determined by the formula

$$(A/B) - 1.$$

In the formula in the first paragraph,

(1) A is the overall average Québec consumer price index without alcoholic beverages and tobacco products for the 12-month period that ended on 30 September of the year preceding that for which an amount is to be adjusted; and

(2) B is the overall average Québec consumer price index without alcoholic beverages and tobacco products for the 12-month period that ended on 30 September of the year immediately before the year preceding that for which the amount is to be adjusted.

For the purposes of the first paragraph, where the factor determined by the formula in that paragraph is less than zero, it is deemed to be equal to zero.

If the factor determined by the formula in the first paragraph has more than four decimal places, only the first four decimal digits are retained and the fourth is increased by one unit if the fifth is greater than 4.

If the amount that results from the adjustment provided for in the first paragraph is not a multiple of \$100, it is to be rounded to the nearest multiple of \$100 or, if it is equidistant from two such multiples, to the higher multiple.

“§2.—*Grant entitlement*

“**210.5.** Subject to section 210.13, a person is entitled to a grant for a particular year, subsequent to the year 2015, in respect of an entirely residential assessment unit consisting of only one dwelling (in this division referred to as the “specified assessment unit”), other than the assessment unit referred to in the second paragraph, if

(1) at the end of 31 December of the year preceding the particular year, the person is resident in Québec and has owned the specified assessment unit for at least 15 consecutive years;

(2) the person has reached 65 years of age before the beginning of the particular year;

(3) the person is a person to whom the municipal tax account relating to the specified assessment unit was sent for the particular year;

(4) the specified assessment unit is the person’s principal place of residence at the time of the sending of the municipal tax account relating to the specified assessment unit for the particular year; and

(5) the person’s family income for the year preceding the particular year does not exceed \$50,000.

For the purposes of the first paragraph, an entirely residential assessment unit consisting of only one dwelling does not include a rectory that is exempt, in whole or in part, from municipal or school taxes under section 231.1.

“**210.6.** For the purposes of subparagraph 1 of the first paragraph of section 210.5, where a person has become the owner, as a result of a transfer, of a specified assessment unit that was owned before the transfer by the person’s spouse, or the person’s former spouse if the transfer was made under a decree, order or judgment of a competent tribunal, or under a written separation agreement, within the meaning of section 1 of the Taxation Act (chapter I-3), relating to a partition of property between them in settlement of rights arising out of, or on the breakdown of, their marriage, the person is deemed to have owned the specified assessment unit during each year that preceded the year of the transfer and in which the person’s spouse or former spouse, as the case may be, owned the specified assessment unit or was deemed to own it under this section.

“§3.—*Grant calculation*

“**210.7.** The amount of the grant to which a person to whom section 210.5 applies is entitled in respect of a specified assessment unit situated in the territory of a municipality for a year to which a roll applies (in this section referred to as the “current roll”) is equal to the lesser of \$500 and the amount determined by the formula

$$\{A \times [B - (C \times D)]\} + E.$$

In the formula in the first paragraph,

(1) A is the rate resulting from the addition of the rates of the following municipal property taxes that are applicable for the year to the specified assessment unit for the first fiscal year to which the current roll applies:

(a) the general property tax,

(b) each of the special property taxes that are imposed on all of the specified assessment units situated in the territory of the municipality, on the basis of their taxable value,

(c) a special tax whose purpose is to reimburse the debts of a municipality that ceased to exist following an amalgamation and that is imposed on all of the specified assessment units situated in the territory of the municipality that ceased to exist, on the basis of their taxable value,

(d) if the specified assessment unit is situated in the territory of a borough of Ville de Montréal, the borough tax that is imposed by the borough council on all of the specified assessment units situated in the territory of the borough, on the basis of their taxable value, and

(e) the urban agglomeration tax that is imposed by an urban agglomeration council on all of the specified assessment units situated in the territory of the municipality, on the basis of their taxable value;

(2) B is the value of the specified assessment unit entered on the current roll, as that roll stands on the day of its deposit;

(3) C is the value of the specified assessment unit entered on the roll immediately preceding the current roll, as that roll stands on the day preceding the day of the deposit of the current roll;

(4) D is an amount equal to the amount determined by the formula

$$(F/G) + 0.075;$$

(5) E is the amount of the grant awarded, under this division and in respect of the specified assessment unit, for the last year to which the roll immediately preceding the current roll relates, to the person or to any other person; and

(6) where the difference between the amount that B represents and the product obtained by multiplying the amounts that C and D represent is less than zero, such difference is deemed to be equal to zero.

In the formula in subparagraph 4 of the second paragraph,

(1) F is the amount obtained by dividing the total of the values entered on lines 501, 502 and 514 of the section entitled “VALEURS DES LOGEMENTS” of the form that is prescribed by the regulation made under paragraph 1 of section 263 and that pertains to the summary of the property assessment roll reflecting the state of the current roll on the day of its deposit by the total number of dwellings entered on those lines; and

(2) G is the amount obtained by dividing the total of the values entered on lines 501, 502 and 514 of the section entitled “VALEURS DES LOGEMENTS” of the form that is prescribed by the regulation made under paragraph 1 of section 263 and that pertains to the summary of the property assessment roll preceding the roll referred to in subparagraph 1 and reflecting its state on the day preceding the day of the deposit of the current roll by the total number of dwellings entered on those lines.

For the purpose of applying this section to a particular year subsequent to the year 2016, where the last year to which the roll immediately preceding the current roll relates is the year 2016 and the amount represented by E in the formula in the first paragraph for the particular year in respect of the specified assessment unit is greater than \$500, that amount is deemed to be equal to \$500 for the particular year.

“210.8. Where the amount determined by the formula in the first paragraph of section 210.7 is a decimal number, the decimal part is dropped and the integer is increased by 1 if the first decimal digit is greater than 4.

Where the amount determined by the formula in subparagraph 4 of the second paragraph of section 210.7 or the quotient resulting from the division under subparagraph 1 or 2 of the third paragraph of that section is a number that has more than four decimal places, only the first four decimal digits are retained and the fourth is increased by one unit if the fifth is greater than 4.

“210.9. Where a municipality applies, in respect of a roll, the measure for averaging the variation in taxable values provided for in Division IV.3, the formula in the first paragraph of section 210.7 is to be replaced, in relation to a particular year to which the roll applies, by

(1) $\frac{1}{3} \{A \times [B - (C \times D)]\} + E$, where the averaging measure applies to three fiscal years and the particular year corresponds to the first of those fiscal years;

(2) $\frac{2}{3} \{A \times [B - (C \times D)]\} + E$, where the averaging measure applies to three fiscal years and the particular year corresponds to the second of those fiscal years; or

(3) $\frac{1}{2} \{A \times [B - (C \times D)]\} + E$, where the averaging measure applies only to two fiscal years and the particular year corresponds to the first of those fiscal years.

“210.10. Unless the amount of the grant that a person may obtain for a year (in respect of a specified assessment unit, if section 210.5 applied to the person and if the formula in the first paragraph of section 210.7 were read without reference to “+ E”) is specified on the municipal tax account, a municipality shall specify that amount in the prescribed form containing prescribed information and send the form to the person on or before the last day of February of that year.

“210.11. Where, on a date subsequent to the date of the deposit of a roll, an alteration (other than an alteration referred to in section 210.12) is made to the roll to reflect the decrease in the taxable value of a specified assessment unit, subparagraph 2 of the second paragraph of section 210.7 is to be read, in relation to the specified assessment unit, for any year beginning after the date of the alteration and to which the roll applies, as if “as that roll stands on the day of its deposit” were replaced by “as that roll stands at the end of the fiscal year in which the taxable value of the specified assessment unit was reduced”.

“210.12. Where an alteration to the taxable value of a specified assessment unit is effective from the date of coming into force of a roll or the day before that date, the amount of the grant provided for in section 210.7, in relation to the specified assessment unit for a year to which the roll applies, is to be determined or redetermined, as the case may be, taking into account, for the purposes of subparagraph 2 or 3 of the second paragraph of that section, the taxable value of the specified assessment unit as altered.

Where an alteration provided for in the first paragraph is made to a roll after an application under section 210.13 has been filed with the Minister of Revenue by a person, in relation to a specified assessment unit, for a particular year to which the roll applies, the following rules apply:

(1) section 210.10 applies to the municipality in respect of which the roll was altered, but the form referred to in that section must, if applicable, be sent again to the person within a reasonable time; and

(2) on or before the sixtieth day after the date of sending of the altered municipal taxes account, if the tax account specifies the amount of the potential grant, or, in any other case, of the form referred to in section 210.10, that was sent to the person because of the alteration to the roll, the person shall file an application for the review with the Minister of Revenue.

“§4.—*Grant application*

“**210.13.** A person wishing to benefit from a grant for a particular year in respect of a specified assessment unit must file an application on or before 31 December of the fourth year that follows the particular year with the Minister of Revenue in the prescribed form containing prescribed information that the person must enclose with the fiscal return the person is required to file under section 1000 of the Taxation Act (chapter I-3) for the year that ended immediately before the beginning of the particular year or would be required to file if tax were payable by the person for that year under Part I of that Act.

“**210.14.** If, for a year, more than one person could, but for this section, be entitled to an amount under section 210.7 in respect of a specified assessment unit that the persons jointly own, the total of the amounts to which each of those persons may be entitled under that section for the year in relation to the specified assessment unit may not exceed the particular amount to which only one of those persons could be entitled under that section for the year in relation to the specified assessment unit if that person were the sole owner of the specified assessment unit.

If the persons cannot agree on the portion of the particular amount to which each person would, but for this section, be entitled under section 210.7, the Minister of Revenue may determine the portion of that amount to which each person is entitled under that section.

“§5.—*Administrative provisions*

“**210.15.** The Minister of Revenue shall examine, with dispatch, the application filed under this division, determine the amount of the grant to which the person is entitled and send the person a notice of determination in that respect.

“**210.16.** The Minister of Revenue may redetermine the amount of a grant

(1) within three years after the date of sending of the notice of determination provided for in section 210.15; or

(2) at any time, if the applicant

(a) misrepresented the facts through negligence or wilful omission, committed fraud in making the application or furnishing any other information for the payment of the grant provided for in this division, or

(b) filed a waiver with the Minister in prescribed form.

“**210.17.** The provisions of the Tax Administration Act (chapter A-6.002), to the extent that they relate to an assessment or reassessment, apply, with the necessary modifications, to the determination or redetermination of an amount under this division.

“210.18. The payment of a grant to a person is deemed to be a refund to the person by reason of the application of a fiscal law.

“210.19. The sums required for the payment of a grant owing under this division are taken out of the tax revenues collected under the Taxation Act (chapter I-3).

“210.20. This division is deemed to be a fiscal law within the meaning of the Tax Administration Act (chapter A-6.002).”

(2) Subsection 1 has effect from 1 January 2016. However, where section 210.7 of the Act applies in respect of a grant application filed before 24 September 2016, the portion of the first paragraph of that section before the formula is to be read without reference to “the lesser of \$500 and”.

i. the acquirer is immediately before the particular time affiliated with the particular trust, or

ii. this paragraph previously applied to deem that a person became a majority-interest beneficiary of the particular trust because the particular person became, as part of a series of transactions or events that includes the particular person becoming at the particular time a subsidiary of the acquirer, a subsidiary of another person that is at the particular time a subsidiary of the acquirer; or

(b) at the particular time, as part of a series of transactions or events, two or more persons acquire equity of the particular trust in exchange for or upon a redemption or surrender of equity of, or as a consequence of a distribution from, a corporation, partnership or another trust, unless

i. a person affiliated with the corporation, partnership or other trust was immediately before the particular time a majority-interest beneficiary of the particular trust,

ii. if all the equity of the particular trust that was acquired at or before the particular time as part of the series of transactions or events were acquired by one person, the person would not at the particular time be a majority-interest beneficiary of the particular trust, or

iii. this paragraph previously applied to deem a person to become a majority-interest beneficiary of the particular trust because of an acquisition of equity of the particular trust that was part of the series of transactions or events.

“21.0.9. For the purposes of this chapter, the following rules apply:

(a) in determining whether persons are affiliated with each other

i. except for the purposes of paragraph *b* of the definition of “subsidiary” in section 21.0.5, section 21.0.3 applies without reference to the definition of “controlled” in section 21.0.1,

ii. individuals connected by blood relationship, marriage or adoption are deemed to be affiliated with one another, and

iii. if, at any time as part of a series of transactions or events a person acquires equity of a corporation, partnership or trust, and it can reasonably be concluded that one of the reasons for the acquisition, or for making any agreement or undertaking in respect of the acquisition, is to cause a condition in paragraph *a* or *b* of section 21.0.7 or subparagraph i of paragraph *a* or *b* of section 21.0.8 regarding affiliation to be satisfied at a particular time, the condition is deemed not to be satisfied at the particular time; and

(b) in determining whether a particular person becomes at a particular time a majority-interest beneficiary, or a particular group of persons becomes at a particular time a majority-interest group of beneficiaries, of a trust, the fair market value of each person’s equity of the trust is to be determined at and immediately before the particular time

i. without reference to the portion of that fair market value that is attributable to property acquired if it can reasonably be concluded that one of the reasons for the acquisition is to cause paragraph *b* of section 21.0.6, or any provision that applies by reference to a trust being subject to a loss restriction event at any time, not to apply,

ii. without reference to the portion of that fair market value that is attributable to a change in the fair market value of all or part of any equity of the trust if it can reasonably be concluded that one of the reasons for the change is to cause paragraph *b* of section 21.0.6, or any provision that applies by reference to a trust being subject to a loss restriction event at any time, not to apply, and

iii. as if each specified right held immediately before the particular time by the particular person, or by a member of the particular group of persons, in respect of the trust is at that time exercised if it can reasonably be concluded that one of the reasons for the acquisition of the right is to cause paragraph *b* of section 21.0.6, or any provision that applies by reference to a trust being subject to a loss restriction event at any time, not to apply.

“21.0.10. For the purposes of this Part, if a trust is subject to a loss restriction event at a particular time during a day, the trust is deemed to be subject to the loss restriction event at the beginning of that day and not at the particular time unless the trust makes a valid election under subsection 6 of section 251.2 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) in that respect.

Chapter V.2 applies in relation to an election made under subsection 6 of section 251.2 of the Income Tax Act.”

(*b*) no amount of income or capital of the trust to be distributed, at any time at or after the change, in respect of any interest in the trust depends upon the exercise by any person or partnership, or the failure of any person or partnership to exercise, any discretionary power.”

77. (1) Section 21.4.1 of the Act is amended by replacing “of sections 83.0.3” in paragraph *b* by “of sections 21.0.6, 83.0.3”.

78. (1) The Act is amended by inserting the following after section 21.4.2:

“CHAPTER V.0.1

“ATTRIBUTE TRADING

“21.4.2.1. In this chapter,

“attribute trading restriction” means any restriction on the use of a tax attribute arising on the application, either alone or in combination with other provisions, of any of this chapter, sections 6.2, 21.1 to 21.3.1, 83.0.3, 93.4, 222 to 230.0.0.6, 384.4 and 384.5, the first paragraph of section 418.26, sections 418.30, 427.4, 564.4, 564.4.1 and 727 to 737, paragraph *f* of section 772.13 and sections 1029.8.36.166.49, 1029.8.36.166.50, 1029.8.36.171.3 and 1029.8.36.171.4;

“person” includes a partnership;

“specified provision” means any of sections 83.0.3 and 93.4, paragraph *d* of section 225, section 384.4 or 384.5, the first paragraph of section 418.26, any of sections 418.30, 427.4, 736, 736.0.1, 736.0.1.1, 736.0.2 and 736.0.3.1, paragraph *f* of section 772.13, any of sections 1029.8.36.166.49, 1029.8.36.166.50, 1029.8.36.171.3 and 1029.8.36.171.4 and any other provision of similar effect.

“21.4.2.2. The rules provided for in section 21.4.2.3 apply at a particular time in respect of a corporation in connection with attribute trading restrictions if

(*a*) shares of the capital stock of the corporation held by a person, or the total of all shares of the capital stock of the corporation held by members of a group of persons, as the case may be, have at the particular time a fair market value that exceeds 75% of the fair market value of all the shares of the capital stock of the corporation;

(*b*) shares of the capital stock of the corporation held by the person, or the total of all shares of the capital stock of the corporation held by members of the group of persons, have immediately before the particular time a fair market value that does not exceed 75% of the fair market value of all the shares of the capital stock of the corporation;

(*c*) the person or group of persons does not control the corporation at the particular time; and

(d) it is reasonable to conclude that one of the main reasons that the person or group of persons does not control the corporation is to avoid the application of one or more specified provisions.

“21.4.2.3. The rules to which section 21.4.2.2 refers at a particular time in respect of a corporation are as follows:

(a) the person or group of persons referred to in section 21.4.2.2

i. is deemed to acquire control of the corporation, and each corporation controlled by the corporation, at the particular time, and

ii. is not deemed to have control of the corporation, and each corporation controlled by the corporation, at any time after the particular time solely because this paragraph applied at the particular time; and

(b) during the period that the condition in paragraph *a* of section 21.4.2.2 is satisfied, each corporation referred to in paragraph *a*—and any corporation incorporated subsequent to the particular time and controlled by that corporation—is deemed not to be related to, or affiliated with, any person to which it was related to, or affiliated with, immediately before paragraph *a* applies.

“21.4.2.4. For the purpose of applying paragraph *a* of section 21.4.2.2 in respect of a person or group of persons, the following rules apply:

(a) if it is reasonable to conclude that one of the reasons that one or more transactions or events occur is to cause a person or group of persons not to hold shares having a fair market value that exceeds 75% of the fair market value of all the shares of the capital stock of a corporation, no account is to be taken of those transactions or events; and

(b) the person, or each member of the group of persons, is deemed to have exercised each right that is held by the person or a member of the group and that is referred to in paragraph *b* of section 20 in respect of a share of the corporation referred to in paragraph *a* of section 21.4.2.2.

“21.4.2.5. For the purposes of sections 21.4.2.2 to 21.4.2.4, if the fair market value of the shares of the capital stock of a corporation is nil at a particular time, then for the purpose of determining the fair market value of those shares, the corporation is deemed, at that time, to have assets net of liabilities equal to \$100,000 and to have \$100,000 of income for the taxation year that includes that time.

“21.4.2.6. If, at a particular time as part of a transaction or event or series of transactions or events, control of a particular corporation is acquired by a person or group of persons and it can reasonably be concluded that one of the main reasons for the acquisition of control is so that a specified provision does not apply to one or more corporations, the attribute trading restrictions are

deemed to apply to each of those corporations as if control of each of those corporations were acquired at that time.”

(2) Subsection 1 has effect from 21 March 2013. However, it does not apply in respect of a transaction or event that occurs

(1) before 21 March 2013; or

(2) after 20 March 2013 pursuant to an obligation arising out of an agreement in writing entered into before 21 March 2013, provided that none of the parties to the agreement may be excused from fulfilling the obligation as a result of changes to the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

79. (1) Section 21.4.16 of the Act is amended by replacing “Part III.7” in paragraphs *a* and *b* of the definition of “Québec tax results” by “Part III.7 or III.7.0.1”.

(2) Subsection 1 has effect from 18 March 2016.

80. (1) Section 21.20.2 of the Act is amended

(1) by replacing “Aux fins” in the portion before paragraph *a* in the French text by “Pour l’application”;

— subparagraphs *i* and *ii* of paragraph *b*;

— the portion of paragraph *c* before subparagraph *i*;

— the portion of paragraph *d* before subparagraph *i*;

— the portion of paragraph *f* before subparagraph *i*;

(3) by striking out subparagraph *i* of paragraph *f*;

(4) by replacing subparagraphs *ii* to *iv* of paragraph *f* by the following subparagraphs:

“ii. where a beneficiary’s share of the accumulating income or capital of the trust depends upon the exercise by any person of, or the failure by any person to exercise, a power to appoint, such shares are deemed to be owned at that time by the beneficiary,

“iii. in any case where subparagraph *ii* does not apply, a beneficiary is deemed at that time to own the proportion of such shares that the fair market

value of the beneficial interest in the trust of the beneficiary is of the fair market value of all beneficial interests in the trust, and

“iv. in the case of a trust referred to in section 467, the person referred to in that section from whom property of the trust or property for which it was substituted was directly or indirectly received is deemed to own such shares at that time; and”.

(2) Subsection 1 applies from the taxation year 2016.

81. (1) Section 39.6 of the Act is amended by adding the following paragraph after the second paragraph:

“In this section, “volunteer firefighter” means a person who, for very little or no annual compensation, responds to alarms from a fire safety service or a 9-1-1 emergency centre, issued in particular by radio, telephone, siren or alarm bell, and does not include a person who provides services as a volunteer firefighter or performs duties in this respect, if the person

- (a) replaces permanent firefighters for short periods;
- (b) is regularly or periodically on duty in a fire station; or
- (c) is remunerated for periods of on-call duty in the territory.”

(2) Subsection 1 is declaratory, except in respect of cases pending on 2 March 2015 and notices of objection filed with the Minister of Revenue on or before that date, where the basis of one of the subjects of the contestation, expressly invoked on or before that date in the motion for appeal or in the notice of objection, is the meaning of “volunteer firefighter”.

82. (1) Section 83.0.3 of the Act is replaced by the following section:

“83.0.3. Despite section 83.0.1, property described in an inventory of a taxpayer’s business that is an adventure or concern in the nature of trade at the end of the taxpayer’s taxation year that ends immediately before the time at which the taxpayer is subject to a loss restriction event is to be valued at the cost at which the taxpayer acquired the property, or its fair market value at the end of the year, whichever is lower, and, after that time, the cost at which the taxpayer acquired the property is deemed to be equal to that lower amount.”

(2) Subsection 1 has effect from 21 March 2013.

83. (1) Section 87 of the Act is amended by replacing subparagraph ii of paragraph *w* by the following subparagraph:

“ii. except as provided by any provision of any of Titles III.3 to III.5 of Book V or of Chapter III.1 of Title III of Book IX, does not reduce, for the purposes of this Part, the cost or capital cost of the property or the amount of the outlay or expense, as the case may be,”.

(2) Subsection 1 has effect from 27 March 2015.

84. (1) Section 92.5.2 of the Act is amended by replacing subparagraph 1 of subparagraph *i* of subparagraph *b* of the second paragraph by the following subparagraph:

“(1) of the taxpayer under section 92.5.2.1 or section 656.3 or 660.1, as it read in its application to the taxpayer’s taxation year 2015, or”.

(2) Subsection 1 applies from the taxation year 2016.

85. (1) Section 92.5.3.1 of the Act is amended by replacing subparagraph *i* of subparagraph *b* of the second paragraph by the following subparagraph:

“*i.* of the taxpayer under section 656.3.1 or 660.2, as it read in its application to the taxpayer’s taxation year 2015, or”.

(2) Subsection 1 applies from the taxation year 2016.

86. (1) The Act is amended by inserting the following sections after section 92.30:

“**92.31.** The second paragraph applies for a taxation year of an entity in respect of a security of the entity if

(*a*) the security becomes, at a particular time in the taxation year, a stapled security of the entity and, as a consequence, section 158.18 applies to deny the deductibility of amounts described in paragraphs *a* and *b* of that section;

(*b*) the security (or any security for which the security was substituted) ceased, at an earlier time, to be a stapled security of any entity and, as a consequence, section 158.18 ceased to apply to deny the deductibility of amounts that would have been described in paragraphs *a* and *b* of that section if the security had not ceased to be a stapled security; and

(*c*) throughout the period that began immediately after the most recent time referred to in subparagraph *b* and that ends at the particular time, the security (or any security for which the security was substituted) was not a stapled security of any entity.

Where this paragraph applies for a taxation year of an entity in respect of a security of the entity, the entity must include in computing its income for the year each amount that

(*a*) was deducted by the entity (or by another entity that issued a security for which the security was substituted) in computing its income for a taxation year that includes any part of the period described in subparagraph *c* of the first paragraph; and

(b) would not have been so deductible if section 158.18 had applied in respect of the amount.

The definitions in section 158.16 apply to this section and section 92.32.

“92.32. For the purposes of section 1037, where the second paragraph of section 92.31 provides for the inclusion of a particular amount described in subparagraph *a* of that second paragraph in computing the income of an entity for a taxation year, the entity is deemed to have an amount of unpaid tax immediately after the entity’s balance-due day for the year computed as if

(a) the entity had been resident in Canada throughout the year;

(b) the entity’s tax payable for the year were equal to the tax payable by the entity on its taxable income for the year;

(c) the particular amount were the entity’s only taxable income for the year;

(d) the entity had claimed no deductions under Book V for the year;

(e) the entity had not paid any amounts on account of its tax payable for the year; and

(f) the tax payable to which paragraph *b* applies had been an amount of unpaid tax throughout the period that begins immediately after the end of the taxation year for which the particular amount was deducted and that ends on the entity’s balance-due day for the year.”

(2) Subsection 1 has effect from 20 July 2011.

87. (1) Section 93.3.1 of the Act is amended by replacing subparagraph 4 of subparagraph iii of subparagraph *b* of the second paragraph by the following subparagraph:

“(4) that is immediately before the transferor is subject to a loss restriction event, or”.

(2) Subsection 1 has effect from 21 March 2013.

88. (1) Sections 93.4 and 93.5 of the Act are replaced by the following sections:

“93.4. For the purposes of subparagraph *i* of subparagraph *e* of the first paragraph of section 93, where, at a particular time, a taxpayer is subject to a loss restriction event and, within the 12-month period that ended immediately before that time, the taxpayer, a partnership of which the taxpayer was a majority-interest partner or a trust of which the taxpayer was a majority-interest beneficiary, within the meaning of section 21.0.1, acquired depreciable property that was not used, or acquired for use, by the taxpayer, partnership or trust in

a business that was carried on by it immediately before the 12-month period began,

(a) the property is deemed, subject to subparagraph *b*, to have been acquired by the taxpayer, partnership or trust immediately after the particular time and not to have been acquired by it before that time; and

(b) where the property was disposed of by the taxpayer, partnership or trust before the particular time and was not reacquired by it before that time, the property is deemed to have been acquired by it immediately before the property was disposed of.

However, the first paragraph does not apply in the case of an acquisition of property that was owned by the taxpayer, partnership or trust or by a person that would, but for the definition of “controlled” in section 21.0.1, have been affiliated with the taxpayer throughout the period that began immediately before the 12-month period referred to in the first paragraph and ended at the time the property was acquired by the taxpayer, partnership or trust.

“93.5. For the purposes of section 93.4, where the taxpayer referred to in that section was formed or created in the 12-month period referred to in the first paragraph of that section, the taxpayer is deemed to have been

(a) in existence throughout the period that began immediately before that 12-month period and ended immediately after it was formed or created; and

(b) affiliated, throughout the period referred to in paragraph *a*, with every person with whom it was affiliated, otherwise than because of a right referred to in paragraph *b* of section 20, throughout the period that began when it was formed or created and ended immediately before the time at which the taxpayer was subject to the loss restriction event referred to in that section.”

(2) Subsection 1 has effect from 21 March 2013. However, where section 93.4 of the Act applies before 13 September 2013, it is to be read as follows:

“93.4. For the purposes of subparagraph *i* of subparagraph *e* of the first paragraph of section 93, where, at a particular time, a taxpayer is subject to a loss restriction event and, within the 12-month period that ended immediately before that time, the taxpayer or a partnership of which the taxpayer was a majority-interest partner acquired depreciable property that was not used, or acquired for use, by the taxpayer or partnership in a business that was carried on by it immediately before the 12-month period began,

(a) the property is deemed, subject to subparagraph *b*, to have been acquired by the taxpayer or partnership immediately after the particular time and not to have been acquired by it before that time; and

(b) where the property was disposed of by the taxpayer or partnership before the particular time and was not reacquired by it before that time, the property

is deemed to have been acquired by it immediately before the property was disposed of.

However, the first paragraph does not apply in the case of an acquisition of property that was owned by the taxpayer or partnership or by a person that would, but for the definition of “controlled” in section 21.0.1, have been affiliated with the taxpayer throughout the period that began immediately before the 12-month period referred to in the first paragraph and ended at the time the property was acquired by the taxpayer or partnership.”

89. (1) Section 99 of the Act is amended by replacing paragraph *d.2* by the following paragraph:

“(d.2) where a taxpayer is deemed under subparagraph *c* of the second paragraph of section 736 to have disposed of and reacquired depreciable property, other than a timber resource property, the capital cost to the taxpayer of the property at the time of the reacquisition is deemed to be equal to the aggregate of

i. the capital cost to the taxpayer of the property at the time of the disposition, and

ii. subject to section 99.1, 1/2 of the amount by which the taxpayer’s proceeds of disposition of the property exceed the capital cost to the taxpayer of the property at the time of the disposition;”.

(2) Subsection 1 has effect from 21 March 2013.

90. (1) Section 106.4 of the Act is amended, in the second paragraph,

(1) by replacing “réfère le premier alinéa” in the portion before subparagraph *a* in the French text by “le premier alinéa fait référence”;

(2) by replacing subparagraph *iv* of subparagraph *a* by the following subparagraph:

“iv. that is immediately before the transferor is subject to a loss restriction event, or”.

(2) Subsection 1 has effect from 21 March 2013.

91. (1) Section 127.6 of the Act is replaced by the following section:

“127.6. Where the conditions of the third paragraph are met in respect of a corporation resident in Canada in relation to an amount owing to the corporation (in this section referred to as the “debt”), the corporation shall include in computing its income for a taxation year the amount determined by the formula

A – B.

In the formula in the first paragraph,

(a) A is the amount of interest that would be included in computing the corporation's income for the year in respect of the debt if interest on the debt were computed at the prescribed rate for the period in the year during which the debt was outstanding; and

(b) B is the aggregate of all amounts each of which is

i. an amount included in computing the corporation's income for the year as, on account of, in lieu of or in satisfaction of, interest in respect of the debt,

ii. an amount received or receivable by the corporation from a trust that is included in computing the corporation's income for the year or a subsequent year and that can reasonably be attributed to interest on the debt for the period in the year during which the debt was outstanding, or

iii. an amount included in computing the corporation's income for the year or a subsequent taxation year under section 580 that can reasonably be attributed to interest on an amount owing (in this section referred to as the "original debt")—or if the amount of the original debt exceeds the amount of the debt, a portion of the original debt that is equal to the amount of the debt—for the period in the year during which the debt was outstanding if

(1) without the existence of the original debt, section 127.7 would not have deemed the debt to be owed by a person not resident in Canada and referred to in subparagraph *a* of the third paragraph,

(2) the original debt was owed by a person not resident in Canada or a partnership each member of which is such a person, and

(3) where section 127.3.2 applies in respect of the original debt, an amount determined under subparagraph *a* or *b* of the first paragraph of that section in respect of the original debt is an amount referred to in paragraph *a* of section 127.7 and, because of the amount referred to in that paragraph *a*, the debt is deemed to be owed by the person not resident in Canada and referred to in subparagraph *a* of the third paragraph, and the original debt was owing by an intermediate lender to an initial lender or by an intended borrower to an intermediate lender, within the meaning assigned to those expressions by the second paragraph of section 127.3.2.

The conditions to which the first paragraph refers in relation to a debt contracted with a corporation resident in Canada are met if at any time in a taxation year of the corporation,

(a) a person not resident in Canada owes the amount to the corporation;

(b) the amount has been or remains outstanding for more than a year; and

(c) the amount that would be determined under subparagraph *b* of the second paragraph, if the first and second paragraphs of this section applied, for the year in respect of a debt is less than the amount of interest that would be included in computing the corporation's income for the year in respect of the debt if that interest were computed at a reasonable rate for the period in the year during which the amount was outstanding.”

(2) Subsection 1 applies to a taxation year that begins after 23 February 1998.

(3) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer's tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 and 2. (2) by replacing paragraph *b* by the following paragraph:

“(b) it may reasonably be considered that the amount or a portion of the amount became owing, or was permitted to remain owing, to the particular person or partnership because a corporation resident in Canada made a loan or transfer of property, or the particular person or partnership anticipated that a corporation resident in Canada would make a loan or transfer of property, either directly or indirectly in any manner whatever, to or for the benefit of any person or partnership (other than an exempt loan or transfer).”

(2) Subsection 1 applies to a taxation year that begins after 12 July 2013.

(3) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer's tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 and 2. Where, at a particular time, an option described in subparagraph *b* of the second paragraph of section 294 expires, the corporation that granted the option is deemed to have disposed, at that time for proceeds of disposition equal to the amount received by it in consideration for the granting of the option, of capital property the adjusted cost base of which to the corporation immediately before that time is deemed to be nil, unless

(*a*) the option is held, at the particular time, by a person who deals at arm’s length with the corporation and the option was granted by the corporation to a person who was dealing at arm’s length with the corporation at the time that the option was granted; or

(*b*) the option is an option to acquire shares of the capital stock of the corporation in consideration for expenses incurred pursuant to an agreement described in paragraph *e* of any of sections 364, 395 and 408 or in paragraph *c* of section 418.2.

“295.1. Where, at a particular time, an option granted by a trust and referred to in subparagraph *b.1* of the second paragraph of section 294 expires, and the option is held at that time by a person who does not deal at arm’s length with the trust or was granted to a person who did not deal at arm’s length with the trust at the time that the option was granted, the following rules apply:

(*a*) the trust is deemed to have disposed of capital property at the particular time for proceeds of disposition equal to the amount received by it in consideration for the granting of the option; and

(*b*) the adjusted cost base to the trust of that capital property immediately before the particular time is deemed to be nil.”

(2) Subsection 1 applies in respect of an option issued after 24 October 2012.

amount was otherwise added to the cost or included in computing the adjusted cost base to the taxpayer of the property at or before that time.”;

(2) by replacing “auquel réfère le premier alinéa” in the portion of the second paragraph before subparagraph *a* in the French text by “auquel le premier alinéa fait référence”.

(2) Subsection 1 applies in respect of an amount received after 8 November 2006.

118. (1) Sections 384.4 and 384.5 of the Act are replaced by the following sections:

“**384.4.** For the purposes of sections 371 to 374, 408 to 416 and 418.1 to 418.12, except as those sections apply for the purposes of sections 418.15 to 418.36, where, at a particular time, a taxpayer is subject to a loss restriction event, where, within the 12-month period that ended immediately before that time, the taxpayer, a partnership of which the taxpayer was a majority-interest partner or a trust of which the taxpayer was a majority-interest beneficiary, within the meaning of section 21.0.1, acquired a Canadian resource property or a foreign resource property, and where, immediately before the 12-month period began, the taxpayer was not a development corporation or the partnership or trust, if it were a corporation, would not be a development corporation,

(a) the property is deemed, subject to subparagraph *b*, to have been acquired by the taxpayer, partnership or trust at the particular time and not to have been acquired by it before that time; and

(b) where the property was disposed of by the taxpayer, partnership or trust before the particular time and was not reacquired by it before that time, the property is deemed to have been acquired by it immediately before the property was disposed of.

However, the first paragraph does not apply in the case of an acquisition of property that was owned by the taxpayer, partnership or trust or by a person that would, but for the definition of “controlled” in section 21.0.1, have been affiliated with the taxpayer throughout the period that began immediately before the 12-month period referred to in the first paragraph and ended at the time the property was acquired by the taxpayer, partnership or trust.

“384.5. For the purposes of section 384.4, where the taxpayer referred to in that section was formed or created in the 12-month period referred to in the first paragraph of that section, the taxpayer is deemed to have been

(a) in existence throughout the period that began immediately before that 12-month period and ended immediately after it was formed or created; and

(b) affiliated, throughout the period referred to in paragraph *a*, with every person with whom it was affiliated, otherwise than because of a right referred to in paragraph *b* of section 20, throughout the period that began when it was formed or created and ended immediately before the time at which the taxpayer was subject to the loss restriction event referred to in that section.”

(a) the property is deemed, subject to subparagraph *b*, to have been acquired by the taxpayer or partnership at the particular time and not to have been acquired by it before that time; and

(b) where the property was disposed of by the taxpayer or partnership before the particular time and was not reacquired by it before that time, the property is deemed to have been acquired by it immediately before the property was disposed of.

However, the first paragraph does not apply in the case of an acquisition of property that was owned by the taxpayer or partnership or by a person that would, but for the definition of “controlled” in section 21.0.1, have been affiliated with the taxpayer throughout the period that began immediately before the 12-month period referred to in the first paragraph and ended at the time the property was acquired by the taxpayer or partnership.”

(2) Subsection 1 applies in respect of a disposition of shares made after 17 March 2016.

137. (1) The Act is amended by inserting the following after section 517.5.2:

“DIVISION II

“ELIGIBLE BUSINESS TRANSFER

“517.5.3. In this division,

“eligible business transfer” of an individual means a series of transactions that includes the disposition of eligible primary and manufacturing sectors shares of the individual in circumstances described in section 517.1, if the conditions of sections 517.5.6 to 517.5.11 are satisfied in respect of the series of transactions;

“eligible primary and manufacturing sectors share” means

(a) a share of the capital stock of a family farm corporation, within the meaning of the first paragraph of section 726.6.1;

(b) a share of the capital stock of a family fishing corporation, within the meaning of the first paragraph of section 726.6.1; or

(c) a qualified small business corporation share, within the meaning of the first paragraph of section 726.6.1, of the capital stock of a primary and manufacturing sectors corporation;

“primary and manufacturing sectors corporation”, at the time of the disposition of a share, means a corporation more than 50% of the fair market value of the assets of which is, at that time, attributable to assets used in the primary and manufacturing sectors.

For the purposes of this division, a corporation has a substantial interest in another corporation at a particular time if it has such an interest in the other corporation under subsection 2 of section 191 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) at that time.

“517.5.4. For the purposes of the definition of “primary and manufacturing sectors corporation” in the first paragraph of section 517.5.3, the following rules apply:

(a) an asset of a particular corporation, other than an investment, is deemed to be used in the primary and manufacturing sectors by the particular corporation at the time of the disposition of a share of its capital stock if the prescribed proportion of primary and manufacturing sectors activities of the particular corporation, for its last two taxation years that ended before the disposition of the share and that have at least 183 days, is at least 50%; and

(b) an asset of a particular corporation that is an investment in another corporation is deemed to be an asset of the particular corporation used in the primary and manufacturing sectors by the particular corporation at the time of the disposition of a share of the capital stock of the particular corporation if, at that time, the other corporation is a primary and manufacturing sectors corporation because of subparagraph *a*.

For the purposes of subparagraph *a* of the first paragraph, where a taxation year described in that subparagraph begins before 1 January 2017, the rule according to which the prescribed proportion of primary and manufacturing sectors activities of the particular corporation for that year must be at least 50% is replaced by a rule according to which the proportion of manufacturing and processing activities of the particular corporation, within the meaning of section 771.1, for that year must be at least 50%.

In this section, “investment” of a particular corporation in another corporation means a share of the capital stock of the other corporation or a debt of the other corporation that belongs to the particular corporation.

“517.5.5. Where eligible shares of a primary and manufacturing sectors corporation of an individual, other than a trust, are disposed of in connection with an eligible business transfer of the individual and, but for this section, a dividend equal to the excess amount that corresponds to the amount by which the aggregate determined under section 517.3 exceeds the aggregate determined under section 517.3.1 would, under section 517.2, be deemed to have been paid by the purchaser corporation to the individual, and received by the individual from the purchaser corporation, at the time of the disposition of those shares, the following rules apply:

(a) the lesser of the amount of that excess amount and the amount determined in respect of the disposition of those shares under paragraph *b* of subsection 1 of section 84.1 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) is deemed, for the purposes of this Part, to be a

capital gain from the disposition of those shares, up to twice the amount determined in respect of the individual for the year under

i. subparagraph *a* of the first paragraph of section 726.7, where the shares disposed of are shares described in paragraph *a* of the definition of “eligible primary and manufacturing sectors shares” in the first paragraph of section 517.5.3,

ii. subparagraph *a* of the first paragraph of section 726.7.1, where the shares disposed of are shares described in paragraph *c* of the definition of “eligible primary and manufacturing sectors shares” in the first paragraph of section 517.5.3, or

iii. subparagraph *a* of the first paragraph of section 726.7.2, where the shares disposed of are shares described in paragraph *b* of the definition of “eligible primary and manufacturing sectors shares” in the first paragraph of section 517.5.3; and

(*b*) the amount of the capital gain determined under paragraph *a* in respect of the disposition of those shares is deemed not to be a dividend paid by the purchaser corporation and received by the individual at the time of the disposition of those shares.

“517.5.6. A series of transactions that includes the disposition by an individual of eligible primary and manufacturing sectors shares of a corporation (in this section referred to as the “particular corporation”) may be considered to be an eligible business transfer of the individual only if the individual or the individual’s spouse was, while the individual owned those shares and during the 24-month period that immediately preceded the disposition of the shares, actively engaged in a business carried on by the particular corporation or by a corporation in which the particular corporation had a substantial interest.

For the purposes of the first paragraph, the following rules apply:

(*a*) where the individual or the individual’s spouse, as the case may be, is, immediately before the disposition of the shares, unable to actively engage in a business carried on by the particular corporation or by a corporation in which the particular corporation had a substantial interest due to an illness or a disability, the first paragraph is to be read as if “the 24-month period that immediately preceded the disposition of the shares” were replaced by “the 24-month period that preceded the time at which the individual’s inability, or that of the individual’s spouse, began”;

(*b*) the individual is deemed, during the 24-month period that immediately precedes the disposition of the shares, to own the shares and to have been actively engaged in a business carried on by the particular corporation or by a corporation in which the particular corporation had a substantial interest if

i. the individual's spouse died in the 24-month period that precedes the disposition of the shares, and

ii. the individual or the individual's spouse was actively engaged in a business carried on by the particular corporation or by a corporation in which the particular corporation had a substantial interest during the 24-month period that precedes the date of death; and

(c) where an individual was actively engaged in a business during a particular period and all or substantially all of the assets used in the course of carrying on that business is disposed of to a corporation as consideration for shares of the capital stock of the corporation, the individual is deemed to have actively engaged in a business carried on by the corporation for the particular period.

“517.5.7. A series of transactions that includes the disposition by an individual of eligible primary and manufacturing sectors shares of a corporation (in this section referred to as the “particular corporation”) may not be considered to be an eligible business transfer of the individual where, after the disposition of the shares, the individual or the individual's spouse is actively engaged in a qualified business carried on by the purchaser corporation, by the particular corporation or by a corporation in which the particular corporation has a substantial interest, unless

(a) the active engagement of the individual or the individual's spouse in that business for a particular period (in the second paragraph referred to as the “transition period”) aims to encourage the transfer of the knowledge possessed by the individual or the individual's spouse in relation to that business for the benefit of other persons actively engaged in that business;

(b) substantially all the income from the business in which the individual or the individual's spouse is actively engaged is not derived from the sale, leasing, rental or development, as the case may be, of properties, or the rendering of services, similar to those of a business that, before the disposition of the shares, was carried on by the purchaser corporation, by the particular corporation or by a corporation in which the purchaser corporation or the particular corporation held a direct or indirect interest; or

(c) the active engagement of the individual or the individual's spouse in that business stems from the sole fact that the person referred to in section 517.5.11 is unable to actively engage in that business due to an illness, a disability or the person's death if the illness, disability or death begins or occurs after the disposition of the shares of the particular corporation.

For the purposes of subparagraph *a* of the first paragraph, for any calendar year included in whole or in part in the transition period, the remuneration received by an individual as consideration for services rendered in the calendar year or part of calendar year because the individual is actively engaged in a business carried on by the purchaser corporation, by the particular corporation or by a corporation in which the particular corporation has a substantial interest

must not exceed the amount obtained by multiplying the Maximum Pensionable Earnings determined for the year under section 40 of the Act respecting the Québec Pension Plan (chapter R-9) by the proportion that the number of days in the calendar year that are included in whole or in part in the transition period is of 365.

“517.5.8. A series of transactions that includes the disposition by an individual of eligible primary and manufacturing sectors shares of a corporation (in this section referred to as the “particular corporation”) may not be considered to be an eligible business transfer of the individual where, in the period that begins 30 days after the disposition of the shares and ends at the end of that series of transactions, the individual or the individual’s spouse controls the particular corporation or a corporation in which the particular corporation had, immediately before the disposition of those shares, a substantial interest or is a member of a group of persons that controls such a corporation, unless the corporation is

(a) a corporation carrying on a business substantially all the income of which is not derived from the sale, leasing, rental or development, as the case may be, of properties, or the rendering of services, similar to those of a business that, before the disposition of the shares, was carried on by the purchaser corporation, by the particular corporation or by a corporation in which the purchaser corporation or the particular corporation held a direct or indirect interest; or

(b) a corporation that does not carry on a qualified business.

“517.5.9. A series of transactions that includes the disposition by an individual of eligible primary and manufacturing sectors shares of a corporation (in this section referred to as the “particular corporation”) may not be considered to be an eligible business transfer of the individual where, in the period that begins 30 days after the disposition of the shares and ends at the end of that series of transactions, the individual or the individual’s spouse holds, directly or indirectly, common shares of the capital stock of the particular corporation or of a corporation in which the particular corporation had, immediately before the disposition of those shares, a substantial interest, unless they are common shares of the capital stock of such a corporation that is

(a) a corporation carrying on a business substantially all the income of which is not derived from the sale, leasing, rental or development, as the case may be, of properties, or the rendering of services, similar to those of a business that, before the disposition of the shares, was carried on by the purchaser corporation, by the particular corporation or by a corporation in which the purchaser corporation or the particular corporation held a direct or indirect interest; or

(b) a corporation that does not carry on a qualified business.

“517.5.10. A series of transactions that includes the disposition by an individual of eligible primary and manufacturing sectors shares of a corporation (in this section referred to as the “particular corporation”) may be considered to be an eligible business transfer of the individual only if

(a) throughout the period that begins 30 days after the disposition of the shares and ends at the end of that series of transactions, the aggregate of all amounts each of which is the amount of the residual financial interest of a person who is the individual, any other individual in respect of whom, but for this section, section 517.5.5 would apply in relation to the disposition of a share of the particular corporation in connection with that series of transactions, or their respective spouses, does not exceed

i. where the particular corporation is referred to in paragraph *a* or *b* of the definition of “eligible primary and manufacturing sectors share” in the first paragraph of section 517.5.3, 80% of the aggregate of all amounts each of which is the fair market value, immediately before the beginning of the series of transactions, of a share of the capital stock of a corporation (in this section referred to as the “corporation concerned”) that is the particular corporation, the purchaser corporation or a corporation in which the particular corporation has a substantial interest at that time, or

ii. in any other case, 60% of the aggregate of all amounts each of which is the fair market value, immediately before the beginning of the series of transactions, of a share of the capital stock of a corporation concerned;

(b) the terms and conditions of reimbursement or redemption of the residual financial interests the amount of which is included in the first aggregate referred to in subparagraph *a* provide that no later than 10 years after the disposition of the shares, that aggregate will not exceed

i. where the particular corporation is referred to in paragraph *a* or *b* of the definition of “eligible primary and manufacturing sectors share” in the first paragraph of section 517.5.3, 50% of the aggregate of all amounts each of which is the fair market value, immediately before the beginning of the series of transactions, of a share of the capital stock of a corporation concerned, or

ii. in any other case, 30% of the aggregate of all amounts each of which is the fair market value, immediately before the beginning of the series of transactions, of a share of the capital stock of a corporation concerned;

(c) where the residual financial interest of a person described in subparagraph *a* includes a share of the capital stock of a corporation concerned,

i. the redemption of the share may not be required by the person before the expiry of the 10-year period referred to in subparagraph *b* unless the redemption aims to comply with the requirement of subparagraph i or ii of subparagraph *b*,

ii. the share entitles its holder to a cumulative dividend at a rate not exceeding a reasonable rate according to market conditions and the rate of that dividend is not based on a corporation's profitability,

iii. the share is redeemable at any time at the option of the corporation concerned, and

iv. the share is convertible only into one or more shares that satisfy the conditions of subparagraphs i to iii or into one or more debts that satisfy the conditions of subparagraphs i to iii of subparagraph *d*; and

(*d*) where the residual financial interest of a person described in subparagraph *a* includes a debt of a corporation concerned,

i. the reimbursement of the debt may not be required by the person before the expiry of the 10-year period referred to in subparagraph *b* unless the reimbursement aims to comply with the requirement of subparagraph i or ii of subparagraph *b*,

ii. the debt entitles its holder to a reasonable return according to market conditions and the return rate of the debt is not based on a corporation's profitability,

iii. the debt is reimbursable at any time, with accrued interest, at the option of the corporation concerned, and

iv. the debt is convertible only into one or more shares that satisfy the conditions of subparagraphs i to iii of subparagraph *c* or into one or more debts that satisfy the conditions of subparagraphs i to iii.

In this section, the amount of the residual financial interest of a person described in subparagraph *a* of the first paragraph, at any time, means an amount equal to the aggregate of all amounts each of which is the fair market value, at that time, of a financial interest that the person holds, directly or indirectly, in a corporation concerned and that is a share of the capital stock of the corporation concerned or a debt of the corporation concerned.

For the purposes of the second paragraph, the following rules apply:

(*a*) where a trust in which an individual or the individual's spouse has a beneficial interest holds, directly or indirectly, a financial interest in a corporation concerned, the individual is deemed to hold the financial interest;

(*b*) where an individual or the individual's spouse holds, directly or indirectly, a financial interest in an entity that is a trust, a partnership or a corporation, which entity holds, directly or indirectly, a financial interest in a corporation concerned, the individual is deemed to hold the financial interest in the corporation concerned; and

(c) where more than one individual would otherwise be required to include the same amount in computing their residual financial interest because of subparagraph *a* or *b*, only one of those individuals is required to take that amount into account in establishing the amount of that individual's residual financial interest in the corporation concerned.

For the purposes of subparagraphs *a* and *b* of the first paragraph, no account is to be taken of the residual financial interest of a person described in subparagraph *a* of the first paragraph in a corporation concerned or of the fair market value, immediately before the beginning of the series of transactions, of the shares of the capital stock of such a corporation, if that corporation is

(a) a corporation carrying on a business substantially all the income of which is not derived from the sale, leasing, rental or development, as the case may be, of properties, or the rendering of services, similar to those of a business that, before the disposition of the shares, was carried on by the particular corporation, by the purchaser corporation or by a corporation in which the purchaser corporation or the particular corporation held a direct or indirect interest; or

(b) a corporation that does not carry on a qualified business.

For the purpose of determining the end of the period described in subparagraph *a* of the first paragraph, the series of transactions to which that subparagraph applies is deemed not to include a transaction consisting in the redemption or reimbursement of the residual financial interest of an individual.

“517.5.11. A series of transactions that includes the disposition by an individual of eligible primary and manufacturing sectors shares of a corporation (in this section referred to as the “particular corporation”) may be considered as an eligible business transfer of the individual only if, in the period that begins immediately after the disposition of the shares and ends at the end of that series of transactions, at least one person (other than the individual) who holds, directly or indirectly, shares of the purchaser corporation, or the person's spouse, is actively engaged in a business carried on by the particular corporation or by a corporation in which the particular corporation had, immediately before the disposition of those shares, a substantial interest.

The first paragraph does not apply in respect of a period in which a person referred to in that paragraph who was to be actively engaged in a business is unable to be so actively engaged due to an illness, a disability or the person's death if the illness, disability or death begins or occurs after the disposition of the shares of the particular corporation.”

(2) Subsection 1 applies in respect of a disposition of shares made after 17 March 2016.

i. a person (other than a foreign affiliate of the taxpayer in respect of which the taxpayer has a qualifying interest, within the meaning of paragraph *m* of subsection 2 of section 95 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), at the time of the transaction or event or throughout the series, as the case may be) with whom the taxpayer was dealing at arm’s length immediately after the transaction, event or series, or

(a) the affiliate is deemed to make a loan to the taxpayer immediately before the end of the particular year equal to the loan that it is deemed to make to the taxpayer, at that time, under paragraph *a* of subsection 8.1 of section 90 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement); and

146. (1) The Act is amended by inserting the following after section 592.3:

“CHAPTER V.2

“NON-RESIDENT CORPORATIONS WITHOUT SHARE CAPITAL

“592.4. In this chapter,

“equity interest”, in a non-resident corporation without share capital, means any right, whether immediate or future and whether absolute or contingent, conferred by the corporation to receive an amount that can reasonably be regarded as all or any part of the capital, revenue or income of the corporation, but does not include a right as creditor;

“non-resident corporation without share capital” means a corporation not resident in Canada that, determined without reference to this chapter, does not have capital divided into shares.

“592.5. For the purposes of this Part, the following rules apply:

(b) the corporation is deemed to have 100 issued and outstanding shares of each class of shares of its capital stock;

(c) each person or partnership that holds, at any time, an equity interest in a particular class of the capital stock of the corporation is deemed to own, at that time, that number of shares of the capital stock of the particular class that is equal to the proportion of 100 that the fair market value, at that time, of all the equity interests of the particular class held by the person or partnership is of the fair market value, at that time, of all the equity interests of the particular class; and

(d) shares of a particular class of shares of the capital stock of the corporation are deemed to have rights and obligations that are the same as those of the corresponding equity interests.

that time a foreign affiliate of the taxpayer, in a manner that increases the fair market value of a class of shares of the capital stock of the non-resident corporation, the non-resident corporation is deemed to have issued, and the vendor is deemed to have received, new shares of the class as consideration in respect of the disposition or exchange; and

(b) if the taxpayer makes a valid election under paragraph *b* of subsection 3 of section 93.2 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), subparagraph *a* does not apply in relation to the disposition or exchange.

“CHAPTER V.3

“AUSTRALIAN TRUSTS

“**592.7.** In this chapter,

“Australian trust”, at any time, means a trust in respect of which the following conditions are met at that time:

(b) the trust is resident in Australia;

(c) the interest of each beneficiary under the trust is described by reference to units of the trust; and

“**592.8.** The rules of section 592.9 apply at any time, for the specified purpose provided for in section 592.10, in respect of a taxpayer resident in Canada in relation to a trust if

(a) a corporation not resident in Canada is at that time beneficially interested in the trust;

(b) the corporation not resident in Canada is at that time a foreign affiliate of the taxpayer in respect of which the taxpayer has a qualifying interest, within the meaning of paragraph *m* of subsection 2 of section 95 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement);

(c) the trust is at that time an Australian trust;

(d) the total fair market value at that time of all fixed interests of a class in the trust held by the corporation not resident in Canada, or persons or partnerships that do not deal at arm's length with the corporation, is equal to at least 10% of the fair market value at that time of all fixed interests of the class; and

(e) unless the corporation not resident in Canada first acquires a beneficial interest in the trust at that time, immediately before that time section 592.9 applied

i. to the taxpayer in relation to the trust, or

ii. to a corporation resident in Canada that, immediately before that time, did not deal at arm's length with the taxpayer, in relation to the trust.

“592.9. The rules to which section 592.8 refers in respect of a taxpayer resident in Canada in relation to a trust are the following:

(a) the trust is deemed to be a corporation not resident in Canada that is resident in Australia and not to be a trust;

(b) each particular class of fixed interests in the trust is deemed to be a separate class of 100 issued shares, of the capital stock of the corporation not resident in Canada, that have the same attributes as the interests of the particular class;

(c) each beneficiary under the trust is deemed to hold the number of shares of each separate class described in paragraph *b* equal to the proportion of 100 that the fair market value, at the time referred to in section 592.8, of that beneficiary's fixed interests in the corresponding particular class of fixed interests in the trust is of the fair market value at that time of all fixed interests in the particular class;

(d) the corporation not resident in Canada is deemed to be controlled by the taxpayer resident in Canada—a foreign affiliate of which is referred to in paragraph *b* of section 592.8 and is beneficially interested in the trust—that has the greatest equity percentage in the corporation not resident in Canada;

(e) a particular foreign affiliate of the taxpayer in which the taxpayer has a direct equity percentage at a particular time, and that is not a controlled foreign affiliate of the taxpayer at that time, is deemed to be a controlled foreign affiliate of the taxpayer at that time if, at that time,

i. the particular foreign affiliate has an equity percentage in the foreign affiliate referred to in paragraph *b* of section 592.8, or

ii. the particular foreign affiliate is the foreign affiliate referred to in paragraph *b* of section 592.8; and

(f) Chapter VI.2 does not apply in respect of the taxpayer in relation to the trust.

“592.10. The specified purpose to which section 592.8 refers is the determination, in respect of an interest in an Australian trust, of the Québec tax results (as defined in section 21.4.16) of the taxpayer resident in Canada referred to in section 592.8 for a taxation year in respect of shares of the capital stock of a foreign affiliate of the taxpayer.”

(2) Subsection 1, where it enacts Chapter V.2 of Title X of Book III of Part I of the Act, applies to a taxation year of a corporation not resident in Canada ending after 31 December 1994. However,

(1) if a taxpayer makes a valid election under subsection 2 of section 22 of the Second Act to implement certain provisions of the budget tabled in Parliament on February 11, 2014 and other measures (Statutes of Canada, 2014, chapter 39), subsection 1 applies, in respect of the taxpayer, only to a taxation year of a corporation not resident in Canada that ends after 12 July 2013; and

(2) in respect of a disposition that occurs before 12 July 2013, Chapter V.2 of Title X of Book III of Part I of the Taxation Act is to be read without reference to section 592.6.

(3) Subsection 1, where it enacts Chapter V.3 of Title X of Book III of Part I of the Act, has effect from 12 July 2013. In addition, if a corporation resident in Canada and each other corporation resident in Canada that, at any time after 31 December 2005 and before 12 July 2013, was both related to the corporation and had a foreign affiliate (determined as if subparagraph *b* of the first paragraph of section 573 of the Act were read as if “any corporation” were replaced by “any corporation not resident in Canada”) that was beneficially interested in an Australian trust (as defined in section 592.7 of the Act, enacted by subsection 1) make a valid election under subsection 3 of section 22 of the Second Act to implement certain provisions of the budget tabled in Parliament on February 11, 2014 and other measures, the following rules apply in respect of each corporation that has made such an election under that subsection 3:

(1) that Chapter V.3 has effect from 1 January 2006; and

(2) where it applies before 12 July 2013, that Chapter V.3 is to be read as if the following section were added after section 592.10 of the Taxation Act:

“592.11. For the purpose of determining whether a corporation not resident in Canada is a foreign affiliate of a corporation resident in Canada for the purposes of this chapter, if, based on the assumptions contained in paragraph *c* of section 600, at any time shares of the capital stock of a corporation are owned by a partnership or are deemed under this section to be

owned by a partnership, then each member of the partnership is deemed to own at that time the number of those shares that is equal to the proportion of all those shares that the fair market value of the member's interest in the partnership at that time is of the fair market value of all members' interests in the partnership at that time."

(4) Chapter V.2 of Title II of Book I of Part I of the Act applies in relation to an election referred to in paragraph 1 of subsection 2 or in subsection 3. For the purposes of section 21.4.7 of the Act, a taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 7 August 2017.

(5) Despite sections 1010 to 1011 of the Act, the Minister of Revenue shall, under Part I of the Act, make any assessments of a taxpayer's tax, interest and penalties as are necessary for any taxation year to give effect to subsections 1 to 3. (b) the succession is at the particular time a testamentary trust;

(c) the individual's Social Insurance Number (or if the individual had not, before the death, been assigned a Social Insurance Number, such other information as is acceptable to the Minister) is provided in the succession's fiscal return under this Part for its taxation year that includes the particular time and for each of its earlier taxation years that ended after 31 December 2015;

(*a*) no amount in respect of a net capital loss for a taxation year ending before that time is deductible in computing the taxpayer’s taxable income for a taxation year ending after that time; and

(*b*) no amount in respect of a net capital loss for a taxation year ending after that time is deductible in computing the taxpayer’s taxable income for a taxation year ending before that time.

In addition, where, at that time, the taxpayer neither became nor ceased to be exempt from tax under this Part on the taxpayer’s taxable income, the following rules apply:

(*a*) in computing the adjusted cost base to the taxpayer at and after that time of each capital property, other than a depreciable property, owned by the taxpayer immediately before that time, there is to be deducted an amount equal to the amount by which the adjusted cost base to the taxpayer of the capital property immediately before that time exceeds its fair market value immediately before that time;

(*b*) each amount required by subparagraph *a* to be deducted in computing the adjusted cost base to the taxpayer of a property is deemed to be a capital loss of the taxpayer for the taxation year ending immediately before that time from the disposition of the property;

(*c*) each capital property that is owned by the taxpayer immediately before that time (other than a property in respect of which an amount would, but for this subparagraph, be required under subparagraph *a* to be deducted in computing its adjusted cost base to the taxpayer or a depreciable property of a prescribed class to which, but for this subparagraph, paragraph *a* of section 736.0.2 would apply) and that the taxpayer designates after 19 December 2006 in accordance with paragraph *e* of subsection 4 of section 111 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) in respect of the loss restriction event, is deemed to have been

disposed of by the taxpayer immediately before the time that is immediately before that time for proceeds of disposition equal to the lesser of the fair market value of the capital property immediately before that time and the greater of the adjusted cost base to the taxpayer of the capital property immediately before the disposition and the amount designated by the taxpayer after 19 December 2006, in respect of the loss restriction event, in accordance with that paragraph *e* in respect of the capital property, and is deemed, subject to the third paragraph, to have been reacquired by the taxpayer at that time at a cost equal to those proceeds of disposition; and

(*d*) each amount that under subparagraph *b* or *c* is a capital loss or gain of the taxpayer from a disposition of a property for the taxation year ending immediately before that time is deemed, for the purposes of paragraph *b* of section 570, to be a capital loss or gain, as the case may be, of the taxpayer from the disposition of the property immediately before the time that a capital property of the taxpayer in respect of which subparagraph *c* would be applicable would be deemed by that subparagraph to have been disposed of by the taxpayer.

Despite subparagraph *c* of the second paragraph and for the purposes of Division II of Chapter II of Title III of Book III, sections 130, 130.1, 142 and 149 and any regulation made under paragraph *a* of section 130 or section 130.1, where the property is depreciable property of the taxpayer the capital cost of which to the taxpayer immediately before the disposition exceeds the proceeds of disposition determined under that subparagraph *c*, the following rules apply:

(*a*) the capital cost of the property to the taxpayer at that time is deemed to be the amount that was its capital cost immediately before the disposition; and

(*b*) the excess is deemed to have been allowed to the taxpayer in respect of the property under the regulations made under paragraph *a* of section 130 in computing the taxpayer's income for taxation years that ended before that time.

For the purposes of subparagraph *c* of the second paragraph, the taxpayer is deemed to have designated a particular capital property, as well as an amount in its respect, after 19 December 2006 in accordance with paragraph *e* of subsection 4 of section 111 of the Income Tax Act in respect of the loss restriction event, or to have designated after that date, in respect of that event, in accordance with that paragraph *e* in respect of a particular capital property, a particular amount different from that designated by the taxpayer after that date, in relation to that event, in accordance with that paragraph *e* in its respect, if

(*a*) the taxpayer files an application with the Minister in that respect, in a document containing information that is satisfactory to the Minister, on or before the day that is 90 days after the day on which a notice of assessment of tax payable for the taxation year ending immediately before that time or a notice that no tax is payable for the year is sent to the taxpayer;

(b) it may reasonably be considered that the taxpayer’s designation regarding the particular capital property and the amount in its respect, or the change made to the amount designated in respect of the particular capital property, as the case may be, is justified only because of a difference between tax attributes, in particular the adjusted cost base of the particular capital property or the undeducted balance of a deductible loss, for the purposes of Part I of the Income Tax Act and the corresponding tax attributes for the purposes of this Part; and”.

(2) Subsection 1 has effect from 21 March 2013.

(a) the business was carried on by the taxpayer for profit or with a reasonable expectation of profit throughout the taxation year and in the particular year; and

(b) the amount that the taxpayer may deduct must not exceed the taxpayer's income for the particular year from the business and, where the taxpayer sold, leased, rented or developed properties or rendered services in the course of carrying on that business before that time, from any other business substantially all of the income of which was derived from the sale, leasing, rental or development, as the case may be, of similar properties, or the rendering of similar services.

(a) where the undepreciated capital cost to the taxpayer of depreciable property of a prescribed class immediately before that time would have exceeded, if this Part were read without reference to section 93.4, the aggregate of the fair market value of all the property of that class immediately before that time and the amount in respect of property of that class otherwise allowed under regulations made under paragraph *a* of section 130 or deductible under the second paragraph of section 130.1 in computing the taxpayer's income for the taxation year ending immediately before that time, the excess is to be deducted in computing the taxpayer's income for the taxation year ending immediately before that time and is deemed to have been deductible by the taxpayer in respect of the property of that class under regulations made under paragraph *a* of section 130; and

(b) where, immediately before that time, the eligible incorporeal capital amount of the taxpayer in respect of a business exceeded the aggregate of 75% of the fair market value of the aggregate of the incorporeal capital property in respect of the business and the amount otherwise deducted under paragraph *b* of section 130 in computing the taxpayer's income from the business for the taxation year ending immediately before that time, the excess is to be deducted under paragraph *b* of section 130 in computing the taxpayer's income from the business for the taxation year ending immediately before that time."

“government assistance” means assistance from a government, municipality or other public authority, whether as a grant, subsidy, forgivable loan, tax deduction, investment allowance or as any other form of assistance, except a deduction under this Title in computing tax payable under this Part;

“non-government assistance” means an amount that would be included in computing a taxpayer’s income because of paragraph *w* of section 87, if that paragraph were read without reference to its subparagraphs *ii* and *iii*, except a deduction under this Title in computing tax payable under this Part;

“qualified wages” incurred by a corporation in a taxation year in respect of an eligible employee for all or part of the taxation year means the lesser of

(*a*) the amount obtained by multiplying \$66,667 by the proportion that the number of days in the taxation year during which the employee qualifies as an eligible employee of the corporation is of 365; and

(*b*) the amount by which the amount of the wages incurred in the year by the corporation in respect of the employee, while the employee qualifies as an eligible employee of the corporation, to the extent that that amount is paid, exceeds the aggregate of

i. the aggregate of all amounts each of which is an amount of government assistance or non-government assistance attributable to such wages that the corporation has received, is entitled to receive or may reasonably expect to receive, on or before the corporation’s filing-due date for the taxation year, and

ii. the aggregate of all amounts each of which is the amount of a benefit or advantage in respect of such wages, other than a benefit or advantage that may reasonably be attributed to the duties performed by the employee in the course of the operations of the business carried on by the corporation in the taxation

year that a person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain, on or before the corporation's filing-due date for that taxation year, whether in the form of a reimbursement, compensation or guarantee, in the form of proceeds of disposition of a property which exceed the fair market value of the property, or in any other form or manner;

“wages” means the income computed under Chapters I and II of Title II of Book III, but includes benefits referred to in that Chapter II only if they were paid in currency.

“776.1.28. A corporation operating an international financial centre in a taxation year that holds for that year a valid certificate issued for the purposes of this Title and that encloses with the fiscal return it is required to file for the year under section 1000 the documents described in the second paragraph may deduct from its tax payable under this Part for that year, determined before the application of this section and of the second paragraph of section 776.1.29, an amount equal to 24% of the aggregate of all amounts each of which is the qualified wages incurred by the corporation in the year in respect of an eligible employee for all or part of that year.

The documents to which the first paragraph refers are the following:

- (a) the prescribed form containing prescribed information; and
- (b) a copy of any certificate that has been issued to the corporation for the taxation year for the purposes of this Title.

“776.1.29. A corporation may deduct, for a taxation year in respect of which the corporation holds a valid qualification certificate issued for the purposes of this Title, from its tax payable under this Part, determined before the application of this Title, the unused portions of the tax credit of the corporation for the 20 taxation years that precede that taxation year.

Similarly, a corporation may deduct, for a taxation year that ended after 26 March 2015 and for which the corporation holds a valid qualification certificate issued for the purposes of this Title, from its tax payable under this Part, determined before the application of this paragraph, the unused portions of the tax credit of the corporation for the three taxation years that follow that taxation year.

“776.1.30. No amount is deductible under section 776.1.29 in respect of an unused portion of the tax credit for a taxation year until the unused portions of the tax credit for the preceding taxation years that are deductible have been deducted.

In addition, an unused portion of the tax credit may be deducted for a taxation year under section 776.1.29 only to the extent that it exceeds the aggregate of the amounts deducted in its respect for the preceding taxation years under that section.

“776.1.31. For the purpose of computing the amount that a corporation may deduct under section 776.1.29 for a particular taxation year in respect of the unused portion of the tax credit of the corporation for a particular preceding taxation year, that unused portion of the tax credit of the corporation, otherwise determined, is to be reduced by the amount determined under the second paragraph if, in the particular taxation year or a preceding taxation year, an amount relating to wages included in computing the qualified wages paid by the corporation to an individual for the particular preceding taxation year, other than an amount described in subparagraph i or ii of paragraph *b* of the definition of “qualified wages” in section 776.1.27, is

(*a*) directly or indirectly refunded or otherwise paid to the corporation or allocated to a payment to be made by the corporation; or

(*b*) obtained by a person or a partnership.

The amount to which the first paragraph refers is the amount by which the maximum amount that the corporation could have deducted under section 776.1.28 for the particular preceding taxation year if it had had sufficient tax payable under this Part for that taxation year exceeds the aggregate of

(*a*) the maximum amount that the corporation could have deducted under that section for the particular preceding taxation year if it had had sufficient tax payable under this Part for that taxation year and if, for the purposes of paragraph *b* of the definition of “qualified wages” in section 776.1.27,

i. any amount referred to in the first paragraph in relation to wages included in computing the qualified wages paid by the corporation to an individual for the particular preceding taxation year that is received or obtained at or before the end of the particular taxation year, had been received or obtained in the particular preceding taxation year, and

ii. any amount referred to in the first paragraph of section 776.1.32 in relation to wages included in computing the qualified wages paid by the corporation to an individual for the particular preceding taxation year that is paid or deemed to be paid under section 776.1.33 at or before the end of the particular taxation year, had been paid or deemed to be paid in the particular preceding taxation year; and

(b) any portion—that may reasonably be considered as relating to wages included in computing the qualified wages paid by the corporation to an individual for the particular preceding taxation year—of the aggregate of all amounts each of which is a tax that the corporation is required to pay to the Minister under section 1129.27.24 for the particular taxation year or a preceding taxation year.

For the purpose of computing the amount that the corporation may deduct under section 776.1.29 for the particular taxation year in respect of the unused portion of the tax credit of the corporation for a taxation year other than the particular preceding taxation year, the corporation is deemed to have deducted under that section for the taxation years preceding the particular taxation year in respect of the unused portions of the tax credit of the corporation for the taxation years other than the particular preceding taxation year that are deductible for the particular taxation year, in addition to any other amount deducted or deemed to be deducted, an amount equal to the amount by which the amount determined under the second paragraph exceeds the amount by which the unused portion of the tax credit of the corporation for the particular preceding taxation year, determined before the application of this section and section 776.1.32, exceeds the aggregate of the amounts deducted by the corporation under section 776.1.29 for the taxation years preceding the particular taxation year in respect of that unused portion of the tax credit of the corporation.

“776.1.32. For the purpose of computing the amount that a corporation may deduct under section 776.1.29 for a particular taxation year in respect of the unused portion of the tax credit of the corporation for a particular preceding taxation year, that unused portion of the tax credit of the corporation, otherwise determined, is to be increased by the amount determined under the second paragraph if, in the particular taxation year or a preceding taxation year, an amount relating to wages included in computing the qualified wages paid by the corporation to an individual for the particular preceding taxation year, described in subparagraph i or ii of paragraph *b* of the definition of “qualified wages” in section 776.1.27 or in subparagraph *a* or *b* of the first paragraph of section 776.1.31, is, pursuant to a legal obligation,

(a) paid by the corporation, and may reasonably be considered as the repayment of an amount attributable to the qualified wages that is referred to in that subparagraph i or that subparagraph *a*; or

(b) paid by a person or a partnership, and may reasonably be considered as the repayment of an amount attributable to the qualified wages that is referred to in that subparagraph ii or in subparagraph *b* of the first paragraph of section 776.1.31.

The amount to which the first paragraph refers is the amount by which the maximum amount that the corporation could have deducted under section 776.1.28 for the particular preceding taxation year if it had had sufficient

tax payable under this Part for that taxation year is exceeded by the aggregate of

(a) the maximum amount that the corporation could have deducted under that section for the particular preceding taxation year if it had had sufficient tax payable under this Part for that taxation year and if, for the purposes of paragraph *b* of the definition of “qualified wages” in section 776.1.27,

i. any amount referred to in the first paragraph in relation to wages included in computing the qualified wages paid by the corporation to an individual for the particular preceding taxation year that is paid at or before the end of the particular taxation year had been paid in the particular preceding taxation year, and

ii. any amount referred to in the first paragraph of section 776.1.31 in relation to wages included in computing the qualified wages paid by the corporation to an individual for the particular preceding taxation year that is received or obtained at or before the end of the particular taxation year, had been received or obtained in the particular preceding taxation year; and

(b) any portion—that may reasonably be considered as relating to wages included in computing the qualified wages paid by the corporation to an individual for the particular preceding taxation year—of the aggregate of all amounts each of which is a tax that the corporation is required to pay to the Minister under section 1129.27.24 for a taxation year preceding the particular taxation year.

For the purpose of computing the amount that the corporation may deduct under section 776.1.29 for the particular taxation year in respect of the unused portion of the tax credit of the corporation for a taxation year other than the particular preceding taxation year, the corporation shall also take into account the amount by which the unused portion of the tax credit of the corporation for the particular preceding taxation year is to be increased under the first paragraph.

“776.1.33. For the purposes of section 776.1.32, an amount attributable to qualified wages paid by a corporation to an individual for a preceding taxation year, described in subparagraph i or ii of paragraph *b* of the definition of “qualified wages” in section 776.1.27, is deemed to be repaid by a corporation, person or partnership, as the case may be, in a particular taxation year, pursuant to a legal obligation, if that amount

(a) is described in that subparagraph i or ii in relation to those qualified wages;

(b) in the case of an amount described in that subparagraph i, was not received by the corporation;

(c) in the case of an amount described in that subparagraph ii, was not obtained by the person or partnership; and

(d) ceased, in the particular taxation year, to be an amount that the corporation, person or partnership may reasonably expect to receive or obtain.

“776.1.34. For the purposes of this Part, an amount deducted by a corporation under this Title in computing its tax payable under this Part for a preceding taxation year in respect of an expenditure made in a taxation year preceding a particular taxation year is to be considered as received by the corporation in the particular taxation year, to the extent that the amount is not considered, under this section, as received by the corporation in a taxation year preceding the particular taxation year.

“776.1.35. A corporation may deduct an amount under section 776.1.28 in computing its tax payable for a taxation year only if it files with the Minister the prescribed form containing prescribed information and a copy of each certificate it is required to file for the year in accordance with that section, on or before the day that is 12 months after the corporation’s filing-due date for the year or, if it is later, the day that is three months after the date of issue of the certificate relating to the year.

Despite sections 1010 to 1011, the Minister shall redetermine the tax, interest and penalties payable by a corporation under this Part for a taxation year and make a reassessment for the year to give effect to the first paragraph to the extent that the reassessment may reasonably be considered to relate to an amount that is claimed as a deduction under section 776.1.28 for the year and in respect of which a certificate, referred to in the first paragraph and relating to the year, has been filed with the Minister after the day that is 12 months after the corporation’s filing-due date for the year and on or before the day that is three months after the date of its issue.”

(2) Subsection 1 applies to a taxation year that begins after 26 March 2015.

“CHAPTER II

“RESTRICTIONS APPLICABLE TO AN EXPENDITURE

“**851.56.** This chapter applies for the purpose of computing a taxpayer’s income, taxable income or tax payable or an amount deemed to have been paid by the taxpayer to the Minister on account of the taxpayer’s tax payable.

However, it does not apply

(a) for the purpose of determining the cost or capital cost of property in accordance with sections 440 and 454 to 462.0.2, Chapter IV of Title IX of Book III, the second paragraph of section 614, Chapter X of Title XII of Book III, Title I.2 or Chapter II or III of Title V; or

(b) for the purpose of determining the amount of a taxpayer’s expenditure that would, but for this subparagraph, be greater than the amount otherwise determined under Chapter II of Title VII of Book III or section 431.

Similarly, section 851.57 does not apply to reduce an expenditure that is a commission, fee or other consideration for services rendered by a person acting as a salesperson, mandatary or dealer in securities in the course of the issuance of an option.

In addition, section 851.58 or 851.59, as the case may be, applies to reduce an expenditure of a taxpayer only to the extent that the expenditure includes an amount determined to be an excess under that section.

“**851.57.** An expenditure of a taxpayer is deemed not to include any portion of the expenditure that would, but for this section, be included in determining the expenditure because of the taxpayer having granted or issued an option.

“**851.58.** An expenditure of a corporation that would, but for this section, include an amount because of the corporation having issued a share of its capital stock at a particular time is reduced by

(a) if the issuance of the share is not a consequence of the exercise of an option, the amount by which the fair market value of the share at the particular time exceeds

i. if the transaction under which the share is issued is a transaction to which Chapter IV of Title IX of Book III or Chapter II or III of Title V applies, the

amount determined in accordance with that chapter to be the cost to the corporation of the property acquired in consideration for issuing the share, or

“CHAPTER III

“LIMITATION ON THE AMOUNT OF AN EXPENDITURE

“851.60. For the purposes of this Part, the amount, at any time, of an expenditure of a taxpayer that occurs in a taxation year is the lesser of

(a) the amount of the expenditure at the time, calculated under this Part but without reference to this chapter; and

(b) the amount obtained by subtracting, from the amount of the expenditure determined in accordance with paragraph a, the amount by which the aggregate

of all amounts each of which is a contingent amount of the taxpayer in the year in respect of the expenditure exceeds the aggregate of all amounts each of which is

i. an amount paid by the taxpayer to obtain a right to reduce an amount in respect of the expenditure, or

ii. a limited-recourse amount for the purposes of section 851.41 that reduces the expenditure under that section to the extent that the amount is also a contingent amount described in this paragraph in respect of the expenditure.

“851.61. Where, in a particular taxation year, a taxpayer pays all or a portion of a contingent amount referred to in paragraph *b* of section 851.60 that reduces the amount of the taxpayer’s expenditure referred to in paragraph *a* of that section, the portion of the contingent amount paid by the taxpayer in the particular year for the purpose of earning income is, for the purposes of this Part, deemed

(*a*) to have been incurred by the taxpayer in the particular year;

(*b*) to have been incurred for the same purpose and to have the same character as the expenditure so reduced; and

(*c*) to have become payable by the taxpayer in respect of the particular year.

“851.62. Where, at any time in a taxation year that is after a particular taxation year in which an expenditure of a taxpayer occurred, the taxpayer, or another taxpayer not dealing at arm’s length with the taxpayer, has a right to reduce an amount in respect of the expenditure that would, if that right had been held by either of those taxpayers in the particular year, have resulted in section 851.60 applying in the particular year to reduce or eliminate the amount of the expenditure, the subsequent contingent amount in respect of the expenditure, as determined under the second paragraph, is deemed, subject to section 851.63 and to the extent that section 851.60 and this paragraph have not previously applied in respect of the expenditure, to have been received

(*a*) by the taxpayer at the time in the course of earning income from a business or property from a person described in paragraph *w* of section 87; and

(*b*) as a refund, reimbursement, contribution or allowance or as assistance, whether as a grant, subsidy, forgivable loan, deduction from tax, allowance or any other form of assistance, in respect of an amount included in, or deducted as, the cost of property or in respect of an outlay or expense.

A taxpayer’s subsequent contingent amount in respect of an expenditure of the taxpayer is the amount by which the maximum amount by which a particular amount in respect of the expenditure may be reduced in accordance with a right to reduce the particular amount exceeds the amount, if any, paid to obtain that right.

“851.63. The right which a taxpayer, or another taxpayer that does not deal at arm’s length with the taxpayer, has to reduce an amount in respect of an expenditure of the taxpayer in a taxation year that is after the particular taxation year in which the expenditure occurred, determined without reference to section 851.61, is deemed to be held by the taxpayer in the particular year if it is reasonable to conclude having regard to all the circumstances that one of the purposes for which that right was held by the taxpayer, or by the other taxpayer, after the end of the year was to avoid the application of section 851.60 in respect of the expenditure.

“851.64. Despite sections 1010 to 1011, the Minister may make such assessments of tax, interest and penalties, or such determinations and redeterminations as are necessary to give effect to this chapter.”

“ii. the amount of any benefit or advantage attributable to the particular amount that a person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain on or before the corporation’s filing-due date for that year, whether in the form of a reimbursement, compensation or guarantee, in the form of proceeds of disposition of a property which exceed the fair market value of the property, or in any other form or manner, and”.

(2) Subsection 1 applies in respect of a qualified labour expenditure incurred after 20 March 2012.

“iii. 26.25%, in any other case.”;

(2) by replacing the fifth paragraph by the following paragraph:

“Where this section applies in respect of all or part of a qualified labour expenditure that consists of salaries or wages incurred after 4 June 2014 and before 27 March 2015 or of amounts each of which is a portion of the consideration or one-half of a portion of the consideration that is paid under a contract entered into after 3 June 2014 and before 27 March 2015, the percentages of 37.5%, 30% and 26.25% in subparagraph *b* of the third paragraph are to be replaced by the percentages of 30%, 24% and 21%, respectively, in respect of all or part of the qualified labour expenditure.”;

For the purposes of the seventh paragraph, if the result obtained after having applied the percentage of 20% to the total number of eligible employees is not a whole number, it must be rounded to the nearest whole number and, if it is equidistant from two consecutive whole numbers, it must be rounded to the higher of those two numbers.”

(c) C is the individual’s pre-existing expenses which the individual paid in the year.”

(2) Subsection 1 applies from the taxation year 2015.

308. (1) Section 1029.8.66.3 of the Act is amended by replacing paragraphs *b* and *c* by the following paragraphs:

Where those individuals cannot agree as to the amount of eligible expenses each individual may take into account for the purpose of computing the amount that that individual is deemed to have paid to the Minister under section 1029.8.66.2 for the year, the Minister may determine that amount for the year.”

320. (1) The Act is amended by inserting the following sections after section 1029.8.116.9:

“1029.8.116.9.0.1. If, in a taxation year, an individual receives a financial assistance benefit paid under any of Chapters I to III of Title II of the Individual and Family Assistance Act (chapter A-13.1.1), if, on or before 15 October of that year, the individual applies to the Minister of Employment and Social Solidarity, in the prescribed form containing prescribed information, and if that Minister notifies the Minister of Revenue, the latter Minister may

pay in advance, according to the terms and conditions provided for in the second paragraph, the amount determined in accordance with the third paragraph in respect of a relevant month of the year (in this subdivision referred to as the “increased amount of the advance relating to the work premium”) in respect of the amount the individual considers to be the amount that the individual will be deemed to have paid to the Minister, under the first paragraph of section 1029.8.116.5 or 1029.8.116.5.0.1, on account of the individual’s tax payable for the year, if

(a) the individual is resident in Québec at the time of the application;

(b) the individual is not a person in respect of whom another individual is entitled, for the year, to an amount deemed under section 1029.8.61.18 to be an overpayment of the other individual’s tax payable, unless the individual is 18 years of age or over on the first day of the month of the application;

(c) at the time of the application, the individual is described in any of paragraphs *a* to *d* of section 1029.8.116.2;

(d) at the time of the application, the individual performs the duties of an office or employment, or carries on a business, alone or as a partner actively engaged in the business; and

(e) the individual has agreed that the advance payments be made by direct deposit in a bank account held at a financial institution listed in Part I of Appendix I to Rule D4 – Institution Numbers and Clearing Agency/ Representative Arrangements of the Automated Clearing Settlement System Rules Manual, as amended from time to time, of the Canadian Payments Association.

The increased amount of the advance relating to the work premium in respect of a relevant month that is the month of the application or one of the months for which new information concerning the work income earned by the individual and, if applicable, by the individual’s spouse is transmitted by the Minister of Employment and Social Solidarity is payable on or before the 15th day of the month of the year that follows the month in which the Minister of Revenue receives the application or the new information.

The increased amount of the advance relating to the work premium in respect of a relevant month of the taxation year is determined by the formula

$$(90\% \times A) - B.$$

In the formula in the third paragraph,

(a) A is the amount that the individual would be deemed to have paid to the Minister, under the first paragraph of section 1029.8.116.5 or 1029.8.116.5.0.1, on account of the individual’s tax payable for the year, if the total of the individual’s work income for the year and, where applicable, that of the individual’s spouse at the time of the application or at the beginning of the

relevant month, as the case may be, were the aggregate of the work income they earned, for the portion of that year that ends at the end of the month that precedes the relevant month, as those work incomes were determined by the Minister of Employment and Social Solidarity for the purposes of the Individual and Family Assistance Act; and

(b) B is the aggregate of the payments that the individual received in the year, under this section and section 1029.8.116.9, before the month in which the increased amount of the advance relating to the work premium determined in respect of the relevant month is paid.

For the purposes of this section, a relevant month of a taxation year is a month the first day of which is subsequent to the period, beginning at the beginning of that year, at the end of which the aggregate of the work incomes earned by the individual and, where applicable, by the individual's spouse at that time, as those work incomes were determined by the Minister of Employment and Social Solidarity for the purposes of the Individual and Family Assistance Act, exceeds

(a) \$2,400, where the individual considers that the individual will be deemed to have paid an amount to the Minister under the first paragraph of section 1029.8.116.5 and the individual does not have a spouse at that time;

(b) \$3,600, where the individual considers that the individual will be deemed to have paid an amount to the Minister under the first paragraph of section 1029.8.116.5 and the individual has a spouse at that time; or

(c) \$1,200, where the individual considers that the individual will be deemed to have paid an amount to the Minister under the first paragraph of section 1029.8.116.5.0.1.

“1029.8.116.9.0.2. The individual shall notify the Minister with dispatch of any event which may affect the amount of the advance relating to the work premium or the increased amount of the advance relating to the work premium, as the case may be.

Where, at the time of the application referred to in the first paragraph of section 1029.8.116.9 or 1029.8.116.9.0.1, an individual has a spouse, only one of them may make an application under either of those sections for the year.

“1029.8.116.9.0.3. The Minister shall cease to pay the amount of the advance relating to the work premium to an individual from the first month in which an increased amount of the advance relating to the work premium is paid to the individual or would be paid to the individual if that amount were greater than zero.

“1029.8.116.9.0.4. Where an individual who has made an application referred to in the first paragraph of section 1029.8.116.9.0.1 for a taxation year either makes another, for the year, under the first paragraph of section 1029.8.116.9

or notifies the Minister that the individual intends to resume receiving payments under that latter section, and where the total of the payments that the individual received in that year under section 1029.8.116.9 or 1029.8.116.9.0.1 is less than the amount of the advance relating to the work premium, determined in respect of the individual for the year, the payments of the amount of that advance may be made or resume being made, according to the terms and conditions provided for in subparagraph *b* of the second paragraph of section 1029.8.116.9, subject to their being computed by subtracting the total of the payments received from the amount of that advance.

The Minister may not pay an increased amount of the advance relating to the work premium to an individual in a particular month in which a payment of the amount of the advance relating to the work premium in respect of which the first paragraph applies is made to the individual.”

(2) Subsection 1 applies from 1 January 2017.

(*a*) the individual, or the individual’s spouse at the time of the application, received for a preceding taxation year a payment of the amount of the advance relating to the work premium, of an increased amount of the advance relating to the work premium or of the amount of the advance relating to the supplement and, at the time the application is processed, has not filed a fiscal return for the preceding year; and”.

(a) if those individuals became owners of the eligible dwelling at the same time, the total of the amounts that each of those individuals may be deemed to have paid to the Minister under that section for the year in relation to the eligible

dwelling may not exceed the particular amount that only one of those individuals could be deemed to have paid to the Minister under that section for the year in relation to the eligible dwelling if that individual were the sole owner of the eligible dwelling; and

(b) in any other case, the total of the amounts that each of those individuals may be deemed to have paid to the Minister under that section for the year in relation to the eligible dwelling may not exceed the particular amount that the individual from among those individuals who holds the oldest title of ownership or, if more than one of them holds such a title, one of those individuals, could be deemed to have paid to the Minister under that section for the year in relation to the eligible dwelling if that individual were the sole owner of the eligible dwelling.

If the individuals cannot agree as to what portion of the particular amount each would, but for this section, be deemed to have paid to the Minister under section 1029.8.171, the Minister may determine what portion of that amount is deemed to be paid to the Minister by each individual under that section.”

“CHAPTER IX

“SECTORAL PARAMETERS OF TAX CREDIT FOR INTERNATIONAL FINANCIAL CENTRES IN RESPECT OF ACTIVITIES OTHER THAN BACK-OFFICE ACTIVITIES

“DIVISION I

“INTERPRETATION AND GENERAL

“**9.1.** In this chapter, unless the context indicates otherwise,

“back-office activities” has the meaning assigned by section 4 of the Act respecting international financial centres;

“international financial centre” means a business described in section 6 of the Act respecting international financial centres;

“qualified international financial transaction” has the meaning assigned by sections 7 to 8 of the Act respecting international financial centres, except for back-office activities referred to in paragraph 22 of that section 7;

“specialized worker” of a corporation for a particular period means an individual who, in any of the individual’s taxation years during which the individual works for a corporation, is recognized as a specialist for a particular period of that taxation year, according to a certificate referred to in subparagraph 2 of the first paragraph of section 3.2 that was issued to the corporation;

“tax credit for international financial centres” means the fiscal measure provided for in Title III.5 of Book V of Part I of the Taxation Act, under which a corporation may deduct an amount in computing its tax payable under that Part for a taxation year;

“urban agglomeration of Montréal” has the meaning assigned by section 4 of the Act respecting international financial centres.

“9.2. For the purposes of Divisions I to III, the following presumptions must be taken into consideration:

(1) if a corporation holds a valid qualification certificate referred to in subparagraph 1 of the first paragraph of section 2.2, in relation to an international financial centre, that was issued to the corporation for the purposes of Chapter II in respect of a taxation year of the corporation that begins before 27 March 2015, the qualification certificate is deemed to be a business qualification certificate referred to in subparagraph 1 of the first paragraph of section 9.3, in relation to the international financial centre; and

(2) if a corporation holds a valid qualification certificate referred to in subparagraph 2 of the first paragraph of section 2.2 that was issued to the corporation, in respect of an individual, for the purposes of Chapter II in respect of a taxation year of the corporation that begins before 27 March 2015, the qualification certificate is deemed to be an employee qualification certificate referred to in subparagraph 2 of the first paragraph of section 9.3 in respect of the individual.

“9.3. A corporation that intends to operate an international financial centre within the urban agglomeration of Montréal and that wishes to benefit from the tax credit for international financial centres must obtain from the Minister

(1) a qualification certificate in respect of that business (in this chapter referred to as a “business qualification certificate”); and

(2) a qualification certificate in respect of each of the individuals for which it wishes to benefit from the tax credit (in this chapter referred to as an “employee qualification certificate”).

Moreover, to benefit from the tax credit, such a corporation must also obtain from the Minister

(1) a certificate in respect of that business (in this chapter referred to as a “business certificate”); and

(2) a certificate in respect of each of the individuals for which it claims the tax credit (in this chapter referred to as an “employee certificate”).

The certificates referred to in the second paragraph must be obtained for each taxation year for which the corporation intends to claim the tax credit for international financial centres.

“DIVISION II

“BUSINESS-RELATED DOCUMENTS

“9.4. A business qualification certificate issued to a corporation certifies, subject to the Act respecting international financial centres, that the business

referred to in the certificate is recognized as an international financial centre. It also specifies that the activities engaged in or to be engaged in in the course of carrying on the business pertain to qualified international financial transactions.

“9.5. The Minister issues a business qualification certificate to a corporation if the Minister is of the opinion that the activities engaged in or to be engaged in by the corporation in the course of carrying on its business are in compliance with the provisions and objectives of the Act respecting international financial centres.

“9.6. A business certificate issued to a corporation certifies that the business that is referred to in the certificate and that is carried on by the corporation in the taxation year for which the application for the certificate is filed is recognized for that year, or for the part of that year that is specified in the certificate, as an international financial centre. It also specifies that the activities engaged in in the course of carrying on the business pertain to qualified international financial transactions.

“9.7. The Minister may issue a business certificate to a corporation if, for all or part of the taxation year for which the application for the certificate is filed,

(1) the business qualification certificate issued in respect of the business was valid; and

(2) the Minister is of the opinion that

(a) the activities of the business were related to qualified international financial transactions, and

(b) the activities of the business that are referred to in subparagraph *a* and, if applicable, the activities of another business of the corporation that are referred to in subparagraph *a* of subparagraph 2 of the first paragraph of section 2.6 required, at all times, the work of at least six individuals each of whom is recognized by the Minister as an eligible employee of the corporation, for all or part of the year or part of year, under an employee certificate or a certificate referred to in subparagraph 2 of the second paragraph of section 2.2 that the corporation obtained in respect of the employee for the year.

Where an individual is a specialized worker of the corporation for a particular period that begins or ends in a taxation year of the corporation, the following presumptions must be taken into account for the purposes of subparagraph *b* of subparagraph 2 of the first paragraph:

(1) the individual is deemed to have been recognized by the Minister as an eligible employee of the corporation for the part of the taxation year that is included in the particular period; and

(2) the corporation is deemed to have obtained an employee certificate in respect of the individual for the taxation year, under which the individual is so recognized.

“9.8. If the condition of subparagraph *b* of subparagraph 2 of the first paragraph of section 9.7 is not met for a particular period of a taxation year for which a business qualification certificate issued to a corporation is valid, the Minister may nevertheless recognize the business for the particular period provided the corporation shows, to the Minister’s satisfaction, that the situation is temporary and due to exceptional circumstances that are beyond its control.

“DIVISION III

“DOCUMENTS RELATING TO EMPLOYEES

“9.9. An employee qualification certificate issued to a corporation certifies that the individual referred to in the certificate is recognized by the Minister as an eligible employee of the corporation for the purposes of this chapter.

“9.10. In order for the Minister to recognize an individual as an eligible employee of a corporation, the Minister must be of the opinion that it may reasonably be expected that, from the date specified in the qualification certificate, the individual will be working full-time for the corporation, that is, at least 26 hours per week, for an expected minimum period of 40 weeks, and that his or her duties with the corporation will be devoted, in a proportion of at least 75%, to carrying out qualified international financial transactions as part of the operations of a business of the corporation that constitutes or is to constitute an international financial centre.

“9.11. An employee certificate issued to a corporation certifies that the individual referred to in the certificate is recognized by the Minister, for the purposes of this chapter, as an eligible employee of the corporation for the taxation year for which the application for the certificate was made or for the part of that taxation year that is specified in the application.

“9.12. The Minister recognizes an individual as an eligible employee of a corporation if

(1) the employee qualification certificate that was issued to the corporation in respect of the individual is valid;

(2) the individual is working full-time for the corporation, that is, at least 26 hours per week, for an expected minimum period of 40 weeks; and

(3) the individual’s duties with the corporation were devoted, in a proportion of at least 75%, to carrying out qualified international financial transactions as part of the operations of a business of the corporation in respect of which a business qualification certificate was valid.

“9.13. The duties of an individual with a corporation that are devoted to carrying out a qualified international financial transaction mean the duties that are directly attributable to the transactional process that is specific to the transaction.

However, unless they constitute in themselves a qualified international financial transaction, the individual’s duties that relate to legal affairs, communications, accounting, finance, taxation, corporate management, human and physical resources management, electronic data processing, marketing, messenger services, reception work or secretarial work do not constitute duties that are directly attributable to the transactional process that is specific to a qualified international financial transaction.

“9.14. If an individual is temporarily absent from work for reasons the Minister considers reasonable, the Minister may, for the purpose of determining whether the individual meets the conditions for recognition as an eligible employee of a corporation, consider that the individual continued to perform his or her duties throughout the period of absence exactly as he or she was performing them before the beginning of that period.

“DIVISION IV

“SPECIAL RULES

“9.15. The Minister is justified in revoking a business qualification certificate issued under this chapter if the Minister is of the opinion that the activities engaged in, in the course of carrying on the business referred to in the certificate, by the corporation that obtained it are no longer in compliance with the provisions or the objectives of the Act respecting international financial centres, whether or not the corporation contravened the provisions of the Act respecting international financial centres or of this Act.

“9.16. The effective date of the revocation of a qualification certificate or certificate issued under this chapter may not precede the date of the notice of revocation by more than four years.

“9.17. The Minister may, before issuing a qualification certificate or a certificate under this chapter or before amending or revoking such a document, obtain the advice of CFI Montréal — Centre Financier International or of any other body pursuing similar objectives.”
